## Annual General Meeting 2010

Wednesday 17 November 2010

7:30pm at the Clubhouse

The positions of all Committee Members will become vacant and will be voted upon. This gives all members of Milperra Colts J.R.L.F.C. Inc. the opportunity to vote for the new Committee for 2011.

If you wish to apply for a position, you should obtain a form from the Secretary or Assistant Secretary. The form must be submitted by 5:00pm, Wednesday 10 November 2010. Hope to see you all there.

## President's Message

It was stated in last year's Secretary's Report that 2009 was the Clubs most successful year, we have out done ourselves yet again this year.

The Club fielded twelve teams this year, of the twelve, two were non competitive (Under 6's), and we managed to get nine of the remaining ten teams into semis, six into the finals and an incredible 5 teams into Grand Finals. A great effort by all the Coaches, Managers, Trainers, Players and Parents and it proves that we are a Club which is going forward and we can only hope that we can better our performances next year.

Congratulations to our Premiership winning team – The Under 7's Div 3 and to all our other teams for getting as far as you did, the Club is very proud of you.

I would like to thank the Committee, Coaches, Managers, Trainers, Players and Parents for all your effort and support you have given me this year and I look forward to doing it all again next year.

Wishing everyone a safe and happy Christmas and hoping to see everyone back next season for another great year of Footy!!

*Fred Hagan*

## Secretary's Report

What a year we have had at "Colts"! We started the year with a few changes to our Committee and it took a few months to settle down, but from our first trial match against Ashcroft, I could see it was going to be a good season. New and returning Committee, Coaches, Players and Parents and plenty of enthusiasm goes a long way and it has paid off for us this year.

Fred has already written about the fantastic success of all our teams on the field this season, so I would like to let you know about some of our other successes, behind the scenes, that you may not be aware of but they should be mentioned, as I am very proud of what we, as a club, have achieved.

Success can be measured in many ways, we only had one player sent off in 2010, with 160 registered players this is not a bad statistic, we never had to appear before Canterbury's Board of Management, which deals with breeches of the Code of Conduct for coaches, managers, trainers and or spectators, we held semis and finals at Killara this year which we have not done so since 2007, this shows Canterbury's faith in our management of the big games. We were successful in receiving a number of grants (thanks to Steve Pritchard relentless application writing) from organisations who have not given before, we successfully ran canteens for Sydney South West School Sport and Kids to Kangaroos, we collected books for the ARL to distribute to disadvantage kids and we raised money for men's cancer through the "Call to Arms" campaign, to name a few.

All of the above have helped to promote Milperra Colts as a Club that prides itself on its sportsmanship, friendliness and a fair go to all who participate. The Committee has worked very hard on establishing "Colts" both on the field but also off the field to the Canterbury Junior League and the other clubs within our district and I am looking forward to developing our mantra in the years to come.

Colts is run like a family and there are many members of the family that I should personally thank for all their hard work, support and dedication to the cause for the season, but you are too numerous and I'm sure I would forget someone and that would be remiss of me – so my heartfelt thanks to the Committee, Coaches, Managers, Trainers, Canteen Helpers, Bar Helpers, Field Setup and finally to our Players and Parents who make up this great family club, we can all be proud of our achievements in 2010 as they have been brilliant.

Enjoy your time away from footy, take up a summer sport (cricket is good and most of you know my number), have a safe and Merry Christmas and I look forward to seeing your smiling faces back at Killara in March, ready for the 2011 Season.

*Donna Okunbor*

**TRAINERS** – Danny Marshall & Nick Passalis

## Awards

Every player is the 'Most Valuable Player'

### Connor Cummins

Connor had a great first season this year, it was a joy to watch him improve so much scoring plenty of tries and backing them up with some very aggressive defence. Always ready to rush up and be first in the tackle Connor showed great speed to get around players or to chase them down.

### Ashton Gray

Ashton showed great improvement this year saving the best to last scoring two tries and kicking a bundle of goals at the gala day. Hope to see you back next year mate after finishing the year on such a high I'm sure you'll carve them up in the 7's.

### Jack Hardy

Jack was one of the most exciting players on the field this year especially in attack, with great pace and an awesome sidestep he could score a try from anywhere on the field then follow it up by kicking a goal. Jack was one of the best one on one defenders and could pull down the biggest kids on the field. Hope to see you back next year mate.

### Brendon Leece

Brendon made a home for himself at dummy half this year, always ready to dart out and show his pace finding the try line at nearly every game. Brendon's defence came a long way towards the end of the season, he managed to pull off some great tackles with his confidence growing he is sure to have a great season next year.

#### **Blake Macdonald**

Blake was fearless in attack with some strong running and an awesome "Don't argue" he managed to score some great tries fending off multiple defenders. Blake's defence came a long way this year pulling off some terrific tackles, he showed some real aggression this year especially in attack and should have a great season next year in the 7's.

#### **Logan Marshall**

Logan had a great season this year with a good sidestep and pace he managed to score plenty of tries and kick lots of goals. Logan's defence is a highlight of his game and he shows great determination to pull down even the biggest kids. Logan finished the year off with an awesome game and I'm sure he will back it up with a big season next year in the 7's.

#### **Harrison Passalis**

Harrison had a great year scoring plenty of tries and making good of metres with every run. With a great sidestep and speed Harrison can make a break and run the full length of the field at any time. I'm expecting big things next year in the 7's from him.

#### **Lisiate Tupou (Richie)**

Richie has both size and speed and can run over the top or around the defence, Richie pulled off some great tackles this year and was always a hard worker in defence. Hope to see you back next year for a big season in the 7's.

#### **Gabriel Georgenson**

Gabriel came a long way this year gaining plenty of metres with every run. Gabriel's defence improved a long way, defending in the middle of the field not many kids could get around him. With your first season under your belt I'm sure you will go great next year.

#### **From the Coach**

I'd like to start by thanking the boys for all the fun times this year, it was a pleasure to coach each and every one of you, to all the parents for helping out though the year either by helping on game day or by bringing the boys down to training each week. A special thanks to Danny for helping to train the boys it made it all a lot easier and also to our manager Gillian. It was a great team effort this year with everyone scoring plenty of tries and the boys working really well together in defence. Everyone improved so much through the year it was a real joy to run them round the field. With all the boys due to go up to the 7's next year and a great mixture of speed, skill and strength this team will be surely very hard to beat. Hope to see you all back next year for another great season for the Colts.

### **UNDER 6 Division 3**

**COACH** – Kevin Williamson

**MANAGER** – Rae Crawford

**TRAINERS** – John Tsougranis & Brad Whigham

#### **Awards**

Every player is the 'Most Valuable Player'

#### **Travis Conwell**

With a positive attitude throughout Travis was a strong team player. Working hard in training his game performance improved throughout the season. His basic handling skills were his strong point with his tackling confidence improving slowly.

#### **Kaitlyn Couilter**

Powerful driving resulting in a couple of tries gave Kaitlin a great start to the season. A dip in confidence due to injury didn't stop Kaitlin from finishing with a flourish. Her strong straight running providing the momentum the team needed to build on.

#### **Jorgah Goldie-Cook**

Jorgah started and finished the season with some positive performances. She was always keen during training with her match performances improving despite her small stature.

#### **Fayed Hijazi**

Fayed had a season of ups and downs. Passing and catching was his weakness but improved throughout the season. Always comfortable carrying the ball Fayed made strong runs when he got moving, with his direction steadily improving throughout.

#### **Lithanial Leuluaialii**

Lithanial was always enthusiastic and wanting to run with his direction improving steadily throughout. His size and attitude for such a young player was great and he finished the season with strong running and tackling performances.

#### **Cooper MacDonald**

Cooper made a slow start to the season taking a while to get involved. His ability improved slowly at first but took a huge leap forward mid season with a confidence boost provided by protective headgear. He finished the season with a good string of performances with strong running and tackling.

#### **Peter Ross**

Pete never let his small size diminish his positive attitude. Always willing to run at players twice his size he tried his best for the team in every game. His ability improved throughout finishing with some strong running performances.

#### **Taha Saleh**

A late arrival to the side didn't stop Taha making a big impression. With good strong running and tackling he was a positive influence on the team whenever he played. With his natural ability to read the game he always seemed to pop up when needed.

#### **Tommy Tsougranis**

With a good passing ability Tommy works as a natural halfback. His running was timid at the start but his confidence improved during the season allowing him to complete many good strong runs.

#### **Kyle Williamson**

With a consistent attitude and performance throughout the season Kyle was a great example to the rest of the team. Always wanting the ball he supported his teammates constantly and was always in support following a tackle. He chased hard in defence with his tackling taking a leap forward once he made his first chasing tackle.

#### **From the Coach**

The Under 6's in Division 3's had a hard season this year, with a small, inexperienced and young team we were outclassed for much of the season. Despite this everyone played and trained with enthusiasm and determination every week. The team developed well throughout. With both their skills and team work improving greatly. I can't remember a game where I wasn't surprised by someone's individual skills, willingness to support their team mates or general improvement. This attitude made them all a pleasure to coach throughout. They all show great promise and will be good role models for the future.

I won't list you all as I will forget someone but I sincerely thank everyone who helped out during the year with official duties your help is greatly appreciated by the Club and myself. I would especially like to thank Rae for her Team Management without which I would have been lost, confused, stressed and probably short of players every week. My thanks also go to all the parents for their support and help throughout the year both in training and on match days. Without all of you the team would not have developed into the fine individuals they are.

## **UNDER 7 DIVISION 2**

### **Semi Finalists**

**COACH** – Garry Phillips

**MANAGER** – Shantell Simpson

**TRAINERS** – Terry Beale & Anthony Simpson

#### **Best & Fairest**

Kailan Cambey

#### **Best & Fairest Runner Up**

Dylan Walshe

#### **Most Improved**

Jordan Morrison

#### **Coach's Award**

Brodie Romcke-Harber

#### **Kailan Cambey**

Kailan's ability to lead the side in both attack and defence was exceptional for a boy of his age. Congratulations Kailan on an outstanding year.

#### **Amir Haddad**

Amir has become one of our most damaging forwards, his ability to change directions in his attack was truly outstanding. Congratulations Amir.

#### **Saige Lloyd**

Saige is one of our determined ball runners who is coming along well as his defence is improving with each season.

#### **Jordan Morrison**

Another new boy to the side, his first year at football. Jordan's improvement from the start of the year has been truly remarkable.

#### **Brodie Pascoe**

Another strong year from Brodie with good solid runs up the middle. A good year with goal kicking. Keep up the good work.

#### **Kalvyn Pera**

Kalvyn moved to dummy half and made the position his own with darting runs and good defence. Keep up the good work.

#### **Hayden Reti-McClintock**

Hayden's first year with colts, he proved to be a good runner of the ball. An excellent finals series. A boy to be watched in the future.

#### **Brodie Romcke-Harber**

One of our smallest players who has a big heart, he has become one of our best defensive players and has a natural ability to score tries from anywhere on the park. Well done Brodie.

#### **Dylan Walshe**

Dylan started the year as the teams second receiver and then became our third runner which proved to suit his talents as Dylan's defensive work was nothing short of outstanding. Excellent work Dylan.

#### **From the Coach**

Well boys what a great season we had. You trained hard, played hard and were worthy finalists in our first competitive year. Congratulations, hope to see you all next year, hopefully we will go all the way as you definitely deserve it. Special thanks to the families for their support through out the year. As a coach I enjoyed this season with the help and knowledge of Simmo being the teams trainer, Shantell as manager, Mick for running the line so elegantly in thongs, Robyn for timekeeping and last of all our head bench trainer Terry thank you all for your time and a great year.

Bugsy

### **UNDER 7 DIVISION 3**

#### **Premiers**

**COACH** – Angelo Piazzetta

**MANAGER** – Kerrie Elliot

**TRAINER** – Craig Holden

#### **Best & Fairest**

Khaled Hamdan

#### **Best & Fairest Runner Up**

Haley Elliot

#### **Most Improved**

Connor Rossington

#### **Coach's Award**

Beau Holden

#### **Jay Domansky**

Jay joined the team halfway through the year and quickly developed into a great ball runner and tackler. His height and pace was used to excellent effect in the last few games and in particular the grand final. It was a pleasure to coach Jay this year and we are looking forward to seeing him develop even further next year. Thanks Jay.

#### **Hayley Elliot**

One of our dummy half trilogy, Hayley had an awesome year both in attack and defence. Her confidence in taking on the big boys was an inspiration to the entire team. Her positional play, understanding of where to run and goal kicking were just outstanding. Super effort Hayley.

#### **Khaled Hamdan**

Khaled was an absolute excitement machine this year with his electrifying runs and crunching cover tackles. He was an absolute pleasure to coach this year and gave it his all in every game. A real try scoring machine and a super effort

#### **Hayden Hardy**

One of the great sights this year was to see Hayden chase down attackers with his defence. His runs from the middle of the field were awesome and he was a great teammate to all. Super effort Hayden and see you next year.

#### **Jack Hardy**

Jack was one of our under 6 players who helped out and filled in throughout the year. His pace is amazing for a player so young and we know we will see him go far in the game. Thanks for your help Jack.

#### **Beau Holden**

Beau had a terrific year as one of our dummy half players and scored some tries scooting from the play the ball. He made great improvements to his tackling and running throughout the year. His enthusiasm and sportsmanship at training and in the games was a credit to himself. Thanks for your efforts Beau.

#### **Lachlan Kornet**

Lachlan was another late starter this year and showed a massive improvement towards the end of the year. His big runs in the last few games and the grand final stampede were awesome. Thanks for your efforts Lachlan.

#### **Logan Marshall**

Logan was another of our under 6 players who played up in the 7's when need this year. Logan's bulldozing runs and persistence in defence were a feature this year. Thanks for your help Logan.

#### **Christopher Piazzetta**

Our regular dummy half player for the year Christopher made huge improvements from last year and then led the team well in the finals series. His talking on the field (and off it) was great and made sure his teammates moved up in defence. Scored some tries from dummy half with his "possum" play. Well done Christopher.

#### **Tylah Ross**

The commander of the middle of the park. That is how Tylah played all year with hard runs in the middle and crunching tackles. We were very proud of the way that Tylah played in every game this year. A real standout performance.

#### **Conner Rossington**

Conner had an outstanding year and showed a massive improvement with each game. His hard running and great cover defending tackles were a highlight all year. His determination to learn new parts of the game and then put them into play was just fantastic. Thanks Conner.

#### **From the Coach**

This was an amazing side to coach and with support from all the parents it was an exciting year for the kids. To win the grand final and be premiers was an achievement beyond belief at the beginning of the year.

We started the year without a full side and needed players from under 6 to fill in and despite this we still managed to win most of our games.

We started the year with the objective of having fun, learning some new skills and wanting to win some games. We certainly did all of that and then some.

The highlight for the year was the attitude of the kids at training and at the games. We did not have any inter team fights and each of the team stood up for each other during the games. We were very proud of their behaviour and participation.

We would like to thank the Club for its support of what was a new team, the parents for their time at training and game days. The support from each of the mums and dads who held the tackle bags at training, ran the lines during games, manned the canteen or BBQ and supported each week was appreciated – it makes a huge difference to the kids.

The hard work by our manager Kerrie and trainer Craig throughout the year was just awesome and a pleasure to work with.

Also thanks to Oliver and Cameron from the under 9 side for helping with training on Tuesday nights – your efforts and help were appreciated.

A big thanks to Vincent for being our ball boy this year.

Finally to the kids, thank you for making the footy season fun and we look forward to coaching you again next year.

## UNDER 8 DIVISION 3

### Grand Finalists

**COACH** – Sonny Weatherall

**MANAGER** – Karina Weatherall

**TRAINER** – Ralph Weatherall

#### Best & Fairest

Jordan Cummins

#### Best & Fairest Runner Up

Kyle Weatherall

#### Most Improved

Hemi Thompson

#### Coach's Award

Jacob Crawley

#### Jaydon Bonnici

Jaydon was going to be a first receiver this year because he did it last year, however because of his size we thought we'd play him as a runner where he made some good runs and if he continues to work on his fitness, he can improve his overall game skills for next season.

#### Jake Bowen

Jake had the most enthusiasm of anybody this year. He made some good runs – unfortunately he didn't manage to get across the white stripe this season. If Jake continues to work on his fitness, he can certainly build on his first year in football and improve even more next season.

#### Dylan Burrell

Explosive is the only way to describe his runs out of acting half. He probably scored all of his tries this way. He controlled the direction of the team and defended strongly in every game we played.

#### Jacob Crawley

Only had to be told before the game "You're too big, too strong and too fast" and he produced for us. Jacob's improvement in all facets of the game was excellent throughout the season. Jacob – believe in your own ability and you will go far.

#### Jordan Cummins

Jordan was apparently a soccer player! Jordan pulled off some mighty big tackles throughout the season. The man finished the season as highest point scorer and after seeing all of the opposition teams, believe he was the most damaging runner of the football in our division (watch out division 2).

#### Yummarra McKenzie

Yummarra this year became a first receiver which he did not like at all, but when he was called upon to take his position he did not fail the team. He would always back his team mates up, looking for the off loads, and when it came to tackling he showed no fear even though he was one of the littlest kids on the field.

#### John Panapa

A brand new player to rugby league. He looked like he had played the game his whole life. When his dad was on the sideline, he would tackle the house down and always did so with a smile on his face.

#### Hemi Wynyard-Thompson

Came to the Colts looking like he had never touched a football in his life. He didn't know what to do when he got the ball and tackled with no arms. This is why this young man is our Most Improved. He finished the last month of the season as one of our most trusted players.

#### Phillip Tosevski

Came to rugby league because his best mate wanted to. This is the best decision he ever made. A boy who is very strong defensively but also a great attacking weapon. What a welcome to the game.

#### Tyler Urban

Tackled like his life depended on it, is the only way to describe Tyler. He hated being first receiver, wanted to play acting half so he could scoot but always turned up and gave it his best in order to support his team mates. Tiny man with a massive heart.

#### Kyle Weatherall

Kyle did well both in attack and defence. He started the season as a runner and then backed up as first receiver towards the end of the season. Again this was not a position he was overly happy with but backed up each week to play the best he could. Known for some big tackles when they counted

#### **From the Coach**

My first year as a coach was made so easy due to the enthusiasm of this group of young men. We had 6 players in our squad of 11 that had never played league prior to this year so Ralph (my trainer) and I had to mould them into a competitive team pretty quickly. It turned out that was the easy part. For most of the boys were sponges, they wanted to be involved in any talk at training and game day, including coming back to my place and up to Neptune to work on more drills.

I could go on forever about the football, but all I wish to finish with is that people take on these roles for different reasons. Mine was to coach my son at a fair and just club because he had no coach for this year.

To the parents I thank you for entrusting your sons to me and hopefully they have finished the season better people, not just footballers,

To my rock, Karina, thank you for being the glue that kept the U'8's together.

To Ralph, thank you little brother – you did a massive job for me.

#### **From the Manager**

What a season – our first Grand Final and what a game the boys had. Even though we were runners up – everyone should be extremely proud of the efforts the boys put in. This year the 8D3's played as a team on all occasions and I would like to thank the boys for making this such an enjoyable season. I know they are all now great mates and it's been fantastic to see them bonding more and more as the season went on.

Thank you to the parents – you certainly made this job easy this year and it was great to see more parents mingling this year and supporting the team. Thank you to those mums who worked in the canteen for me (Michelle/Stacey & Marlene) and in particular to Fiona and Michelle for time keeping (especially Michelle who seemed to be in the thick of a couple of heated moments from the opposition). Thank you to the dads who ran the line for me – Michael/Josh/Danny & James (Hemi's dad) and a REALLY BIG THANK YOU to Jayden and James (Jacob's brother) for being there week in week out and being ball boys and touchie for me (until we realised James was too young and couldn't according to the rules) – you guys did a remarkable job and should be proud of your assistance to the team.

Thanks to Ralph, our trainer – you did wonders with the boys with your kind heart and had that magic water working on many occasions.

And last but not least – thank you to Sonny, our coach. You have done a wonderful job in your first year as coach and we hope to see this continue. You taught the boys some excellent skills and great sportsmanship behaviours.

Hope to see everyone back next year where maybe we can go one better.

## **UNDER 9 DIVISION 2**

### **Grand Finalists**

**COACH** – John Kerr

**MANAGER** – Kelly Taylor

**TRAINERS** – Brad Cockburn & Gary Reid

### **Best & Fairest**

Kingston Rapaea

### **Best & Fairest Runner Up**

Oliver Piazzetta

### **Most Improved**

Kyle Werrett

### **Coach's Award**

Dwayne Maere

---

#### **Jeremy Cockburn (C) (Rabbit)**

The Captain with the biggest heart in the game managed all year to show his 'Lead by example' game plan and also led his team to there first Grand Final and believe it, it won't be his last - Super Year Rabbit!

#### **Evan Giannoulas (E G)**

Big step up for Evan this year having to be one of the forwards but managed the position well with many damaging runs and found work from maker at all times to take down the opposition and always had great ideas for many of our moves and plays that helped us make the first Grand Final.

#### **Cameron Grady (Bruit)**

Having Cam back in the team has been a great asset with somebody on the line tackles but most of all moved into the play the ball area and helped steer the team around well and playing one of his best games was in the Grand Final and a well deserved try to top it off with.

**Dean Howard (Deano)**

Dean made great efforts this year to make training and games as living out of the area was a challenge on its own. His on field performance was always a asset when putting his body on the line over and over and showed off his left and right step magic which was used well in the Grand Final.

**Bailey Lloyd (Slippers)**

A massive return with Bailey back in the team has proven to be a most reliable player who gave it all every time he stepped out on the field with some outstanding runs and did well in his first Grand Final.

**Cody O'Hearn (CO)**

One of our big young gun of the year showed he could match it well with the big boys and never gave up no matter how hard things got and was a major threat in the Grand Final will be a great asset in his own age group next year.

**Dwayne Maere (D)**

The most improved player of the year by far, has stepped up like no other player showing some great footwork with defence to match and played the Grand Final like Grand Finalist should and won't be his last.

**Peter Massawer (Pete)**

Peter joined us this year and had something most boys didn't have and it was speed to burn and proved it throughout the year when he used it and scored his first try of the year.

All bow to the king!!

**Oliver Piazzetta (Queenslander)**

The all round passion player wears it on his sleeve each week and proved to be dangerous in every way with a massive kicking and defence game then brings his magic footwork to use on top of it all and also led his team well to make the Grand Final and won't be his last.

**Kingston Rapaea (Kinky)**

By far this year's Best 'n' Fairest player 'Show Stopper' performance each week with some of the most line breaks with tries to match and defence to match it up with that which led the team to most victory's each week and also leading his team to their first Grand Final and won't be his last.

**Kirk Tarlinton (Wild Thing)**

One of our most explosive players by far ever hit up made for Kirk was like he was running through bricks walls and matched it with some ball and all defence work that rattled the opposition at times and was one of the main keys on how he led the team to the Grand Final and won't be Kirks last.

**Riley Taylor (Parra)**

Mr Try Saver, all year round played with some of the best defence I've seen by a far in some time joining us this year showed he had more to offer and found his spot at halfback kept the team in control at all times and provided a kicking game as well and led the team well to make his first Grand Final and won't be his last.

**Kyle Werrett (Big K)**

The power house of the team Kyle never gave up all year round each week put in 100% at training and on the field that showed with a massive run rate with some of the biggest defence you could see out of any player and also led his team well and making his first Grand Final and won't be his last.

**From the Coach**

This year has been a great achievement by all players, by showing that this year the boys came to play and play well they did making their first Grand Final. I believe this is only the beginning of more great things to come out of this very proud and positive side. Everyone involved should be proud of themselves and I thank all who took part in making this year an experience in itself and one I will cherish for life. **Thank You All Again!!!!**

Manager - Kelly Taylor

Kelly's first year as manager was more then you could ask for not only did she run the team spot on her kindness and generosity went a long way and I'm sure the team all respect Kelly for all the gifts she provided all year and I'm more then happy to have Kelly to continue her great job as manager for years to come. Thank you heaps for such a great and fun year.

Trainers - Darren Tarlinton

Darren stepped in as trainer for his first year and did such a great job and worked with the boys well and kept control through all those heart attack matches and even had a taste of a Grand Final as well.

Brad Cockburn

Brad had the best seat in the house by having control of the sideline all year and did such a great job I'm going to get him a pink shirt.

Parents and Supporters

Thank you again for the support and help that everyone has given again this year it has be fantastic. Without you we would not of been able to go all the way. Hopefully we get the same return efforts next year and we can go that one step further. A big thanks again to everyone. Hope to see you all in 2011.

#### **From the Manager**

Firstly, this year was our families first year with the Colts and the best decision made by our family in a long time. This Club is fun, friendly, respectful, and everything kids sporting club should be.

John coached our boys all season with dedication, passion and most of all he was all the boys mate! Without a child in the Club, John came to training and turned up to the games and coached our boys to their first Grand Final! John was supported by his wife Megan who always helped us out if needed, thanks Megan you two are a great asset to the Colts and to our boys.

We always look for the perfect Coach when it comes to our kids sport someone who is fair but tough, serious but not too serious, and someone our kids will look up to! John has been this all year and our boys are lucky to have him. With Johns coaching I am sure that all of our boys can and will be the best footy players they can be.

Darren the most caring trainer in the world! If one of our boys were hurt he was out there in a flash. Always putting the kids first and I know they all knew it too!

Brad ran the line all year and was always fair with both team, that's what a good linesman does and that makes a good game! Brad enjoyed laughing at all of us when we screamed out at decisions that were made that only he could see were the right decisions.

Garry helped our boys get their kicks right and I know it showed in their improved games all year.

To all the parents who helped out each week either on the BBQ, scoring, canteen thank you, the Club needs people like you and its great that we all can get involved we couldn't have done it without you J.

Last but not least the boys what a great bunch of kids. When one was injured they were all there to make sure he was ok. If one couldn't get his goal kicking they would stop and show him how. This is what makes a great team. I watched on all year with pride as they carved up the football field beating some of the best teams in the comp. They just kept getting better and better. I can't wait to see you all next season I am sure you will all be unstoppable! Thanks for a great season!

#### **Layton Bolling**

Layton has been keen to play from day one. He was always one of the first to training, always kicking a ball (and he has an excellent boot too!). Layton defended on the edges for us and never let anyone down with excellent cover tackles and always putting his body on the line. He has a damaging run and I think he will make an excellent centre down the track. Well done Layton .

#### **Nicholas Deering**

Nick played his first year with the Colts this year and from his first trial he impressed the coaching staff. With his attitude to the game and training, and his ability to play well above his weight every week, and the way that he never backed down from a challenge, he proved himself to be a valuable asset to the team. Great stuff Nick!

**Corey Driver**

Corey is naturally talented at most things he tries to do, he scored several excellent tries this year and he learnt how to cover tackle. Corey could be an excellent football player if he decides to put the effort in at training. Corey is an asset to the team and will play in the halves one day - it's up to him when. Well done Corey, you always make training interesting.

**Cassius Goldie-Cook**

Cassius started the year with a leg injury and it took him a few weeks to get over it but once he did the hard running started and his confidence grew with every game. A bit more work on field position and no one will stop him. Well done Cass.

**Gabriel Haddad**

Gabby was our Captain this year and he did everyone in the team proud. We started short this year and Gabby filled several positions and did it with ease. Gabby leads and plays well above his age and has respect from all the players – made obvious by the fact they voted him Players Player for 2010. Gabby also started the year with a few injuries but he would just move out to the wing and wouldn't leave his team mates on the field – out there is where he earned the nickname of 'The Silent Assassin'. He gives everything he has in every game. It's been a pleasure to coach Gabby the past two years - looking forward to next year thanks Gabby

**Joshua Hargreaves**

It's Josh's second year with the Colts and for the second year in a row he has been the defence's back bone for our side. His marker defence is the best I have seen from a person of his age! Josh put his body on the line for the Colts every time he took the field. Well done on another excellent year!

**Dylan Harrigan**

Dylan played half back for the second year in a row and did an excellent job directing the team around the field. Dylan was away for two game's and our attack was found lacking - we need Dylan's go forward in attack and once he learns to stick to a game plan the whole team will be unstoppable. Thanks for another good year Dylan.

**Joshua Little**

Josh came late in the season and fitted in straight away with good hard running and his defence was getting better with every game - next year is the year for Josh! He's got the talent and just need to work on the fitness. Well done Josh.

**Jesse Pera**

From the start of the year Jesse has been a delight to coach, everything asked of him at training and on the field he did to the best of his ability. Every week Jesse got better at his field position and defence, but most of all there were several brutal runs from the young man. Well done on an excellent year.

**Christopher Rizoglou**

Christopher was one of our second rowers and played hard all year with a good running game and excellent defence. Chris is always good for a laugh at training and got on well with the whole team. It's been fun coaching Chris the past two years with a bit more fitness next year he will be unstoppable. Well done Chris .

**Michael Rizoglou**

Michael played second row for us this year and never let us down. He has an excellent running game and bone jarring defence to match. He missed a couple of games due to injury and we sure missed him out there. Another excellent year from the young man. Well done Michael.

**Jayden Urban**

Jayden is a new player to the team and it's his first time in Rugby League. The first time I saw him play I knew he had what it take's to play. His defence has been outstanding all year and he has an excellent attitude to training. Well done Jayden.

**From the Coach**

It's been a tough year starting short of numbers, we lost some games we should have won but to everyone's credit we turned our form around mid way through the season and started winning a few games. We beat a couple of team's in the second round that beat us in the first round and we found ourselves in the semi's. Unfortunately we lost our first semi in extra time. Parts of every game we played we looked unbeatable - when our defence is moving up and with everyone talking we were easily the best team in our grade but we had a little problem with shutting out teams when we had the lead. When the team finally works out that everything in rugby league is directly linked with fitness (you can not defend or attack if you are tired) so a winning team trains hard every week no matter who we are playing. If we go into next season with that attitude to games and training we will be unstoppable. Hope to see you all next year.

I would like to say a big thankyou to Dave for being the trainer this year he has helped me out all year and I couldn't have done it by myself and to the 'Super Manager' Gena, thanks for sorting the kids out every week.

A big thankyou to all the parents that helped out this year on the touch line and time keeping and canteen or BBQ we can't do it with out your help.

Lastly a big thankyou to the under 10/2's for a great year – I had a ball and hope to see you all next year.

Thanks Scott.

#### From the Trainer

Congratulations on making the finals for the second year in a row! It's a shame we couldn't go on with it but that's the way it goes. We had the talent, the passion and the desire to win but we just couldn't get that ball over the line one last time in the semi.

The effort put in by all throughout the year in the games was excellent – we all deal with the sicknesses, the late arrivals, the lack of enthusiasm on a given day – we started the year short of numbers but made up for it with the effort mid-year and the arrival of a late comer. If we could all get to training on time and put the effort in for the full hour the benefits will flow. As Scott has told you – you play the way you train. You need to train and play every week thinking it's a grand final – there is no second chance!

All up boys, great effort, great year, great team.

On behalf of all the boys I'd like to say a special thanks to Scott for the time and effort he put in for them. It certainly is greatly appreciated.

Thanks, Dave.

#### From the Manager

A huge big Thank You to my special men, the U10'2 for making my first year as Manager so enjoyable. You're always smiling, polite and willing to give your best each and every week. XOXO

To Nicole: Thank you from the bottom of my heart for all you have done this season. Due to dual Manager commitments you covered me more times than not, scored each and every week and always with a smile and willing to do more.

Scotty D : "Super Coach" – What more can I say.

Thank you for your continual dedication, patience and commitment you have given the boys. I believe the boys have ended the season all better players under your guidance. Thank you for your understanding with my dual Manager's role between the 10's and 13's. Hocker's owes you! And thank you for being you. One in a million XOXO

Dave: Your 1st Year as Trainer and you survived. Thank you for the time, commitment and effort you put into the team this season.

To everybody involved in the U10'2, Thank you.

To all siblings that helped with ball boy duties, parents with jersey washing duties, BBQ, canteen and cub raffles. Thank you all for your support, commitment and most of all friendship. To our special Touch Judge - Dave thank you for always being there.

Hope to see you all 2011.

#### Jihad Achrafi

Jihad played a strong season his work rate and commitment on field and at training has been mind blowing. He played a major part in the team. Very exciting player to watch on the field. I've never seen a kid with such a love and passion for the game of league!! A Great Season Jihad!!

#### Omar Achrafi

'Big O' one of the teams work horses having some great runs out there. Some wicked defence towards the end of the season, when he seemed to be coming into his own with having more confidence. Has excellent kicking ability we hope to see him back again next season. Great Season Champ!

#### Alex Constantinou

Alex showed a massive confident boost in his line running! Very hard person to put down at times, his defence played a big role throughout the season. Making some BIG hits out on the field. A very solid season Alex well done champ!

**Sam Domansky**

First season playing this year!! Sam has been a big injection to the team this year with some devastating attacking play, try saving tackles. Very dedicated player!! Sam has displayed vision within the game and we have no doubt that we will see great things from him. Massive Season Champ!

**Tony El-Alam**

Never played league before now!! Tony has developed and displayed the talents he has such as great foot work and speed to burn, more confidence in defence and this kid will show great form. Great Season Champ!

**Quinton McKenzie**

'Q' had a fantastic season this year playing at acting half. A bit 'shy' at the start of the season, but as the season went on he became a key factor of the communication from the forwards through to the backline. His balls skills and kicking ability were very impressive as the season progressed to mid way. Very good team player with excellent sportsmanship! Well done on a great season Quinny!!

**Omar Nassouh**

'Little O' a late addition to the team and being the smallest on the team did not stop him. This kid has the biggest heart I have ever seen before!! Little O had a thing for running straight up the middle! There was no fear in this player. Very happy boy. Very impressed with his defence and attacking game. Great Season Champ!

**Aaron Rankin**

A very talented player! Really lucky to have him, every time he got the ball he was a challenge to put down. Scoring numerous tries, saving countless tries from the opposition. A bit more focus on his defence technique but overall a strong player with loads of talent. Great Season Champ!

**Dietrich Roache**

Another late addition to the team with loads of hidden potential waiting to be unleashed. A very exciting player to watch. Good attacking skill and great defence to match!!! One to keep an eye on next season!! Great Season Champ!

**Douglas Roache**

'Douggy' Joined us late in the season. Very happy go lucky guy, but on the field very hard to stop!! As a forward he really took to the team. Created some body carnage moments at times on the field and was very exhilarating to watch. Doug and his partner in crime Alex will shake it up next season. Great Season Champ!

**Tarek Taha**

Came to the Colts midway through the season. Very talented with the ball in hand, and like most of the team one of the smallest but watching him tackle you would not think so!! Fantastic Season Champ!

**Abdel-Elah Taleb**

Very shy kid at the beginning. Played a good season this year. Displayed some great moments on the field and at times put his body on the line to stop tries. More work on defence and he will develop more confidence on attack. Awesome Season Champ!

**Bahae-Adin Taleb**

Had some great moments out there on the field. One of the smallest boys but he never thought twice to stop tries as well as putting his body on the line. We hope to see more of him and his brother next season. Great Season Champ!

**From the Coach**

To all the parents/family/supporters that assisted during the season by washing jumpers, working the barbeque, ball boy, line men and generally getting involved and trainings I would like to say a massive Thank you!! Without the support from family, friends and other club members we would not be able to provide the kind of support and resources to our kids. It would be great to see a lot more parents and family members getting involved next season as we all know many hands make light work. Special thanks to our Manager Sasha, who for his first year gave it good go, also to my wife Apriall who was our unofficial overseer and made sure we stayed on target. Hope to see you all again next season.

---

### Cory Brown

Still learning and had a habit of running across field. Learnt you can make more metres running straight and scored some tries as a result. Improved as the year wore on.

### Brandon Graceski

Improved as the year wore on. Had to play him out of his usual position and it didn't really agree with him but he just wants to play footy and I loved that about him as a coach.

### Michael Greig

A much better year for Mikey and he is improving with every game. Charges into the defence and always got us over the advantage line.

### Mustapha Haider

If we got this bloke fit there's no telling what he could achieve. Makes great meters in attack but missed training sees him struggle in defence sometimes.

### Nicholas Kazouris

Improved with every game he played. Has a good attitude and more work on his fitness will see him improve further.

### Blake Kentwell

Hit the ground running in the trials and was having a good year until an injury cut his season short. Still came to training and games and will be back next year looking to cement his spot in the side.

### Jamie Kolokthas

Started the year on the wing but moved to fullback when Blake was injured. Can suffer from a lack of confidence but is a lot better when he backs himself.

### Ben Liney

Can't speak highly enough of Ben. Effectively played two years above his age (didn't turn 11 until last game) and did not let anyone down. Is an absolute workhorse in attack and defence.

### Brendan Lloyd

Our Captain for the year and his talk on and off the field helped us have a successful year. Organised well and formed some good combinations with the boys around him.

### Jayden Lloyd

Menacing in attack and defence. Had many surging runs and had guys looking for him when we defended.

### Jonty Moore

Our top try scorer and has a tonne of speed. More work on his defence will see him become a more complete footballer but has the right attitude and is a good listener. Won't mention his goal kicking though, ha ha.

### Liam Punton

If we had a clubman award this bloke would win hands down. Lives and breathes footy and does everything asked of him. A good defender who still needs to do a bit more skill work but his work ethic should see him get there.

### Austyn Pera

A bit down on his fitness this year but still carved up whenever he ran the ball. A great defensive player who suffers from his size when he does a good tackle.

### Jake Phillips

A very good year for Jake. Terrorised the defence, made some great runs and scored some long range tries.

### **Vlassi Ramantanis**

Played hooker for us and did a great job of getting to dummy half. It let the boys know who they were running off which gave us good momentum.

### **From the Coach**

A very successful year from the boys finishing third overall. We set ourselves a target of reaching the semis and ended up playing for a spot in the Grand Final.

I would like to thank the parents for all their help throughout the season with canteen, BBQ etc especially Helen (timekeeping), Beth (tough-judge), Amanda (fitness) and Yvette for doing a great job once again as Manager.

To Dwayne and Daniel, thanks for all your help, support and input into the side, I know the boys appreciate it.

I've been lucky to be able to coach a side with such a fantastic bunch of kids and I hope they enjoyed it as much as I did. Still have some unfinished business so hopefully the boys can stay together and finish what they started last year.

Well boys, from the beginning I always said that together everybody achieves more and as a team we did so.

Being a long term member of Milperra Colts I have played in many sides but never coached one... so for me this year was something quite new and challenging.

At the start of the year you were 15 kids that wanted to play football and through the year Ben and I turned you kids into 15 men that could play football.

It was not an easy task but we got there and you should be very proud of the effort which you put in to make the Semis. Well done and thanks for the memories and I hope to see you all back next year.

I would like to thank all the parents and friends for the support and cheering on the boys this year and also our trainers Benny and Hatchy for their guidance and support. If it not for their effort none of this would have been possible to run a team. To Gena for keeping our team together and our game days always running smoothly, I can not thank you all enough. Thanks for the good times.

#### **From the Manager**

To my men: Hocker's, Benny and Hatchy, thank you for your determination, support and true friendship. A challenging year which we did survive with the assistance of a little liquid at times.

Nathan, our bench trainer, for being there each and every game knowing just how badly you wished to be on the park, spurring the boys to play the game you knew they could play.

To Louise, Michelle and my rock, Sonya, my part time manager, thank you for always being there at the scorers table. My linesmen, Steve and Mick, never did I have to ask. To the BBQ dads – Scotty, Spiro and Tom, thank you.

Boys, to those of you who turned up each and every week and gave your all, you made my job so much more fun and rewarding.

Lastly, to a little squirt who saw a team lacking discipline, passion and strength I thank you for trying to show it's not important how young, lean or little you are on the park but it's how big your heart is for the game and friends you love the most. I am truly proud of you.

May we all return next year with a fire in our bellies and passion to play the game we love the most – Rugby League?

Thanks Gena

#### **From the Coach**

This was my first year with the Milperra Colts and I'd like to thank the Committee for taking me on board and doing all the work behind the scenes which often goes unnoticed. What a year! I still remember the second training run I had with the boys which was a fitness session. I was told that "we have never done fitness, all our other coaches just let us play touch footy." They were told the effort they put into their training at the beginning of the season will help them at the end. Making the Grand Final was a good indication of the effort the boys put in.

We started off a bit slow with some new players coming into the side; some who had never played rugby league before. We played some strong opponents early on before they were moved into grade. One game I won't forget was the game against Berala Bears at Regents Park. Despite the score being a whitewash, the team didn't give up and showed a lot of courage against a team that was bigger and stronger than what they were.

The team had some ups and downs the whole season and with only four teams in the competition it was hard to stay motivated coming up against the same teams, week in week out, knowing that they were guaranteed a spot in the semi-finals regardless of how they performed. It wasn't until the back end season that the team lifted and the boys training improved. They started to mould better as a team and utilised what Paul and I had been teaching them at training and displaying it out on the field.

Unfortunately I missed the final three games and first semi against East Hills because of an injury however I was told the team played exceptionally well. Although I can't comment on that, I can say one of my proudest moments as a coach was watching the final against Greenacre. A side we had not beaten all year put them at better odds. It wasn't that Greenacre played bad, the boys simply outplayed them on the day with some really clever footy and strong defence, putting us into the final with the confidence we needed to take home the trophy.

Unfortunately it wasn't to be. We played Bankstown Sports in the Grand Final who were minor premiers. The team played well the entire game and were in contention right up until the last few minutes where the ten point score line was out of our reach. There was not too much more we could have done, Sports played well and played fair, it was a great game – we couldn't even blame the referee!

To finish off I'd firstly like to thank our Manager Angie, without her nothing would have been done and we wouldn't have had a side. You put up with Paul and I all year with the both of us missing training and games due to work commitments and did a fantastic job – THANKS!! To John, thanks for filling in when Paul and I couldn't be there and to the trainers and ballboys we had throughout the season thanks for helping out.

I'd also like to thank the Under 13's boys who stepped up for us late in the season and put in a big effort. Without them we probably wouldn't have gone as far as we did. I'd like to see you boys back helping out again next year.

To the players, you had a great season and I couldn't have asked for anything more, you honestly made me proud as a coach and I hope it's a year none of you ever forget. You all have potential and hopefully with a few more players you will all be back next year to continue to develop those skills and win a premiership. All the best in the offseason.

Michael.

### From the Manager

To the parents firstly I would like to say a big thank for your assistance with canteen, BBQ and washing of the shirts your support as always is greatly appreciated.

To the boys what can I say? The end result was due to the effort you guys put in throughout the season! The finals were watched by many and you made your coaches, parents and the Colts Committee very proud especially our game against Greenacre which became very heated towards the end, we saw a maturity beyond your years as you all turned and walked away. (I'm sure some of your teachers wished they could have seen it). However the Gold medal was not to be, but should you apply the same determination and commitment next season the result could be very different. A special mention must go to Bradley, Tyler and James from the 13's these three boys stepped up often finishing their games and running straight on the field for ours, taking part in our training sessions. You boys stepped up when needed and helped us out when we were short in numbers for that we will always be grateful! (I sincerely thank your parents as well who made the sacrifice to bring you to games and training).

Michael and Paul, you guys put in a great effort this season often struggling with work commitments and health issues but that said the effort you guys put in paid off in the end! The boys were very excited in the beginning of the season listening to your plans and knowledge and seemed to take it all in. We can only say a big thank you for dedicating your time and making the boys feel like they were part of a team worth caring about! A special mention must go to John Kerr who sometimes filled the position of coach, if there was an award for team motivator you would win it hands down. The roar from the dressing sheds always sounded awesome!

Jeremy and Brad our trainers, you guys were thrown in late in the season but a great job you did! You took to the positions as absolute pros! Then there was our ball boys more often than not Jayden Okunbor (you still have Colties blood running through your veins) and Donna for time keeping. Thank you.

To our Committee what a wonderful group of selfless people you are! No one will ever truly appreciate the effort you guys put in until they spend a week in your shoes. You make the Colts the great club that it is!

Lastly congratulations to Shaun Cooper and Taylor Pritchard on your ten year achievement that is something to be very proud of well done!

Angie

#### From the Coach

Well fellas congratulations on a great season and making the grand final for the second year in a row. Unfortunately not the result we would have liked, but hey that's how it goes! I would like to start by thanking you and your parents for the effort you all made. Not only game day but training days as well, we have a lot of people that have to travel quite a distance to play in our team and in winter it is always difficult. So to you all thank you very much for your perseverance and effort. Next to my long serving hard working manager Steve, a massive thank you from all of us for your time and effort not only doing your job, but half of mine at times too. You're a good man Steve and thank you very much. To my trainers Paul and Johnsy thank you for all of your time and assistance. To foxy thank you for your assistance in helping coach the boys again this year, it wouldn't be the same without you mate thanks. And last but not least to my boy's thank you all for putting up with my ranting and raving all year! I hope you all had a good a year as I did. You are a great group off young men and if I had the chance to change anything it would only be our last result. Thank you all very much and see you all soon.

#### From the Manager

Another season has rolled on by and I don't know where the time has gone, though I am really looking forward to the break! The season started with the player numbers looking a bit light on, but at the end we had to cut a couple! So we began with twenty, though this was actually nineteen as lbby never made the field all year (sure he will have a blinder in 2011). Then the injuries, ambulances and trips to hospitals and doctors began. I don't think at any stage did we have nineteen players available to train or play and I hope that all the injuries are now heeled up and everybody is fit and healthy. Though Jimmy and Nathan need to stop out doing each other with injuries and trips to the hospital? While the Davidson's and Cavana's can stop discussing who spends longer in the car to get to training. Congratulations to our Captain, Brendan on a very successful year of representative football.

Thanks to Donna for timekeeping, Paul and Dave for being Trainers, Michael (14's) and Miracle (14's) for filling in when we were getting short of players during the finals. Also a big thank you to the Committee and parents that made it possible for the home games and the first Sunday semi-finals at Killara, well done and keep up the good work. Special mentions do have to go to Scotty O – our Grand Final bus driver, Billy T – our number 1 supporter and statistician, Jamal Jayden Idris - being Ball Boy for his little older brother, Ken C and Angelo T for stepping up and lending a hand to the Club when we were desperate for help. Last but not least the mad bunny's supporter who looked after the boys and got them to another Grand Final. Well done Coach another good year as always. All of this is what a great team is made off and I hope that all the new players and parents had an enjoyable year and will be returning next year to assist with our assault on sporties? I hope that everyone has an enjoyable break and a great Christmas/New Year.
