Grant Boiling's PRESIDENT'S REPORT

Well what a year for the Milperra Colts!!

We went from the lowest of lows to the highest of highs. The 2017 year ended with the passing of Committee member and dear friend Vicki Cambey and early 2018 the passing of ex committee member Angelo Piazzetta. Both so sadly missed but will never be forgotten at the Colts for their hard work and dedication to the club.

We welcomed a new jersey for the launch of our 2018 season. This was a result of some new major sponsors to the club. I would like to personally thank Norm, Darren and his team from Lantrak not only for becoming major sponsors but for becoming friends and a huge part of the club.

Our Gala day this year was a day to remember. This was highlighted with a helicopter from Lantrak that landed at the ground during the day. Something the kids and adults loved! All our sponsors were involved in the day to make it the success it was. We can't thank them enough for this.

We also changed our other major sponsor to Panania Pub. Mark and his team have been fantastic during the season and the committee have enjoyed selling raffle tickets on Friday nights getting to know the patrons and making many new friends and raising much needed funds for the club.

On field we had teams from under 5's to under 15's, also welcoming our first ever all female team in the under 15 League tag competition. This was great to see and a very proud moment for me. I hope they all return next year and we can build on increasing the number of female participants.

We had several teams make it through to the semi finals this year and progressing to the finals. We had one team make it to the Grand Final which was our under 14's. Not only did they win this they went on to win the Immortals Challenge at Campbelltown the following week. Several of these players were picked for the Canterbury development side. Well done boys you make the club proud!

Many of these boys and our committee joined forces with Lantrak to help feed the homeless on Friday nights. This is a wonderful thing that Lantrak do and I encourage everyone to help out our sponsor by donating a couple of hours on a Friday night. It is something that makes you feel good to be able to help out others in the community.

During the season we held a pink day in memory of Vicki Cambey. The funds raised from this day were donated to breast cancer research. It was a great day and a wonderful way to remember our dear friend. Thanks to all the work the committee put into this day to make it a success.

Grant Boiling's **PRESIDENT'S REPORT**

One of the most exciting things to happen to the club was being named the Canterbury JRLFC club of the year. This is an outstanding achievement and was a team effort. This comes down to the club, committee, players, parents and spectators so thank you all. This award is for every single one of you! All the hours of set up, pack up, working the BBQ, canteen and the many other jobs it takes to run a successful club, we thank you!

After receiving this accolade we were informed that we were nominated by NSWRL to be the NSW club of the year. Some of the committee attended the night and to our surprise we won!! We are the number 1 club in NSW!!! This is truly a wonderful achievement and could not have happened without the hard work and dedication of so many people from the Colts! We are going to celebrate this award! We are the first Canterbury club to win this award so this is huge! Be proud to be a Coltie!!

However we aren't done there, our very own Secretary Dave Springall also won the Canterbury JRLFC volunteer of the year! What an amazing year! I would personally like to thank Dave for everything he has done for the club. He is not only part of the committee but a friend to many! Well done, Dave!

Thank you to all the committee for your tireless efforts, thank you to all our new and returning sponsors we could not have done this without you and lastly to the most important people of all – the kids! We have worked so hard this year to improve the standard of the club.

We are a family club, the children are a part of this family. We will continue to work hard to give you all the best of everything, all we ask is that you wear your green, black and white with pride and always represent the club to a high standard!

Enjoy your break and we will see you next year for an even bigger and better year!!

David Springall's SECRETARY'S REPORT

2018 marks a hugely successful season for the Milperra Colts on and off the field.

The Milperra Colts registered 11 teams in 2018 ranging from the Under 5s to the Under 15s. We had 155 registered players in 2018. Of these players 68 were new players to the Colts. It was really exciting to have the opportunity to welcome the girls playing in the Under 15s League Tag.

It all started way back in March with our first trial games against Minto Cobras. After another week of trials against Brighton, the season kicked off in April. It was great to see our players in the new jerseys. I would like to thank Tracey Bombaci for all her hard work organising the new playing gear for this season. This was a mammoth job and the players looked amazing.

The Milperra Colts celebrated a number of big events in 2018. Our Gala Day in May was a huge day. Visitors to Killara Reserve could visit many food and gift stalls, get a photo with the Super Hero Iron Man or Captain America. There were also some great games and Man of the Match medals for all teams presented by our major sponsor Lantrak. A huge thank you to Lucinda Cooke and her team for organising a great day that our club could be proud of.

The club also organised a "Wear Pink For Vicki" round. All teams played at home and wore special pink socks for the day. There was also fund raising including a huge raffle to raise money for breast cancer research. Well done to Nick Passalis, Vanessa Walshe and their team for organising a great day to remember Vicki Cambey.

To be announced the Canterbury Club of the Year and the NSW Grassroots Club Of the Year in 2018 were huge events for the Milperra Colts. These awards are due to the hard work of our whole Colt's Community. It is impossible to thank everyone that has helped out this season. However, below are some heartfelt thanks to some people who have done so much to make us the Club of the Year in 2018. In fact the Milperra Colts would cease to exist if not for all the dedicated committee members, coaches, trainers, managers and parents who give up their time unselfishly every week to enable our players to run around on the footy field.

Coaches and Trainers: Thank you to all our dedicated coaches and trainers in 2018. It was a privilege to watch your dedication to your teams and your willingness to teach the players the skills needed to play the game you obviously love so much. We welcomed several new coaches this years which included Steve Matai (Under 14s), David Towers (Under 12s), John Abouhaider (Under 5s) and Stephen Crawford (Under 9s). Scott Lane also put his hand up to coach the Under 8s for the first time in 2018. Our new trainers in 2018 included; Michael Allotta, Anthony Barrett, Dane Bathis, Jaydern Contreras, Richard Makdessi, Richard Regan and Andrew Renton. We hope that all our new coaching staff had a great season and will come back in 2019.

David Springall's SECRETARY'S REPORT

Managers: Often the busiest members of our community, a huge thank you must go to all our managers in 2018. From washing jerseys to organising parents to work in the canteen to keeping track of the time and scores on game day, you have all gone above and beyond the call of duty each week.

Parents and Families: A club does not have a successful season without the support of the players, parents and family members. At the Milperra Colts, we have a great community of helpers. Thank you to everyone who worked in the canteen or barbecue, helped set up fields, helped with special events, transported kids to games and supported our players in such a positive way.

Committee: My final thanks must go to a great group of people and friends who give up their time each week to make sure we have a successful club. These dedicated people work so hard and should feel proud of everything our club has achieved in 2018.

It was also a huge honour to receive the Canterbury Bankstown JRL Volunteer of the Year. This award is for everyone who has supported me over the years. As I said in my speech, this award is due to the hard work of so many people in the club.

There is so much to be proud of in 2018. We wish everyone a wonderful Christmas and New Year and hope to see everyone back playing for the Colts in 2019.

A COUPLE OF MY FAVOURITE MOMENTS FROM THE YEAR

On the Gala Day the players gave appreciation cards to the referees. Real sportsmanship in action. Thanks Sam Ross for making these great cards.

The Under 14s volunteered their time as part of the "Lantraks Dining With The Community" at St Marys.

The Colts celebrated at our 2018 Gala Day

In loving MEMORY

During this season, the Milperra Colts lost two much loved members of our community, Vicky Cambey and Angelo Piazzetta.

Angelo Piazzetta

Angelo served the Milperra Colts over a number of years as coach, trainer and committee member.

So many past and present players were welcomed by Angelo's big smiling face. Angelo's efforts were recognised by the club when he was named the Club Person of the Year in 2008.

He was also a good friend to many at the club.

Unfortunately Angelo lost his battle with brain cancer earlier this year. Our thoughts are with Judy, Vincent, Oliver and Christopher.

Vicki Cambey

Vicki Cambey was an extremely active member of our club as a parent, manager and committee member. Over many years.

Vicki selflessly gave up her time to allow kids to play Rugby League for the Milperra Colts.

Vicki sadly passed away from breast cancer late last year. Vicki was a good friend to many in the club and is sadly missed. Our thoughts continue to be with her husband Jeff and children Kailan and Holly.

During the season, the club organised a "Wear Pink For Vicki" Round. This weekend raised funds for breast cancer research.

John Abou-Haidar's UNDER 5'S COACHES REPORT

To all the parents just wanted to say a big thank you on behalf of myself and the coaching staff. From your help at training, the game and whenever the club needed us to pitch in with a hand. It has been a pleasure getting to know each and everyone of you. I have had your full support from the beginning.

All your children were very well mannered and behaved, they are a true testament of their parents. The kids are all so unique. With a mixture of personalities from really shy to really big personalities. It was also a pleasure getting to know all of them. It was a challenge and a goal I set myself early in the season to try and get all the kids up to the same skill level and concentrate on the kids that needed more work all while being as fair as possible to all the kids.

Although all the kids are not all on the same level, I am still very pleased with their development. The main objective was that they were improving week to week which I think we achieved. As a team, we managed to win the last seven games straight and only had three losses which were very early on in the season.

I am really excited for 2019 season and we have a heap of new activities for the kids to help them play as a team and with their skills and development. Also a real special mention to the trainers Danny and Richard for All their help throughout the year training the kids And on game day, I couldn't done it without them. And last but by far not least our superstar manager Angie for making sure everything was in order week to week, and by updating and educating me on the rules by yelling them out to me while I'm on the field lol, you're the best and thank you. We hope to see all the same playing group back in 2019. All the best.

Second Row: John Abou-Haidar (Coach), Isaac Aad, Rewi Levi Shepherd, Thomas Makedessi, Tomah Shepherd, Danny Mannah (Trainer), Angie Latimer (Manager)

Front Row: Jacob Abou-Haidar, Phoenix Price-Taimana, George Fear, Noah Smith, Jonathan Mannah

Absent: Jessica Fowler

Isaac is always eager to run the ball and make tackles.

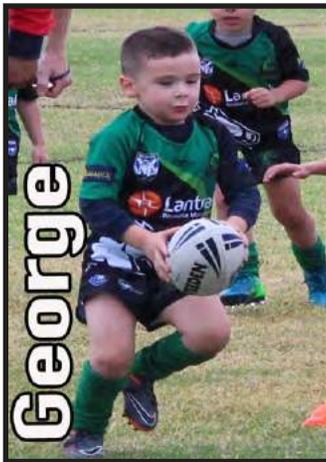

He has a fantastic goosetstep, great listening skills and always follows instructions without question.

All this was reflected with his great performances on the field.

Early in the season not wanting to run the ball because he didn't want to get his hands dirty, to becoming a real good runner of the ball towards the end of the season and making some real good breaks.

Towards the back end of the season he really started to get involved and build some momentum for 2019. Showed great improvement.

George was one of our most improved players, with high-level tackling technique.

He is a real solid runner of the ball and has an amazing hunger for knowledge of the sport.

He is constantly quizzing me on the field with lots of questions wanting to learn how to better his game.

Jessica is always smiling and happy, and willing to run the ball when asked of her.

She tries hard to make tackles. Jessica loves to share a story with me every week while we're on the field.

My little reminder that the game is about having fun.

"The tow truck", every time he runs the ball he drags at least three or four players behind him and never stops pumping his legs.

Thomas is always trying to get in there and make tackles.

He has great one liners and always cracks me up, he is so funny and the funny thing is he's not trying to be.

Johnny is a real high energy player, who is always excited to be at training and the games and always gives 100%.

Stand out for me was his willingness to put his body on the line for the team, and throw himself in front of the opposition to make a try saving tackle.

Phoenix

Phoenix is "The quiet achiever" who showed massive improvement from game to game.

She is another real strong runner of the ball who finished the season with good momentum.

I am excited to see what she brings next season.

Levi

Levi is a fierce competitor, who insists to be involved in everything.

He is a real strong runner of the ball with a great fend.

Levi is an even stronger defender, to the point where the opposition would run anywhere he wasn't.

Tomah

Tomah is by far one of our best at training, giving 100% every Thursday night.

2018 was a warm-up for him, getting familiar with the team and the rules.

I am really looking forward to seeing him come out of his shell in 2019.

I am confident that he is going to be a force to be reckoned with!

Noah

I've never seen little legs move so fast.

Noah is so competitive and eager to please.

He has great allround skills, is a good runner of the ball with a mean sidestep and is an excellent defender.

Above all else he never quits and chases right to the end.

Matthew Walshe's UNDER 6'S COACHES REPORT

The season of 2018 for under 6 Milperra colts team was a great year for all players and parents involved. I would like to congratulate all players on their performances and great sportsmanship during the year.

We had four new players join our team this year from last, and what a team it was. From blistering runs from all over the park to scoring great tries, to brick wall defence. It was great to see our team progress so far during the season.

The under 6 colts side has plenty of potential and will keep improving immensely as each year goes by. Dave and I had an awesome time with the boys and hope all players had as much fun playing as we did coaching and training. We hope to see you all return next year at Milperra colts for another season.

Thanks to Jane for doing a fantastic job as manager and thanks to Dave Hargreaves for all the great work and help as being the trainer.

Most of all thank you to all the parents and players.

GO COLTS!!

Second Row: Dave Hargreaves (Trainer, Mason Tighe, Junior Faioso, Korbyn Bathis, Matt Walshe (Coach), Jane Buxton (Manager)

Front Row: Jack Archer, Jesse Walshe, Thomas Buxton, Patrick Deegan, Blaine Fuller

Absent: John Moffat, Marley Taipari

Jack was one of the new players to our team but was a fast learner.

By midseason Jack was tackling like a trooper and scored a few as well.

He was a little fella with a big heart, he took on the big boys front on.

Can't wait to see you improve more next year.

Jack

This year the speed machine was at it again.

Korbyn has great football skills right across the park.

Korbyn did an awesome job for his team in different roles when needed like dummy half, winger or back line runner.

He has a great tackling technique and can score some great tries.

Korbyn

Thomas was playing his second year of footy for our team this year.

He has gained so much confidence and his game has improved immensely.

Thomas's tackling improved massively and he scored some great tries with a not give up attitude.

Thomas

Patrick is good at running the ball and helping his team mates in defence to put that runner on the ground.

Patrick is always keen to learn more skills and loves being part of the team.

I love the way he celebrates after a great run.

Patrick

Niu Jr had an awesome season.

The big fella had a heap of big runs every game and with his massive fend no one could stop him.

He scored some great long range tries and tackled like a true forward.

I can't wait to see what he has for us in the future.

Niu Jr

Blaine was another one of our new players this season.

Blaine loved playing with his team mates and loved running the ball, at times finding the try line.

He progressed well and could help in defence when needed.

Blaine

Well what can we say about Johnny. John was another new member to our team and what an asset he is.

John's tackling and defence reading was first class.

John scored a heap of tries with his blistering speed but the best asset was his cover defence.

Who knows what the future holds for this kid.

Marley had another great year for our team.

Scoring some great tries and tackling when needed.

Marley has some great ball skills and defence. For a kid that played up a age he didn't look out of place, Marley was right in there mixing it with the best.

Marley had a awesome season hope to see you back next season.

Mason wasn't new to the club but new to our team, and didn't he fit right in.

Mason has speed, ball skills and his tackling and defence was awesome.

Whenever there was a job to do Mason would have his hand up first to do it.

Great season see you next year.

Jesse's season was a massive improvement from last year.

I was very proud of Jesse on how he tackled and his running game with great stepping to find the try line several times.

Can't wait to see what he has for us in the future. Great season Jesse.

Hope you return next year!

Under 7's AWARD WINNERS

BEST AND FAIREST

A great year again from Levi.

This year we saw Levi further develop his fantastic tackling ability, his efforts this year defending the wing stopped many a break away try from eventuating.

In attack, Levi has also improved showing us his brand new tepping technique that left opposition grasping at air as he broke the line.

BEST AND FAIREST RUNNER UP

Mathew played a key role in the team this year as our main dummy half.

Mathew carved up the opposition when he had a chance to run the ball, pulling out some great steps in the process.

Mathew is never afraid to get in and tackle hard all game long.

COACH'S AWARD

Hunter really found his power and speed this year. He ran straight and hard at the competition and wasn't afraid to take a few hits in the process.

Hunter also stepped up his involvement in games, always being there to fill in for the dummy half and keep the attack rolling.

In defence, Hunter made some huge hits this year and supported his team mates by finishing off tackles.

MOST IMPROVED PLAYER

Eddie was by far the most dedicated player this year, at training and at the games.

Eddie helped organise the defence on field this year keeping our team spread out and moving up in a line. His tackling technique and ability improved tremendously allowing him to really shine in defence.

Eddie showed us speed and agility with his running style , a great utility player and all rounder.

Mace

Mace scored many tries this year by utilising his speed and strength to constantly break through the line.

Some of his legendary runs took a whole team to stop. As the season progressed, Mace also showed us that his skill in attack was to be matched in defence, once completing every tackle in a whole set.

What a sight to see!

Raymond

Raymond really got involved this year in both attack and defence.

Raymond made some great break away runs down the side line.

In defence, Raymond was always there ready to assist and finish off the big tackles.

His eagerness to play grew as the season progressed with his best performances happening in the last few games.

Corey

Corey was a leader in attack, often playing out of the dummy half.

He was very vocal in organising our runs, which was just what we needed this year.

Corey showed speed in attack and made some great runs by stepping and weaving from one side of the field to the other.

Corey made famous the post try celebration.

Brooklyn

Brooklyn showed us some very tough and quick running this year, he has a keen eye for spotting a gap in the enemies defence which led to him making lots of ground.

Defensively he has grown also, Brooklyn made many of our biggest tackles of the year and always got back up to do it all again.

Jacob

Jacob ran hard and straight all year, he kept his tackle count high and he played with passion.

Jacob always had a smile on his face off the field but a stern look of determination when he had the ball in his hands.

Many hit ups from Jake drew in half of the opposition, struggling to bring him down.

Nick Passalis' UNDER 8B'S COACHES REPORT

Logan Towers receiving his medallion for the Best and Fairest Canterbury Junior Rugby League Under 8s Division 2 Player in 2018.

The workhorse everyone needs in a league side.

Great foot work in attack and hard to stop, also improving out of sight in defence.

Anyone who had a first year in Rugby League like Zac is sure to go a long way.

With improved self belief in busting defensive lines he will be a handful with his size and strength.

Connor has a great running and passing game and helps organize the team well.

Always tries hard and has great pace that helped him get a few memorable tries this season.

Emily tried hard in attack and defence.

She was also great at dummy half.

She had a great first year and improved throughout the season.

Greg is at his best when he is running the ball straight down the middle of the field.

He has great size and strength which helped him bust plenty of tackles.

A great first year!

Another first-year player that showed plenty of talent particularly in attack with several hard, strong runs throughout the season.

His defence is improving and he always seems to be enjoying his Footy.

A great player to have in the team.

When Rorey gets serious, there is no one better in our team.

He runs hard and tackles hard.

Rorey scored, saved and set up plenty of tries this year.

Ruby is great at organising our team.

She is a great at dummy half and she always tries hard.

A great first year!

Stephen Crawford's UNDER 9'S COACHES REPORT

2018 for the Under 9s Division 2 saw many great moments both on and off the field. Two merging teams who week after week began to mould together as one.

As a new coach to the club, it was great to meet the players and see which level of skills they had obtained throughout their previous years, and begin to focus on areas which we can improve.

Being the team's first season in competition level, it was such a joy to watch their development and their desire to compete and be a strong opponent moving forward into their first semi-finals.

The most outstanding game of the year would have to be Round 16 against St Christophers. The lead up to this game was fairly average as during the week training spiralled into mucking around and practicing their Fortnite dances. This left Dane and I with little confidence we would get the result we were after heading into the match.

As a surprise to us they came out and dug deep for each other, worked collectively and came up with the win with the end result being 28-20, and set us up really well heading into the Semis.

Ashton Macdonald receiving his medallion for the Best and Fairest Canterbury Junior Rugby League Under 9s Division 2 Player in 2018.

I would like to thank the players for a great introduction into life as a coach, all the highs and lows of footy, which we all love and is what brings us back every year.

I would also like to thank Dane for offering great support and guidance to the kids, Katie for doing a great job organising everything throughout the season, and the parents who assisted with training when we were unable to attend.

I am looking forward to next season, and continuing to develop this awesome team.

Under 9's AWARD WINNERS

BEST AND FAIREST

It was fantastic to watch him use his skills and knowledge of the game.

He always thought of his team, and communicated very well out of First Receiver to get us closer to the line.

He would be in their face in defence, and always chasing down any opponents who break through, which saved a lot of tries.

BEST AND FAIREST RUNNER UP

Cameron had a great season, he was a delight to watch, with his big runs and crushing defence.

Always using his technique, and willing to listen on ways he can improve.

He put in a consistent effort every week.

COACH'S AWARD

Always the smallest on the field regardless of the opposition, but would always put up the biggest fight.

A real footy lover! A really powerful Dummy-Half with his cheeky darts, and evasive side-step.

Always there in support and to encourage his teammates. His willingness to listen and learn has lead Kyle to receive the Coach's award this year.

MOST IMPROVED PLAYER

After being out for a few weeks with an injury, Aiden came back really strong and was never shy to pull on the first receiver vest and always wanted to take the kicks for goal.

Good solid tackler, and his hard running lead him to his first try.

I am excited for him to bring his skills back next year.

Wyatt's Defence definitely became a strong point for him, covering all parts of the field and making sure no one would get past.

Great solid runner to help get the team on the right foot going forward, and always there to support his teammates.

Jett played well as an allround player, a strong runner up the middle, and can be very elusive out of Dummy-Half.

Always keen to get involved and had a great attitude towards training, which made coaching him rewarding to see the improvement throughout the season.

Lauren was a great member of our team, she listened to advice and ran out on the field giving her best efforts every week.

Stand out moment for Lauren was when she made a crunching tackle right on the sideline, pushing the player out, which followed with a loud roar from the crowd.

Kruz would always put in a big effort on the field, he never wanted to come off.

Explosive in attack, always breaking through tackles and very reliable with his defence.

Hope to have him as a part of the team next year.

Superb effort this year by Rowan.

As he gained a lot more confidence towards the end of the season, he dived into the games and gave it his best every game, and was very involved.

Great work Rowan.

Soulja has blistering speed.

Whether he was on the wing or in the halves, he would involve himself at every opportunity.

Great kid to work with, and would make the most of training to really develop his game, really has a lot of potential.

Kevin Chambers' UNDER 10'S COACHES REPORT

2018 was a fantastic season for the Under 10s who showed tremendous improvement over the course of the year. The team is filled with respectful and enthusiastic members which the club and their parents can be proud of.

The players showed up to training every night willing to take on new ideas and push themselves to their limit physically. We finished in a credible fourth place, (ninth last season) narrowly losing our semi-final to a team that had beaten us convincingly earlier in the season. Our aim was to encourage the team to play entertaining expansive footy combined with aggressive defence.

Our semi-final game was a great example of this. This team has an exciting future and is ready to take the next step.

Coaching is a team effort and everyone involved with the Under 10s are equally responsible for our performances. Many thanks to Hayley for her efforts as our manager making our team run smoothly and my job easier. Also, a big thanks to Niu Faioso for his efforts with our defence.

Joe and Anthony were a tremendous help as trainers. Thanks to all the parents for trusting us to coach and guide your children, it's a responsibility we take seriously and all love.

Bring on 2019!

Barry Ward's UNDER 11'S COACHES REPORT

Another great year by the entire team. We led the competition from start to finish throughout the regular season. It was a nice reward for the boys to win the minor premiership but unfortunately, we went out the hard way.

This obviously was a disappointing way to finish the year in this fashion but I still believe we had a fantastic year. The boys certainly gelled well together and were pleasing to watch as individuals and more importantly as a team.

As a coach, I can honestly say that I am very lucky to have a team of wonderful and respectful kids. To Col & Rob I again thank you for all your hard work throughout the year and I certainly could not be able to do this without you both.

A team manager is probably the hardest job within a team environment. Leticia, I cannot thank you enough for keeping the entire team on and off the field well informed throughout the whole year.

To the parents /families I thank you all for your support during the year. You should be very proud of your kids.

I look forward to coaching each and every one of the boys in 2019.

David Towers' UNDER 12'S COACHES REPORT

2018 started off very well with good numbers and the players seem to enjoy their new coaching and training staff. Jayden and myself discussed what we wanted to get out of this year and that was to see individual improvement in every player.

We were happy that every player did improve on their game but struggled to become a great team. The times that the team trained well we could see it on game day. We pushed the top teams and just missed out on the wins by goal kicking or letting late tries in. With a lot of distractions this year with injuries, players not turning up to training it hurt us as a team this year. The potential in this team of players was there and it's a shame that they will lose the girls next year.

I want to thank all the parents that helped this year by supporting us in a tough year. Thanks to Vanessa who managed the team well. You are great asset to the team and the club. Also, a great friend to support me the way you did through the season.

To Jayden on your first-year training, you did a massive job. It's not easy to train at any age but you committed every week and players had a great time with you. Thank you for your help, I hope you learnt a lot and keep training and teaching your skills to young players. To David Springall you brought a lot of players to the team this year and I thank you for your support and help throughout the season. Also to the other coaches, trainers, and executives of the club thanks you for your help and support. It's great when we all help each other out and not just focus on our own teams and it makes Milperra Colts a special club to be a part of.

Shontae is a great player with and without the ball.

It was a shame she didn't join us at the start of the season

Malia is a hard running and not too many players can get past her in defence.

In defence she improved throughout the season and is good team player.

Very hard to stop taking three or more defenders to get him down.

He loves footy and really encourages everyone in the team to work hard.

Made some good yards out of dummy half to get us up the park.

Tyler

Tyler played most games on our wing, and showed improvement towards the end of the season.

He is a fast player but didn't get much of a chance to use his speed throughout the season.

Kelly

Kelly only played back end of the season but gave his all to be a part of the team.

Good defensive player and his passing game is good.

Yousef

Yousef played his first year of football this year and loves running with the ball.

Raitu

Raitu is very fast and his defensive game improved as the season went on.

We missed him at the back end of the season.

Steve Matai's UNDER 14'S COACHES REPORT

We started the season with a narrow loss to St Johns Eagles who had won the Division Competition the previous year. We played them again half way through the season in Round 8 and managed to beat them, slowly we started to gel as a team.

We ended up finishing the season in 2nd place behind Chester Hill. We lost our first semi-final to Chester Hill as the boys did not play their best on this day however, made it up the following week in the preliminary final against St Johns where they were forced to stop the game at half time due to injuries propelling us into the Grand Final against our nemesis Chester Hill where we took out the premiership by winning 30-22.

By winning the competition we had the honour of defending the title at the Conference Championships where we played Concord first round and won on the last kick by Jake kicking a goal that no one wanted to take.

The final was against Chester Hill AGAIN and we demolished them to become the Conference Champions.

Some boys had an excellent game, including Solomone playing with a fractured leg, of course he had to as his dad was helping out with the coaching which we would like acknowledge.

Some of them included where all the boys went to Steve's house on Colts Gala Day, where they had a ball watching Paul (Brandy) playing Fortnite and having lunch afterward than walking down to Killara for the game.

The other highlight was when the boys attended to help feed the homeless at St Marys with Lantrak, where they were all helpful and gained our respect.

We would like to say a big thanks to Tracey for being our manager and organising many events, Joe for the massages, Joe (Solomone's Dad) for helping out at training and some games, Barry & Dave for cursing our game with Chester Hill, Nick and Scott for their contribution and lastly Rob for training and carrying all the water bottles.

Hopefully the boys have learned something this year and they can all come back bigger and better in 2019.

BEST AND FAIREST

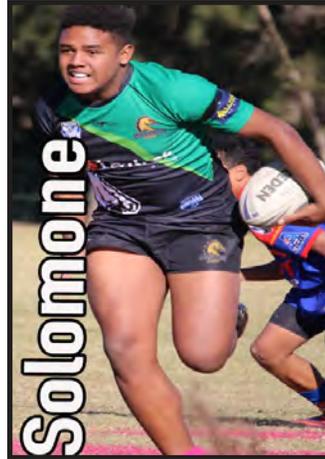

Paul

Paul was our leader this year, being our captain he stepped up every game and all the boys followed his lead.

He is very damaging in attack and will take on 3-4 and get out the other side most times.

Watch out for this one in the big league.

BEST AND FAIREST RUNNER UP

Solomone

Sol was well contained by most sides this year but still found a way to break down the defence with his strong and powerful runs (legs lol) and finding the line in most games.

He was very adaptable throughout the changes in positions from Fullback to forwards and made the most out of each.

He is also another one to watch out for in the future.

COACH'S AWARD

Isaiah

He was a stand-out player that took many head clashes for a great tackle that resulted in a hyena laugh that had us all a bit concerned HAHAHA.

He was damaging in defence and he is definitely one to look out for in the NRL.

He has a great attitude on and off the field and loves to dance and listen to music in his own mind.

MOST IMPROVED PLAYER

Jake

Strong defence, he never let his team mates down with his strong attack.

His back injury let him down but he never gave up.

Lisiata

Strong and powerful runner out wide.

Rejoined the Colts this year and fitted straight back in with the boys.

He is a great player that never stops and never gives up.

Lajuan

Lajuan is the type of player that needs to have his hands on the ball.

Has a great step and very solid in defence.

Sean

Sean is the type of player that will give 100% when he is on the field.

He is very versatile and can play many positions when asked.

Had his best game at the Final of the Champions Cup on the wing.

Harrison

Harry was really good towards the back end of the season, a big step up from division 3 last year.

Always gave 100% for the team.

Iverson

Iverson attracts all the players to him due to his great attitude and style both on and off the field.

He has a great footy mind and is not afraid to try new things and can read the play before it even happens.

He is a great player to watch and always sets up great tries.

Tim

Tim is the type of player that will turn up to training, do his job without question and following orders.

Does his job on the field and tries hard to fill his position.

Will gain more experience playing in the Gold division.

Angus is a very quiet boy that has a great speed and is very strong in defence and won't let his team mates down on the field.

Always turned up to training and is a very versatile player that when put in any position will adapt with ease.

Siti (aka Steve) who is a gentle giant and does not realise how damaging he can be, is hard to tackle however just needs to gain more aggression on the field and stop laughing at everything (just kidding).

Come back stronger and fitter next year to makes us

Levi is a very quiet boy who is liked by all the boys and is very athletic and strong.

Coming from soccer to Rugby League he was one of the most improved players who took all the training and implemented it in the games.

Konan had a very good year, with strong defence and gave a 100% in every game.

He had a few injuries and if he was fitter could be more damaging and a threat to other teams.

Aka Lui who joined us from Greenacre, fitted straight in with the Colts.

He is a very polite boy who can be very damaging with his defence and strong runs.

The type of player that will improve over the next few years playing in the top grades.

Brendon is one of the fastest in the team alongside Paul, just needs to gain more confidence and self-belief in himself.

When the pressure is off he comes through brilliantly and at training when its muck around (clown).

He should improve with more experience and training.

Brock was new to the Colts this year and fitted straight in with all the boys.

Very strong in defence and would put his body on the line every week.

He was also very vocal on and off the field and even managed to play with a fractured finger for a whole game.

Mick Pascoe's UNDER 15'S COACHES REPORT

We started the season in good shape with 20 players and we won the first 3 games but then the wheels fell off a bit with a few consecutive losses.

With that we started to not turn up to training and some weeks not getting a full team to the games, but we got ourselves into winning form and gave ourselves a chance to play semi-finals footy, but again we had attendance issues which ultimately cost us a chance to play semis.

Good performances from Patrick all year, who was very consistent and got a chance in the development squad which was well deserved.

Also Mas' first year with the club gave everything he had week in week out and Mitchy another new kid to our team was very good as well little Dylan Foat who contributed strongly every week.

Very interesting year that could have been more successful if all 20 team members put in a bigger effort.

David Harrigan's UNDER 15'S GIRLS LEAGUE TAG COACHES REPORT

Welcome to Milperra Colts girls! I'll start by saying how proud I am to have been able to coach the first girls' team for Milperra Colts and offer sincere thanks to Danielle Lane for putting in the effort to get the team off the ground and running – without her work to get a team together it would not have happened. The game itself is a hybrid of Rugby League and Oz-Tag with no contact and no scrums, apart from that everything else says its Rugby League. 8 players take the field with unlimited interchange for 20 minute halves. For a group of girls that came together from varied sporting backgrounds they gelled quite well and developed as a team quickly. We missed out on making the finals but it wasn't through lack of effort.

Our first game together was an exhibition match at Belmore Sports Ground at half time during a Bulldogs v Titans match and we walked away with a win although it wasn't counted in the competition. The girls showed that they had the will to work together and there were promising things to come. The first official game of the season saw the girls suffer what would end up being their biggest defeat and from there on they improved week by week to the stage where 1 more win would have seen them make the final 4 however that wasn't to be.

The best part of the season for me was the fact we had our best result at home on our Pink Day for Vicki Cambey. The girls went on to win 34-16 and put on a great show for the crowd that watched them. Each game played saw a different girl stand out during that game. There were signs of good teamwork and flashes of individual skill that showed there is something that can be worked on. All in all, at the end of each game there were smiles and laughter and that's what it's all about – getting involved and having fun and enjoying the game. Thanks to all the girls that played the season and thanks to Alison Lane, Danielle Harrigan, Scott Lane, Dane Bathis & Rob Windschuttle for their help at training and games. Let's all come back in 2019 and do it all again....

Flashback 10 YEARS AGO IN 2008

In 2008, Fred Hagan was president of the Milperra Colts for the 15th straight season. The Colts fielded 9 teams in 2008 (Under 6s -13s). For the first time in eight seasons, the Colts were able to field two Under 6 teams in 2008.

The club unveiled a new playing jersey that according to the Year book was well perceived in the community. The 2008 Year book also noted other improvements to the clubhouse including the introduction of Foxtel, gas heaters, and hot dog nights making the winter nights seem more bearable.

In 2008, four teams made the semi finals the under 7s, Under 8s, Under 11s and Under 13s division one team. The Terry Beale coached Under 11s team were minor premiers in 2008 and won their Grand Final convincingly against Regent Park Pumas 42-4.

Terry Beale wrote in his year book report, "This was a decisive result built on great enthusiasm and commitment, and was a just reward for the boys' efforts".

The team managed to score 516 points for and only conceded 292 points throughout the season.

In 2008, the leading point scorer for the club was Corey Driver from the Under 8s. He scored 112 points in the season. He was closely followed by Under 13s player Brendon Cox who scored 106 points in 2008.

Flashback

20 YEARS AGO IN 1998

In 1998, the Colts fielded 10 teams this season and five teams made the semi-finals (7s, 9s, 11s, 13s, 14s). The Under 7s finished the season in fourth position after winning 8 of their last ten games. Unfortunately lost the minor semi-final to St Christophers 9-26.

The Under 9s finished fifth and lost their Preliminary final to St Lukes 15-25. The Grant Davis coached Colts Under 11s finished in fifth spot which meant that they qualified for a playoff against St George Dragons. They won this playoff 45-17 and won the Preliminary final against St Johns (32-14) and the minor semi-final against East Hills (25-0). Their season ended when they were beaten by Bankstown Juniors 29-19. Future Canterbury first grader, Tim Winitana, scored 197 points (41 tries) while playing for the Under 11s.

The Under 13s finished the season in third spot and won the minor semi-final against Bankstown Juniors 22-16. Unfortunately they lost the final to Berala Bears 4-16 The Under 14s made the Grand Final in 1998 and scored an amazing 610 points throughout the season. This team contained future Canterbury first grader Trent Cutler who scored 146 (18 Tries, 37 Goals) points throughout the season. Unfortunately they lost the Grand Final to St Johns 8-40.

Another highlight of the 1998 season was the club's great performances in the Canterbury Junior Rugby League Athletic Championships. The Milperra Colts finished first in the Under 11s Relay, second in the Under 6s relay and third in the Under 9s and Under 12s relays. We also had first places to Tim Winitana and Michael Honeyman in the individual races.
