Annual General Meeting 2012

Wednesday 14 November 2012

7:30pm at the Clubhouse

The positions of all Committee Members will become vacant and will be voted upon. This gives all members of Milperra Colts J.R.L.F.C. Inc. the opportunity to vote for the new Committee for 2013.

If you wish to apply for a position, you should obtain a form from the Secretary. The form must be submitted by 5:00pm, Wednesday 7 November 2012. Hope to see you all there.

President's Report

I would like to thank everyone for giving me the opportunity to be President of the Milperra Colts in season 2012. I have had to fill some very big shoes left by Fred Hagan and I would like to pay tribute to Fred for his outstanding contribution to the Colts over the past 20 years, he has done a fantastic job.

This year we fielded 14 teams, of these teams, our 3 Under 6's are non-competitive, so of the 11 remaining teams we have had 8 play in Semis, Finals and 4 going on to play in Grand Finals (U8.3, U10.2, U11.2, and U17.1), it should be noted that the U8's, U11 and U17's were also Minor Premiers in each of their competitions, which is a fantastic effort.

Congratulations to all our teams but special mention to the four teams who made Grand Finals, the results were mixed but it must be remembered that making it into a Grand Final is something to be proud of and win or lose the club is very proud of all your efforts.

For a club of our size, you can see from these results, that the club is progressing in the right direction and we are looking forward to another successful season in 2013. I would like to thank each and every Sponsor, Coach, Manager, Trainer and especially the players for giving their all this season and making the club what it is, a great family club to be a part of.

I am pleased to announce two very important achievements for this year, firstly that the Clubhouse has been named "The Fred Hagan Pavilion". This is a tribute to Fred and his family for all the years of service given to the Colts.

Secondly, we have asked ex-players, Steve Price (current NRL St George Dragons Coach) and Trent Cutler (current Bulldogs NSW Cup player) to become patrons of the club for all their years of service, not only to Colts but also to Rugby League in general. You can read about their achievements later in this book.

Finally, I would like to thank the committee for their assistance and support this year and also a big thank you to my wife, Nicole, for her endless support.

Have a great Christmas and New Year, I hope to see you all in season 2013.

Grant Bolling

Secretary's Report

Season 2012 has come to an end and it is now time to report on how we fared. The Club can be very proud of how we performed both on and off the field. We had a 50% success rate in the four Grand Finals that we contested, congratulations to our U8.3 and U11.2 on being Minor Premiers and Premiers, a job well done. To the U10.2 and U17.1 you can be proud that you made the Grand Finals, we are, it was not your turn this year but I'm sure you will all come back next year with fire in your belly to go that next step.

To all the Coaches, Managers and Trainers, your tireless efforts and dedication to your teams is to be commended and the Club greatly appreciates your support in getting our teams on the field each week.

Highlights of our success on the field this season, 14 teams, 3 U6's who are not competitive, 8 teams into the semis, from these 5 teams into the finals, and then 4 teams into Grand Finals, not a bad record for a club of our size. We had 3 teams who were Minor Premiers (U8.3, U11.2 and U17.1) and we only had 1 Board of Management case and 1 Judiciary hearing – thanks to all our supporters, players and officials for keeping this last statistic low.

Off the field, the Committee have been working hard for next season; we have undertaken Management Training with the NSWRL Western Academy to formulate the club's goals and objectives for our future, we have applied for various grants to improve the training of our volunteers and also updating the facilities at Killara Reserve. We are looking forward to making some changes next season which will benefit all club members.

Thanks for all the support shown to myself and the Committee over the past season and I in turn would like to express my gratitude to the 2012 Committee, your help has been invaluable and I'm hoping you will go around next season and also help recruit some new members.

A special thank you to Nicole Bolling (canteen manager), Angie Cooper (hot dog specialist) and Pauline Hagan (the lolly bag specialist) for all your assistance in running the canteen this season, all your efforts are always greatly appreciated by me and by the rest of the club members.

Finally, thanks to my family for allowing me the time to live the Colts life, now we can all have a break, enjoy your Christmas and New Year and we will see you back in February to start season 2013.

UNDER 6 DIVISION 1

COACH – Jonathan Macdonald

MANAGER – Rae Crawford

TRAINER – Craig Holden

Awards

Every player is the 'Most Valuable Player'

Riley Braddick

Riley has a never quit attitude and continually pumps his legs and pushes through the defence each week breaking the line plenty of times and scoring a couple of great tries throughout the year. Riley's defence is a real highlight always keen to get involved. He pulled off some terrific tackles this year including some awesome try savers taking the opposition over the sideline or forcing them back. Very vocal on the field and a real thinker Riley will surely play an important role next year organising the team.

Brayden Cooke

Brayden has some of the safest hands in the team and can catch even a bad pass on the run. In defence Brayden is very solid and can pull down the opposition on his own or combine with his team mates helping out whenever he can. With the ability to stand in a tackle and proving to be very hard to get to the ground Brayden got away quite a few offloads this year which resulted in plenty of tries being scored off him as well as bagging one himself. A pleasure to coach and one to watch next year.

Harley Harding

Harley was one of the smallest boys on the field this year but also one of the most evasive. He would step his way up or across the field at most games and bagged himself a couple of good tries the best of which was at Gala day where he stepped and outpaced half the Bulls defence. A good first year of footy for Harley and a pleasure to coach.

Fayad Hijazi

Fayad had a good season this year and improved dramatically from last season. Hitting it up straight towards the defence and getting away some good offloads Fayad didn't take a backwards step. Fayad tried hard in defence and got involved whenever he could.

Kayden Holden

Kayden tackled well this year pulling off a couple of one-on-one tackles as well as combining with the other boys on many occasions. Kayden ran the ball straight up at the opposition this year very rarely backing away from the defence and was a pleasure to have in the team.

Lithaniel Leuluaialii

Lithaniel's improvement this year was a joy to watch. When he runs the ball up the middle of the field he can be devastating running straight over the top of defenders and leaving them flat on their backs. Lithaniel scored a couple of good tries this year and his defence was a massive improvement on last year never giving up chasing down the opposition and being involved in heaps of tackles.

Cooper Macdonald

Coop was one of the most improved boys this year, running a left angle before stepping and straightening up the middle of the park Cooper broke through the defence or carried them with him plenty of times this year. Scoring a couple of good tries and pulling off a heap of tackles including a couple of terrific try savers it was a joy to see him progress throughout the season and I can't wait to see him tackle the 7s next year.

Harrison Pallanza

Harrison also improved well from last year and was unlucky on many occasions not to break through a hole. Harrison got involved in defence where he could and tried hard throughout the season always taking the line head on and I'm sure he will break through it plenty of times next year.

Luke Phillips

This was Luke's first year of footy but you wouldn't think it. One of the most exciting kids to watch on the field, Luke can either outpace the opposition down the sideline, step back through a gap or take them head on smashing straight through or over the top of the defence. Luke's defence is another highlight of his game, he can pull down the biggest kids on the field one-on-one or combine with the other boys being heavily involved each week. With both speed and an awesome side step along with a fearless attitude Luke is an excitement machine and I can't wait to see him take the 7s head on next year.

Tommy Tsougranis

Tommy is one of the fastest boys in the team and used his pace this year to get on the outside of the defence and score some great long range tries. Tommy's defence has improved as well throughout the season and at most games you could see him get back to make the tackle or hold on until help would arrive saving plenty of tries. Also a good goal kicker you could back him to kick the goal most times.

From the Coach

It was a tough year for the boys, moved up into division 1 and coming up against some quality teams much larger and rougher than they had played before. However all the boys showed up each week and gave it their best improving so much throughout the year that they finished the season giving some of the top teams a fright with the score line a lot closer than when we first played them. With the whole team going up to the 7's next year and a great mix of talent comprising speed, strength and skill the boys are only going to get better and will no doubt challenge whoever they play. A big thanks to all the parents this year who helped out on the BBQ, canteen or as touchy it does not go unnoticed as well as Rae for all your efforts as manager. Craig, Waz, Lee and Caroline for helping out each week at training, we would not have been able to teach the boys as much as we did and have fun along the way without all of your efforts. Lastly to the players it has been a real joy to watch you progress and to watch you at the end of the season play a game without a coach on the field shows you are all ready to tackle the 7s next year. Hope to see you all back again next year for another top season.
Jonathan

UNDER 6 DIVISION 2

COACH – Raymond (Bubbly) Weatherall

MANAGER – Christine Peni

TRAINER – Ralph Weatherall

Awards

Every player is the 'Most Valuable Player'

Aleesha Bonnici

She ended her football career in great style with a try! Aleesha was a vital member for our team dynamic because she and Emily worked together as our centres and did very well throughout the year chasing all the time to get her tackles. Well done Aleesha!!!

Zackariah Cheikho

The most enthusiastic player in the team. When we slowed Zack down and showed him that he didn't have to do things at 100 miles an hour, his defence especially improved with him making great one-on-one big hits. Zack is a freak with the ball when he can just run and run and run. If there is a loose ball Zack would be there. He was the one who started our team offloading because he always backed up the player with the ball. Well done Zack!!!

Mohammed Elkerdi

Every team needs a player like Mo. He is always smiling and ready to do anything for the team. Moey started the season passing his turn along but by the end of the season he was asking for a turn at running the ball and doing very well at it. He also made lots of tackles and assisted in tackles. His first try was a very exciting moment for our team, it made the boys decide that everyone was getting a try this year. Well done Moey!!

Michael Leuluaialii

The youngest member of our team. Michael has been ill most of the season and only managed to play a couple of games but he did score a try (for St Christophers).

James McKenzie

'THE GENERAL' James loves his footy and it shows every week by the way he plays, some weeks he just wanted to pass the ball 'coz that's what halfbacks do,' he says. He sleeps, eats and breathes footy and his cover defending tackles were a highlight to watch. In our first game at gala day without the coach on the field James ran the side and proved that he can be a leader. Well done James!!!

Kortez Malai

Our teams leader. He showed the way forward every week, Kortez improved in leaps and bounds from our games at training (great idea RALPH!!) Kortez should have scored three tries this year but he forgot where to stop twice and had parents excited that he finally got there! His pop assisted in this by building a footy post in the back yard for him to score under, good on you Tom! Well done Kortez!!!

Henare Reti

Heni is a player that every team needs, he is always ready to run, pass, tackle and help his team mates. Henare wears his heart on his sleeve and he plays with emotion and an intensity that a 5 year old shouldn't have, yet. Great team player!! Alongside James, he always argues with the referee every week. Well done Heni!!!

Barry Vaele

Started late in the season but improved every week. Barry's training each week helped his game immensely, when he decided to run the other teams didn't have a chance. He went from not being able to tap the ball to scoring his first try and it didn't stop there. Barry's defence was enormous and will only get better. He always had the best hair style every week. Well done Barry!!!

Emily Weatherall

Emily can run like the wind but only ran when she really wanted to. Her tackling went from shadowing players to tackling them to the ground. She enjoyed being part of the team and always had a smile for you. Emily was an integral part of the team and will be sadly missed. Good Luck with netball Em!!!

Jouhaad Yassine

Having come in halfway through the year with his willingness to learn, he was improving every week beyond expectations. Jo is a natural footballer who is a coach's dream as he takes instruction very well. He is a great runner scoring his first try in his second game and will only improve because he wants to. Expect great things from Jo!!!

From the Coach & Manager

Taking on this team in the week of the first competition game was a challenge as we hadn't quite formed a bond with the team seeing that we had only met once before the game. In saying that we were able to see what level each player was at and how they all worked as a team. From that point we were able to develop the players so that they could work as a team, improve their skills, and enjoy footy. For this reason, as well as the simple fact that each player is amazing and eager to learn, the team excelled.

I have seen the team grow from six players, enough to run on, on our first day to having two reserves. The season started off with some big losses but it didn't matter because the kids were having fun and the growing crowds supported this. The team enjoyed playing football and the score was never a factor. At this age it's non-competitive which allows each child to be developed individually to the best of their ability and it allows the fun factor to be the main focus.

We have had quite a few 'first tries' scored this season and everyone was as exciting as the next. These players include Aleesha, Mohammed, Korteze, Henare, Jouhaad, Barry and Zachariah. It was a pleasure to coach the team and I believe each player will be an asset to their teams next year. I am privileged to have had the opportunity to be a part of their football learning experience.

We would like to thank Sonny and Karina Weatherall for taking our team for the last round as we were unable to be there. We would also like to thank our Trainer Ralph Weatherall, our Touch Judge Danny Bonnici, our time keeper Lana and our ball boys Yummarra and Kyle. Our Staff was amazing and turned up each week without fail. Lastly we would like to thank the Milperra Colts for giving us the opportunity to coach and manage the Milperra Colts Under 6 Division 2 2012.

Bubbly, Christine & Ralph

UNDER 6 DIVISION 4

COACH – David Ogden

MANAGER – Olga Braddick

TRAINERS – Shamus Cooke & Colin Walsh

Awards

Every player is the 'Most Valuable Player'

Logan Braddick

Likeable calm natured kid, but don't be fooled Yogi is a strong ball runner and hits hard in defence, a great team player and valuable member of this squad. Scored some great length of the field tries with his powerful running style.

Koby Cooke

Easily our most improved player of the season, whilst he may not be scoring all the tries he saved plenty, Cookes defence around the ruck was awesome and gets about his business with no fuss. With this season under his belt he is one to watch next year.

Jhye Foat

Missed our first few games with a broken arm and was desperate to join the team, when he did no one could stop him, very strong ball runner and hits as hard as anyone at this level, very passionate about his team mates, Snowy always has their backs. Doesn't mind potting a few goals as well.

Kody Ogden

Kodstar had a great season, knew how to find his way to the tryline but was just as happy to offload in tackles and set up tries, always tackling hard and would keep going to the end. Loved his footy and loves his Colties teammates. Will be even better next season.

Jesse Stapleton

Showed a lot of promise, good ball runner and always willing to tackle. Scored some long range tries and improved each week. Unfortunately he missed the back end of the season with illness.

Jacob Taylor

Easily one of the best talents in the comp, leading point scorer for division 4, great cover defender and only knows one way to the tryline. A standout each week and a tough competitor. Fantastic first season and with his skills improving JJ will be a force again next year.

Xander Walsh

Showed a great knowledge of the game. Loved the team atmosphere and after several weeks found a happy home as our dummy half giving good service to our runners. As regular team captain Zoolander was always willing to help out his mates in defence. Will improve greatly next season with the confidence he gained from this year.

Jarryd Walshe

Has as many slick moves on the field as he has on the dancefloor, transferred to our team during the season and the footballer in him started to shine, great footwork led to many tries and his defence improved every week, a good team player he loved nothing more than geeing his teammates up to lift. Every team needs a player like Walshy, glad he found a home with us.

Cooper Ward

Super Cooper, our baby of the team, in age maybe not stature, leading goal kicker in the Under 6 Division 4, it will take Coops till next season to realise the skills he has, when switched on he was as good as anyone in this comp, great bootlace tackles and showed everyone how solid he can run the ball to the tryline. Loves his Colties team mates as much as they love him.

Luke Windshuttle

The spook, brought something new to the table each game, from a Benji Marshall side step to the show'n'go and the dummy and sneak down the blind, was a regular on the score sheet and very good cover defender, never gave up and always knew he would turn up ready to have a go. Very solid first season.

From the coach

A very successful first season for the colts little ones, after a shaky start in the trials and the first two games the boys went on an 11 game streak without a loss, they had formed a very strong bond and their dedication and new skills they bought to each game was awesome to watch. They all had a new passion for rugby league and it showed throughout the whole season and the endless hours after training and game day they would spend still playing footy at Killara. We had the leading point scorer and three boys tied for runners up, leading goal scorer and runners up in the division 4 competition and finished the 16 rounds on top of the table. Whilst we were successful nothing was more pleasing to see how much they loved every minute of training and games and the strong mateship they all formed, they had become so proud to be Colts and gave 100 per cent every week.

Cannot thank Olga, Shamus, Col, Rob and Christian enough for all their help and time. All the parents /grandparents and sideline supporters each week, Peter for all the photos, the two Dylans, William, Madi for ball boy/boy girl, Josh from under 12's and especially Donna for making our first season at the Colts so welcoming. To our little Colties players thank you so much for not only letting me be your coach but becoming your mate and one of the boys. I really hope this team can stick together for an even better 2013 season.

Coach Daveo

UNDER 8 DIVISION 2

COACH – Matt Harding

MANAGER – Roxanne Macdonald

TRAINERS – Nathan Cranny & Danny Marshall

Best & Fairest

Lisiate Tupou

Best & Fairest Runner Up

Jack Hardy

Most Improved

Gabriel Georgeson

Coach's Award

Blake Macdonald

Connor Cummins

Connor was another one of our rocks this year and never let me down. His up and in defence was a pleasure to watch and when he puts his mind to it, he is an extremely talented footballer. Thanks for the year mate.

Gabriel Georgeson

Gab was a different kid this year and grew in confidence every time he played. His running game went to another level every time he touched the ball as well as killing them in defence.

Jack Hardy

Jack started this season off extremely well playing some of the best footy I have seen from him. With a bit more work on his front on defence he could become a great player if he sticks at it. Thanks for a great year.

Brendon Lecce

Brendon gave 100% each week. His performances towards the back end of the year were awesome. Brendon has all the weapons to become a great little player.

Blake Macdonald

Well where to start with Blake....Blake's attitude both on and off the field were nothing short of brilliant and it really started to show in his game. Blake's bruising defence and ball brutal running was a pleasure to watch. Thanks for the effort buddy.

Logan Marshall

Showed glimpses of what Logan is capable of and looked good when he did score some great tries from dummy half. Logan can be a great footballer he knows the game like the back of his hand and has the vision to go with it but we just have to find the key to unlock it.

Jaedyn Ott

Jaedyn has all the signs of becoming a great little player very rarely missing a tackle. His running game was good all year but when he finally decided to listen and tuck his jersey in with four games to go he was unstoppable.

Taylem Ott

Playing up a year as well, if he plays in the eights next year, I will be there to watch because he will kill them. This kid plays the game like he is ten foot tall and bullet proof. He will tackle anyone any way he can and generally put them on their backside. Thanks for always turning up and putting your body on the line.

Harrison Passalis

Harry was our halfback this year and rarely put a foot wrong. Harry looked very dangerous when he got the ball often broke through the line and when he got his timing right in defence he made them count. Well done mate.

Lisiate Tupou (Richie)

Richie was our rock this year week in week out if he wasn't cutting other sides to pieces up the middle with his barn storming runs he was belting them in defence. What a year mate you should be very proud.

To The Parents

Thank you for allowing me the pleasure of coaching your children this year. They are a great bunch of kids and hope they will all return next year. Thank you to all those parents that helped out during the course of the season it was much appreciated and we could not do it without you.

From the coach

Well we went out all guns blazing this year and really made all other teams stand and notice. We were a bit unlucky going down in a couple of close games which hurt. I truly believe that this team has all the right skills going into the mod game next year. I feel with more room they will be able to use more of the pace in the team and really stick it to the top sides. All in all boys it was a pleasure coaching, watching you guys this year and hope to see everyone back next year.

Roxanne - Thank you for all your efforts this year you have done a wonderful job.

Nathan & Danny - Thank you for your efforts throughout the course of the year. We came up a little short of where we wanted to be but we will see next year.

Cheers boys, Matt

UNDER 8 DIVISION 3

Minor Premiers & Premiers

COACH – Stan Cutler

MANAGER – Tracey Bombaci

TRAINERS – Ryan Cutler & Trent Cutler

Best & Fairest

Jake Lane

Best & Fairest Runner Up

Sean Bombaci

Most Improved

Adam Cheikho

Coach's Award

Bailey Fuller

Sean Bombaci

One half of the terrible two, Sean was a great leader on the field and led the team in both attack and defence. He needs to turn on his ears at training.

William Braddick

William surprised us all this season; he continually moved up in defence and made some great tackles. William was keen to listen and learn. Keep up the good work Will.

Adam Cheikho

Adam continued to improve throughout the year; his rampaging runs continually took us forward, Adam needs to believe in himself and will be a force to reckon with in the future. Keep up the good work Adam.

Kaitlyn Coulter

Kaitlyn tried hard and had a good game in the grand final, well done Kaitlyn.

Naokii Frail

Naokii is small and petite but played a strong roll at dunny half in the grand final, well done Naokii.

Bailey Fuller

Having his first year of football, Bailey continued to improve with every game, he scored some great tries and made tremendous tackles. His willingness to listen and learn will take him a long way, well done Bailey.

Jake Lane

Jake the silent assassin, Jake was also playing his first year of footy, he was ferocious in defence and ran the ball with great determination, he was a pleasure to coach.

Nathan O'Sullivan

Nathan was another playing his first year of footy; he showed tremendous ability in attack, scored some great tries and also tackled strongly, Nathan shows great potential.

Isaac Taylor

The other half of the terrible two, Isaac was also new to footy this year and shows enormous amount of potential, scored some great tries and made several try saving tackles, will improve further when he starts to listen.

Amin Zakouari

Amin also improved throughout the season, he ran strongly and made some good tackles, Amin is another who needs to listen and learn.

From the Coach

Going into the season with six players who had little experience and four boys who had never played before, I thought if we won a few games and were competitive, I would be happy. We lost 2 of our first 3 games and then just went on improving so much that we never lost another game all season.

Watching them learn and improve so much was very satisfying.

I have to thank my boys, Ryan, Trent and Clayton, who without their help at training and on game days the success we had could not have been achieved. I would also like to thank Tracey for her work as manager, she did a great job.

I would like to thank the parents for all their help and support throughout the year. I have enjoyed this year immensely.

Stan

UNDER 9 DIVISION 2

Finalists

COACH – Anthony Simpson

MANAGER – Shantell Simpson

TRAINER – Terry Beale

Best & Fairest

Dylan Walshe

Best & Fairest Runner Up

Jordan Morrison

Most Improved

Patrick Lecce

Coach's Award

Amir Haddad

Kailan Cambey

Kailan was our halfback this year and did a good job organising the team, he has a very good kicking game and is solid in defence, and not many got past him.

Dylan Foat

Dylan was new to the team this year and was a player who shows some great potential, he has a lot of speed and doesn't mind getting dirty in defence, will be an asset to the team next year.

Amir Haddad

Amir is one of our forwards who has a strong running game and also has a good offload, he gets his job done with little fuss and is a pleasure to coach.

Patrick Lecce

Patrick has size and strength which he used to his advantage this season with a lot of damaging runs, he has a good tackling technique and has good kicking game.

Saige Lloyd

Saige is a hard running forward who has good speed for a forward; he is improving with his defence every game and can kick goals with ease.

Jordan Morrison

Jordan's attack and defence has been outstanding this year, he has blistering speed and a good side step and makes more tackles than Nathan Hindmarsh in a game.

Brodie Pascoe

A good year for Brodie his willingness to run the ball set a solid platform for the quicker boys. A real aggressive player, one that every team needs. Always solid in defence.

Kalvyn Pera

Kalvyn's ability to play anywhere on the field is a credit to him, his good step and quick passing is an asset to the team.

Daryl Purvis

Daryl joined us mid season from soccer and has got natural skills and will be a strike weapon next season. He listens well and a good kid to coach.

Hayden Reti - McClintock

Hayden was a very consistent player this year, his damaging running was a handful for the opposition and he always had a high involvement in the games.

Brodie Romcke - Harber

Brodie was our dummy half this year and could score a try or two from that position, he is only little but is a very good defender and brings down much bigger opponents with ease.

Dylan Walshe

A very good season from Dylan, he has a lethal right hand fend and defends very strongly every game. He swapped from halfback this year and his combination with Jordan caused havoc for the opposition.

From the Coach

The boys are to be congratulated on their fine effort throughout the season, making it through to the final. This result was achieved through good teamwork and hard training I honestly believe this team has the potential to win the competition in the near future.

I would like to thank the boys for the last three years I have been involved, the first two years as trainer and this year as coach they have been very enjoyable.

I would also like to take this opportunity to thank my wife Shantell who was the manager this year, she ensured that all things run smoothly and that all my paperwork was up to date. To Bealy the trainer his knowledge of kids rugby league is second to none, he has been a valuable asset for me to have in my first year as coach on the field and at the bar.

Thanks to the parents who showed an interest in their child's sport and helped us do the time keeping, linesperson, canteen and bbq and ball person. I hope all the boys return next year and play for Colts.

Simmo

From the Manager

Firstly I would like to take this time to tell each and everyone of my boys this year how very proud I am of all of you. Every week you would go out onto that field and give it 100% and for that you should hold your heads up very high. We made it to the finals and that in itself is a huge achievement. I have enjoyed each and every minute managing you boys you are all very well-mannered and your parents should be proud. I wish you all the very best for the future and hope to see each and every one of you back playing footy next year.

To the parents and siblings I would also like to give a huge thank you for all your help, love and support to your boys and also to myself throughout the year because without having linespersons, timekeepers, ball boys and canteen / bbq helpers Milperra Colts would not continue and games would not go on and sport for kids would not exist. It has meant a lot to me having your support and I cannot thank you enough.

I hope each and everyone of you have a very merry Christmas and a safe and happy new year. See you all next year for 2013.

Shantell Simpson

UNDER 9 DIVISION 3

COACH – Tristan Reid

MANAGER – Kerrie Elliot

TRAINER – Michell Traynor

Best & Fairest

Khaled Hamdan

Best & Fairest Runner Up

Avaiki Paretoa

Most Improved

Dane Johnsen

Coach's Award

Hayley Elliot

Connor Bennett

Connor is a very committed player and was a very solid runner with the ball. At training Connor was always very enthusiastic, running around like a headless chicken. Connor was never late to a training session or a game and would always do what was asked of him. He was a pleasure to coach and I look forward to having him again next year.

Hayley Elliott

Hails, Hailey easily the leader of the group. Not scared to yell at the boys to pull their heads in and to shut up and do what their told. Hayley played in halfback for us most of the season, and without her on the field we would have been a lost cause. She is a natural leader and has a great footy mind. A very fast learner, when explained something would understand and be able to put into practice. Congratulations on the Coach's award, well deserved.

Khaled Hamdan

Who scored that? OH it was Khaled again... Enough said. Khaled is a freak when it comes to his rugby league. Khaled thrived on scoring tries and tackling the biggest kids on the field. Khaled made it look easy to step ten people on the field, and would do it constantly! Khaled was also a joy to train, always eager to learn and better his skills. Congratulations on the best and fairest.

Hayden Hardy

Big H, we picked Hayden up half way through our season. What a lucky break! Hayden has amazing skills with the ball, is fast, and when competing with his younger brother Jack, he fires up out of control. Hayden has a great personality and it is easy to see he enjoys the game.

Dane Johnsen

Little Dane, this was Dane's first season of Rugby League, but what a good find for us. Dane has incredible speed, fitness and discipline. With a little guidance and experience, I personally believe this young fella could have a career in Rugby League. Dane has a great all round attitude towards training and the game. He was a pleasure to coach and deserves the most improved award.

Dayne Lawrance

Dayno shows great potential throughout his season. He was a player that lifted when the team needed him most. Always tackling head first (literally), putting his body on the line and showing no fear from anyone. Collectively Dayno has some good talent with the ball and in his defence. He was very dedicated at training, always doing what was asked of him. A player I would love to have back next season.

Paul Nader

The flying kebab. Our half-back/winger trapped in a props body. Paul was a joy to watch in the games. Usually being the biggest kid on the field yet out running teams down the sidelines. Paul had a furious palm which would knock the best of them over. Paul oozes with confidence and has the talent to back it. I hope to see Paul stick it out with his League as he would be a missed talent.

Avaiki Paretoa

The Machine, AJ is a very fun and energetic kid. AJ would always train and play with a smile on his face. You can see he has a real love for the game and enjoys every aspect of it. Without AJ our season would have been very difficult, making easily 50% of our tackles on his own. Another freak when it comes to defence. Easily the best defender in the competition! Congratulations on runner-up best and fairest mate!

Christopher Piazzetta

The mouth, a true character of the team. Chris is a very enthusiastic kid with a lot of potential. Chris had a mouth on him that would often get him into trouble at training and in the games but when speaking with Chris it is easy to see he has a lot of love for the game and enjoys it on all levels.

Angela Piccini

Angela came into our team when we needed her most. At training Angela loved to get involved getting in our attacking plays and tackling the big guys. She would never argue or complain about doing the harder stuff at training and just put her head down and do it, although sometimes she would hide from doing push-ups. A real delight to have in the team.

Bailey Robinson

The boot, Bailey is a true prop of the game. Runs hard and straight and tackles head on. His skills although did not match his personality. A very big and strong footy player with a kind and thoughtful personality. Bailey would constantly run so hard or tackle so hard that his boot would fly off, hence the name the boot.

From The Coach

I would also like to mention Tylah Ross, who was a massive loss for us mid season due to family reasons, and was sorely missed by the team. I would like to thank Jayden and Jake for playing up when our numbers were short, it was greatly appreciated.

I would also like to thank all the parents for helping throughout the season. With a massive thanks to Angelo and Scott who made themselves available to train and/or coach when either Mitchell or myself were unavailable. A huge thank you to Kerrie, for managing the team. Thanks to Peter who would run the sideline for us every game and thank you to Judy who would do our time keeping and scoring when needed. You all made my job a lot easier!

I had a lot of fun coaching this season and hopefully will be back next season!

Tristan

From the Manager

This year was a big change for us, we went from mini to mod, got a new coach and trainer and also welcomed new children to the team. The team struggled for players at the start of the season but as the season progressed we obtained more players and we improved. Our season was cut short just missing out on the semis. I hope all the kids enjoyed the season and they all made some new friends.

I would just like to say thanks to the parents who turned up every week to support our team, thanks to Tristan for taking on the coaching position, the kids really appreciated your commitment to them, also, thank you to Mitchell for being trainer and motivating the team and running all that magic water.

Thanks to Peter for running the line every week, Scott, thank you as well for filling in as coach when we needed you, Judy for time keeping and finally, thanks to the committee for supporting our team.

Hope you all have a safe and Happy Xmas, hoping to see you all back here next year – Go Colties!

Kerrie

Club Patron 2012

STEVE PRICE

Steve is a professional rugby league football coach and former player. He played 14 years with Milperra Colts before moving on to play and coach with the St George Dragons.

Steve was part of the St George Dragons team between 1996 and 1998, and part of the Balmain Tigers team in 1999.

In 2002 he switched to coaching and has had a distinguished career ever since. Some of the highlights have been, Coach of the winning 2005 Dragons Jersey Flegg team where he coached current Dragons players such as; Brett Morris, Dan Hunt, and Jason Nightingale as well as other established rugby league players such as; Josh Morris, Beau Ryan and Danny Wicks. Throughout 2008/9 he was head coach of the Dragons Toyota Cup Team and helped develop players that proved valuable to the NRL side like Kyle Stanley, Cameron King and Trent Merrin.

In 2010, Steve was appointed assistant coach to Wayne Bennett and the Dragons won the NRL Premiership that year. In 2011 he was promoted to the Head Coach for the St George Illawarra Dragons in the NRL.

We are proud that Steve developed his love of the game at Milperra Colts and grateful that he accepted our offer of being one of the club's Patrons.

CLUB PATRON 2012

TRENT CUTLER

Trent is another Milperra Colts junior having played for Colts for 13 years before moving on to play 217 games for the Bulldogs in the last 11 years, he is currently in the Bulldogs NSW Cup team.

Trent joined the Bulldogs in 2001 as a halfback and was soon moved to fullback to become a regular member of the Flegg team. Over the next few years, Trent played in the Premier League and received his opportunity to play in the NRL in 2005 against Cronulla. In season 2007 Trent played 11 first grade games, scoring seven tries and in his 13 premier League appearances that season, he managed 14 tries.

Career Stats All Grades – 11 years, 217 games, 151 tries, 43 goals, 1 field goal a Total of 691 points.

Trent returned to Colts this season as one of the trainers of the successful Under 8.3 Premiers, along with his father, Stan (another Bulldogs great), brother Ryan, who also played with Colts for 11 years, and sister, Tracey, who managed the team. It's great having so many Cutlers returning to our club to pass on their vast experience to the next generation of Colts players.

We are grateful that Trent accepted our offer to be a patron of the Club and look forward to seeing him around Killara again for many more years.

From Colts to a World Champion

Not all roads from Milperra Colts lead to playing Rugby League. Some take a different path, as in the case of Danny Price (Steve Price's brother).

Danny was also a Colts junior and played for 12 years but decided that boxing was his chosen sport.

Danny is the current WBU World Champion (World Boxing Union) and also holds the UBA Intercontinental Title (Universal Boxing Association).

Coach's Award

Jacob Crawley

Marco Basara

My next door neighbour worked hard over the off season as he wanted to play in the middle third instead of on the wing where he played in his first season. Although he originated from a soccer family, he has excelled on the right edge proving to be a handful for the opposition defenders. Encouragement for next year: ask questions, listen to the coach and have confidence in your ability.

Jayden Bonnici

I know there is a footballer trying to get out of this boy. He made some runs this year where he smashed the defensive line, however he looked to be the most surprised person at the ground and would just stop, seemingly in shock at his good work. Encouragement for next year: Don't be shocked – you've shown you can do it – believe in yourself and your ability.

Dylan Burrell

Dylan continues to improve at right centre in both attack and defence. He is running good lines and tackles hard when defending his side of the field. He probably has not seen as much ball this season as last but has made it count where it mattered. Encouragement for next year: Work on your passing game in order to make an impression in first division.

Ethan Carlos

New to the Colties family, Ethan quickly found a home on the left wing where held our left edge defensive structure together. My most memorable moment for Ethan was when he unselfishly kept throwing the extra pass to Jack against Moorebank W again and again only for Ethan to throw a dummy, open a massive gap and run through to score. Encouragement for next year: Keep working on those passes to ensure they hit the mark every time.

Jacob Crawley

Scored 72 points on the right edge last season, however when I identified we needed help in the middle, I moved Jakey in. It improved his game, Marco's game and the standard of the team. Jakey's efforts in the middle of the field could not be measured by points scored but by metres made in each and every game - he made so many metres for us this year. Encouragement for next year: Work on your stamina in the off season and come back bigger and stronger – you will again be a force to be reckoned with next year.

Jordan Cummins

Jordan is the original angry man who turned up each week with his shoulders in defence. I had to replace him at half time in one game however he had already scored 5 tries in that first 20 minutes. He also scored our only try in the Grand Final game against Moorebank. Encouragement for next year: Be aware of your surroundings - watch for the extra pass if opportunity arises – it will only better your game more so than it is already.

Liam Fenner

Liam continues to make massive improvement in both attack and defence. I'm impressed with his eagerness to learn what he needs to do to become a better player by asking questions and then producing on the field. Encouragement for next year: Remember controlled aggression only plays in your favour and will continue to improve your game

Dominic Kassis

Another new player to the Colties family. Enthusiasm personified encapsulates this boy. I saw a massive improvement in Dom who initially had troubles playing within my structure. Dom improved immensely in defence by the end of the season. Encouragement for next year: Continue to work on your game as you have this year, keep driving those legs in attack and believe in yourself.

Yummarra McKenzie

Yummarra shows size does not matter and defends/tackles the big boys as required. He managed to pull out some massive tackles throughout the season on some of the bigger boys who were getting away. It was also great to see him on the attack and score a try this season. Encouragement for next year: Listen to the coach, perfect your passing to get some fast ball out and keep up your good tackling efforts.

Jack Majewski

Jack had an absolutely brilliant year considering it was his first ever in Rugby League. We just needed to find Jack some space on the outside with a good ball and it was try time. Unfortunately we couldn't do that in the Grand Final. Jack is "Sporties" loss and the Coltians gain after they turned him away. Encouragement for next year: Continue working on your pace when moving up in defence to ensure you are not caught off balance.

John Panapa

Johnny's a Rugby League player. His brain is definitely in tune for a player of his age. He has the speed if given opportunity and has the strength to define a good tackling game. Overall an all rounder in this boy. Encouragement for next year: Keep working on your passing game to give alternate opportunities in first division.

Angus Tilley

Yet another newcomer to the Coltians family. Angus played dummy half in conjunction with Logan for most of the season. There was noted improvement in his game during the season. Encouragement for next year: Keep working on fast play the ball and get some quick passing happening.

Tyler Urban

Tough little fella who was not afraid to tackle the big boys – wasn't fazed by any of them. Only played half the season but was sorely missed.

Kyle Weatherall

Kyle started the season slowly but then brought his shoulders (ditching the shoulder pads) to the game and tackled tremendously for the last 10 weeks of the season. It was a massive effort week in and week out to continue tackling in such an awesome fashion. Encouragement for next year: Work on your passing game and you'll become an all rounder.

Logan Wilson

Another new Coltians family member. Logan's first season with us saw his tackling improve with every game. He played excellent at marker and dummy half. Great season. Encouragement for next year: Keep working on your passing game and you will continue to improve as you have done this year.

From the Coach

Two Grand Finals, making the finals after moving up a division and claiming most improved team of the year in my three years as a coach – thank you very much boys. You guys did a massive job. To my two trainers Greg and Ralph this year – thank you very much. To Karina thank you as well – without you this job wouldn't have been as easy as it was. To Donna, I thank you very much you have been a great support. It is with great pains that I walk away from this team that I have built up over three years but I believe I leave it in safe hands with Greg. Good luck in 2013 boys.

Sonny

From the Manager

A big thank you to those who helped out with time keeping (Michelle, Danielle and Carolyn), and running the line [Danny (mostly) and Gene]. A special thank you to James being ball boy for the majority of our games – we're going to miss you big time in this role next year. We had a few more people helping the canteen/BBQ this year – thank you for your efforts (there are too many to mention this year which is a great thing to say). Thank you to the Crawley's and the Majewski's for the supplying of oranges – the boys loved it. We cannot run the team without all the additional hands and we appreciate the help immensely.

Thank you to U10's supporters – our family and friends. The boys love having a cheer squad and it has been great to see you out there every week during the season, screaming encouragement.

A HUGE thanks to Greg and Ralph for being our trainers....they soften the hard approach the coach takes and make sure the boys are looked after on the field. Thank you for the time you guys volunteer to help get the boys through the season.

Last of all I would like to say a MASSIVE thank you to Sonny who will not return in this role for 2013. You have coached the boys over the last three years and have achieved a lot during your time as you have mentioned above. We haven't managed to win a Grand Final however the boys have all improved under your guidance and you have certainly made them better players throughout your time as coach. The time you have dedicated to the boys has been greatly appreciated - we know it is something you live and breathe. You had a five year plan to get them to Division 1 and beat Bankstown Sports in the fifth year – well you managed to get them into Div 1 for a year 4 start so the team and your vision are well on track. Although an extremely hard decision - you have decided to step down as coach and hand the role to Greg for 2013. However we are glad that you will still be part of the team and look forward to your continued participation as trainer.

Leo Paretoa

Adam Ammoun – Hitups (52) – Tackles (59)

Adam crossed over late in the year to join our team and from day one fitted in extremely well and his stats showed. He was a massive impact player in the Grand Final to put the pressure on when needed and loves to sing the team song! Cheers Adam!

Jeremy Cockburn (C) – Hitups (57) - Tackles (87)

Captain's role to keep the team in control, made the correct decisions and proved to the team you are the one for the job. Well, with the Minor Premiers and Premiership as Captain under his belt no more needs to be said. Great year Jeremy and Well Done. Cheers!

Cameron Grady – Hitups (59) – Tackles (89)

Cam's improvement each game towards the Grand Final was massive with covering many kicks which led to tries and also had plenty of speed in the legs and a sharp side step to match which got many players off guard to find open space most weeks. Cheers Cam!

Jarred Kent – Hitups (66) – Tackles (50)

When you're new to the game and new to the team its a big mountain to climb at the start, but Jarred didn't find that the case, straight in he gave it his all each week and built on everything he learnt. To make a Grand Final in your first year is very lucky, ask any player. Cheers Jarred!

Elijah Lalakabau – Hitups (110) – Tackles (153)

Known as the bulldozer Elijah has one of the best metre gains in the team with his reckless running style and strength to match. Also returns his effort in defence as well, no questions why he was voted Best and Fairest. Was also over the moon to make his first Grand Final. Cheers Elijah.

Dwayne Maere-Russell – Hitups (82) - Tackles (104)

Players player of the team Dwayne plays the game with heart and guts, never shows a backwards step and puts his hand up to do any job needed to help the team win and made the biggest sacrifice in a Grand Final which I will never forget for the team. Cheers Dwayne!

Jon Moli – Hitups (59) Tackles (59)

The full package player the game looks for. Jon crossed over to join our team this year and joined in he did, gave the team an extra gear that was needed in attack and was a workaholic in defence and with his hard work paying off receiving Canterbury's Player in the Grand Final. Cheers Jon!

Leo Paretoa – Hitups (86) - Tackles (141)

First try scorer most weeks and got the same in the Grand Final. Leo's metre gain is out of control and has a "on" button that lasts all game and proves it in defence tireless effort over and over each week. Cheers Leo!

Oliver Piazzetta – Hitups (67) – Tackles (50)

Another area of the game is fullback and this year Oliver held this position with 100% effort with return kicks, under pressure bombs and enjoyed the open space with his left-right step, which troubled teams each week. Oliver's bullseye of a kicking game gave our team many advantages which lead us to the Grand Final. Cheers Oli!

Kyle Werrett (VC) – Hitups (93) – Tackles (100)

The game ball player with little words to say but would have people do all the talking for him each week, by showing his warhorse efforts in attack and also some massive defence to match and giving the team the rescue try at the end of the Grand Final. Cheers Kyle.

Atutahi Reti – Hitups (115) – Tackles (138)

One of the best turn around players of the year showed lots more confidence in his game with up and tough running style in attack and defence that would rattle bones out of players each week. All round champion year Tooheys. Cheers!

Robert Rochford – Hitups (50) – Tackles (51)

When metre gains are needed in a game, Robert was one of those players who stepped up in that area of the game with ease and improved out of sight with defence which was used well in the Grand Final. Cheers Robert!

Kirk Tarlinton – Hitups (81) – Tackles (92)

If you're looking at a smash'n'crash attacker in the game with ruthless style to match Kirk leads the way in this area and added some muscle behind his defence that stopped many players coming back for more. Cheers Kirk!

Riley Taylor – Hitups (72) – Tackles (87)

Being a halfback takes its toll on the brain each week knowing the plays, the drills and keeping the kicks in play. Riley was able to take all those areas and do them well with many try assists to his name off many great cross over kicks even in the Grand Final pulled off another great kick. Also loved to take down many players double his size. Cheers again Riley.

Lucas Vasiliadis – Hitups (47) – Tackles (65)

If anyone said size matters in Rugby League Lucas proved everyone wrong because when your low to the ground and have speed to burn your the most dangerous player on the field. Lucas showed each week extreme improvements in his game and loved to find the try line and was a speed weapon in the Grand Final. Cheers Lucas!

Glenn Taylor – Trainer

Head Trainer this year Glenn gave great input into the team and helped keep the boys in control. Also used his voice well, would make a great coach. Thanks again for the support on and off the field which helped us get to the Grand Final. Cheers Glenn.

Scott Grady – Stats Coach

This is not a job for the light hearted, Scott had the best seat in the house each week and loved the fun that doing the stats had. Also gave great views on how the team was going but most of all was the best bus driver that took all the team to the Grand Final. Cheers Scott!

Kelly Taylor – Manager

Once again would like to thank Kelly for being our Manager. Keeping control of sign ups, Jersey's, Players Cards, Rego's, Fun Raising, Time Keeping, Phone calls, Canteen and BBQ. Just to name a few of the things that keep a team going all year. From myself thank you so very much for your time and efforts to manage this team and helped us get to the Grand Final in such a smooth and professional way. Cheers Kelly!

John Kerr – Coach

PREMIERS!!! PREMIERS!!! PREMIERS!!!! What more could you ask for as a coach. This year was all won by the boys with their hard efforts on and off the field which put us in the number one position from game one and kept us there to receive Minor Premiers and to take home the big one, Grand Final Premiers 2012. Once again to everyone that supported us all year round without you this dream would not of come true. C.O.L.T.S

Cheers John

Coach's Award

Gabriel Haddad

Layton Bolling *

An injury prone year with his leg and hand which held him back but I can never say that he didn't give his all, with a strong kick off he found the sideline on several occasions this year, well done Layton.

Sam Domansky

Sam improved heaps this year with strong defence and took runs for the forwards when needed. He always tries hard and his improvement on the field did not go unnoticed.

Corey Driver

Fleet of foot and safe under the high ball, Corey made many length of the field tries which helped the team to many wins this year.

Elias Filemu

A new player this year, big hits, big runs. He has started to show confidence with the ball in hand and his defence was exceptional, well done on an excellent year.

Gabriel Haddad

Captain this year and lead from the front even when injured. Always puts his team mates first and never let anyone down at training or in the guidance of the team, well done Gabby.

Joshua Hargreaves

Best and Fairest again, a tackling machine with no self preservation, he did everything to stop the other team. Also showed his running and passing skills this year. It's always a pleasure to coach Josh.

Dylan Harrigan

Dylan steered the boys around the park again this year with a good short kicking game to match. His defence has improved over the season, well done Dylan.

Adam Odgen

A new player to the team and also to Rugby League. Adam improved out of site this year and with more knowledge of the game he will be unstoppable, well done Adam.

Luke Matts

I can't question his commitment this year, he trains hard each week which showed on the field. Strong running and defence and is another team player that everyone wants to play footy with, well done Luke.

Logan McBride

Mr Fix It was an excellent addition to the team this year, he is a tackling machine and also filled in several positions this year with confidence and ticker with the ball and he has been an asset to the team.

Jesse Pera

Improved out of site towards the end of the season, he found his shoulder this year and also has a good off load. He has become an integral part of our team.

Christopher Rizoglou

Chris would do anything to protect his team mates. Strong running game and brutal defence, its always a pleasure coaching Christopher. Well done mate.

Michael Rizoglou

Michael made the Catholic School Reps this year and his confidence in attack and defence has been excellent to watch. Michael is a real team player and puts his body on the line, well done Michael.

Porikapa Tukaki

Another new player to the club, who also played up an age group. He never shyed away from anyone, strong defence and confident

Jayden Urban

"Chop Chop" has unbelievable strength both mental and physical for his age. Jayden broke his leg in Round 6 and the team has never been the same, always excellent at training and motivated the team on game days.

Taren Wilson

Another new addition to the team, a real old school hooker with excellent passing skills and always backed up the person with the ball. Strong Defence and team spirit, thanks for the year Taren.

From the Coach

We had an excellent start to the season with approximately 30 Under 12 players trying out for the sides. We played three trials, two of them against Under 13 sides and we went extremely well. We won the first 5 games of the season and we were the benchmark. We had a sickening injury to Jayden in Round 6 that impacted on the team for a few weeks. To the boys credit they stepped up and started playing to their full potential beating the top placed sides and finished the year equal second on the ladder.

Our semi against Greenacre was a close one, 12 all after extra time and that put us into the final, as we finished higher on the ladder. Unfortunately we lost our final 14 to 10.

I have had a ball with the boys this year, thank you to all and to the coaching staff, Gena (Manager), Dave (Trainer), Grant (Trainer), Dave (Touchy), I couldn't have done it without you all, thanks. Hope to see you all next year.

Best & Fairest

Jayden Gouganovski

Best & Fairest Runner Up

Leon Duryea

Most Improved

Joshua Tyrell

Coach's Award

Scott Thompson

David Cowley (Second Row, Lock)

Unfortunately, David missed several games due to a foot injury. His teammates were all glad to see him return for the second half of the season. He made some great breaks and was always busy in defence.

Leon Duryea (Fullback)

Played his first season of Rugby League in 2012 and improved every game he played. Scored some wonderful long-range tries. Using the combination of his speed and size, Leon proved himself difficult to tackle in every game he played.

Ahmed El-Jabali (Prop, Second Row)

Ahmed's runs this season gave the team a lot of go forward. He is a busy member of the team who possesses a great running game.

Anthony El-Zakhem (Back)

Anthony should look back on this season with pride as he improved his Rugby League skills. He scored a couple of great tries for us.

Kyle Farah (Dummy Half)

Kyle is another player who has just completed his first season of Rugby League in 2012. He enthusiastically fulfilled the role of dummy half in the team. He learnt a lot about what it means to set up the runners in the team.

Jayden Gouganovski (Halfback)

As captain he led the team admirably. Jayden competed whole-heartedly in every match he played and scored some amazing tries throughout the season. He also developed a well-controlled kicking game.

Robert Kavakura (Prop)

Came to the team mid-way through the season. The team certainly appreciated his hard runs. He was always difficult to stop when running the ball.

Harrison Lake (Centre, Second Row, Half Back)

Harrison played several different positions this year. He ended the year as half-back and learnt a lot about organising his team mates. Always shows a lot of enthusiasm on the field.

Katoa Mairi (Centre, Five-Eight, Dummy Half)

Katoa was keen to use his touch football skills on the Rugby League field. He showed a great pair of hands and a good step.

Quinton McKenzie (Backs, Lock)

Quinton, the most experienced player on the team, had a solid season and could be counted on for his defence and attacking runs.

Kieran Nguyen (Back)

Kieran played his second year of football and continued to show improvement in his attack and defence.

Michael O'Leary (Second Row, Centre, Winger)

A versatile player who filled a number of roles in the team. Michael continued to develop his skills as a footballer in 2012. He was always keen to run the ball up with speed.

Luke Palmer (Back)

Luke is an enthusiastic member of the team who loved to run with the ball. He worked hard to develop his game this season and should feel proud of the improvement he has made.

Scott Thompson (Winger)

Throughout this season, Scott gave 100% both during games and on the training paddock. Was really keen to improve his game and listened carefully to advice from the coach and trainers. He loves tackling and managed to pull off some great tackles throughout the season.

Joshua Tyrell (Second-Row, Centre)

Showed great improvement in his game throughout the season. Displayed a great attitude towards training. He tried his hardest in every game he played.

Sam Yassine (Prop)

Played his second season of Rugby League for the Colts in 2012. Sam was never one to slacken off in games. We can always count on Sam running the ball up with great ferocity. Your teammates appreciate all your hard work Sam.

From the Coach

Remembering back to our early training sessions in March, I remember being impressed with the number of new guys in the team and their enthusiasm to learn the skills of Rugby League. This enthusiasm and sense of fun remained right throughout the season.

We had some early success and after four games we had won two games. We finished the season with four wins. I am so proud of the efforts of the boys. It takes time for players to learn to play together. I could always be assured each week that the boys would never give up during games.

As you can see from all these player reports, the boys have made some outstanding improvement in 2012. Let's hope you all sign up again next year so we can build on the momentum we made this year.

I would like to say a big thank you to our trainers Brad and Pete and to our manager Jerry. This team would not have been able to run out on the paddock without your efforts in 2012.

Finally I would like to thank all the parents who turned up each week to enthusiastically cheer on the boys.

From the Coach

I am so impressed with the way the boys played this year. They ran hard, tackled hard and best of all, played as a team.

The one thing that stands out the most for me, is the way the boys found consistency in their game, especially in the second half of the season when the boys turned up, switch on ready to do their job, week in, week out to win five out of their seven games.

It was no fluke the boys made the finals, it was because they worked hard for it, turning up to every training session, working hard on their fitness, defence and balls skills and for all of that deserved to be there, so proud of all the boys.

It has been a pleasure for Ben and I to have coach you all again, hope to see you all next year.

Thank you to the parents for your encouragement and support and taking the time to bring the boys to training and the games.

Thanks heaps to Helen (Manager), Ben (Trainer), Con and Johnny for all your time, help and input, the season was enjoyable and smooth because we all worked well together.

Tony

The Under 14's saw the light and invited Canterbury players Sam Kasiano and David Stagg down to a training session before their Semi Final.

From the Coach

Firstly, I would like to thank all the boys for turning up each week, we missed a lot of games, not our fault but from washouts and forfeits, but you still turned up and put in a good effort.

It was good to see numbers on the bench with several new players to the club and the team improved on last year by making the semis but the lack of match fitness and the different interpretation of the rules in the other districts really hurt the boys this season.

I hope to see you all back next year for another crack. I would like to thank the trainers, Shane and Hatchy for running the water and helping out the boys at

training and to my manager, Angie, for sorting out the boys all year, couldn't of done it without you all.

Scott

From the Manager

We believed 2012 was going to be our year with new impressive players (William, Daniel, Dean, VJ and Sosaia) we thought we were in with a good chance however the Football Gods thought differently with four forfeits, three washouts and two byes we only played eight games of football!! Sadly keeping the moral of the team or the manager for that matter was no easy task but one that coach Scott managed to do! The parents need to be commended for turning up week in and week out only to sometimes find the other team not bothering to show. But your efforts got you to the semis well done and congratulations!!!!!!

Boy's you need to be congratulated for not giving up, continuing no matter what the ICCC or the weather threw at you, playing in outer districts with referees that played by different rules and even no lines men anyone could see you guys just wanted to play footy! Stick together and 2013 could be our year!

This season saw the retirement of George Papathomas due to health reasons, Josh to work commitments and Michael Marsh (as you can only have so many concussions before it becomes serious,) I'm sure we can get another season out of you yet! Boys you all stuck together and that is what team work is all about!

Scott what can we say you were tested a few times this season but always remained what looked to be calm, we truly appreciate the time and effort you continually put in. Thank you!

Shane our new trainer, what a great job you did tending to the boys injuries in a timely fashion, it took you a while to get the gist of getting the tee but you only had eight games to master it! we appreciate your efforts at training and on game day Thank you!

Hatchy your smile was the one thing that was guaranteed each game. Your support of this team is truly appreciated and I'm sure the boys were always happy to see you with the water bottles!

To the ball boys/ball girls. There was never a game where I had to look or ask. Thank you so much for offering each game you guys make my job easy.

To the parents and grandparents thank you all for support you have shown the boys, it would have been so easy to throw your arms up and give it away. We appreciate your loyalty.

Tina and Sam once again you guys out did yourselves with the jersey washing and I thank you!

To the Committee thank you for going into bat for our guys and making the Colts Club what it is, playing out of district only proves time and time again what a great club we are!

Thanks

Angie

From the Coach

I'd like to thank my Manager, Steve, and my Trainers Foxy, Johnsy and Paul for all of the work they put in this year to get the boys and myself as far as we did. I'd also like to thank the boys for a good season and with the representative season starting up I hope they are all very successful in their attempts to be selected where ever it may be.

To all the parents and supporters, thank you for all the encouragement and support and we are truly sorry we couldn't go one better for you all. Thanks.

Joe

From the Manager

Well another strange year of football has come and gone! Four washouts, two won on forfeits and two losses (one competition and the Grand final). Well the good news for the season was Minor Premiers and getting to know a fantastic bunch of fine young men. It would be impossible to find a football side that oozed as much talent as these guys have. Well done to everyone, the boys are a credit to their parents and the Colts.

Some Colts Grand final facts that show how hard it can be to win that last game that everyone remembers;

1990 was the last time Colts had three teams win the Grand Final.

Since 2000 there has only been two reserve grade/division 2 sides win the Grand Final.

It has been more than 13 years since a Colts division 1 side has won the Grand Final.

Thanks to Donna for timekeeping, Paul F for assisting the Coach, Paul and Dave for being Trainers, and Layton for being Ball Boy. Also thank you to the Committee and parents that made it possible for the home Sunday games at Killara, well done and keep up the good work.

A big thank you to Dawn for helping me out this season and the fantastic job you did in organising our Grand Final celebrations and decorations.

Last but not least the Coach who looked after the boys and got them to another Grand Final. It has been an amazing nine years that has seen this side at its worst finish in the semi-finals.

All of the above is what a great team is made of and there were a total of 28 people involved ensuring that we gave it our best shot. I hope that all the new players and parents had an enjoyable year and will be returning next year. Good luck to those of you who are completing the HSC and starting new careers. I wish that everyone has an enjoyable break and a great Christmas/New Year.

Steve
