## **Annual General Meeting 2014**

**Thursday 13 November 2014**

**7:30pm at the Clubhouse**

The positions of all Committee Members will become vacant and will be voted upon. This gives all members of Milperra Colts J.R.L.F.C. Inc. the opportunity to vote for the new Committee for 2015.

If you wish to apply for a position, you should obtain a form from the Secretary. The form must be submitted by 5:00pm, Wednesday 5 November 2014. Hope to see you all there.

## **President's Report**

Another footy year has passed us by again. We did not have the results that we would have liked but each year is different and some are better than others. The Club fielded 12 teams this season, from Under 6's to the Under 14's who played for the first time in the Sydney Combined Comp. Four teams made semis or finals and our Under 10 Div 3 made it all the way to the Grand Final. Unfortunately, even though the boys tried hard they were unable to come away with a win. Congratulations to all those concerned in getting this team to a Grand Final it was a great effort.

As a Club we have gone through a number of relevant changes this season, we have redesigned our jersey and have had a new sponsors come on board. I would like to welcome Stillwell Trucks as a new sponsor but would like to thank all our continued sponsors – The Mill and BP Milperra especially, their support and sponsorship is greatly appreciated.

We also revealed a new Pink Jersey to celebrate the Women in League round and also our Heritage jersey was also worn by our Under 7 team. Orders for these jerseys will be taken next season for those that may have missed out.

On the social side of things we have had some great events this year, Cake Days, Ladies Night , State of Origin nights and Appreciation Night to name a few. We welcome any suggestions on how we can improve as a club, so if you have any ideas please let the Committee know or join the committee and you can have a say on how the club progresses in the future.

Our major project this year has been the new extension to the clubhouse; this will be finished in the off season and will be ready for the 2015 season.

I would like to thank all of the Committee for their hard work throughout the season, especially our set up guys and girl, some of the mornings are really cold at 7.00am but they turned up each and every week. I would also like to thank all our Coaches, Manager and Trainers, without you guys the teams don't happen and to all our players that have played for the Colts this season a big thank you!

I hope to see you and your parents next year, have a safe and Happy Christmas and New Year!

Go the Colts!

*Grant Bolling*

## **Secretary's Report**

As usual, Grant has basically given a full account of the season in his report and there is not much more for me to write about.

However, I would firstly like to thank all the Committee for their tireless work and commitment over the season, it is sometimes a thankless job and we all have our moments but it is a job that has it's own rewards and I hope that you will all consider signing up for another year in 2015.

Secondly, as I am typing this report, the storage shed has been bricked and has a roof and it is really looking like an extension, it has taken more time a than we expected but I would like to thank our builder, Wayne Oxford and all our own people who have helped with the construction, without our tradies doing some of the work it would of cost us more, so thanks to everyone for all your efforts.

Thanks to all our Parents, Players and Officials for a great season have a good break and I hope to see you all next season.

*Donna Okunbor*

**MANAGER** – Melissa Duncan

**TRAINER** – Jayden Okunbor

### **Awards**

Every player is the 'Most Valuable Player'

---

#### **Oliver Behringer**

Oliver improved on his running throughout the year and worked very hard on his defence, he made quite a few try saving tackles, great work this year Oliver.

#### **Noah Braddick**

Noah always tries his best when it comes to the football field, he has a lot of speed which we saw while playing bull rush and stuck in the mud, Noah also made some great tackles throughout the season, good well done Noah.

#### **Jett Chegidden**

Jett has made a great improvement throughout the year, he has made some good tackles and his kicking at training improved every week, well done Jett.

#### **Kyle Ebbs**

Kyle improved every week as his confidence grew throughout the year. Kyle always tries hard at training and made some great tackles throughout the year, always working hard, great effort Kyle.

#### **Lauren Fowler**

Lauren was the only girl in the team and it was great to see the involvement. Lauren had learnt to tackle well and we enjoyed having Lauren in the team, great work this year Lauren.

#### **Roman Herold**

Roman made some great runs, and good chase down tackles this season. He learned to play the game and always got involved, a very enjoyable player to have around each week, good job Roman.

#### **Dominic Luamanu**

Dominic was our powerful runner on the field, scoring many tries and always looking for the chance to have the ball. Dominic had improved throughout the year with his tackling and ball passing, great job Dominic.

#### **Rowan McClelland**

Rowan tried his best throughout the year and was good to see him get a try. Rowan enjoyed playing What's the time Mr. Wolf, great work Rowan.

### **Riley Pitkin**

Riley had a great season. Riley scored quite a few tries throughout the year and does a great job playing in the fullback role in defence, his tackling was also very good, great work Riley.

### **From the Coach**

Firstly, I would like to thank all the players and parents that turned up to all the training sessions and for playing all the games. I have really enjoyed this year's season. The kids never gave up as they kept trying to improve each week and they have grown to be confident with the game. We are lucky to have such a great team and everyone was lovely and I hope everyone enjoyed a great year of football.

Thank you to Jayden for taking on the role as trainer and ensured that every game he always helped the kids whenever they needed water or some time out during the game. Thank you to Melissa who was the manager for the team. Thank you to all the parents who have been involved and who had taken up their time to be with their kids at the football. I hope to see you all again next year.

Jackson

### **From the Manager**

I would like to thank all the parents and children that have been involved throughout the football team this year as it has been a pleasure to undertake this brilliant football team and seeing all the kids improve throughout the year and becoming confident. For most of these kids it was their first year of football, starting from scratch, learning how to catch a ball, running in a straight line and then learning how to pass the ball. These kids have improved so much, that every single one of them scored a try by the end of the year, I am very proud of them all.

Thank you, Melissa

### **From the Mother of the Coach and Trainer**

I would like to public thank my boys and Melissa for taking on this team at the beginning of the season; it took a lot of convincing and bribing for them to give up their Saturday mornings at 9.00, especially at their age. I believed they enjoyed themselves and every time I saw them at training the kids seemed to be enjoying the games the boys invented – not sure how musical bump pads help with their football knowledge but the kids loved it and they always had a smile on their faces. So thanks Jackson, Jayden and Melissa, we all appreciated your efforts.

## **UNDER 6 Green**

**COACH** – Anthony Simpson

**MANAGER** – Shantell Simpson

**TRAINER** – Terry Beale

### **Awards**

Every player is the 'Most Valuable Player'

---

#### **Jeremy Cooke**

Jeremy was our dummy half for the second half of the year, he gave good service. As the year went on his tackling became very good and was often seen bringing down much bigger opponents. His dummy half running on the last was very effective and would always be looking for an offload.

#### **Issa Derbas**

Issa the big man of the team, his running of the ball was very important for the team; he would often be seen running straight through the middle of the opposition. He has definitely improved from last year and is always helping out in defence.

#### **Firas Hijazi**

Firas was the dummy half for the first half of the year giving good service, his attack and defence were very consistent throughout the year. He is always a good team player.

#### **Tagillima Leuluai**

TJ had a much improved year with his strong running resulting in the other team jumping out of his way. He would often be seen moving up in defence and crunching the opposition. He kicked a goal against St Christopher's and was a very enthusiastic player.

#### **Ashton Macdonald - (aka ASH)**

Ash is a hard running player who scored a lot of tries this year. With his good speed and a very effective fend, his defence improved towards the end of the year as his confidence grew. Ash is a very good goal kicker knocking over 3 goals this year. See you next year.

#### **Kruz Malai**

Kruz has blistering speed and scored many tries this year. He defends well with great low tackling and is not scared to chase kids and tackle from behind which is a very hard tackle for a little kid to perform. He copped a few knocks this year but still played on every time, a very tough boy. See you next year.

#### **Cooper Parker (aka COOPS)**

Cooper is a very elusive runner with the ball. He would score all his tries this year with a great sidestep and swerve. Cooper would be the boy who would play in any position when needed. He had a very good passing game and solid defence. He was always there to pick up the loose ball and also knocked over 2 goals this year.

### **Aidan Simpson (aka NUTS)**

Aidan was our first receiver and organised the team in attack very well. Scored a few tries from dummy half on the last and would often be seen scoring tries right in the corner. He saved plenty of tries this year with solid defence when standing at fullback. He knocked over 2 goals this year; the posts at home must be working.

### **From the Coach**

This was another fun year for me with the Under 6's. The boys were a pleasure to coach and it was great to see the improvement in all of them throughout the year. We only had 8 players for the year and to the boys credit they hung in there for every game. Some games we played with 6 due to illness, but it didn't worry them, they went out and played the game and came off happy. I'm proud that every player scored a try and 4 boys kicked their goals, (something that other teams with their one player couldn't say). I hope the boys have learnt a lot of footy this year and most importantly had a lot of fun.

To my wife Shantell thank you for being my manager again this year. Shanny keeps everything in order which must be a difficult job to do, considering I'm not one for paperwork or organisation.

Thanks to my 5/8th Bealy for being trainer again. Bealy has always got something in his bag of tricks for training and games to keep the kids entertained, good job Teflon.

Thanks to the parents for their support throughout the year, it makes running the team easier and enjoyable. Thanks to the dads and granddads for running the lines and the mums who did timekeeping.

I hope to see you all back next year.

Simmo

### **From the Manager**

Wow how quick has this season gone!! Thank you for a fantastic season boys, each week our games became more and more exciting. You all have improved this year from start to finish and I'm very proud of all of you.

To all the parents I want to say a big thank you for all your support this year from ball boys, linesperson, timekeeper, jersey washing, canteen and fundraising etc. You all make my job enjoyable and a lot easier.

I hope to see all the boys back next year playing for Milperra colts in 2015.

I wish you all a safe holiday and a happy new year.

Shantell

### **Coach's Award**

Koby Cooke

---

#### **Logan Braddick**

Yogie – The intellect. Always pushing the debate, and revelled in the team environment. Speed to burn and plays with emotion.

#### **Koby Cooke**

Kobes – A natural. From kick off to final whistle Koby just doesn't give up. This along with a serious kicking game, I'm sure we'll be watching him winning games with his boot for years to come.

#### **Mohammed Elkerdi**

Moey – A smiling assassin in defence. Sometimes hides in the backline only to find a loose pass and tear through the opposition and find open space.

#### **Taumata Grey**

Speedy – New kid on the block, with ball in hand has more moves than Michael Jackson. Always smiling and great contributor at training just as much as game day.

### **Koby Kerr**

Axe – The nickname Koby earned midway through the season. Naturally gifted, he could slice open any team, and 2 minutes later chop down runner after runner. The Axe kept us from some embarrassing score lines, and made opponents earn every point against us.

### **Michael Leuluai**

Bit of an Enigma. We never knew what to expect from him week to week. Michael developed into a reliable defender and owned the restart.

### **Kortez Malai**

Tank – When the Colts needed some muscle it was Kortez we leaned on. Whether it is game day score board or muck around training, his natural game play impact was evident and inspiring.

### **Tye Martens**

I'm sure we won't be the 1st or last to say this: but a kid who doesn't know how small he is. Tye never backed down, and threw himself into ever part of the game.

### **Kaden McCelland**

Mr Cool and always ready to pounce. The King of sock wrestling and the most unlucky try scorer in history of Rugby League. With elastic limbs he always slipped away from lazy tacklers.

### **Xander Walsh**

Could play wherever we needed him. Reliable hands and sharp and a devastating dummy half runner. Always offering to help the Referee with each-way decisions.

### **Cooper Ward**

Eats, sleeps and breaths Rugby league. Relentless in defence and tenacious with the ball. The U7 Captain Coach without knowing it.....

### **Luke Windschuttle**

Spook – A coach's son always carries that burden. Regardless of the scoreboard Luke barged, chased and clawed for every meter, and smiled for every minute.

### **From the Coach**

A first time Coach's dream team!!!! We had all the attitude and focus a bunch of 7 year olds could throw at us. A full squad almost every week meant game time was shared, and at times, precious. I thank the kids and parents alike for their patience on this alone. While we saw some real footy heads busting to be on the park, every week, getting them to all play together as a team took some time, but when they collectively worked towards a plan, the talent was obvious. There are two game that come to mind, where having proud parent praising their efforts afterwards validating what Col and I already knew. What a pleasure it was being a Coach and mentor to this bunch , A feeling second only to the privilege and pride we had in being part of the U7's Colts 2014.

Rob, Col & Lucinda.

## **UNDER 8 White**

**COACH** – Jonathan Macdonald

**MANAGER** – Rae Crawford

**TRAINER** – Warren Phillips

### **Best & Fairest**

Luke Phillips

### **Best & Fairest Runner Up**

James McKenzie

### **Most Improved**

Cooper Macdonald

### **Coach's Award**

Riley Braddick

---

#### **Ryan Armstrong**

Ryan tried hard this year and managed to make a couple of good front on tackles. Fearless in attack Ryan would always run straight up the middle of the field meeting the defence head on never taking a backward step which is something he should be proud of.

#### **Riley Braddick**

Riley had an awesome season this year and is well deserving of the coaches award. Mr Reliable in defence Riley would be involved in heaps of tackles each game backing it up with his persistent never give up running style which saw him bust through the defence plenty of times after they thought they had him held. An absolute pleasure to have in the team and one of the most polite kids you will meet Riley would put in 110% every time he put his boots on either on game day or at training.

### **Zakariah Cheikho**

Zak is one of the most destructive runners in the comp and can punch straight through the defence or show his pass going a little wider hitting a hole at speed. Zack not only scored plenty of tries this year he saved a heap as well, defending in the middle of the field Zack would continually take charge and call the boys up each play, being heavily involved throughout the game it would show by how much we missed him when he was not on the field. An absolute footy head and a player every team needs, Zacks love for the game shows each week and no doubt that will continue for many years ahead.

### **Fayad Hijaz**

Fayad tried hard all year and pushed himself continually each week at training. Never one to give up Fayad would turn up every week and give his all. A couple of really good runs this year he discovered he had an awesome fend and brought this out a couple of times sending opposition players flying. One of the big boys of the team Fayad would try hard in defence each week continually moving up putting pressure on the runner.

### **Kayden Holden**

Kayden had an interrupted season this year and was forced to miss a few games half way through the season but came back and tried his best each week. Kayden pulled off a couple of good tackles and managed to get on the scoreboard kicking a goal against the bulls.

### **Lithanial Leulualalii**

Lithanial had another great season this year scoring plenty of tries and being heavily involved in defence most weeks. A massive 8 year old and one of the biggest in the comp Lithanial was devastating in attack and struck fear into the opposition when he walked onto the field. The second half of the season Lithanial stepped up another level, running a little straighter and staying away from the sideline he would continually run straight over the top of the defence scoring a couple most weeks. With great hands and a massive boot Lithanial will no doubt continue to be a key player of any team in the years ahead.

### **Cooper Macdonald**

Coops improvement this year was pleasing to watch he would continually move up in defence calling all the other boys with him, getting involved in plenty of tackles each week especially towards the second half of the season when he played his best. When Coop started running a little wider he found himself making good ground each time and was also heavily involved off the ball as one of our main decoy runners. A good season all up, and well deserving of the most improved award through all parts of his game especially in defence.

### **James McKenzie**

James has it all, an awesome step and fend, lightening quick, perfect tackling technique, and unbelievable vision. Add to that a near perfect conversion rate and the ability to drop kick a ball half the length of the field James was one of our key players and as a team we played our best when he was in charge at first receiver. James was a consistent performer all year but finished on fire scoring 4 tries each week in his last couple of games and saving even more in defence and as a coach nothing makes you happier than seeing the opposition run his way. An exciting player and a certainty to play halfback in the future only time will tell how far James can go.

### **Harrison Pallanza**

Harry was another real improver this year. Once he realised he was quick enough. Harry found he could not only hit a hole at speed but pop out the other side scoring a couple of great tries in the second half of the season. Harry tried hard in defence and pulled off a couple of great tackles this year never giving up, even chasing down the biggest player in our comp and trying his best to stop him from scoring. A great season and he should be proud of his improvements.

### **Luke Phillips**

One word sums up Luke, DETERMINATION. If he misses you the first time Luke will hit you again and again and again. With both speed and a great step along with good balance Luke would continually break through tackles making good ground or scoring with every run. Our top point scorer and one of the best defenders in the team Luke was another one of our key players this year and was always exciting to watch. One of those players every team needs Luke would give his best every week with either explosive attack, brutal defence or off the ball as a decoy runner. A great season and another one to watch in the years ahead.

### **Tommy Tsougranis**

Tommy is one of the quickest kids in the comp and with a bit of room he can turn a half chance into a try at any moment. Tommy also managed to make a few good tackles this year working well with Riley out wide most weeks toping it off kicking a couple of goals.

### **From the Coach**

Another good season from the boys this year coming up against some quality sides you can all be proud of how you not only played but improved throughout the year winning more games than we lost which was a big effort considering we had to play the top sides more than the weaker ones. A big thanks to Rae for going manager again and to Waz as trainer your involvement this year has made it all a lot easier. To all the parents for helping running the line, on the BBQ or in the canteen it does not go unnoticed and finally the boys for putting in for yet another year, you all got on really well with little to no arguments and it made it all a lot more enjoyable. Have a good break and we will catch you all next year.

#### **Ashton Connelly**

Found a home in our middle and ran strong all season, made us valuable meters and was defensively solid, did a lot of tough work and really applied himself at training and games and it showed, fantastic season we are all very proud of you flash.

#### **Brayden Cooke**

The Tank, gave nothing less than 100% week in week out, Made the hard yards with his trademark runs and hit hard in defence, never gives up. Great kid, great season and a welcome addition. I'm sure we'll hear about his 100m try for years to come.

#### **Cooper Cooke**

What a little champion, Coops being our smallest boy showed plenty of heart and was always willing to learn, tackled anything that came his way and grew in confidence each time he ran the ball. Always rewarded the effort and his effort was always there.

### **Abdulkarim Elcheikh**

How good does the abs go? Can score from anywhere on the park, but his defence is courageous, doesn't matter how big, fast, strong or age he will chop you down with copy book bootlace tackles. Another brilliant season mate.

### **Jhye Foat**

No one has the ability to be as devastating as when Foaty is switched on, hard player to tackle and goes on seek and destroy missions in defence. He has very little fear and terrorises oppositions. One of our originals and developing nicely.

### **Griffin Fuller**

Griffos is one of those players that goes about his job quietly racks up the tackle count cleans up the loose balls takes the hit ups and gets the job done, your work didn't go unnoticed and he was awesome for us each week, you wouldn't know this was his first season of footy.

### **Isaac Mikhail**

What a competitor, big fast strong and just so eager to please, made such a big impact every time he took the field, a real team player and does whatever it takes to get his side a result, a fantastic season and has a bright future in footy.

### **Kody Ogden**

Kodstar added a new level to how dummy half plays at this age, smart footy head and steers this side around, formed a great partnership with our halfback Jazza and was a constant leader, was our sides highest point scorer with 29 tries and was rewarded for his hard work with a run in u10s div 2 semi-final.

### **Henare Reti**

Came to our side late and hit the ground running, powerful ball runner and hits as hard as anyone in the comp with his defence, natural footballer with plenty of ability and has a big future, handled the step up in age with ease and was a great addition to the team.

### **Jacob Taylor**

You'll never see JJ take a backwards step, he turns up to play solid tough footy each week and has done for 3 years, played fullback in defence and denies oppositions points constantly then tears them apart with his determined running. Our second highest point scorer and the competitions 2nd highest goal scorer.

### **Jarryd Walshe**

Jazz really stood up this year and took a leadership role, playing halfback got us going forward and organised our structure, was always barking instructions and started to pick when to take the line on, always took us up in defence and had a lot of responsibility. Great season Jazza

## **From the Coach**

2014 was another strong season for the boys, some new faces and most of the old crew. It was very pleasing this year to see the boys come of age and take ownership of their team, playing with structure, positions and constantly coming up with new ideas and moves to try at training then applying these in games, their training and fitness improved out of sight and the commitment they put in towards this was fantastic, and the result of winning 21 from 22 games this season is a reward for the effort. We also had Joey and Andrew join our coaching team and I really cannot thank these guys enough, they brought fresh ideas and discipline and we saw a vast improvement from day 1, really cannot thank you guys enough. We have always had a good support base and this year was no different so a huge thank you to all the mums, dads, bros, sisters, family and friends and other Colts family's that cheered the boys on. A huge thanks to Bron who took on manager when no else wanted too and did a fantastic job, Jeff and Christian who always did the line for us, thank you. To Daniel and Pete T for all the videos and photos a huge thanks also. A big thanks to Stan, Clayton and Trent from our u10s for the training sessions, our boys took a lot out of it, Donna Ok and Scotty D for everything, Thank you.

To the boys this year like the last 3 has been awesome watching you develop and be part of your team, have thoroughly enjoy it and (most) of my time at the Colts, I wish you all every success in the future.

Coach Davo, Andrew, Joe & Bron

### **From the Coach**

Our season started very promising going through the first round undefeated; all the boys were playing very well. Tackling was very good and our ability to score tries was always there, unfortunately as the season progressed, the attitude and concentration at training seemed to fall away and as a result our performance on game day suffered.

The boys tried hard in the final series but were beaten by better sides on the day.

Thanks to all the parents for their support throughout the year and hope to see you all again next year.

Stan

#### **William Braddick**

Great start to the year. Will showed us what he was made of down the side line long distance speed with try's at the end, but we lost Will later in the year due to family holiday but was lucky to get to the last game in at the Grand Final. Cheers Will.

#### **Adam Cheikho**

Aka "TANK" Adam is a super asset to the team with his larger body frame he was able to use it well and run over teams like tenpins with a hat trick of tries under his name and played a major part of getting the team to the finals. "2014 Most Improved" player of the year. Cheers Tank.

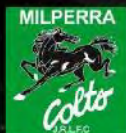

#### **Lachlan Connelly – (Co-Captain)**

A very strong asset to the side. Lachlan's confidence worked magic each week in his ability to out think the opposition in attack and to find the try line. He also brings a Division 1 kicking game to pressure any side, well rewarded "2014 Best & Fairest Runner Up" player of the year. Cheers Lochie.

### **Mohammed Dib**

Our super light weight player who stood up this year to play up in age showed no problems made most players look both ways with Mo's great speed and side stepping skills a talent for the future to come. Cheers Mo.

### **Rhys Eagle**

Utility player. Rhys showed us sparks of what he was capable of giving the team, fitting into every position but made his fame kicking the goal on the bell in the Grand Final. Cheers Rhys.

### **Samson Mairi**

Motivation player of the team. Sammy worked strong on and off the field gave every bit of Black & Green blood he had was happy to stay back and train that bit more each week and get the results for the team. Proud to award him "2014 Best and Fairest" player of the year. Cheers Samson.

### **Logan Marshall – (Co-Captain)**

Long Serving Player of the team with passion and pride of the Black and Green to match. Logan enjoyed using every trick in the book to outsmart the opposition and gave a high level kicking game that turned teams around all year and lead the team towards the finals. "2014 Coach's award" winner. Cheers Logan.

### **Blake Macdonald**

A most valuable and future player. Blake plays like a warhorse each week and is as tough as nails in defence and proved to play a major part in lifting the team throughout the finals and rewarded "2014 Game Ball" player of the Semi's. Cheers Blake.

### **Cameron Mellas**

First year player at Colts. Cam had a trademark of wearing his headgear everywhere. Once he found more game time Cam showed great results and become a very promising utility player. Cheers Cam.

### **Calib Nennas**

A massive year for Calib once he found his feet in the team there was no stopping his performance with one of the best tries of the year Calib kept our Final dreams alive. Cheers Calib.

### **Ethan Nennas**

Playing up an age this year was no issue for Ethan. He managed to take down players with his "AXE" style defense which saved try after try all year and was rewarded "2014 Game Ball" player of the Grand Final. Cheers Ethan.

### **Harrison Passalis**

Long Serving Player and true grit asset. Harry plays with his heart on his sleeve and pushed the never say die attitude throughout the team each week and kicked us the 2pts into the Grand Final. "2014 Managers Award" player of the year. Cheers Harry.

## **Hayden Sayers**

This year was cut short of game time due to injury. But he made a comeback later just in time for the Semi's. Hayden was the X-factor and was awesome in doing the dirty jobs for the team to get us all the way to the Grand Final. Cheers Hayden.

## **From the Coach**

Well I must say this year was not my normal approach in coaching a team with taking a side that was cut and Round 1 kicking off in the same week it didn't really bring any issue to our team. The boys were happy with the options I gave them and from our first win of the year there was no turning back or care of what had happen and kept that desire to win attitude all the way to the Grand Final. Each player this year was a pleasure to coach. They tested myself and training staff well. But managed to work together and get the results you asked for from any team and results we did, most proud to have been involved with the 10D3 Colts boys 2014.

**FIRST THANKS** to "Megan Kerr" aka (Wife) for doing an outstanding year as manager in her first year taking on the roll and keeping all the Fund Raising, Team Bonding Nights, Time Keeping, Pie Orders, Photo's, Grand Final Party issues run to perfection all year round. The team and I thank you very much.

**SECOND THANKS** to "Nick Passalis" for all his help as head trainer this year keeping the boys in control at training and most of all keeping them positive on the field each week when the game was on the line and being a big part of getting the boys to the Grand Final this year, also thanks "Ben Nennas" for your support at training and as bench trainer last thanks to "Koby Kerr" as being a great ball boy for the 10 D3 and missing your last game with the Mighty U-7's Colts to be part of the 10 D3 Grand Final team.

Cheers Coach John.

## **From the Manager**

Whoa what can I say first time as being Manager and we get into the Grand Final. It has been a great pleasure to manage such a great group of boys.

A massive thank you goes out to the Coach and my husband John Kerr with all the time and effort you have put in this year to get this team where it is today that was to the Grand Final. It's amazing how this team has bonded together and has improved since the start of the year. Thanks again for all you hard work you have put in this year. You don't know how much the boys and parents appreciate what you have done cause without you we wouldn't have got to the Grand Final.

I big thank you to Nick Passalis for taking on the Trainers role and helping us out when needed, and also to Ben Nenna for helping out John and Nick when they needed a hand at training.

A big Thank you to all parents who have help us out this year from linesman, BBQ, timekeeping and for everything to get ready for Grand Final etc. food, bus, decorating but also for just being there to support John, Nick and myself throughout the season.

And last of all a big thank you to our boys for all the hard effort you have all put in throughout the year we are extremely proud of all of you. Hope to see you all back next year.

#### **From the Coach**

First of all I would like to thank all the parents for all your support with bringing your sons down to training and to the games each week. Without your help this team would not have finished the season.

This season we played Division 1 and what a massive step up to the top level. This season was kind of a mixed season for the boys after winning so many games the seasons before, and this year not getting the results they were used to getting.

The first half of the season the boys got a good feel of what Division 1 is all about. We had a few results that saw the boy's heads drop. Then we had to regroup and not worry about the score and think about what we have, and what we can do. The boys worked hard at training and started to understand a bit more about what we can do as a team. The second half of the season you can see the boys were starting to get those little things right and they were starting to compete against the top teams which resulted in us surprising them the next time we played them.

To the boys, even though we had a hard season I am very proud of you because you never gave up, you showed up to play each week, worked hard at training and

showed what we need to do to become a better team. I saw that you boys knew each other more and knew what each other was good at and it showed on the field. Individually your skill level has improved, especially running and passing skill. I hope you can take something from this season and learn from it because you guys are good enough to be in division 1.

Also a huge thank you to Tony and Vicki for all the behind the scene work you have put in for all the boys and myself

### **The Stars of the Under 11 Division 3 Team were:**

#### **Samuel Crompton**

Samuel loves to run and is always hard to catch. He scored three tries during the season. With an extra commitment towards training, Samuel should be able to continue to develop his speed and step to become a more developed footballer.

#### **Dylan Donoghue**

Dylan transferred to the Colts in 2014. He worked hard at training and proved to be a great addition to the team. He is a busy player and worked hard in both attack and defence. With the extra confidence he has developed this season, I am confident that he will continue to improve his game next season. Well done Dylan!

### **Hayley Elliott (Captain)**

Hayley proved herself to be one of the best first receivers in the competition. Every week she led the team with passion and determination. She is a natural leader. I always knew when we were playing well because I could hear Hayley loudly calling the plays and telling the boys where to run. Hayley's game improved out of sight in 2014. Hopefully she will back up for one more season in 2015.

### **Daniel Hancock**

Daniel was the team's leading try scorer in 2014 with 13 tries. He is such an active member of the team and just loved to chase the kicks. His enthusiasm, hard running and solid defence were all valued by his team mates. Well done, Daniel you had a great season!

### **Nathan Hancock**

Nathan just loves his Rugby League and this is shown at every game and training session. He transferred to the Colts in 2014 and was a great addition to our team. He hit the ball up hard with his twin brother as first runner every week. He is also a strong defender and no player was involved in more tackles this season. Well done Nathan on a great season!

### **Jacob Harris**

Jacob played his first season of Rugby League in 2014 and we are so happy he chose to play for the Colts. Jacob got better every week! Jacob learnt a lot about timing his runs and looking for the gaps. His defence also became part of his game every week. It is a great effort to win the Best and Fairest Award in his first season of Rugby League. He also finished the regular season equal leading goal kicker in the competition. Congratulations Jacob!

### **Hayden Hardy**

"H", our flying winger, is another player who loves to run. He scored three tries this season, none better than his great run against the Bulls in the semi-final. This try showed everyone he was willing to back himself and run hard. Keep believing in yourself Hayden!

### **Dane Johnson**

"Dano" played his third season of football in 2014. He worked hard to improve his game in 2014. His determination in getting the ball forward was a large reason for the team's success. Dane also finished the regular season as the competition's equal leading goal kicker with 13 goals. Hopefully Dane can continue to build on the extra confidence he has developed in his game this season.

### **Dayne Lawrence**

Big Dayne was often the muscles of the team that allowed us to move forward. He has shown great improvement in hitting the line hard and is always busy in defence. Dayne had several big games but none better than his game against the Dragons where he scored two tries and made lots of metres. Congratulations Dayne, you should feel proud of your season!

## **Paul Nader**

Paul, our go to man, was able to make some big metres this season. He has learnt to run straight and hard at the line which gave the team great momentum. He was also busy in defence and I encourage him to keep working hard on this part of his game. Paul should feel proud of the improvement in his game in 2014.

## **Ryan Phillips**

"Ryano" The try that Ryan scored in the final showed how much Ryan improved in 2014. There was no stopping him as he hit the line hard. Ryan was a versatile member of the team and filled many roles including winger, first runner and dummy half. It was so great to see the greater involvement Ryan had in games this season. Well done Ryano!

## **Kaylan Regler**

Kaylan worked hard at training and his running game improved out of sight. Seeing him accelerate past defenders and find the gaps was great to watch from the sideline. Congratulations Kaylan on a great second season for the Colts.

## **Joshua Tudehope**

"JT" transferred to the Colts in 2014 and gave his all on the field every week. His speed and elusive step were used to finish off many tries throughout the season. Joshua's marker defence was also an important part of the team's success in 2014. I look forward to watching Joshua continuing to carve up the opposition with his blistering speed in future seasons.

## **Brock Wilson**

Brock, our dummy half, had a great season in 2014. He was solid at dummy half every week and consistently gave good passes to Hayley to set up our plays. He also managed to score four tries during the season. It has been a pleasure coaching Brock this season. Thank you Brock for what you brought to the team this season.

## **From the Coach**

It was a great pleasure to coach this team in 2014. At the beginning of the season we welcomed five new players to the club and a new trainer. The team quickly gelled together and it was great to see a group of guys who wanted to play together so much.

We finished the regular season with only two losses scoring an amazing 502 points in the regular season.

Unfortunately we lost our semi-final to Bankstown Bulls 24-6 in the first week of the finals. This meant that our season was on the line in the final against St George Dragons. Two early tries were scored against us. We fought back on the second half to be leading 16-12 with five minutes left on the clock. Unfortunately the Dragons scored a late try and we lost the game 16-18.

Despite the season not ending the way we wanted, the members of the team should feel proud of their efforts in 2014. At the beginning of the season I said that if we had a team who enjoyed playing together and improved their skills every week, I would be a happy coach. I am a very proud and happy coach.

I can honestly state that all members of the team improved their game in 2014. All the ball work and practicing of our set plays at training paid off. As a result, we were a strong team who shared the workload rather than relying on a few players. Every member of the team scored tries, made tackles and ran the ball up hard each week.

A huge thank you to Chris Wilson for his efforts as coach and trainer of the team. Your knowledge of the game, and your passion for preparing the guys for each game was valued by every member of the team.

Thank you also to Kerrie Elliott, our manager. All your efforts are appreciated

#### **Marco Basara**

Speed to burn this boy and I have always said there is no substitute for speed. Marco could make a hole where there was no hole just with speed and power. Needs to get his hands on the ball more and continue to improve on his defensive game. Looking forward to a big season next year from you Marco.

#### **Jaydon Bonnici**

Jaydon has been a long time member of the Colts family and continues to improve his game. He is always at training and gives 100% every training session. Jaydon's job as one of our front rowers is one of the hardest jobs on the field and I have seen Jaydon demolish players at training but just needs to do this on game day. Great effort Jaydon.

### **Dylan Burrell**

I have had the pleasure of watching Dylan grow into a fine footy player over the last few years. Last year you seemed a little quiet but watching you return to your running best was great to see. Your defence has never been in question and once again you defended your wing with great tenacity. Looking forward to seeing you in some more space next year.

### **Jacob Crawley**

This is our man mountain, our ever unstoppable front rower. In my eyes the best attacking front rower in our competition. Jake has always impressed me with his big runs up the middle but what he has added this year is the ability to off load and put his team members in for tries. Your defensive efforts this year were also an improvement on previous seasons but still need to work on fitness levels. Food for thought in the future Jake, Forwards win games backs by how much. This means without your go forward our backs do not score. Great season Jake.

### **Jordan Cummins**

Two seasons ago we missed this young man at the back end of the season with a little health scare. Last year Jordan was a little subdued I think regaining his confidence. This young man has twice been our leading point scorer for both our team and club. This year I am happy to say he's back to his finest and once again lead our team as our top point scorer. Not only can he score tries but his defence is also a force to be reckoned with. This I knew was always in him but he has now added a passing game and I'm very excited to see what is install for him next year. Great year Jordan.

### **Ethan Carlos**

New position for Ethan this year has proven that you can play anywhere with confidence. Having a utility player like you means that I can rely on you to play any position and know the job will be done. Your defence in the semi-final was the best I have seen by anyone all year. Great season Ethan.

### **Brandon Duncan**

Another young gun that has a very bright future in this game. Brandon's ability to break the line with sheer power and tenacious defence will see this young man go a long way. Brandon is the kind of kid you would love to have in your team as you can play him anywhere and he will defend that position like it was his own. Great season Brandon.

### **Dominic Kassis**

Dom your smile is very infectious and lights up a room but on the football field you can't show the opposition how friendly you are. Next season we will work on making you scarier. If I had 17 players that gave 100% like you at training we would never lose a game, but you need to implement that on game day. Defensively all year you were great but need to run the ball with more venom. Your dummy half work this year was outstanding and next year will look to have making more metres out of this position.

### **Jack Majewski**

Ever dependable Jack, what can I say. Give you the ball and you make metres, ask you to defend a hole and you can count on nobody going through it. You are a coach's dream, looking forward to getting you into more space next year to show your goods. Great effort this year Jack.

### **Yummarra McKenzie**

If anyone wants to see what Johnathon Thurston looked like at 11 years of age come and watch this boy. A heart like a lion and a brain like J.T. will see this boy go a long way. Just keep reminding yourself Yummarra, setting tries up is just as important as scoring them. Next year with international rules you will be a force to be reckoned with.

### **Omar Nassouh**

A new recruit for the Colts. This kid is the definition of enthusiastic, he was always at training eager and willing to learn and soak up any knowledge that was passed on to him. Omar's first season was a learning curve for him and I'm sure with persistence he will no doubt become a better player. Welcome to the Colts Omar.

### **John Panapa**

My son, my captain, what a year you had. Under the guidance from two previous coaches who still have input into this team you are turning into a fine footballer. As Captain I believe you need to be more vocal but you definitely lead by example with strong running of the ball and hard defence. A great year and looking forward to bigger and better things next year.

### **Caleb Robson**

Welcome to the Colts Family Caleb and hope you felt at home here. Your presence injected life into your fellow wingers with a great comradely between yourselves. Slow start to the season just feeling your way into the team but got better as the season wore on. Having three wingers competing for two positions definitely injected life into all three involved. As a coach I saw something this season between the three of you and that was encouragement for one another, which is why I love this job. Great first season Caleb.

### **Daniel Trajkovski**

Another new player to the Colts Family and a great season he had as well. I don't think Daniel has played before but this kid can play. Daniel would put his body on the line in defence and although unorthodox he got the job done. In attack he made plenty of metres up the middle and has definitely made himself at home in the forwards. Great first year Daniel hope to see you back next year.

### **Nikolas Turner**

Second season with the Colts has seen Nikolas's confidence grow. Second half of this season has seen your defence improve 100% and still amazes me how you change direction so fast. Seeing you bond with your fellow wingers is what I think I liked most about coaching you. Next year will see your confidence grow even more and look forward to it.

### **Kyle Weatherall**

Look up “never say die” in the dictionary and there will be a picture of Kyle. After a year away from his mates at Colts Kyle, returned to have an awesome season. Where to start with Kyle, your defence is just outstanding anywhere any time. We can be ahead by 30 points and you will still chase somebody the length of the field to stop them from scoring. In attack this year you still run with the same venom but you were also very unselfish and looked to feed your outside backline. Can’t wait to see what the future holds for you Kyle.

### **Logan Wilson**

Logan you are turning into a fine dummy half that is reading the play a lot better. Your defence this year was better than I’ve ever seen and at times very tenacious. Your ability to read the play allowed you to get over the line and score from your position this year which was very pleasing indeed. Work on a quicker release out of dummy half will make for a very interesting season next year. Great work this Logan.

### **From the Coach**

What can I say first year as coach and I thoroughly enjoyed myself. Seeing our kids grow through the year and come together as a team has truly been a blessing for me. These kids have my respect and my heart and although we did not win the silverware they definitely won my respect. I have a few people to thank for their tireless efforts this year.

Firstly I would like to thank my manager Marlene Cummins, Co-Manager Karina Weatherall and my two trainers Greg Wilson and Josh Crawley for all the effort they have put in this year. Without them beside me I could not have done my job. Secondly throughout the year I have had a lot of help from old coaches and parents in making my job easier and from the bottom of my heart I thank you all too. Last of all I would like to thank all the parents that show up on game day to support our children and get them to and from training week in week out.

Warren

This year didn't quite go as well as we had all hoped but this team had heart, courage, determination and a never say die attitude. Although the year started and ended with injuries these boys turned up every week and gave everything they had, which did not go unnoticed and earned themselves the respect of the other teams.

This team have a lot of talent and if they stick together they and work harder they can be a force to be reckoned with. With recruitment and commitment next year I am sure I will be writing a different story in this year book.

Thanks to all the parents who helped out each week on the BBQ, Canteen, lineman or scoring. Thanks to the coaching staff, Talaisi, Mo, Manu, Marcus and Colin for training/coaching every week.

Last but not least, thank you to the boys for always giving your best, being respectful and committing yourselves even when the going got tough.

See you all for pre-season training!

### **From the Coach**

We told you boys from the start that this was going to be a tough and challenging season and it sure was. Every team we came up against knew that they were about to play the defending Premiers and so they came at us harder and stronger. No single stories per player this year – it's a team report this year.

The way the season panned out we played in three different sections. The first third of the year, including the trials, saw us playing as a confident and well structured team that was getting the job done and saw us sitting somewhat comfortably on the ladder for the early part of the season. In that first third we played what would end up being the top 3 placed teams – and we had to play them all a second time unlike most of the other teams. Whilst we didn't come away with all of the competition points that we wanted to, you could see that there was potential in the team if we could get it all happening on the same day.

The middle third of the year saw us presented with injuries and the usual mid season absences. The boys did very well to cover the positions that were usually filled by others and we came away with some key victories when we needed them. At the same time there were a couple of teams that came down from D1 and with that some extra Canterbury teams to have another crack at the defending Premiers – stakes raised again. As it turned out we lost one of those games that we should have won comfortably. That one against Berala, and the one we let get away from us early in the year against Redfern would come back to haunt us later in the year.

The last third of the year saw us with our backs against the wall, just as we were last year. The boys were giving it everything they had but the oppositions wanted it more on the day. We could go on about some dubious refereeing decisions and local bias but that'd get us nowhere.... The boys even played a man down against what would end up being the Grand Final runners up. Coach Scott though he had 'lost' a player in the second half - in all his wisdom, he realised that with 4 players now sitting on the bench, that meant he had 5 on the bench on the first half and we only had 17 players for the day. The boys had a resounding victory against the odds – and Scott only admitted the boys during training later in the week. That's the type of game the boys could turn on – when they wanted it enough.

All up boys it was a solid year of footy with some hard games and some tough calls. It'll make you better men and footy players in the long run. The coaching staff are all looking forward to the trip away – after 5 years its about time we had one!

Let's all come back next year and do it all again, and remember ... It's all about the game, and how you play it!

Thanks from all the Coaching staff – Scott, Dave, Dave & Grant.

### **From the Manager**

This year saw us join the Sydney Combined Competition – it was a tough comp and the boys knew they would have to step up if they were to take out another comp.

Despite their best efforts we were unable to make the semis, missing out by 1 point. The two teams that finished above us were teams that we had beaten; it just goes to show you need to give everything in every game.

I'd like to thank Scott, Dave, Dave and Grant for all the work they have done with the boys over the year. Thank you also to Jane, Rebecca and Tash who did all the stats during the season, this was fantastic to have as the boys loved seeing how they went and always wanted to improve.

Thank you to the parents who helped out in the canteen and on the BBQ and anything else I asked them to do. Lastly, I have thoroughly enjoyed being the manager this year as you are a terrific bunch of boys that I love and respect. Your attitude to the game and your mateship is wonderful to see. I've enjoyed watching every game you've played this year and thank you for treating me with respect. See you all next year for bigger and better things.

Nicole.
