Grant Bolling's PRESIDENT'S REPORT

Once again it was a great year for the Milperra Colts, we had our ups and downs like most years but overall it was a great year.

For the first time in Colts history we had two female teams. It was the second year for our League Tag girls and the first year for our Under 14's girls tackle side. Our League tag side made the Grand Final. They didn't take away the win, but we were incredibly proud of each and every one of them. Our Under 14's made the final with 9 players that had never played Rugby League before. An outstanding effort girls!

The Under 9's Div 3 had a great year this year making the grand final but did not get the grand prize. This team has come a long way in a short time

I have seen this team grow from strength to strength over the last 2 years, Scott and his coaching staff should be proud of their efforts.

Our Under 11's Div 3 took out the Grand Final in style with a very convincing win. Kevin and crew have been working so hard that it was wonderful to see this day happen for them all.

Our Under 15's Gold made the Grand Final as well but unfortunately didn't take out the win however the effort the boys put in was commendable with many of the boys being chosen for representative football with Canterbury. Well done to all of you.

They have a great bunch of kids and I am sure they will get the results they deserve.

There has been a lot of work going on around the club as many of you would've seen. The male and female toilets have been upgraded, the clubhouse being refurbished, a new canteen and a new score board.

Many of these have been on our wish list for years. We also purchased a new Gator which has been a huge help for set up and pack up.

We had some great events this year also. Our Legend's lunch was first class with Matty and Andrew Johns as well as Brett Finch. Our Gala Day was a huge success, one for the record books. Everyone had a wonderful day and the fireworks at the end finished off what was one of the most fun days the club has ever had. The kids faces made all the hard work worthwhile.

An extremely sad part of the year was the passing of one of our Under 11 players Jai Bruynius-Greene. Jai's parents asked if they could hold his funeral service at the club and this was an absolute honour to farewell Jai at one of his favourite places. Jai was able to attend his teams Grand Final only a few days before he passed and held the winner's Trophy high. He was so proud and there wasn't a dry eye at the game. His teammates coach and everyone at Milperra Colts will miss Jai so much. He was a character with a great sense of humour and was so important to the Under 11's. His family is always welcome at our club with open arms.

Grant Bolling's **PRESIDENT'S REPORT**

So, with another season over we look forward to season 2020. This will be one of our biggest yet with the club turning 50. I hope everyone can be part of our huge celebration and make 2020 a year to remember.

I would like to take this opportunity to thank some very special people. Barry Ward in particular who has worked tirelessly this year to get our clubhouse to where it is today. Without him it just wouldn't be where it is now. He has been a great support to me especially when I was unwell. I didn't have to worry knowing the club was in great hands. Also, to Dave Harrigan who took on a new role this year and has been a huge help to me, my executive who are amazing and the wonderful committee who are so committed to our club and to the brilliant helpers that made everything just happen during the year. You are all very special people!

If anyone is thinking about joining the committee, please do it, you won't regret it, we are a family and look after each other. I hope everyone has safe and happy off season, enjoy the Christmas break and we look forward to catching up with you all in 2020

Milperra Colts IN THE NEWS!

The Milperra Colts received some international press coverage late in the season due to the success of two former players. Steve Price (Warrington Wolves) and Justin Holbrook (St Helens) went head to head in the prestigious Challenge Cup Final in the English Super League.

The pair were interviewed by several news outlets and took a stroll down memory lane, reminiscing about the time they won the Under 7 Grand Final in 1983. The team was managed by Steve's father "Chicka" Price and coached by Steve's uncle Neil Johnson. Ultimately, it was Price's Warrington Wolves who won the match at the famed Wembley stadium, with the underdogs defeating St Helens 18-4.

It would prove to be a successful season for Justin Holbrook however, with Saints winning the Minor Premiership and defeating Salford to claim the Grand Final. It proved to be a fitting finale for Holbrook, with, Justin signing to coach the Gold Coast Titans in the NRL next season. We wish both men continued success in their coaching.

DID YOU KNOW?

The St.Helens connection isn't just limited to Justin Holbrook , with Colts Vice President Barry Ward representing Saints in 2002. Similar to Justin, Barry's team were defeated in the Challenge Cup Final, but would prove victorious in the Grand Final against Bradford.

In loving MEMORY

During the season, the Milperra Colts lost a much-loved member of our community, **Jai Bruynius-Greene**.

Jai first came down to Killara in 2017 to join our under 9's team. At the time I had no idea of the impact this cheeky kid with the big smile would have on our team, the coaches and parents. His Lion like courage and bravery was also hidden.

In defence Jai would meet the attackers the same way he fought Cystic Fibrosis, head on, shoulders first and around the legs.

He'd get knocked down but would courageously get up, brush himself off and get ready to go again. Unfortunately, as the season progressed Jai's illness got worse, but he continued to play and train. Jai didn't have to train but taking short cuts wasn't his way. A glimpse of the lion emerged. Eventually Jai's condition would end his season and prevent him from playing in the Grand final he had worked so hard for.

Jai was fortunate enough to receive a double lung transplant which should have given him a chance at a new future but would likely stop him from playing footy again. Incredibly after only a year of recovery Jai ran out in the first game of the 2019 season. The Lion had emerged. That moment will never be forgotten. The little champion had overcome incredible odds to fulfil his dream of playing footy. In true Jai fashion he believed he didn't deserve the Player of the Day Trophy that he won that day.

He only played five more games before Cystic Fibrosis would hospitalize him again. It looked like Jai would miss another Grand final.

Jai overcame the odds once again and supported by doctors, nurses and paramedics Jai finally made it to his first Grand final day. With the team's help Jai received the Winner's Trophy. The cheeky bugger got the ambulance to go through Drive thru Maccas, a first for an ambulance.

Jai's memory will live on, his story a true inspiration to all. His legacy will be that he helps other kids find the strength within themselves to face all challenges.

Jai called me coach, but he was the one doing all the teaching. We will never forget you Champion. RIP.

John Abouhaidar's UNDER 6B'S COACHES REPORT

Once again another awesome season, the kids and families really loved and enjoyed their footy this season. Always a pleasure to gather with the kids and parents at training and on game day and catch up. The support and respect I receive from the parents and children is amazing and humbling.

It is my pleasure to coach all my children, the parents have shown full trust in me to teach and coach their kids the way I feel right which I am truly grateful for. I heard Craig Bellamy say once, "what makes a great coach is great players". I thought that was so true, the kids are so well disciplined, respectful and have great attitudes and values which come from their parents and make me appear to be a good coach LOL, but in fact it is all them.

I'd like to thank all the coaching staff, Angie with all her managing tasks and always making sure the boys are there at training and pulling them up every time they get out a line LOL. Richard and last but not least Danny, who is ever reliable and always willing to try out new drills and my crazy ideas, always supporting me with what I want to do with the team. Always willing to have long yarns about how we can improve the team and individuals. We have a laugh from time to time about our expectations and remind ourselves what age group they are. The team gained so much momentum towards the back end of the season and I didn't want it to end, really looking forward to 2020. We have a whole lot of new ideas and things we want to work on with the kids next year.

I hope to see all the same playing group there next year. Once again thank you to all involved for a great season. Coach John

Second Row: Angie Latimer (Manager), John Abouhaidar (Coach), George Fear, Rewi Shepherd, Thomas Makdessi, Jessica Fowler, Richard Makdessi (Trainer), Daniel Mannah (Trainer)

Front Row: Jacob Abouhaidar, Tomah Shepherd, Phoenix Price-Taimana, Jonathan Mannah, Noah Smith

Every player is the **MVP** in Under 6's**Tomah Shepherd**

As anticipated and expected this was Tomah's break out year. From being one of the best at training last year week in and week out and not been able to get him to translate that on the field. It was a massive transformation, scoring well over 15 tries and really getting involved. He promised me at the end of last season that he would play footy this year, he most definitely kept that promise. Super proud of how far he has come.

**Phoenix Price-Taimana**

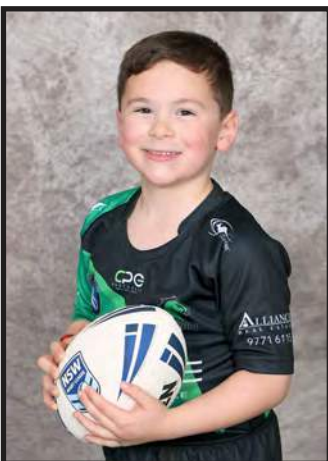

My quiet achiever, without fail or question always does what I ask of her. Super tuff and holds her own with the boys. Very impressive considering she is playing up a year. She has always been a natural runner of the ball but showed massive improvement this year particularly in the tackling department, excellent attitude and a real pleasure to coach.

**Jessica Fowler**

Showed great improvement this year, late in the season her family went away on a holiday, But I'm convinced they took her to a rugby league clinic. She came back with a sidestep, a palm and was running the ball like a bull. Scored a fantastic memorable try late in the season, she had all the parents and our supporters up on their feet screaming at the top of their lungs cheering her on.

**Jonathan Mannah**

Still bringing that real high energy and eagerness. One of our loudest and always excited to train and work hard. He can't wait till training starts and is always upset when it's over. Always trying super hard and striving to be better. He has taken his defensive game to the next level, with a fantastic tackling technique. And developed a unique goose step along the way.

**George Fear**

Still quizzing me with queries on how to improve his game. Works extremely hard at training to perfect every aspect. Always eager and keen to have a run and get involved in the game, letting me know exactly when his run is next. Very calculated and holds me accountable for everything I say, keeps me on my toes. God help me if I don't do what I say LOL. Showed massive improvement this year.

**Rewi Shepherd**

Levi is a naturally talented and gifted footballer. He possesses a lot of strength, speed and the right desire to back it up. Apart from his outstanding effort and achievement this year on the field, what impressed me the most this season was his discipline and attitude off the field. His ability to follow and carry out instructions, showed massive personal growth in comparison to past seasons, extremely proud.

Every player is the **MVP** in Under 6's

Noah Smith

Always greets me with a heart filled hug, always smiling and happy until he steps foot on that field and then his game face comes on. He has a real competitive nature and loves the contact and is always up for the challenge. He is our smallest player with a massive heart, plays as though he is 7 foot tall. Has a great all-round skill set. Always looking for my approval and has it. Never gives up on a play or quits.

Thomas Makdessi

Our future prop, no concept of self-preservation or danger, always runs hard without fear and with plenty of determination. Throws himself into tackles and always willing to put his body on the line for his team. Excellent attitude and very disciplined. When focused a force to be reckoned with. Never argues and always does what's asked of him without question.

Jacob Abouhaider

Took big steps forward, confidence grew throughout the season. This was evident in a number of long distance tries where he swerved and skewed his way through the opposition, as well as his willingness to get up and play the ball quickly after some big tackles. His attitude to defence also improved, with many times him being the first off, the line to meet the ball runner. Very proud of his progress.

Carl Strauss' UNDER 6W'S COACHES REPORT

2019 was a great and memorable year for the under 6 W team who were all playing in their first ever season of Rugby League. They were fortunate to be part of the Superhero Round and the season was capped off with the inaugural Terry Lamb Gala Day at Belmore Oval. They played 6 short round robin matches on the iconic ground while they met the legend himself and each player received a signed jersey!

The team showed great potential and displayed they were quick learners right from their first trial game. They played tough and fair throughout the season, there were many highlights with awesome efforts, scintillating tries, sensational tackles and passion exhibited each game by all the players. The emphasis being fun, active participation for all and good team spirit.

It was satisfying and a pleasure to coach such an energetic and enthusiastic playing group while seeing their skills and teamwork develop. It wasn't all smooth sailing though with a mix of cheers, tears and much needed beers along the way! (In that order, with the beers consumed responsibly of course as an end of season team lunch celebration at the local club).

Thank you to Jacqui for managing the team, her positivity, organisation, regular communication and updates for the side. Thank you to Dan for being trainer, for filling in as coach when necessary, your knowledge and experience is appreciated. Thank you to Charbel for filling in as trainer on the Superhero and Gala Days and for his "motivational pep talks" for the team. Special mention to coach John from the under 6 B team for his help, support and encouragement for our new team too. All the parents/families have been amazing and supportive. We have been blessed to have formed a cohesive and united team. Special mention to those who regularly helped the team at training, pre - game such or assisted in any way such as Mitch, Ash, Henare and Co. Thank you to all the committee members and volunteers for all their time and hard work to make this all possible and for the team to have such opportunities.

Finally, I hope all the kids had an enjoyable and positive first year experience playing Rugby League. Hope to see you all back next year!

Second Row: Jacqueline Cornforth (Manager), Carl Strauss (Coach), Lennox Berry, Lawrence Nukunuku, Maliyaan Compton, Ash Morrell-Pomare, Daniel Belmonte (Trainer)

Front Row: Joseph Dougal, Charlie Strauss, George Baroud, Keanu Belmonte, Charles Faioso

Every player is the **MVP** in Under 6's

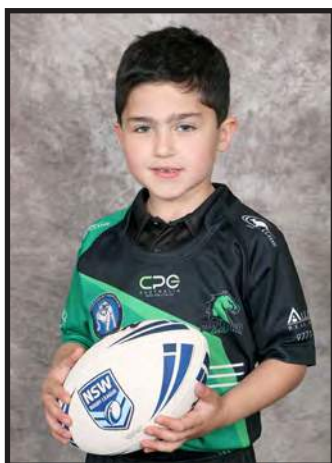

George Baroud

Gentle nature off the field, transforms into a real tough competitor on game days. A great workload in defence, always gives 100% effort and scored some memorable tries. A good listener who was a delight to have in the team. Finished his season with outstanding performances on the Gala Day. An emerging talent and a player to look out for in 2020!

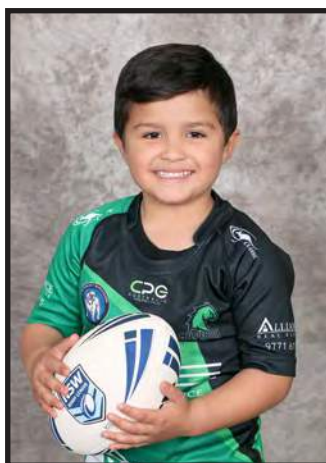

Ash Morrell-Pomare

Well suited to Rugby League, possessing speed, strength and toughness. Used to the physicality of contact sports, training in MMA. A try scoring machine with opposition teams having great difficulty stopping him. Gained more confidence in defence towards the end of the season pulling off some great tackles and becoming heavily involved in all aspects of the game.

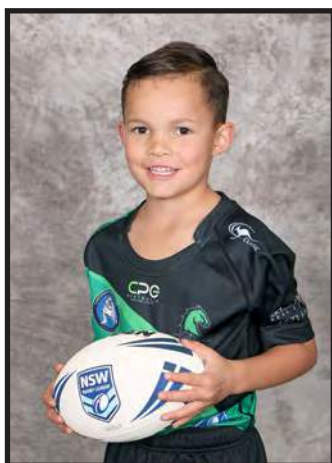

Charlie Strauss

The team's top try scorer, an athletic and dynamic player who knows how to find space and beat defenders. A busy and capable defender too producing many great efforts and try saving tackles. Loves the game, has a competitive spirit, just needs to develop his discipline to match his talent.

Joseph Dougal

A strong runner with the ball, making plenty of determined charges throughout the season resulting in plenty of tackle breaks and some great tries. A capable tackler who is an attentive listener and consistently trained well. Displayed good sportsmanship, a pleasure to coach and has a great attitude.

Maliyaan Compton

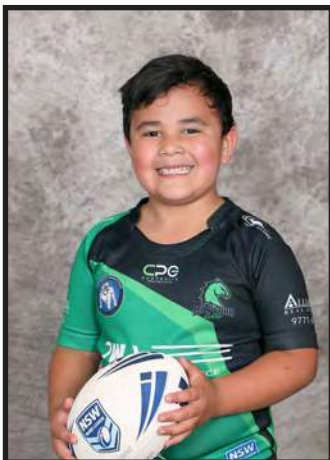

A natural Rugby League player with exceptional tackling skills, technique and instincts. Led the way with his defence, saving countless tries and also scored plenty of tries throughout the season. A consistent and reliable performer with his positive approach and energetic displays. Great attitude and enthusiasm for the game. A pleasure to coach!

Charles Faioso

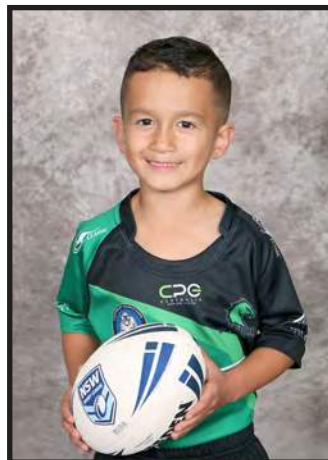

Arguably was all of the following: The youngest, smallest, cutest and most courageous player in the team. Playing two age groups up, he was inspiring with his positive attitude and whole - hearted efforts. Already has developed a strong fend, which he used to great effect and pulled off some solid tackles. An exciting player to look out for in the future, watch this space...

Every player is the **MVP** in Under 6's

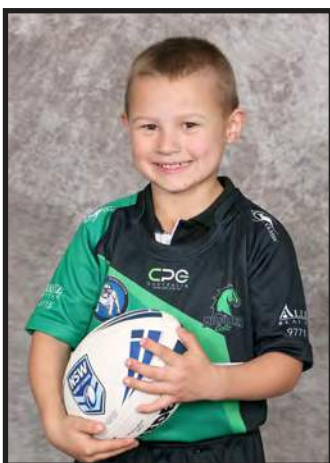

Lawrence Nukunuku

Naturally strong, frequently making tackle breaks with every run and requiring numerous defenders to bring him down. Scored some nice tries with determined running, also made some great tackles and efforts in defence throughout the season. Another player who ended the season on a high note with impressive performances at the Gala Day.

Keanu Belmonte

Master "Razzle Dazzle" with electrifying footwork, agility, speed to burn and natural attacking flair. A real attacking weapon with ball in hand, he scored many memorable tries throughout the season. His confidence and involvement improved with tackling towards the end of the season. Shows great potential.

Lennox Berry

A strong all - round game, great defender who produced spectacular tackles throughout the season with an excellent and effective technique. Scored lots of impressive tries with a good mix of speed, strength and evasion. A consistent and solid performer who always played well in matches.

Matt Walshe's **UNDER 7'S COACHES REPORT**

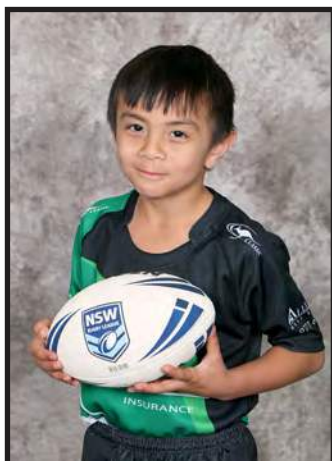

The under 7 Milperra Colts had an awesome year for 2019. The team played fantastic all year only losing one game. The boys played strong every game with some textbook tackles and length of the field tries. They have improved immensely from last year. Dave and I have thoroughly enjoyed coaching and training the side. I can see big potential in the future. I hope all the boys return for another run next year. I would like to thank all the parents, Dave and Jane for their support all year.

MOST IMPROVED PLAYER

Jacks defence improved into the back end of the season making some crucial tackles when needed.

With his big busting runs and great ball skills with off loads.

Junior is a very important part of our team.

See you again next year.

Kane McBride's **UNDER 8'S COACHES REPORT**

What a season the Milperra Colts u/8's delivered in 2019. Every single player in the side should be proud of the effort both on the field and at training.

At the beginning of the season we were struggling to find the numbers to take the field, starting the pre-season with only 6 players, but we hung in there and with the great support from some key member of the club we managed to grow that number to 11 just a few weeks into the season.

Many games this year were won off the back of our great defence, the whole team really stepped it up to show some heroic toughness and stamina throughout. For a group that was only just getting to know each other the team spirit amongst all the kids was strong!

The team was brilliantly managed by Samantha Ross who did a great effort in organising the scoring, administrative and communications side of the season. On behalf of the kid's parents and myself, thanks heaps for all your hard work Sam! The Training and Coaching was done together by Andrew Renton and Myself. Andrew is a great asset to the club and the kids, always there to help in any way that he can, somebody give that man a medal will ya? Thanks, from the whole team and a big thanks from me mate, I couldn't have done this year without you!

Thanks to all the parents and families for being part of the team and part of the club.

Mate as always you are a hard worker on the field in all aspects of the game.

This year we saw you step up your hard running and punishing tackling.

Thanks for the effort and leading us.

Eddy Abboud

When you first started, I could see that you were not 100% sure of your power in attack. By the end of the season you were a steam train mate, good on you and keep on pushing.

Raymond Abouhaidar

Great work from you in your tackling this year mate. I can really see the more confident you get, the more the other side better watch out !! Good stuff buddy and thanks for the comedy routines at training.

Harlem you're a powerhouse full stop... this year you started with a cast and a limp but finished with great ball work and terrific strong running, keep it up.

Hunter McBride

Nick Passalis' UNDER 9 DIV 2'S COACHES REPORT

What can I say we started the season with a great win and finished the season with a great win.

I enjoyed the season particularly watching these boys work hard and be competitive in every game even when we had no reserves and played short at times. Please keep your heads up because alot of our games could have gone either way and we could have easily played semi-final footy.

A BIG thank you to my trainer David Towers for helping with the training duties and the team cannot run as smoothly as it did without the tireless efforts by the best manager in the club, thank you Sam Ross for all your hard work. Also, a big thank you to all the players from the Under 8's & other 9 side for helping us out this year. See you all back next year.

Second Row: Nick Passalis (Coach), Logan Towers, Jordan Allotta, William Ross, Dave Towers (Trainer), Samantha Ross (Manager)

Thanks for your SUPERB year and loved watching you play, see you next year.

BEST AND FAIREST RUNNER UP

Mikhail-James Darnley

Mikhail's first year as a colt and I definitely hope it's not the last what a great addition to our colt's family.

Mikhail had a fantastic year in both attack and defence. Is one of our popular members of the team and showed this year he is also one of the quickest. Well done on a great year see you again next year.

COACH'S AWARD

Rorey Fuller

Rorey one of our speedsters in the side. Scored some great long tries this year with his sheer pace and was our dummy half for most of the year.

His defensive work improved and provided some memorable moments.

Well done Rorey on a fantastic season in both attack and defence.

MOST IMPROVED PLAYER

Josh Cartwright

Josh showed us this year that he had plenty of heart and put his body on the line to make some tackles that needed to be made during games.

Always gives his best on game day and scored a few memorable tries this year. Josh has improved out of sight in both attack & defence.

Well done Josh see you again next year.

William Ross

Billy is a player that is passionate about the game of rugby league. He is getting better and better as he gets older and had a fantastic year in attack with some solid/hard determined runs this year.

Billy you should be proud with the great year you had, and you will get better and better with age.

Aiden Passalis

Aiden is one of our tackling machines in the team and always leads by example in defence. He is also our talker/organiser on game day and bleeds black & green.

This is Aiden's 5th year for the colts and loves nothing better than getting his body in front in defence. Great year little mate.

Jordan Allotta

Played his 4th season with the Colts and had a very good year. His attack is great and scored some excellent tries with his elusiveness this year.

Also, his defence has improved over the years. Well done Jordon on a great season, hope to see you back next year.

Dane (DJ) Bathis

One of the smallest players in our squad but definitely one with a big heart. Ran straight and hard in attack and is not afraid to put his body on the line in defence.

Great job DJ keep playing footy and hope to see u back next year.

Scott Lane's **UNDER 9 DIV 3'S COACHES REPORT**

These kids took us on a brilliant journey this year. At the beginning of the year we were a team hoping to make the semi-finals and by the end of the year we were grand finalists.

The improvement made throughout the year was a credit to the kids with the effort they put in at training and on game day and a credit to our trainers, manager and every parent in our team. I believe we have a team full of potential for next year and hope all come back for another year in the under 10s.

Second Row: Marcel Eid (Trainer), Scott Lane (Coach) Laurent-Rae Ioane, Isaac Hamon, Zachariah Eid, Ruby Lane, William Hamon (Trainer), Shannon Ioane (Manager)

Front Row: Daniel Zoabi, Emily Buxton, Jordan Goymour, Zeppelin McBride, Connor Regan, Xavier Ellis

Under 9 Div 3's **AWARD WINNERS**

BEST AND FAIREST

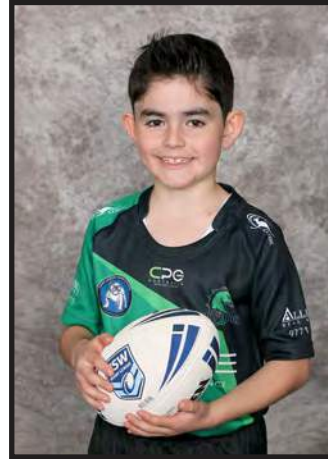

Ruby Lane

Ruby put everything she had into every game this year, she was tireless in attack and defence.

A consistent help for me to relay messages and to get the side ready for the next play. Our best talker and organiser this year.

Our Best and fairest this year is Ruby, it was very impressive to see an Under 9s team doing X's and set moves this year with her help.

BEST AND FAIREST RUNNER UP

Danny Zoabi

Another dummy half with great vision, no one can make you pay like Danny if you turn your back on him.

Danny's defence is second to none, he is tenaciousness and his intensity is inspiring.

Best and Fairest Runner up but only very closely, absolute stand out this year.

COACH'S AWARD

Zachariah Eid

Our most reliable player, he played out of his skin this year.

He always ran hard and tackled hard and got better and better as the year went on.

His defence kept us in the games throughout the semis and in the grand final.

Well done great year.

MOST IMPROVED PLAYER

Connor Regan

Connor had the best year I've seen him play to date. His vision in attack from dummy half and in general play was sensational this year.

Also made many try saving tackles against kids mostly much bigger than him this year.

Toughed it out often with bigger competitors, my most improved award goes to him for his efforts.

Emily Buxton

Emily worked hard this year, gaining in confidence as the year wore on.

Emily made some great runs and some great tackles this year. I hope she built her enjoyment of the game and self-belief; her improvement has been noticed by many, and there is always room in the game for the girls.

Xavier Ellis

Great first year as one of our smallest, he is not scared to put his body in front of much bigger attackers.

Loves to run as well and with more games under his belt he will be a force to be reckoned with. First year player and got in late.

Xavier has a lot of potential and looking forward to seeing him fulfil it next year.

Jordan Goymour

Gaining in confidence this year, he made many hard runs through the middle this year including one from halfway to score a try.

With more self-belief you will be hard to stop as you have shown already.

Isaac Hamon

This is Isaac's first year of footy and he should be very proud of himself.

Isaac is a talented player and next year should be an exciting year for him.

Always unpredictable because he doesn't listen, but this adds to the excitement and unpredictability of Isaac's game.

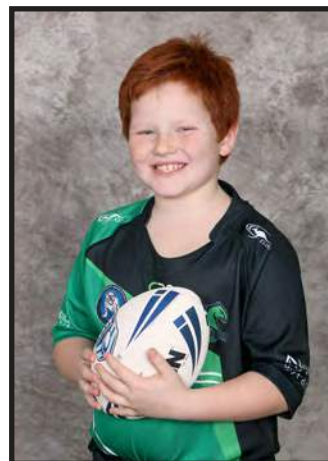

Laurent-Rae Ioane

Great year again from Louie, he was always there to finish off in defence and his running game was great.

He was very hard to stop if he got outside his defender.

With more self-belief and confidence, he will be an asset in any team and always plays selflessly.

Zeppelin McBride

Had a good year, his runs are getting harder and he is putting effort in his defence.

Zep is an enforcer on the field and makes anyone who runs at him second guess their next effort.

Zep is very committed and can't wait for what he gives us next year.

Stephen Crawford's UNDER 10'S COACHES REPORT

After an unsettled start to the year due to players departing and new ones arriving, the under 10s took to the mod field for the first time. After a few weeks of the extra space in the field being “no man’s land”, we started to discover that we could use our forwards to grind up the middle and spread it wide and get around our opponents.

The new players began to adapt well to the team and the club culture, and we started to develop some real go forward. We tried many combinations throughout the year in the halves and the players fit really well into their positions. Due to an unfortunate draw, we ended up facing a few tough teams who questionably should have been in a higher division.

We finished the season just shy of the finals but had a few of the results which were really close gone in our favour, we would have had a real shot this year. Looking forward to working with this team next year. Thanks to all of the kids, the parents, and the assistant coaches and our manager for a great season.

Second Row: Craig Chegvidden (Trainer), Brad Horn (Trainer), Katie Lawrence (Manager), Jye Conlan-Bullock, Ryan Hogan, Rowan McClelland, Lauren Fowler, Cameron Beynon, Jett Chegvidden, Stephen Crawford (Coach), Craig Lawrence (Trainer)

Front Row: Kyle Ebbs, Aiden Lawrence, Rhythm Taria, Soulja Price, Wyatt Bathis, Rylan Phillips, Karliah Green

Absent: Kruz Malai

Under 10's **AWARD WINNERS**

BEST AND FAIREST

Kyle Ebbs

Always the first to strap on his boots, a true lover of rugby league.

Kyle adapted to a change of position this year really well and showed his passion week in and week out.

BEST AND FAIREST RUNNER UP

Soulja Price

Due to his blistering speed, Soulja found himself shifting through defenders with ease.

He took on his role within the team and is adapting to the game really well.

COACH'S AWARD

Jett Chegwiddden

A wrist injury disrupted a great season for Jett's progression.

During his weeks on the sideline he grew a hunger to return and when he finally did, he made an immediate impact.

A boost of confidence allowed him to run and tackle harder than he has before.

MOST IMPROVED PLAYER

Wyatt Bathis

Wyatt this year has shown a great increase in maturity on the field and within himself without losing his charismatic nature.

This has shown through his effort at training and on game day.

Jye Conlan-Bullock

Jye was a great asset to welcome to the team, coming from rugby union his defence and field awareness was strong.

He transitioned really well and began to understand the game and when to position himself at key times.

Rowan McClelland

Rowan has improved a lot since last year, his involvement in the game has increased and he is starting to better understand his role on the field.

With more training, we could see Rowan as a tough competitor.

Ryan Hogan

Another newcomer to the team, Ryan showed his skills from his soccer background such as the strength of his kicking, his speed and elusive running which made him a great addition to the team.

Rhythm Taria

Rhythm was welcomed as a great addition to the team this year.

A real improvement in his defence, and awareness in whichever position he was given made him a valuable member of the team.

Lauren Fowler

Lauren's willingness to keep improving showed week after week as she really started to be a voice on the field and positioned herself in the team.

An injury late in the season halted Lauren from reaching her potential.

Cameron Beynon

A hard, strong runner, who's solid defence was showcased again this year.

A core member of the squad who worked tirelessly to improve his fitness which showed in the final games of the season.

Kruz Malai

A shy person, who didn't shy away from any attacker on the field.

Would consistently make tackle after tackle and the other teams had no chance of getting by him.

Departed the team at the end of the season, he will be missed.

Aiden Lawrence

Aiden's eagerness to be involved in every aspect of training and the game showed his growing passion.

Positional changes showed his versatility wherever required which became a great asset to the team.

Rylan Phillips

Having Rylan join us this year was a great boost to the team.

His understanding of the game made it easy to fit him in any position which showed when he would take up whatever task required.

Karliah Green

A real surprise when we saw a new girl to the team who put her hand up to match it with rest.

Her attitude to the game was on a high level which showed when she would just tuck the ball in her arm and run at any defender regardless of who they were.

Kevin Chambers' UNDER 11'S COACHES REPORT

A coming of Age. 2019 was a very memorable year for the young colts from the u11s.

Devastatingly we lost our teammate Jai Bruynius-Greene. The little warrior had fought a long battle with Cystic Fibrosis which he lost on the 21/8. Jai had recovered from a double lung transplant and amazingly was able to take the field in our first game of the season against the Bankstown Bulls. It was the most courageous effort I've witnessed on a footy field. However, his condition worsened, and Jai spent most of the season in hospital. Fortunately, Jai was able to witness the highlight of our season, a victory over the Moorebank Rams in the Grand final. Jai's funeral at Killara was a special day and a true indication that the Colts are a real Family Club. Thank-you to all for the kind thoughts, soothing words, generous donations of time and gifts, I have never been prouder of my club.

On the field the team took their football to another level. Our defence was aggressive and was backed up with good line speed. Our attack was exciting with good ball movement. The first receivers were taking the ball at speed bringing our runners onto the ball. The forwards ran '*' and 'y' plays to open up the opposition defences. This would take place with the understanding that the two most important things we needed to play well was Effort and Attitude. Of course, this was only possible because of the great attitude the boys showed at training.

A highlight of the season was the team's first footy trip. We participated in the National Primary Games held in Tamworth. The team played 5 games on Saturday and 4 games on Sunday against teams from across NSW and one team from Brisbane. We finished the weekend a credible 3 suffering only 1 loss and 1 draw. It was a fantastic bonding experience for our team, and they returned to Sydney a much closer and fitter footy team only weeks before our Finals campaign. Thank you to all who contributed to our fundraising for our trip and to the Club for their generous support.

The boys were in peak form coming into our finals campaign. The major semi-final was against our arch nemesis the East Hills Bulldogs who had defeated us in a previous Grand final. Fortunately, we were too strong on the day and a strong victory set up a surprising clash with the Moorebank Rams. The boys were not to be denied and played well again to win the Title 28-6. Congratulations boys on a fantastic season which your efforts on the training paddock produced success on the field.

Second Row: Anthony Barrett (Trainer), George Tuimaseve, Osaiasi Leha, Lucas Crowley, Issa Derbas, Izaiah Marinos, Kevin Chambers (Coach), Rikki Barrett (Manager)

Front Row: Christopher Inatea, Jayden Colliver, Joshua Nangle, Jarai Faioso, Jake Barrett, Hadi Abou Chaz, Jai Bruynius-Greene

Absent: Youssef Derbas (Trainer)

Under 11's **AWARD WINNERS**

BEST AND FAIREST

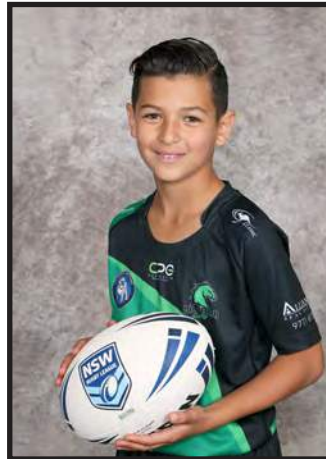

Lucas Crowley

Captain-Lucas would single handedly change the course of a game.

Either with a damaging try scoring run or multiple big hits Lucas would lift our team and at the same time demoralise the opposition.

Had a great year.

BEST AND FAIREST RUNNER UP

Hadi Abou Chaz

The heart of a lion. GF player of the day and Tamworth Colts player of the weekend.

He is one of the smallest in the team, but he gives 100% every game and never gives up.

Hadi has the 2 key ingredients courage and commitment. He added ball playing to his list of skills this year.

Aka the Axe- a tackling machine that kept the ruck nice and safe.

Improved running game scoring a few tries as well. Fantastic attitude at training and at game time which led to continual improvement.

MOST IMPROVED PLAYER

The team joker who kept everyone laughing.

Trained hard all year and was able to get himself real fit.

Was devastating with his strong hit ups especially running 'x's off Chris.

Also matured into a team player showing concern for all his teammates.

Jayden Colliver

Turtle- this was turtles best season in a couple of years.

Another player who saved his best game for the GF.

Issa has all the ingredients to become one of the best players, he just needs to believe in himself.

Jarai Faioso

The Hitman- laid the platform for many of our wins with his cousin George.

His strong first up hit ups put the opposition on the back foot allowing our wider runners to take advantage.

The opposition players quickly learnt to steer clear of the Hitman and his bruising defence.

Christopher Inatea

Another player who gave 100% at training and during games.

His ball playing at first receiver was great often opening up holes for George and Lucas.

Another strong defender who would clean up any missed tackles.

Osaiasi Leha

Another strong season.

His combination of speed, strength and footwork made him dangerous every time he touched the ball.

A strong defender with very few opponents getting past him.

Izaiah Marinos

A welcome addition to our team this year. Unfortunately, he missed a chunk of footy with a broken finger however he finished the year well with incisive running and strong defence.

Looking forward to seeing him with a full season under his belt.

Also, a great goalkicker.

Joshua Nangle

Another welcome addition to our team who finished the year strongly.

Had his best game in the GF with strong defence. Stopping many attacking raids down his side of the field.

With speed- to burn Josh is going to be a try scoring machine.

Another great goal kicker.

You will be missed mate.

Matt Walshe's **UNDER 13'S COACHES REPORT**

The season of 2019 for the u13 was a great season for all involved. This was the first time I have coached this team and the first time I have coached an international age side. With a total of 9 new players joining our side from last year's team, the boys didn't take long to gel, and the wins started to come. We have a big mobile forward pack and good backs in support.

It was a pleasure to watch the boys improve as a team and individually each game as the season went on.

It was great effort to make the semi-finals finishing 3rd on the ladder. Unfortunately, in the first semi-final we were beaten by Saint Christopher's which that team went on to win the grand final. I'm sure in the near future with the team and players we have we can go all the way.

I would like to thank all players and parents involved this year. I would especially like to thank trainers David Hargreaves, Josh Hargreaves, Scott Lane and manager Vanessa Walshe for all their help and support this year.

I hope everyone returns next year for another great season. Go Colts!

Under 13's **AWARD WINNERS**

BEST AND FAIREST

Blake Hawes

Blake was a new player to the team, and he was part of what I called the West Connex.

Blake is a very talented and strong player across the field in attack and defence.

Made numerous tackle busts with his strong running which led to plenty of tries for the season.

He was an absolute standout.

BEST AND FAIREST RUNNER UP

Jarryd Walshe

Jarryd had a very strong year playing in the halves.

His defence was great with plenty of attitude.

Jarryd also did a great job taking the line on with the ball scoring a few times himself.

I was very proud of Jarryd this year.

COACH'S AWARD

Adam Ryder

Another new player to the club coming from the souths district, and well aren't we happy he joined the Colts.

Adam is a crucial part of our team playing second row. Always ran hard and has an awesome tackling technique.

This kid is an absolute work horse and was hard to get off the field to give him a rest.

Hope you enjoyed your first year with our club with many more to come.

MOST IMPROVED PLAYER

Joshua Tuionuku

Josh is another new player to our team.

He is a big runner with the ball and his defence is great.

He had an awesome back end of the season busting the defence when he realised, he could take advantage of his speed and strength.

Lewis Bryson

Lewis was a new player to our side coming from rugby and to play rugby league for the first time.

Lewis was always a leader of our forward pack with plenty of enthusiasm with his line busting hit ups and awesome tackles.

He was always well mannered and a pleasure to coach.

Deano Farid

Deano was a late addition to our side coming in halfway through the season.

Always gave 150% at training and on the field.

Hope you enjoyed the year.

Griffin Fuller

Griff did a great job for us playing an important role as fullback.

Was very safe under the highball and had no fear returning the ball on the last tackle.

His defence was faultless bringing down a lot bigger boys than him.

Griff had a great year and did an awesome job for the team.

Brodey Kipa

Brodey was a new player to the team being another of the west Connex trio.

When the big front rower was running hard on to the ball no one was going to stop him.

Especially running wide, finding gaps with his blistering speed for a big man. A great new addition to our team.

Brandyn Middlemiss

Brandyn is the last player from our west Connex new players.

He shared the roll of half back during the year and the little fella did a great job.

He wasn't afraid to run the ball himself and his defence was faultless.

Wayne Moffat

Wayne had a great year for the Colts again in 2019 with his awesome runs from dummy half and solid defence.

Wayne did a great job for his team in the hooker position.

Zane Omari

This little man had his first year of rugby league.

Zane playing on the wing did a great job for his team especially under pressure. He always did what was asked and was a pleasure to coach. Unfortunately, Zane suffered a serious injury in the last round of the year and could not play in the finals. Hopefully we will see him next year.

Luke Phillips

Luke is a vital part of this Coltie's team.

He shared playing half back but mainly played in the centres. Luke is also our goal kicker, sometimes dropping them over from the sidelines.

Luke has great hands and awesome pace. He is an absolute pleasure to coach.

Blake Rowlands

Blake is one of the players in our team that had a massive improvement in his defence and ball skills going from the wing to second rower by the end of the year. Each week his confidence grew and grew.

So proud of him this year and can't wait to see how he goes in 2020.

Logan Somoa

Logan had a great year for 2019 with his usual hard runs and solid defence.

Moving from the forwards to the centres mid-year when asked, Logan took this job with both hands and did not disappoint.

He had a great season.

Damon Taufa

Damon is a very enthusiastic player. He always did his best in attack and defence.

Damon has some great pace and a few times his pace got us down the other end of the field. There is always a comedian in a footy team and Damon was happy to fit this roll.

Can't wait to see what he has installed for us next year.

Zion Ualesi

Zion had another strong year for the team playing front row.

Usually an impact player off the bench but when on the field he made plenty of metres and scoring a few tries.

Can't wait to see him run again next year.

Robert O'Neill

Robert had a great year for our team this year usually playing front or second row off the bench impacting mid through first half.

Robert played up an age so to mix it with the older boy was a fantastic effort.

Manaia Rata-Carr

Manaia was a new player to the team and is another player that played up an age.

But you couldn't tell in his footy that he was younger playing in the centres or wing.

Unfortunately, he had to move interstate mid-way through the season, and he was sorely missed.

Niu Faioso's UNDER 14 GIRLS' COACHES REPORT

2019 was a fantastic season for our 1st Under 14s girl's rugby league team. The girls showed tremendous improvement throughout the season. We had 14 players in our team this season and nine of them had never played rugby league before but if you got the chance to watch one of their games you would find it hard to pick out the nine.

All players showed up to training willing to learn and take onboard everything to do with our game and it would push them to their limits physically. Their attitude and behaviour as a team was great on and off the field. The girls ended with a great bond in the playing group, they believed and had trust in each other, this would result in a great 1st season with the girls coming 3rd overall and ended up going down to Eaglevale in the Preliminary finals.

I am so happy with our playing group from where we started to how we finished, this team has an exciting future and is ready to take it to the next level. I am so looking forward to seeing what this playing group brings next season.

Coaching is a team effort, everyone involved with the U14 Girls team are equally responsible for our performances and achievements. Many thanks to Lisa with managing our side week to week making our team run smoothly. Katie "The Man" I like to call her was our blue and yellow shirt and with club duties and other teams duties she was committed to, she always made sure she was there for the girls, all your work throughout the season for the girls has not gone unnoticed. Melissa also was a great help as Trainer/Blue shirt.

Thanks to all the parents for trusting me to coach and guide your daughters, it's a responsibility I take seriously and love. See you all in 2020.

Under 14 Girls' **AWARD WINNERS**

BEST AND FAIREST

Malia Faioso

Her presence and dominance were felt by opposing teams and even the spectators.

Malia plays with pure passion and aggression.

If she keeps improving every year by training hard and believing in herself, she could go all the way.

BEST AND FAIREST RUNNER UP

Dena Nuualii

"Here comes the boom" Some of the sounds you would hear when she ran with the ball and if you were tackled by her you either went off or 100% would never run in her path again.

Ball in hand most teams didn't want a bar of her and her name Amenah is definitely one we will be hearing about in years to come.

COACH'S AWARD

Taneisha Gray

This is a player with the whole package, great attitude on and off the field and you can rely on her to make that extra tackle.

She scored plenty of points this year and is the first girl I've seen kick a ball dead from kick off.

Taneisha was our captain this year and she has all the attributes of going a long way in our game.

MOST IMPROVED PLAYER

Tarlia Livingston

The workhorse of our team and a strong all-round performer every game.

She has a great understanding of the game and has all the attributes of taking her game further.

Lusiana Navale

The silent assassin.

An outstanding athlete who is strong and fast.

She has a high work rate with the never give up attitude.

Heavenly Veve

A real powerhouse on the field and great at defence, not many got passed her especially if she was at marker.

Once Heavenly found space she was hard to stop.

Another great season from her.

Angelaina Pesamino

Another powerhouse with her running game and once she found the confidence, she was really hard to handle.

She trains hard and was always looking for ways to improve her game.

Melipa Moffat

Her blistering speed out of dummy half always got our team going forward.

She always put her body on the line for the team and had a great first season.

Susan Tuimaseve

She always gave it her all, doesn't say much just does the job at hand.

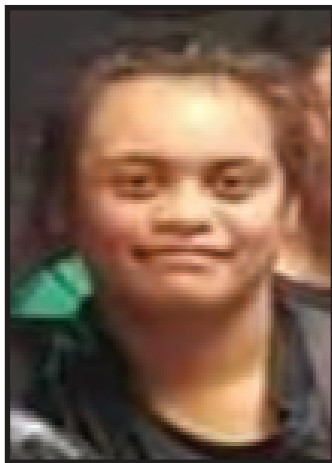

She loves the contact with the can-do attitude.

Tahleah Sorovaki

Tahleah is a quiet achiever who showed massive improvement from game to game.

She is another strong runner and looking forward to seeing what she brings next season.

Shontae Waipuka

She has all the skills and great footwork.

She would wrong foot a lot of opposing players and sometimes our own.

On defence she wouldn't back down from anyone. She can easily lift to the next level.

Tanisha Waipuka

She played an outstanding season and has a lot to offer the team.

She scored plenty of tries with her speed and not too many opposing players got passed her.

Looking forward to seeing what she brings next season.

Jazmyn Panapa

She joined us late in the season but once she found her confidence, she fit right in.

She has a lot of speed and she put her body on the line in defence.

I'm so looking forward to seeing what she brings next season.

Kiara Franks

Kiara joined us late in the season.

You can tell she loves to play, she always ran hard and tackled hard.

Once she understands the game, she will easily be another player to remember.

Ben Arthur's UNDER 15 SILVER'S COACHES REPORT

I would like to start by saying how great the boys went this year, even though we played nearly every game short.

They turned up every week and gave a hundred percent effort and never gave up.

They really showed what having pride in your jersey means. We are all so proud of you. Well done boys!!! I would like to thank my trainers Nik and my dad Steve for their help.

Also, I would like to thank our manager Sharon, who did everything from washing the jerseys to getting the boys to the games on time. We couldn't have done it without you.

Lastly, we would like to thank the club for their efforts. Hope to see you all back again next season.

Steven Matai's UNDER 15 GOLD'S COACHES REPORT

First of all, I would like to say thank you to all the people that support this team including Steve, Scott, Edita and all the parents/carers and Milperra for contributing to the team.

Pre-season began on a difficult note with the majority of the boys representing Harold Matts. Round 1 was fortunately a bye with the follow-on weeks forcing a forfeit. Round 4 we faced Moorebank and with 10 players surprised everyone with a win. The new boys Jonathan, Rodney, Harrison and Koby and with the help of 15's Div 2 all played outstanding games.

From Round 5 we were back to a full team and started to play some great footy with big wins over Greenacre and Eaglevale.

The highlight for the year was in the game against Moorebank with 9 players. We were winning at half time; however, we ran out of legs and they beat us, but all the boys including Harry gave 100%. Moorebank coach with a 18 man squad said, "if they had 2 more players, they would have pulverised us".

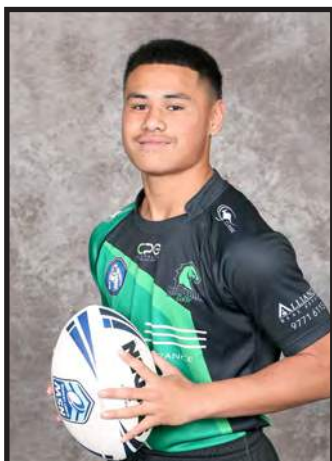

Following that we cruised into the finals without a loss. We made it into the Grand Final and lost on the day. The better team won. As Steve has said this year was about the development of the boys and an investment into their future endeavours. Some of the boys represented at state levels and made it to the Australian teams. I hope to see you all back next year bigger and stronger.

Barry Ward's UNDER 17 GIRLS LEAGUE TAG'S COACHES REPORT

It was a real pleasure to coach this team. We had some girls having their second year of league tag along with an influx of new girls to the Colts. At the start of the year it was certainly a challenge as some of the girls had never played before. We went from an inexperienced team to a team that wanted to work hard together at training to become better players and a better team.

Even though it was only a 3 team comp the girls were gaining momentum each week and the rewards started to happen with a big win over Moorebank who were the benchmark of the competition.

Girls you should all be very proud of yourselves, from where the team was in March then go onto make a grand final was a huge achievement. The effort and skill level in the GF was amazing.

Special thanks goes to Maddie Windschuttle for her amazing recruiting skills along with Rob Windschuttle, David Harrigan and Leticia Brasch for all your hard work off the field.

I hope I see you all back next year.

Great year was very dangerous every time with ball in hand.

Worked well with Taylah to steer the team around the field.

Good kicking game along with some great goals.

Well done.

BEST AND FAIREST RUNNER UP

Taylah Ward

Was very good steering the team around with Hayley.

Created a lot of opportunities for the team.

Had a consistent year.

COACH'S AWARD

Medina Manetas

Trained hard and played hard. Involved in everything.

Scored some great tries throughout the year.

Well done Medina.

MOST IMPROVED PLAYER

Trinity Lembo

Should be very proud of your season.

Always wanted to learn and be part of the team.

Great year well done.

Jade Brasch

Had a quiet start to the year but once confidence grew your level of involvement grew and by the end you were a big part of the team.

You should be proud of the way you finished the year, especially your game in the GF.

Skye Harrigan

Another of the girls who could not be at all the games but always tried her heart out whenever on the field.

Emma Howard

Always seemed to have fun whenever training or playing.

Got a lot of hidden talent and will certainly be an asset next year.

Kayla Klem

Always wanting to listen and learn.

Played dummy half all year and got better each week.

Great season Kayla.

Hayley Lyons

Had a very strong year and scored some really good tries.

Got injured late in the year and went on family holiday and was missed during the semi-final and grand final.

Well done Hayley.

Dione Markantonatos

Had a good first year with the team.

Was always involved each week and also made some great tags and runs which contributed to the team.

Ruby Pike

Always wanted to improve her game.

Grew in confidence as the year went on.

Well done all the hard worked showed.

Jaydah Sinclair

Unfortunately, wasn't available to play all season, but when able to play helped the team to some really good wins.

Natalia Stathakopoulos

Very dedicated towards training and playing.

Always worked very hard and made some fantastic tags all year.

When Nats defended well the team usually won. Great year.

Madison Windschuttle

Always wants to work hard on her game at training and game day.

Very dedicated and loves to try her best each week to help the team win.

Another good year Maddie, well done.

Georgia Whitelaw

Contributed well to the team on game day.

When confidence grows will become an even better player.
