Annual General Meeting 2011

Wednesday 16 November 2011

7:30pm at the Clubhouse

The positions of all Committee Members will become vacant and will be voted upon. This gives all members of Milperra Colts J.R.L.F.C. Inc. the opportunity to vote for the new Committee for 2012.

If you wish to apply for a position, you should obtain a form from the Secretary or Assistant Secretary. The form must be submitted by 5:00pm, Wednesday 9 November 2011. Hope to see you all there.

President's Message

Congratulations to all our 14 teams on a great season in 2011. We had three teams make it to the semis and then two of those teams into the finals. Unfortunately our Under 11 Division 2 and Under 16/s were pipped at the post but I am sure they will come back even stronger next year and hopefully go that one step further.

I have decided to hang up my President's boots after 19 years, as I feel it is time for someone younger to take on the role. I have enjoyed all my time as President and want to let you know that I will be staying on as a committee member, as I love the place and need to have somewhere to go on a Saturday in winter.

I have seen many Committee members, Coaches, Managers, Trainers, parents and players come and go over the years but the good thing about our club is that along the way you make many life long friends and believe me, I have made plenty through the Colts.

I would like to thank all the committees that I have presided over the years but especially the present committee, who throughout this year, when my health was not so great, gave their full support to both Pauline and myself to get us through this difficult time, it was greatly appreciated.

I am looking forward to my continued role on the committee, my ground official duties and providing guidance and advice when needed. Wishing everyone a Merry Christmas, a safe New Year and to seeing everyone back for the 2012 season.

Fred Hagan

Secretary's Report

Another season has gone and while our results were not what we would have wished for, we can still take many positives out of 2011.

We fielded 14 teams this year, two more than in 2010. Four of our teams moved up a division, this is an fantastic achievement but it is also a tough lesson to learn for the players, parents and coaching staff to realise that they have to step up another level to be competitive and they also need to acknowledge that it may take a couple of seasons to do this. They are all on the right track and I am sure we will see better results in 2012 for all these teams.

2011 saw the installation of match lights at Killara Reserve, thanks to Bankstown Council. The improved lighting helped on training nights as everyone benefited with the brighter lights and there was some suggestion that we supply sun cream. We only had the opportunity to use them twice, first match under lights involved our Under 14's and the second was a play off which did not involve any Colts team. Next year we will have three teams playing on Sundays and I will be lobbying the Junior League to have more night games at Killara.

We held a very successful Gala Day which involved the Men of League Foundation, \$1500.00 was raised for the foundation and we will be looking to raise even more next year. The day was organised by Angelo Piazzetta, and I would like to publicly thank him for all the effort he put into making this event such a success for the Colts.

The club would cease to exist, if not for all the dedicated Committee Members, Coaches, Managers and Trainers who give up their time, unselfishly, every week to enable our kids to run around on the footy field. Thank You for all the support you have given to me over the season and know that you are all appreciated and invaluable to the club.

I would like to thank all the helpers (set up / pull down), canteen, bar staff – without your efforts we would not be able to run the club successfully or raise the funds necessary to keep the club moving forward. I know at times it gets all a bit much (for some of us) but you only have to see the smiles on the kids faces after a game, that you realise, that we do provide a great community service and we are involved in the greatest game of all.

Lastly, I would like to thank our out going President, Fred Hagan, for all his support and friendship over the years, not just to me personally, but to all members of the Colts family, you are a true treasure and we all have been so privileged to know you, had your guidance, friendship and vast knowledge over so many years. We all look forward to you staying on the general committee, as your job to pass on a bit more of that knowledge is not finished yet!

Wishing everyone a safe Christmas and New Year and I am looking forward to seeing you all in the New Year.

Donna Okunbor

TRAINER – Brad Whigham

Awards

Every player is the 'Most Valuable Player'

Riley Crook

Riley may be one of the smallest boys in the team but showed us many times that he can pull down even the biggest kids. Defending out to the right Riley would pull off plenty of try saving tackles every game earning himself the tackle snake more times than anyone else. With speed a good sidestep he scored plenty of tries the best of which against Moorebank were he ran 40 metres stepping his way through the middle of their defence. It was a terrific effort this year from Riley and I am sure he will have a great year next year in the 7's.

Fayah Hijazi

One of our big boys in the team, Fayah is extremely hard to tackle and after a bit of bribery we got him running the right way throwing out that big right hand fend and taking the defence head on. With another year in the 6's I am sure we can get him offloading which will create plenty of tries for his team mates around him. A great effort and his improvement from the start of the year was awesome to watch, running in the right direction and scoring his first try for the colts against Bankstown sports.

Cooper Jones

The other big boy in our team, Cooper made the number 10 jersey his own this year and I am sure he will wear it for many years to come. Coopers defence was terrific running up and getting involved in plenty of tackles. He is also very hard to stop and found himself scoring plenty of tries this year, with a real passion for the game I am sure he will go far.

William Kennedy

Will has got a good eye for a gap and with speed and a great sidestep he found himself running into plenty of them, scoring a couple of tries or making good metres with every run. Wills defence has improved through the year and with his confidence growing I am expecting big things from him next year in the 7's.

Lithanial Leuluaialii

The youngest boy in our team but one of the biggest and with another year in the 6's Lithanial is only going to get bigger, faster and stronger. Lithanial scored his first try this year running straight through St Chrissies for a 40 metre dash to the line. A great effort and I am sure he will prove to be a handful for any teams defence next year.

Cooper Macdonald

Coopers defence improved through the year waiting until the last couple of games to show us that he can really tackle and with that bit of extra confidence he showed that he can pull down even the biggest kid on the field wrapping them up their legs and hanging on until they fall. Cooper scored an awesome try this year against Berella taking advantage of a decoy run from dummy half he ran 35 metres past a confused defence to score his first try for the Colties. With another year in the 6's, his confidence growing and dad pushing him along the way Cooper is sure to have a great season next year.

Harrison Pallanza

The smallest boy in the team and maybe in Division 2, Harrison was also one of the most fearless. He always ran the ball straight ahead and never dropped it even when hit hard in tackles which was a terrific effort especially when you saw the size difference between him and the opposition. Harrison was a pleasure to coach and I hope to see you back next year.

Tommy Tsougranis

Tommy scored a couple of awesome tries this year and pulled off some terrific try saving tackles towards the end of the season, the best of which against Bankstown sports chasing down and tackling the opposition just short of the line. With another year in the 6's, his confidence growing along with his speed and a good sidestep I am sure Tommy will score plenty of tries next year and save just as many in defence. A pleasure to coach and I hope to see you back next year.

From the Coach

It was a tough year this year, hit by sickness for most of the year we played 1 or 2 players short most weeks and with a young side we came up against teams full of older and much bigger kids. All the boys did a terrific job to still enjoy their footy and win a couple of games along the way and they can all hold their heads high. With all the boys scoring a try this year there is a lot of talent in this team and I am sure all the parents are very proud of them as I am. Along the way there has been some terrific improvement and with five of the boys set to stay down in the 6's next year they will be very competitive in Division 2, while the other three are due to go up, have all the skills and confidence they need to do well in the 7's. A big thanks to all the parents for bring the boys down to both training and game day, for helping out as linesmen or just cheering the boys on each week. Brad for giving up his time to help train the boys and to Rae for doing an excellent job as manager, keeping everyone informed, washing the jerseys and scoring every week, have a good break and see you all next year.

UNDER 6 Division 4

COACH – Trent Rossington

MANAGER – Carly Rossington

TRAINERS – Ralph Weatherall & Craig Holden

Awards

Every player is the 'Most Valuable Player'

Aleesha Bonnici

Aleesha seemed to have fun this year; and we saw a big improvement from the start to the end of the year in her tackling, which I think is something she can be proud of. Keep up the good work.

Riley Braddick

Riley hit the ground running – literally!! His work in attack and defence was outstanding and he progressively got better throughout the season. Fabo!!

Brayden Cooke

Brayden's ability to run the ball was definitely a highlight this year combined with his tackling. Good Job!!

Mohammed Elkahdi

having never played football before, I think towards the end of the season Moi had a better understanding of the game. Each week he tried his best to help out his team mates. Well done!!

Jacob Fahd

Jacob finished the season early, however was starting to understand the game and was doing a good job helping his team mates in attack and defence. Good Job!

Kayden Holden

Kayden's confidence has come a long way since his first few matches at the beginning of the season. His work in defence was outstanding and he should be proud of the effort that he put in. Good Stuff!!

Kortez Malai

Only playing a handful of games, Kortez has come a long way in a short time - from not wanting to run on the field, to running the ball on occasions. Overall he supported the team with awesome defence. Good Stuff!!

James Mckenzie

Fast on his feet and keen as mustard describes James. When James is running the ball, he has an ability to find gaps which is second to none. Top job!

Peter Ross

Peter's work in attack and defence was consistent week after week and because of his ability to follow instructions, he was an important member of the team. Keep up the good work!

Wyatt Rossington

Wyatt has come a long way this season with great effort made in both his attack and defence. Towards the end of the season, I noticed he was making tackles on the other team that he should be proud of. Awesome effort.

Jarryd Walshe

Jarryd started the season quiet, but as the season progressed, he found more confidence in himself when running the ball and in tackling. Well done!!

Emily Weatherall

Emily started the season well and got better and better every week. Emily had a knack for running around her opponents and with her long legs, was very hard to catch. Brilliant work.

From the Coach

Given that a lot of the players had not played before and combined with their ages, I think that the team has come a long way since their first couple of games. What I tried to focus on with the kids this season was defence as I figured, even if we weren't able to score, at least they wouldn't either. Having said that, we did do attack drills and in doing this, the players learnt how to carry the ball, how to pass the ball and towards the end – they learnt how to fend while running with the ball.

As a whole, the players put into practice what was covered off at training and this was evident in the lower scores that were made against us. I think that the teams defence work was phenomenal. When everyone wanted to tackle, we were a very strong defensive side and the proof of this was the countless group tackles the kids made on the opposing sides. One of the other key strengths that the team displayed that I would like to highlight was moving up quick to tackle as this applied pressure to the opposition, usually forcing a mistake.

Overall the kids did a great job and I hope that they learnt a few things, but most of all had fun!!

I would like to thank all of the players, parents and particularly those that helped us out through the season e.g. running the line at games, running the water and those that helped at training.

Best & Fairest

Brendon Lecce

Best & Fairest Runner Up

Jack Hardy

Most Improved

Lisiate Tupou

Coach's Award

Logan Marshall

Connor Cummins

What a great start to the year from Connor. He was our try scoring machine going over the line on plenty of occasions scoring up to five tries in one game. Missed half the year on holidays and did we miss him in attack. Also a great defender and also has plenty of speed to burn. Mate, I'm excited to see how many tries you can score next year.

Gabriel Georgeson

Gabriel got better and better with every run this year. Makes plenty of metres in attack with his evasion and sidestep which makes him very hard to tackle. His defence also was solid this year. Scored a couple of tries and man of the match awards. Keep up the great work and see you next year Gabriel.

Jack Hardy

Another outstanding year from Jack. One of the most lethal attacking weapons in our team with his speed, step and evasion makes him very hard to tackle. Can also tackle and kick goals as well. Definitely a key player in the team. Great stuff Jack looking forward to seeing you next year.

Brendon Leece

What a year Brendon had definitely improved out of sight from last year. Inspirational player in defence he pulled off some great try saving tackles one memorable one against East Hills to come away with a draw. Brendon is also one of the quickest in our team and does not know how fast he really is. Great year Brendon, excited to see what you can do next year.

Blake Macdonald

Blake has one of the best "Don't argues" in the game and is a fearless runner of the ball in attack. He is a great defender and also kicked a few great goals this year. He did manage to score a couple of tries in our last game and I'm looking forward to seeing what he can do next year in both attack and defence.

Logan Marshall

Logan is our dummy half in the team and does he do the job well. He is a thinker and scored plenty of smart tries from dummy half all year. He knows when to run the ball and when to pass. Also, a pretty good tackler and can also kick goals. Well done mate, see you next year.

Harrison Passalis

Harrison had a great year in both attack and defence. He is one of the better ball players in the team with some great offloads this year for some fine team tries. Scored tries and kicked his first goal this year. Well done mate.

Lisiate Tupou (Richie)

Richie has both size and speed but did not use it until the later half of the year. Damaging player in both attack and defence and when he got some confidence pulled off some great tackles and even scored a couple of tries. Definitely a great improvement from Richie and I'm looking forward to seeing you run over players next year.

Coaches Report

I would first like to thank the parents for bringing the kids to training and the game all year, and a BIG thank you to all the boys in the team for making it a fun and enjoyable season. Special thank you for Danny for helping me train the boys all year and also Edita, our Manager, for a tireless effort managing the team. Thank you to all other parents for helping out with touch judge, scoring etc.

This year was a great team effort and with a full team all year we could have made the semis. Every player improved this year and if this team sticks together over the next few years I expect big things from them and plenty of semi finals footy. Hope to see you all next year and thanks for a super season.

Nick Passalis

UNDER 7 DIVISION 3

COACH – Prasad Kanitkar

MANAGER – Aman Nemra

TRAINER – Raj Panchal

Best & Fairest

Sean Bombaci

Best & Fairest Runner Up

Amin Zakouari

Most Improved

Adam Cheikho

Coach's Award

Naokii Frail

William Braddick

For what was his first season in rugby league, William showed a lot of promise. With a bit more concentration at training and he could be a great all round player.

Sean Bombaci

Our little superstar, Sean kept tackling over and over again and scored a few tries as well. Look out for him when he grows up a bit!

Adam Cheikho

Amin's partner in crime, those two did nothing but wrestle and fight all the time! Adam definitely improved a lot during the season and a change of attitude definitely helped his game as we progressed.

Caitlin Coulter

Caitlin was one of the most improved, gaining confidence as she spent more time on the field. A bit more work needed in defence, but can run the ball hard and is tough to tackle!

Naoki Frail

Naoki was the quiet one of the team, but definitely not on the footy field. Her speed and agility caused a lot of trouble for oppositions.

Taha Saleh

Struggled to make training (and games) at times but definitely a player with great potential. Working with Sean, he caused a few headaches for the opposition defence.

Amin Zakouari

The trouble maker of the team, when not complaining about something he definitely worked hard and scored some great tries, including his bag of four against Moorebank.

From the Coach

With the help of Raj and Aman as my assistants, we had an enjoyable and entertaining season with plenty of tantrums along the way as you expect from under 7's. Unlucky not to win more games than we did, some very close games, but the effort was definitely there and it was great to see each and every one of the players improve as the weeks went by. Hope they all come back next year to play rugby league!

Brodie Romcke-Harber

Most Improved

Patrick Lecce

Coach's Award

Jordan Morrison

Kailan Cambey

Kailan has had an up and down season this year due to injuries. Hope to see him back in fine form next year as he is a valued player of the team.

Amir Haddad

Amir is one of our forwards who is hard to stop. He has improved in defence which has become a credit to you. Congratulations on a good year Amir.

Patrick Lecce

Patrick's first year with us, his willingness to learn and follow instructions is a credit to you. Thanks Patrick for a great year and hope to see you next year.

Saige Lloyd

Saige keeps improving each season this shows in his defence and attack. Keep up the good work.

Jordan Morrison

Jordan is one of the team's big improvers, his attack and defence has been truly outstanding this year. Keep up the good work Jordan.

Brodie Pascoe

Another big improver, his willingness to run the ball up shows how much enthusiasm he has for the game, good work Brodie.

Kalvyn Pera

Kalvyn is another big improver in the team, his ability to play anywhere on the field is a credit to him. Hope to see you back next year.

Hayden Reti-McClintock

Hayden has started this season the same way he finished last year's season in the semis. His damaging runs up the middle, proves to be a menace for the opposition to try and stop, well done Hayden.

Brodie Romcke-Harber

Brodie has had a great season in both attack and defence. Brodie is one of our smallest players but what he lacks in size he makes up for in heart, another great season Brodie.

Dylan Walshe

Dylan has had an outstanding year in defence and as first receiver this year. Well done Dylan.

From the Coach

This has been a very rewarding season for me more so because of the fact that we were put up to Grade and believing that we were not ready for Grade.

You boys are able to hold your heads high; the courage, determination and spirit showed to me that our side was to be competitive at this level.

I am extremely proud of each and everyone of you. None of this could have been achieved without the tireless support of Terry, Simmo, Shantell and all of the families.

Many thanks for making this a great team to coach.

From the Manager

I would like to take this opportunity to first of all tell you boys that I'm very proud of you all; you came into grade this year and gave it 100% effort which got you the fifth spot which is a fantastic effort for your first year in grade. I hope to see each and every one of you back next year.

Parents and siblings, I would like to thank you all this year for your support to Gary, Simmo, Beale and myself for helping in canteen, bbq, linesperson, timekeeper, ball boy/girl, setups/pull downs and raffles. I don't know if you all realise how important it is for parents to take interest and help with their kids sporting clubs, but let me tell you that without your help our club wouldn't run, so THANK YOU and have good and safe Christmas and New Year,

UNDER 8 DIVISION 2

COACH – Angelo Piazzetta

MANAGER – Kerrie Elliot

TRAINER – Craig Holden

Best & Fairest

Connor Rossington

Best & Fairest Runner Up

Khaled Hamdan

Most Improved

Christopher Piazzetta

Coach's Award

Tylah Ross

Conner Bennett

One of our new players this year who runs hard. He handled the challenges of a new team well and we look forward to his skills growing even further next year. Well done Connor.

Jay Domansky

A tall and fast runner with a great swerve who looks destined to be a hard running centre. Jay's natural evasion will be even better next year on the bigger fields. Thanks Jay.

Hayley Elliot

Our team halfback and organiser. A tough little player and good cover defender who gave everything she had in each game. Evolved her play well on the last tackle options throughout the year and will be the key to leading the team around next year. Thanks Hayley.

Noah Fahd

Back in the team after a year off with a broken leg. Smallest player but with a strong heart. It was pleasing to see Noah improve his skills throughout the year. Thanks for your efforts Noah.

Khaled Hamden

The speed demon and incredible try scorer that slayed them last year and continued his run this year. Runs a lot like Rod Silva and just a great kid. Will end up being a fullback star of the future. Great year Khaled.

Hayden Hardy

Awesome support player and back up dummy half/half back. Hayden showed good speed and evasion in the games along with his strong tackling. Well done Hayden.

Beau Holden

The funniest and happiest kid ever. Beau worked really hard this year on improving all aspects of his game and towards the end of the season he made line breaks and pulled off one on one tackles. He is a vital member and keeps a real good spirit in the team. Thanks Beau.

Avaiki Paretoa (AJ)

One of the new players that joined the side in 2011. He has an awesome passing game and good swerving runs. Avaiki had an excellent year after an unfortunate start and was rewarded with some game time in the under 9's. Well done AJ.

Christopher Piazzetta

Our main dummy half for the year and leader in organising our defence. Chris communicated well to the team throughout the year and his defence improved immensely. Made some good runs from dummy half and linked well with our half backs. Great year Chris.

Tylah Ross

The team prop and hard man who ran and tackled strongly in every game. Runs at full tilt into the defence and crunches in his tackles. It was a pleasure to see Tylah lift the team with his runs and tackles. Super effort Tylah.

Conner Rossington

One of the standout players for 2011, someone who runs hard with a good swerve and step. An awesome tackler who handles both the upfront and cover defence superbly. Had an excellent year all round and was rewarded with game time in the under 9's as well. Super effort Conner.

From the Coach

The nucleus of this team comes from an Under 7 Division 3 side that won the premiership in 2010. We moved up from Division 3 to Division 2 and this certainly gave us some new challenges and tougher competitors. We finished one spot out of the finals so that was a major effort and result for the team.

The increase in skills required and sheer size of some of our competitors was a shock for the team at first but with their hard work on improving their techniques they were competitive at the end of the year.

The training sessions this year were great and it was pleasing to see the boys put the plays they learnt in to the games throughout the year.

A real feature for me was our defence in the last six games where we only let a handful of tries through the middle of the field - this gives us a great platform for next year.

A big thanks to the parents for their support and assistance throughout the year. Your help with scoring, line work, bbq's etc was appreciated.

A big thank you goes to Vincent Piazzetta who was our ball boy for the year.

Finally to the team - thanks for your efforts and attitude throughout the year. See you next year.

From the Trainer

Although our finish this year was much lower than our premiership win from last year the improvement in the team was better this year than last. The team being one year older and the competition being much harder due to the move up in Division, every player improved throughout the year and more importantly we improved in playing together as a team. Every player has a role within the team and when everything goes well, this team is the team to beat.

Thanks to all the parents for their support and thanks to Kerry for once again doing a great job as Manager. Also thanks to Angelo for coaching the team and hope to see everyone back on deck for another season and what is shaping up to be a good one.

From the Manager

Well another season over already. After winning the grand final last year the team struggled a bit this year going up to Division 2, but the kids hung in there trained hard and improved their game every week through the year. Over all we didn't do too bad and it was a great end to the year with a win. On behalf of the parents I would like to say thank you to the coach Angelo and the trainer Craig for your dedication to the team. I would also like to thank Peter - Conner Bennett's grandad for running the line, Vincent for being ball boy and to the parents and the grandparents that also helped out the team and the club every ones help is appreciated. Hope to see you all next year.

UNDER 9 DIVISION 2

Semi Finalists

COACH – Robert Weatherall

MANAGER – Karian Weatherall

TRAINER – Ralph Weatherall

Best & Fairest

Kyle Weatherall

Best & Fairest Runner Up

Jacob Crawley

Most Improved

Dylan Burrell

Coach's Award

Tyler Urban

Omar Achrafi

In our finals loss, Omar took it upon himself to shut down our opponent's right side attack and did a brilliant job. Playing at left centre Omar did a sterling job all year in defence. His coach just needs to communicate the lines and angles to attack in order to progress Omar's game to the next level.

Marco Basara

Marco was an unhappy soccer player when he came to us but finished the season a more confident rugby league player. With the right defensive technical training Marco will be a big asset to the Colts in the future.

Jayden Bonnici

We finally started making metres in the middle of the field once Jayden realised how strong he was if he ran hard. We've only been trying to convince him for two years. It's only going to get better and he looks good going into 2012.

Dylan Burrell

Dylan played acting half in mini's last season but this year we wanted to utilise his speed. Dylan played right centre and excelled with the extra space to move. The way he runs with the ball out in front in both hands and his defence impressed throughout the entire season.

Jacob Crawley

The coach coined the phrase 'bigger, stronger, faster' in relation Jacob last season, because he quite simply loves to run straight over the top of opposition players. Absolutely relished in the extra room to move in mod this season and was very strong on the right edge.

Jordan Cummins

Speed, strength, a killer right hand fend and an unwillingness to be tackled are awesome traits to have as a rugby league player and Jordan has these in bucket loads. With the necessary structure inside him and the extra space the mod game offered this season Jordan excelled on left edge.

Liam Fenner

Liam lacks nothing in the way of enthusiasm, where on game day he would be involved doing his job in the middle third in both attack and more importantly getting in and helping his team mates tackle. Just remember it's only a game and don't let your frustration get the better of you.

Yummarra McKenzie

Although Yummarra would appear to have attention span of a goldfish at training, it was a different story come game day when he had to organise his right side attacking weapons where he had them firing. His kicking game also showed some good signs with at least one kick setting up a try for John deep in the right corner.

John Panapa

The smile displays arrogance. He backed up the smile with ability. John proved to be a massive foil for Dylan on the right side. His ability in attack and enthusiasm in defence really excites us going forward and made a difference to the team each week.

Tyler Urban

Big man in a little frame. Tyler's the only defender who's allowed to shoot out of the defensive line because if he doesn't get the ball runner in the first contact, he generally brings them down once he catches up to them. He also chose his scoots smartly and more often than not ended up in tries as a result.

Kyle Weatherall

Kyle started the season well in defence and attack, but wasn't wholly aware of how to organise his left side attacking players and seemed to lose confidence in his kicking game. Fortunately a late season opposed session with Under 10's reinstated his confidence and he finished the regular season with probably his strongest game of the year.

From the Coach

I had another fun year coaching the boys. Watching them learn and play with a structure that clearly gave every player an opportunity to contribute to the team's success was particularly satisfying. Telling the boys something at training and to watch it unfold on field shows me that the boys were actually listening. I have been blessed with pretty good bunch of boys, but you know what they can actually play. Making finals equates to a successful season, so give yourselves a pat on the back boys. To the parents, thank you. Without you getting the boys to training and the games we don't have a team. Thanks to my little brother Ralph who was running a logistical tightrope on Saturday mornings because he was running the water for the Under 6 Division 4 as well as us. Lastly thanks to my wife and rock Karina, without who, things would definitely not run as smoothly as they seem to on the surface.

Hopefully see you all back in 2012, Sonny.

PS: To my baby Emily, I am sorry mummy and I didn't get to as many of your games as we would have liked.

From the Manager

They came up a division, tried some new positions and although at times it was a struggle, the boys came together as a team on all occasions and had a great season.

A big thank you to those who helped out with: time keeping (Michelle, Fiona, Danielle and Carolyn), running the line (Danny, Josh and Gene) and supplying our oranges (Josh and Robyn). A special thank you to Jayden and James for continually trying to be at the games to be ball boy and support their brothers. Without you we could not run the team and your help was/is greatly appreciated. Thanks to all the parents, family and friends who came out each week to support the boys – hats off to you and it is great for the boys to feel your love and support. Hope to see you all back next year.

Special thanks go to Connor and A.J. for playing up on a number of occasions for us. No-one would have guessed you were U8's as you played so well. You did it tough with us but stuck it out and we really appreciate your efforts.

A BIG thanks to Ralph for being our trainer.....he adds the soft touch the coach lacks on occasion and makes sure the boys are okay. His assistance at training and on the field is greatly appreciated and valued. Keep the magic water and those words of advice coming.

Last of all –thank you to Sonny for dedicating your time to the boys again this season. You can be a hard task master but the boys have learned from you and take away some additional gained skills as a result. They are great sportsman and they will come back bigger and better next year as a result of your guidance.

UNDER 10 DIVISION 1

COACH – John Kerr

MANAGER – Kelly Taylor

TRAINERS – Darren Tarlinton & Chris Werrett

Best & Fairest

Kingston Rapaea

Best & Fairest Runner Up

Kyle Werrett

Most Improved

Leo Munro

Coach's Award

Elijah Lalakobau

Jeremy "Rabbit" Cockburn

One of the best starts of the year for Jez with some great team moves and feeding the ball well came crushing down with a outside injury kept him out of the game for most of the year but gave great support as my Assistant Coach on the bench and maybe a Ref in the making.

Riley "RD" Feltis

A hot and cold year for R.D. started as a new player and once warmed to the team had to have time out due to injury but made his way back in the team and showed some great sparks in his game wish R.D. had more game time as under there is a very good football player ready to shine his stuff. All the best in your next team for next year.

Cameron "Camo" Grady

Winger of the year by far Cam found his spot in the team and stuck to it all year and proved staying out wide try's will come and try's they did. Read the kicking game well and also improved his defence game each week.

Elijah “Bulldozer” Lalakobau

Can they stop him... No one can. Elijah they don't call him Bulldozer for nothing the most powerful player in the team showed size does not matter cause once he took control of teams they ended up looking like tenpins getting knock down and also loved the word tackle which was always asked at training.

Bailey “Boots” Lloyd

The best utility player to have in our team Bailey never worried where he played just as long as he was in the starting side each week and by the end of the season became one fast stepping attack in the team.

Dwayne “D” Maere

One of the best changes to our team this year with Dwayne moving into Hooker gave the spark and speed the play the ball area needed and read the plays well keeping the team in control all year and getting down and close to the try line to score try's.

Leo “Lion” Munro

One of the teams most improved players by far Leo was on of our new players this year and once he found his feet in the team it did not stop one of the most feared attacker in our team and with some of the strongest defence in the game to match.

Oliver “Queenslander” Piazzetta

Utility player of the year Oliver found in every position he gave his best with a great kicking game kept most teams under great pressure each week round enjoying the fullback roll by the back end of the season found some great form.

Kingston “Kiny” Rapaea

This year Kingston found a new style to his game at Fullback each game week in week out by becoming one of the best cover defenders made, but at the same time showed great hand skills and offloads which lead to try's, showing he still had speed to burn finding the try line out wide well. When in the centres for most of the year.

Atutahi “Tooheys” Reti

On the new player list Atutahi showed a non stop work load each week in his game always putting his hand up for a go, by the end of the season showed a promising forward of the future with some of the biggest hit ups and not afraid to put the body on the line when needed.

Kirk “V boy” Tarlinton

This is a player once his blood starts to boil the best comes out of Kirk with this year a massive improvement in his defence and showed great attacking skills and metre gains and showed teams once Kirk's game was on he was a force to deal with.

Riley “Burt” Taylor

One of the safest play makers in the game Riley reads all plays well and set every player up and gave great options in his kicking game which lead to many try's out wide also gave a great defence game bringing the biggest players down with ease.

Kyle “Crusher” Werrett (C)

Once again Kyle showed he leads by example with effort in every game played this year and managed to put some of the best big hits and metre gains by far as a front forward of the team and took the rains as (C) and gave that extra boost the team needed late in the season.

From the Coach

May have sat down low in the ladder this year but having our first taste in Grade was most proud with most teams knowing it won't be the last sitting down low that with more game time in Grade, Colts will be a massive force in future years and see semis on the cards for next year if our plans come together. Otherwise would like to thank every player for their efforts and Trainers and Manager for giving up their time and parents for your great support all year round.

Manager – Kelly Taylor

We all should give Kelly a pat on the back for another great year as our fun loving manager. Kelly is always on the ball with matters and issues to do with our team no matter what time of the day or night. Kelly will make sure the job is done so that our team keeps staying Happy all year round thanks again for all that is involved as our manager.

Trainers – Darren Tarlinton

What more can you ask out of your trainer Darren helped out the team all year and also helps out the club with window tinting work at the bar thanks for your help and mateship on and off the field.

Chris Werrett

Was the best news this year to hear Chris and I were going to work together again and work well, as Chris gave the boys that little bit extra that was needed and results showed by the end of the year.

From the Manager

This year we moved up to Division 1 and welcomed some new players and an additional trainer, Leo, Atutahi, Riley Feltis, Elijah and Chris. It was a learning year for us as the boys all learnt how serious the Division 1 competition was. We came close on several occasions and scared a few teams but it just wasn't to be this year.

As the season went on the boys all started gelling and making some real improvements which was noted by the other teams. We have such a great group of kids who never lost their determination, with their Never Say Die attitudes we had a great year win or lose. All the parents new and old got along which makes it a pleasure to be part of the colts.

John once again put all his time and effort into the boys, we only seen improvement in each and every one of them thanks John for the amount of time you put into our team and the club. This is why you won Volunteer of the month you truly are a great person.

Darren and Chris thank you for the great training drills and all of your hard work on game days we just couldn't be a team without you guys.

We lost our linesman halfway through the season with injury but brad we still appreciate you too.

Thank you to all the parents who helped out on the BBQ or timekeeping and put up with my million text messages and questions throughout the season, I hope you all enjoy the peace and quiet of the off season.

And last but not least I am extremely proud of each and every kid who went out there and gave it everything they had. They stepped up and let everyone know they exist. Look out next year we will be chasing that top 4!

Kirk "V boy" Tarleton

This is a player once he starts to ball the best comes out of Kirk with this year a massive improvement in his defence and attacking skills. He has a great attitude to training and that will make him an even better player and he also has an excellent boot which will make him a fine goal kicker for next year. Well done Layton.

UNDER 11 DIVISION 2

Finalists

COACH – Scott Dominish

MANAGER – Gena Driver

TRAINERS – Grant Bolling & Dave Harrigan

Best & Fairest

Gabriel Haddad

Best & Fairest Runner Up

Joshua Hargreaves

Most Improved

Dylan Harrigan

Coach's Award

Jayden Urban

Layton Boling

Played on our left wing this year and did an excellent defensive job, not many got past him and he often came in field looking for a run and made good meters. Layton has an excellent attitude to training and that will make him an even better player and he also has an excellent boot which will make him a fine goal kicker for next year. Well done Layton.

Sam Domansky

Sam is one of our new team member this year, he played on the right wing and with excellent cover defence and blistering speed he was an asset to the team. Sam has an excellent attitude to training which will benefit his football in the years to come, well done on a good season.

Corey Driver

Well what can I say but he's a natural talent in everything he does. He played full back this year and was excellent under the high ball and he scored some length of the field tries. Corey has a excellent passing game and good kicking game, he will make good half or 5/8 as soon as he can focus on a game plan, he will have long future in the game. Well done Corey on another fun year.

Gabriel Haddad

The captain of the side and lead from the front, he was the leading point scorer this year and he lifted the side with his brutal defence. He made his tackles count, Gabby has natural timing in his tackles and he knows how to hit the line in attack, I'm looking forward to watching you next year, well done Gabby.

Joshua Hargreaves

What can I say about Josh, he is the backbone of our side, and in every game he plays he puts in 110%. Josh leads the tackle count every week and his passing skills are getting better every game. He always puts in at training and is a type of player that every teams needs, well done Josh.

Dylan Harrigan

Dylan was our half back again this year and his knowledge of the game got better as the year went on, with a good switch of play and his inside balls are getting better. We also scored a few good tries this year off his short kicking game. With his confidence and fitness getting better and more talk in attack I'm looking forward to seeing what he brings to the team next year, well done Dylan.

Josh Little

Josh played front row for us this year and didn't let anyone down with some good hit ups this year and his defence is getting better with every game, well done Josh.

Luke Matts

We picked up Luke a few weeks into the season and he fitted right in with the boys. He has a great attitude to training and the game and has a strong running game; it takes a few defenders to stop him, looking forward to see you next year, well done Luke.

Patrick McNaughton

Patrick is a great asset to the team with his strong one on one defence and strong running game. It always took a few defenders to tackle him. This was Patrick's first year with the Colts and he fitted straight into the team with a good attitude to training and games, well done Patrick.

Jesse Pera

Another hard running forward who is hard to bring down, he also has a good offload. More focus on his defence next year and he will be a handful for any team he plays against, well done Jess.

Christopher Rizoglou

I have coached Christopher for three years now and I have enjoyed every minute. He has a natural talent with the football and excellent defence for his age he is very strong and didn't let anyone past him, well done Christopher.

Michael Rizoglou

Another excellent year for Michael, he puts his body on the line every time he puts a Colts jersey on. He had a couple of bad injuries this year but he still came to training and games. Michael filled in at dummy half or wing and where ever I put him he gave 110%, another excellent year from Michael.

Jayden Urban

Another tackling machine who plays well above his weight. He played at dummy half this year and did a excellent job, he is a very easy young man to coach, all he wants to do is tackle and score tries and he did a lot of that this year, excellent year Jayden.

From the Coach

It was an excellent year on and off the field with the Under 11 Division 2's. Everyone trained hard from the start and the boys had to fight for spots in the side and we ended up with 13 players who wanted to play football. The boys became a tight unit from the start and trained hard which showed in our first few games that we won easily, that gave the team confidence and they defended well all year with some brutal defence at times only letting in just over 100 points for the season. Our attack was better this year, with some good hard running from our forwards and some nice inside balls and kicks for our backs we scored over 350 points for the season and that put us in second spot at the end of the competition games. Unfortunately we fell short by one game losing in the final by six points. All the boys will learn from the semis this year and it will make them better players for next year. I would like to thank Dave, Grant and Gena for giving up their time each week and together we made a good team with everything organized each week and it let me concentrate on coaching and it showed on the field. Also would like to thank Dave (touchie/trainer) for his help each week and all the parents that got involved, we always had a good crowd at our games. I enjoyed every minute this year and I hope all the boys are back next year to do it again.

Thanks

Scott

Brendon Cox

Milperra Colts has had some great inspirational juniors go onto achieve the ultimate goal. These players include Trent Cutler, Steve Price, and Tim Winitana just to name a few. However, the next Colts player that is currently achieving his dreams for his age group is Brendan Cox. Coxy has played for the Colts for the past six years and also captained the side for several years. This player has had an outstanding season, in great form all year and been rewarded with various representative jumpers and accolades. Some of his 2011 achievements are reviewed below.

During the Canterbury Bulldogs, Harold Mathews Cup (HM) season (NSW U16's Competition). Coxy received additional training from Daryl Hallagan and Brett Kimorely that he put to good use throughout the season. Coxy was also lucky enough to receive man of the match in the final and captain the (HM) Grand final Team (short summary below).

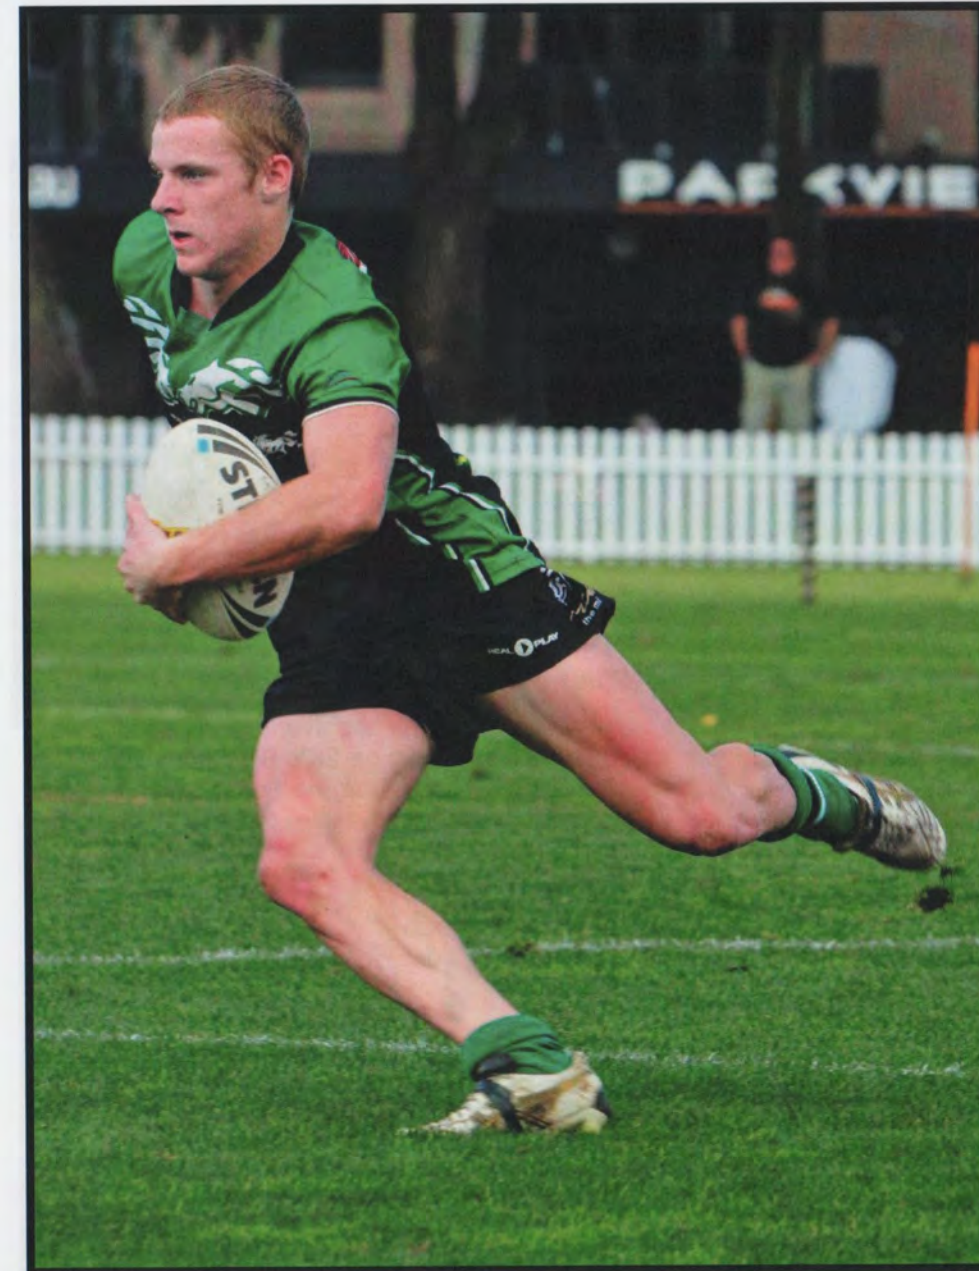

"The first try came in the 17th minute with Coxy scoring from dummy half close to the line. He converted his own try for the Bulldogs to lead 6-0. Three minutes prior to half-time the Bulldogs extended their lead when Michael Morgan plucked a cross-field kick from Coxy. Canterbury went into the break leading 12-0, but the score line wasn't a true reflection of the closeness of the game with the Bulldogs defence very resolute stopping several attacking raids from the Steelers. The first try of the second half was scored and converted from the side-line by Illawarra. A drop goal from Coxy with less than ten minutes remaining proved to be the crucial difference in the game as Canterbury extended their lead to 13-6. Illawarra still had hopes for victory when a converted try was scored with five minutes remaining, but the Bulldogs held on for victory."

The Bulldogs and Coxy went onto be National Club Champions (best QLD v NSW 16's district) against East Tigers from Brisbane 38-8 at Leichardt Oval.

Coxy then went onto be selected for the NSW 16's State of Origin team as starting Half Back and Kicker. This game was played as the curtain raiser for State of Origin 1. In front of a packed Suncorp Stadium that held 42,000 at kick off for Origin (short summary below).

"After being down 10-0 after the 15th minute, Coxy was showing some great defence and setting up plays that payed off with NSW scoring three tries out wide. 10 minutes into the second half QLD lost a man to the sin bin and NSW had a man sent off. While Coxy converted the ensuing penalty and a score line now of 18-10 in NSW favour. QLD came back but failed and the game ended 18-16 NSW won."

Coxy has had a fantastic year and used his vast experience to kick amazing 40/20's, sensational line drop outs, unbelievable conversions and game crunching field goals, let alone his great ball handling skills and ability to read the game. I am sure this is something Coxy will never forget!

Brendon Cox

Gala Day 2011 and Men of League Foundation Charity Match

On the 21st May 2011 we held our annual Gala Day and this year was the biggest held so far. We set out to improve what we had done on previous years and set some objectives for the day.

The **objectives** of the day were to:

- Provide a positive unique experience for the kids/players/families of the Colts.
- Do something different at our Gala day so that it becomes an annual event that all club members look forward to.
- Raise money and awareness for the Men of League Foundation (MOL).

After discussing options we decided that we would hold a charity game at our club and with support from MOL we were able to secure the services of the following players for the MOL side. Darren Senter, Mick Liubinskas, Cliff Lyons, Mark Horo, Steve Folkes, Ricky Walford, Phil Sigsworth and Hazem el Masri. We agreed to a format of 2 x 10 minute halves of touch football. The opposing team was made up of Colts community members. Bob Bennet, CEO of MOL agreed to referee the game for us.

Over the course of the few weeks before and after the event we received various media support including interviews pre and post on 2KY Big Sports Breakfast, interviews on 2SM, live reads on 2GB, live reads on the Footy Show, Barefoot Rugby League, articles in the local press, post game press and promotion through our respective web sites and facebook pages. Our page address to view the game day photos is <http://www.facebook.com/MilperraColts>

With support from the Canterbury Bankstown District Junior Rugby League (Kevin Shanahan and Lindsay Roach), the Colts were able to have all our junior teams playing at home on this day.

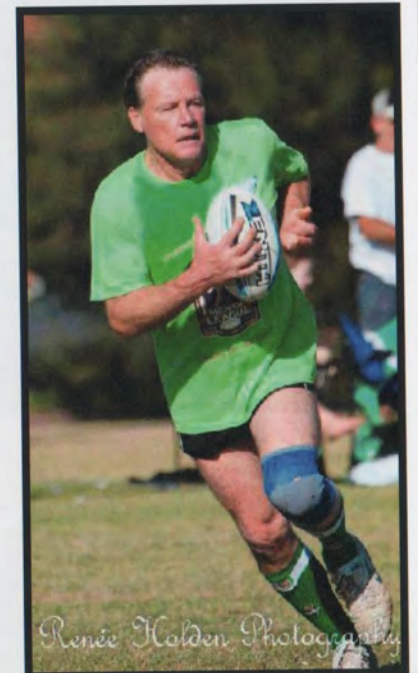

The charity game was a fast paced affair with the MOL legends winning 4 tries to 1. The comments after the game highlighted the fact the former stars still have all the skills and competitive drive they had when they were playing. The sight of our Colts players and kids following the legends around, getting autographs and photos was an exciting one.

Look out for the 2012 event.

Thank you to all the parents and committee members who provided support on the day and helped to raise \$1500.00 for the Men of League Foundation.

Angelo Piazzetta

Milperra Colts to Harold Matthews Cup

While the general public, know all the ins and outs of the lead up to the NRL Season, little is heard of the exhaustive processes leading up to the NSW Junior Representative Season. The 2011 Harold Mathews Cup (Matts) is a competition for under 16 players in NSW. It is a nine-game season that is recognised as one of the world's toughest junior sporting competitions. The season begins in October and goes through to May, if you are good enough to make the finals.

In 2011 Canterbury's Matts side were not only lucky enough to make the finals, but also won the competition. Full time score Canterbury 13 defeated Illawarra 12, with Brendan Cox scoring 9 of the winning points (Tries = 1, Goals 2 from 2, Field Goals =1).

Milperra Colts were fortunate enough to have 8 players; most who had served Colts for several years, over 5 districts represent our club in the 2011 Matts Cup. Canterbury – B. Cox (6 years), B. Johns (4 years), J. Safi (4 years), I. Rafrat (3 years), and L. Cavana (2 years). North Sydney – T. Pritchard (11 years). SWAS – A. Haddad (3 years). Balmain – P. O'Reilly (8 years). This has to be a credit to the boys and also to their Colts coach, Joe Vella.

Good luck to all these players in their future rugby league careers and we hope to see you represent Colts in the 2013 SG ball competition.

Jihad Achrafi

Most Improved

Lachlan Feltis

Coach's Award

Houssam Yassine

Jihad Achrafi

Never have I seen someone who could land a kick off into touch more often! He had a great season setting up many of our tries with some great runs. He always had an encouraging word for his team mates, even when he was sitting on the bench.

Lachlan Feltis

His enthusiasm for the game is contagious. He was keen to improve his game and listened to advice readily. He played most of the season at dummy half and worked hard to organise the team each week.

Ethan Franjeh

This season he began to develop a better understanding of the game of Rugby League. Every game that he played he increased in confidence and became more involved.

Bobbie Geyer

Bobbie played his first season of football this year. He got better each game. Some of the hits he pulled off near the end of the season showed how much he had improved.

Harrison Lake

Just loved playing the game. Made the switch from soccer to play Rugby League this season. He was always in the middle of the action and loved having the ball in his hands.

Adam Malas

A big improver throughout the season. As his confidence increased so did his involvement in the games.

Mustafa Malas

An enthusiastic member of the team who was able to make some great darts from dummy half.

Logan McBride – “The tackling machine”

I want half the energy that this guy has! He went out each and every game and tackled himself to a standstill. He also was able to make some tough runs up the middle of the field for us.

Quinton McKenzie

Was able to read the game well and when he decided to run the ball, often confused the opposition. The try he scored when he ran through and regathered the ball from the kickoff will be a standout memory of this season

Kieren Nguyen

The coaching staff were amazed at how much he improved throughout the season. He listened carefully to advice given to him and loved playing each week.

Michael O'Leary

He gave his all in each game he played for us. A strong runner of the ball who began to develop a good understanding of the game.

Robert Rochford

Never stopped running the ball up hard all season. You would never have known that this was his first season of Rugby League.

Tarek Taha

Scored several tries from dummy half and his quick runs were always dangerous for the opposition.

Lucas Vasiliadis

Baffled the opposition on several occasions with his amazing speed. His try in the last game of the season where he sidestepped through half the opposition players was definitely our try of the season.

Houssam Yassine

What can I say about this guy! He never stops working. Sam showed amazing team spirit both at training and field and on the field each week.

From the Coach

What are the signs of a successful team? Do you need to win the competition or win lots of games to be successful? The Under 11 Division team may not have won loads of game but in my opinion they have been an extremely successful team. The 2011 season started with just seven members. Before we knew it we had 15 members, many of whom were playing there first season of Rugby League. Right from the beginning the guys liked playing with one another. The guys seemed to grow in confidence each game. The highlight of the year would have to be winning our first game v Moorebank. I will remember the smiles on the boys faces straight after this game for a long time to come. We went on to win three games and finished the season in sixth place.

Congratulations boys on a successful season. I hope that you all back up again next year and continue the improvement you have made this season

Thank you to our trainers Peter and Robert and to Kay for managing the team. You all did a great job and made my job a lot easier. Also a big thank you to all the parents for your support from the sidelines.

David Springall

UNDER 13 DIVISION 2

Best & Fairest Runner Up

Jonty Moore

Most Improved

Brandon Gacevski

Coach's Award

Austyn Pera

Corey Brown

We saw a big improvement in Corey's game as the season wore on. He plays the game one way and that's, hard out!

Brandon Gracevski

For a little man, he plays well above his stature. He did a great job playing hooker and his defence was a real stand out.

Michael Greig

When Michael shows confidence in his game he becomes a better player. His involvement in the game shows what an impact he can make for the team.

Mustapha Haidar

Mustapha made an impact coming off the bench, took a hit up in every set when he was on the field giving the team good meters.

Nicholas Kazouras

Played in the forwards this year which was a new position for him but with one more year in this position he will become more comfortable there. Needs to back himself and realise how strong he is.

Blake Kentwell

A great comeback for Blake this year, after suffering a bad injury last year, I could see his confidence coming back with every game that he played.

Jamie Koloykthas

An impressive running game from Jamie this year, he is a solid player in the backs for the team.

Benjamin Liney

One of our workhorses in the pack. Always had his hand up for more work and is perpetual movement.

Brendan Lloyd

Our Captain this year showed good ball skills and worked well in organising the backline.

Jayden Lloyd

One of our strongest players who suffered a knee injury during the season which set him back a little. Showed us what he could have produced with the last few games.

Jonty Moore

One of our go-to men. His involvement and talk was really high this year and he improved in every aspect of his game, especially in defence.

Austyn Pera

With the ball in hand he was a hard man to stop. I was impressed with his attitude and work rate as the year wore on.

Jake Phillips

Massive work rate and solid defence, not bad for a forward who plays a full game. Jake had a very good year.

Liam Punton

Organised the boys well and kept them going forward. Improved in his passing game and scored a few tries taking on the line.

Vlasi Ramantanis

One of our consistent players, did what he was told to do on the field and worked well with all the boys.

James Ruck

One of the fittest boys in the team. Always came first when we did fitness drills pushing the boys to keep up with him. He played well on the wing for us all year.

Jaidan Siteine

A shoulder injury saw Jaidan miss most of the season. When he was playing he intimidated the players around him and they found it hard to put him down in tackles.

Tyson Walker

Tyson switched over from Union this year. He played fullback and centre and did a good job for the team. Another year under his belt should see him become a good rugby league player.

From the Coach

Thank you boys for a great year, it has been a huge learning curve for me coaching you boys and thanks for all the hard work you put in throughout the year. I would also like to thank all the parents for bringing the boys to training; the numbers at training were awesome! Hope to see you all back next year!

THANKS to Amanda (Fitness), Helen (Manager), Beth (Touch Judge), Ben (Trainer), Thomas (Trainer), and Con (Trainer), with out all your support and input into the side I would not be able to do it, again THANKS.

Tony

From the Coaches, Trainers and Manager

Well what a season we had, it started off very shaky when we lost players and then we gained even more players. Players that had never played before and they gave it their best each week.

It was a challenge every time we took the field but our team never gave up until the full time whistle had blown even though the score wasn't in our favour. Our boys really showed the Colties spirit and passion for the game itself.

We would like to take the opportunity to thank the few parents that gave us there support by scoring, washing of the jerseys chauffeuring the player's, canteen and BBQ duties and just supporting the team in general. Without this support we couldn't have done it on our own. Thanks again parents.

Unfortunately it wasn't the year we were hoping for but we would like all the boys to return next year and to continue their fitness off season so that in 2012 season we can go further.

Hope to see you all next year with bigger hearts for the team and the game.

THANKS

Wally, Hatchy, Scott ,Mick, Ismail and Sonya

Lam Nguyen

Most Improved

Jesse Coulter

Coach's Award

Shaun Cooper

Eric Bull – “Eric”

Quiet start out wide for Eric this year in the back line that's why a change to the forwards made a whole lot of difference with full involvement and taste made something tick with a most improve end of the season to his game.

Mohammad Chemaissen – “Romeo”

Our steering wheel of the team gave great ball all year at hooker and showed some of the fancy stepping style to match which got most teams off guard all year owns a ankle tap trade mark to his name.

Shaun Cooper – (C) “Cap”

Being Captain in a side like this takes a major toll on the body and also can bring stress levels out of control but Shaun showed great control in that department and managed to keep the team in control when needed and gave great leadership and direction at half back with a kicking game to match.

Jesse Coulter – “Big Jess”

Our most improve player by far started the year only able to play no longer then 10 minutes showed by the end of the season lasting a full game and came out of his shell and gave most teams a know WHO I Am of a player with some massive attack and defence work to match.

Nicholas Demakis – “Nick”

Started late in the season with Colts but mixed in well and showed with more game time with the team will be a very promising forward for the team and showed to be hard to contain when warmed up and ready to go.

Omar El Mahbani – “Forest Gump”

Started the turbo kicked in Omar had most teams looking twice on which way did he go with some of the best speed in the team was able to find the try line well and could match with defence when his game was on.

Kane Flynn - “Rescue Special Op (Jordan)”

Stayed out wide all year and found many metres also showed great work load when used in the forwards with some speed in attack as a light forward should with loads of defence work to match.

Dane Hansen Powell – “The Pain”

Returned back this year from a year off and would not have know the difference and showed some great attack work at Prop with a smash and bash of a game all year.

Shreyash Jagadale – “Rush”

For a first year with the Colts, Rush looked a five year plus with some of the best hit ups with strength to combine and placed some power full tackles to match enjoyed the second row as well.

Zachary Lamont – “Ranga”

One of the best and fairest player of the team also showed great leadership when needed with some of the strongest defence also showed a strong kicking game at 5/8 and proved to be the main goal kicker of the team.

Jake Lill – “Butter Fingers”

Started the year well with some great defence and attack but with the odd injury woe and then kept Jake from his full best in the game playing lock showed he did not mind the work load that is needed in the position.

Lam Nguyen – “Lamb Chop”

Played a new roll at full back this year and found he had much more room to move to make more metres and also to find the try line well and showing some area cover defence all year.

Michael Marsh – “Marshy”

One of our strongest forwards in the team gave some of the best attacks with metres to match and put on some massive tackles but injuries kept Mike from so much game time. He was a good support each week while out of the game. Enjoyed the last game on the wing.

Dillion McKenzie – “Dill”

The replacement player gave us a few weeks of game time which help us when needed.

George Papathomas – “Georgie”

Showed great workload all year and become stronger and fitter as the year went on giving what a good forward should attack and defence when needed the most.

Joshua Pratt – “Josh”

New starter of the year made the switch over to league and a great choice with some of the best body on the line defence each week and manage to attack well by the end of the season. A promising player of the future.

Marlon Zaradakes Brown – “Marz”

Utility player of our team has the size to fit in the forward but also fitted in the backline when needed as well, best known for his hit ups enjoyed getting to training early and adding that little bit more to his game each week.

From Scott and John

Both of us would like to Thank each player for their efforts this year and returning each week to play even when some weeks didn't go to plan that's what made this team a team cause most teams would have waved the white flag and some teams did do that in our comp. But it was great to see that we did end the season on a high with a good win at the last game.

Also Thanks to Angie Cooper AKA Manager for all her time and efforts that go with your job on and off the field and keeping the whip on the team when needed, and Thanks to the Parents for getting the boys to the games each week on time. THANKYOU!

Brad Whigham – Our first hand water boy who never missed a game and never let the boys run dry of water and kept the team in good spirits with plenty of funny's to his name.

John Marsh – Thanks for your back up Manager work you provided for us this year when needed and support from the side lines.

From the Manager

Firstly a big welcome to the Colts family Josh, Jake, Nicholas and Shreyash!

We were very happy to have you and hope you stick around for a few more years yet.

Well it was a season filled with unknown expectations our first season playing in a Combined Inner City Comp and we had no idea what our new opponents were capable of – unfortunately it was not the season we had envisioned with some of the districts stronger than we were. But that said we played against some very aggressive teams and we always kept our heads. At times we played some very impressive football we may not have won the game but we were always the better sportsman!

Brad, Tyler and James, thank you so much for stepping in and lending a hand plus mums and dads for always bringing them to the games.

Scott our coach extraordinaire the boys truly appreciated the time and effort you put in each week at training and game days! You handled a team full at teenage boys impressively your motivation was appreciated!

John a big Thank you to you for stepping in when the team needed you the most, your inspiration and motivation in the dressing sheds was second to none.

Brad – No one runs the water like you do! The boys appreciate the effort you always put in.

My ball boys/girl, Jayden, Hayley, Tyler and Cameron thanks for all your effort, we could not have done it without you.

Mr Marsh – Thank you for always being available to lend a hand and step in at a moments notice.

To the Parents and Grandparents your dedication to the boys was awesome and your assistance throughout the season was appreciated. A special thank you must go to Tina and Sam for washing jerseys throughout the season you guys are stars!

Lastly our unsung heroes the Committee without you guys we would not be able to play. You guys Rock!

Thanks Angie.

From the Coach

Well where to start? It's been a long and frustrating year for all, to be so close and fall at the last hurdle is becoming a painful and all too familiar feeling. In this competition we have learnt that not being on your game for the whole game is unacceptable and you will pay the price. You could say finishing third in the combined competition is an achievement and you should be proud. But I think I know you all a little bit better than that and to patronise you with that sort of talk would in a way insult your intelligence! We underachieved this year and we all know it, the truth is a horrible thing sometimes and as hard for me as this is to write I feel I need to put it on paper. So in the future maybe when we reflect back on our years we can look at ourselves and be better for our errors. You are an outstanding group of young men with an amazing amount of talent and skill, but is that enough? Our commitment at vital times lets us down! Is that attitude or do we think we are better than we really are? There are a large group of you that busted a gut every week and always have, but some of you well, must know that you can do a lot better (reputation means nothing unless you back it up every week). I want to thank my manager and trainers for the amount of time and effort they always put in. I won't mention you all by name, but thank you all very much from the boys and I. It has also been a pleasure to have such good parents thank you all very much for all the encouragement and support you have given us all, and to the committee for all the time and effort it is greatly appreciated.

From the Manager

Well what a season, what a final and what a Team? How good is this side of young men and future NRL Players. Nobody could ask for a better group of players and parents to manage. Even when I get grumpy because of other Club issues, they just ignore me and get on with the task that the Coach has set them. You are all a great bunch of men and a pleasure to manage! Thank you to the committed parents for driving the boys to training and games. I wish all the players that want to make a career out of Rugby League all the best in their future and hope that they do not get distracted along the way.

Joe, it has been another great season with you and I hope that we will go around again together next year. Paul, Dave and Paul, well boys we will have a few drinks in the off season and discuss next year's tactics. Thanks to all the ball boys, but our number one is Jayden Idris, thanks.

I would also like to thank the committee for their ongoing support of the Under 16's throughout the year. It was also great to see so many other Players and Parents support the side, and I am sure we did not disappoint. Big thank you to all, as without your commitment and continued effort the Under 16's would never had home games, let alone a home semifinal.

I have found this season to be incredibly long and I am really looking forward to the off season, if there is such a thing? One thing that has kept me going is the compliments and positive attitude from the new parents. It was good to hear, and the compliments were not only Team wise, but included the entire Club. I wish everyone a happy Christmas and a safe New Year.
