Annual General Meeting 2015

Wednesday 11 November 2015

7:30pm at the Clubhouse

The positions of all Committee Members will become vacant and will be voted upon. This gives all members of Milperra Colts J.R.L.F.C. Inc. the opportunity to vote for the new Committee for 2016.

If you wish to apply for a position, you should obtain a form from the Secretary. The form must be submitted by 5:00pm, Wednesday 4 November 2015. Hope to see you all there.

President's Report

Well another year has flown by. We had an increase of players playing for the Milperra Colts across all ages. Our Under 11s made it to the Big Day at Belmore Sports Ground. Well done on the effort that Stan and the boys put in.

Our major project was completed for the start of the season. The Opening of Fred's Shed was a great day and I thank all the people involved in it. A special thanks to Matt and Ian Walshe Plumbing and Dave Hargreaves from Bankstown Linings.

We had a lot of off field functions in 2015. Our Annual Ladies Night, State Of Origin Nights, Pie Drives, Cake Days and for the first time a Movie Night that kicked off the start of our season.

I was happy to see the new coaches, managers and trainers join the club in 2015. It was great to see our Under 10's team return to the club and we had two teams in the Sydney Combined Competition which meant more Sunday games for the club. We also hosted Canterbury Development training nights plus and Under 20s game between Canterbury and Cronulla.

I would like to thank the committee for another job well done (We did it again guys!)

I hope to see everyone next year. So have a happy and safe Christmas and New Year. Go Colts!

Grant Bolling

President Grant Bolling and Vice President Scott Dominish at the opening of Fred's Shed

Secretary's Report

Stepping into the role of secretary of the Milperra Colts J.R.L.F.C. this year has been at times a daunting one. However, looking back at the year the Milperra Colts has had a great year. I thank the former secretary, Donna Okunbor for all her support this year. They were big shoes to fill!

I want to recognise the contributions that so many people make to ensure that the Milperra Colts is the great club it is

- The Committee for all their hard work over the year. From doing set up on the freezing cold mornings, to sorting out game gear and working in the Canteen, you have all done so much (often behind the scenes).
- The organisers of our Special Events:- Vicki (Girls Night, Movie Night, Photographs, Appreciation Night), Tracey (Presentation Day and Appreciation Night) and Nicole who has assisted with all these events. Thanks for all your hard work.
- To all the parents that have helped out on the barbeque and in the canteen. We would particularly like to thank Brian Jagers and Scott Lane for cooking up a storm each Thursday night.

A club does not run itself and we appreciate all the support we have had in 2015.

We would love to have some fresh ideas and energy on our 2016 Committee. Please consider applying to be on the committee in 2016.

To the Milperra Colts players I would like to thank you all for a great season. Our club has so much to be proud of and watching our teams run out each week and play the game in the right spirit is something to be really proud of.

We hope to see all our players come back in 2016. Have a great off season.

UNDER 6 DIVISION 2

COACH – Anthony Simpson

TRAINER – Terry Beale

MANAGER – Shantell Simpson

Awards

Every player is the 'Most Valuable Player'

Wyatt Bathis

Wyatt was in his first year and improved his game every week. As his confidence grew, he was seen to be much more involved in games. Wyatt always worked hard at training on his defence and also scored some very good tries.

Cameron Beynon

Cameron's first year with this team was very impressive, he was a powerful runner with the ball and a very effective tackler. He showed improvement throughout the year.

Jett Chegwidden

Jett was our first tackle hit up man and did a very good job always running straight and hard. Jett was another player who filled in at the half back role and possesses a good passing game. He showed good improvement all year and very consistent each week.

Kyle Ebbs

Little man of the team and showed no fear. Kyle was our dummy half and gave great service to our halfbacks with slick passing from the ground. He also has a great sidestep which resulted in a few tries this year.

Aiden Lawrence

Aiden was a very enthusiastic trainer showing he had a good tackling and running ability. Towards the end of the season Aiden showed confidence in getting onto the field and we hope that continues next year.

Ashton Macdonald

Ash is on an all-round good player, filled in at dummy half and halfback with his passing and support play let to many tries this year. Ashton's defence really improved this year with some hard ball and all defence. Also had the ability to find the sideline off the kick off.

Kruz Malai

Kruz was a brutal defender with a great round the legs tackling style. He was a strong runner of the ball with the opposition getting out of his way. He was often seen supporting the ball carrier, a good all-rounder footy player.

Vincent Paragalli

Playing his first year of league was an explosive runner of the ball and a solid defender, he was really improving his game each week until illness struck him down in the second half of the year. We hope to see you back next year.

Aidan Simpson

Aidan was our halfback for most of the year and did a good job organising the boys, his passing and support play was good to watch. Aidan's defence was solid and would often be seen knocking the opposition over the sideline, he scored some good tries with his speed and good side-step.

Logan Towers

It was the first year of footy this year for Logan. He possesses great speed and a good tackling technique. Logan filled in a lot at dummy half or halfback and handled both positions well. He was often seen picking up the loose ball and running away to score, he will be good to watch in the Under 7's next year

From The Coach

Firstly I would like to thank the boys for turning up and playing the greatest game of all. This season started with five boys who had played before and five that hadn't. They are a great bunch of kids that worked hard at training and showed it in their games. The improvement that the boys showed especially towards the second half of the year were our passing and support play that led us to many good tries being scored. A five-pass try being scored against dragons showed the boys were willing to try different things in mini league. I was really impressed with the boys defence in games, they worked hard at training with it and is what won us games. The boys were a pleasure to coach and I hope to see them next year.

I would like to thank my wife Shantell for all her hard work in running the team from timekeeping to signing timesheets, washing jerseys and informing parents, it was a job well done. I would also like to thank my five-eight Bealy, another year has gone where a team has benefited greatly by his input at training and the games thanks Teflon.

Thanks to a great bunch of parents who not only encouraged their children but others in the team to play well. Thanks to those who helped out on BBQ and canteen, see you next year.

Message to Fred Hagan

I would like to take this opportunity to thank a good mate of mine who has also helped me out over the years here at Colts. Fred Hagan was a true champion of the club, who always said it's about the kids having fun, thanks for the good times, the fun times, the classic one liners, thanks for the beers we had Freddy I'll miss you mate.

UNDER 6 Division 3

COACH – Dave Harrigan
TRAINER – Natasha Hargreaves
MANAGER – Belinda Brown

Awards

Every player is the 'Most Valuable Player'

Jamal Abdo

Unfortunately, Jamal missed a few games due to illness. Keep practicing with your brothers and one day you'll be bigger and better than them!

Noah Braddick

Showed great development as the season progressed and was always fun to have around.

Lauren Fowler

What can I say about the only girl in our team except that she loves the corner posts! Every time she made a break for the try line it was straight for the corner posts - with success on most occasions. If you can learn to dive over the line then the opposition won't be able to knock the ball out of your hands like they did a few times.

Peter Mare

For a small guy you have a lot of guts! Whilst it looked like you were running backwards, I end up figuring out what you were doing ... just taking the scenic view to the try line – but try to stay away from the sideline too hey!

Zeppelin McBride

Full of energy! Loved tackling players but more often than not they were on his team!!

Rowan McClelland

Showed a willingness to get involved in the games of the time. Another kid with lots of energy that can be channelled into another year of footy ahead.

Noah Mikhail

A plus for effort and wanting to be involved. Scored a number of tries throughout the year but could have doubled that if he stayed away from the sideline – which he did do in the last game! Remember that for next year hey!!!!

Jayden Omari

Another great start to a footy career. He had his days where he didn't want to do too much but other days when he was keen for a run. Just like the Coach some days.....

Isaac Paretoa

Had some big runs in the games but also attracted some big defence due to being one of the bigger kids in our team.

Aiden Passalis

Straight n' hard! I said this early on in the season because all the kids were zigzagging across the field and it sounds like it stuck in Aiden's head – and when you did run like that it was fantastic to see.

Soulja Price

Go the tackle monster! He's one of the smaller kids in the team but with the heart of a lion! Some of the tackles you made against the bigger kids in the opposition teams were sensational and so was the angry face you had when doing them!

From the Coach

Congratulations on a great season in Under 6's in 2015! You should all be very proud of yourselves for the way you behaved on the field (some nights at training may have been a different story!!). I'm sure the parents will agree that each game was an improvement on the last one. The team finished with four wins for the year which was a fantastic effort considering it was the first year of rugby league for most of the team. If I had to pick one negative for the year it was the tackling – we did too much running beside them instead of tackling them.

As with all the kids at this age in a new game there will always be improvement with each and every training session and game. It was great to see different skills being picked up by the kids and then seeing them use it in the game.

I had a ball coaching the kids and thank you all for making it enjoyable week after week. Thanks to Belinda for managing the team, thanks to Tash for being Super-trainer and thanks to Hayley Elliott for being her assistant trainer. And thanks to Skye for your help at training. Thanks again for a great year!

Two things to finish with ...

1. It's all about the game and how you play it!
2. Stay with the Colts

UNDER 7 DIVISION 3

COACH – Kevin Chambers

TRAINER – Joe Derbas

MANAGER – Naomi Cooke

Best & Fairest

Riley Beh

Best & Fairest Runner Up

Nemani Mocolutu

Coach's Award

Jeremy Cooke

Most Improved

Issa Derbas

Hadi Abdu Chaz

Had a sensational debut season. A very strong player that was difficult to tackle and made many try saving tackles.

Ruben Arias

Was another big improver. By the end of the season he has developed a good footy understanding and footy skills.

Riley Beh

WOW! The little Billy Slater and our leading try scorer. A complete player with all the skills. Had a great attitude at training and on game day.

Jeremy Cooke

Jeremy was one of the most improved players in the team. Once of the smallest boys but also one of the toughest.

Issa Derbas

Issa's confidence was growing every week turning into a barnstorming runner with loads of speed and was impossible to tackle.

Firas Hijazi

Firas was a pleasure to coach. Improving throughout the year developing a solid tackle and making long runs.

Dominic Luamanu

Dominic was always fun to have around the team. He always tried his hardest at training and on game day.

Nemani Mocolutu

Always came to training and also to games with a big smile on his face. He had speed to burn and developed in a try scoring machine.

Cooper Parker

One of our team leaders with a quick footy mind. He developed an elusive running style, scoring tries through the middle of the ruck.

Jayden Speechley

Was the team workhorse. Made lots of metres up the middle and leading the defensive line speed.

Matthew Veve

Is blessed with natural talent. He won the Moorebank Gala Day Medal. A hard hitting tackler who was unstoppable when he ran the ball.

From the Coach

It was a fantastic season for the 2015 Milperra Colts Under 7's team. The boys were always keen and energetic at training leading to major improvements in their footy. They showed up on game day ready to play resulting in a memorable undefeated season.

The results were impressive but more pleasing were the boy's attitude towards training and improving. They showed a great understanding of teamwork and fair play.

A big thank to Naomi for keeping us all informed and washing the boys jerseys every week. Joe the co-coach and Shannon were a great help with the team. Thanks to all the parents for getting the boys to training and to the games. But the biggest applause must go to each and every member of the best U7's team.

UNDER 8 DIVISION 3

COACH – Rob Windschuttle

TRAINERS – Colin Walsh, Barry Ward

MANAGER – Alison Walsh

Best & Fairest

Cooper Ward

Best & Fairest Runner Up

Logan Braddick

Coach's Award

Kobi Brasch

Most Improved

Kaden McClelland

Logan Braddick

Tested every opposition with ball in hand and brutal in defence. He has the potential to succeed in any sport, a pleasure to coach.

Kobi Brasch

Another natural who wasted time playing another sport if you ask me. Kobi could run through or around most opposition and when caught out one on one would rarely miss a tackle. Excellent game play! Next year will be an exciting season for him. Great work Mario.....

Hassan Eid

Nobody tried harder at training or on game day. He became a popular team member immediately and was very coachable. Hussy was tested regularly on the field and rarely failed, he should be proud of his efforts and results this season.

Mohammed Elkerdi

Coaching this guy is like hanging out with a mate, no job too big and honestly he doesn't know how good he can be. He added maturity beyond his years and dependable in all aspects of the game.

Kortez Malai

Our dependable go to guy for momentum. Kortez has played for a few seasons now and revels in the team environment. Did his job on the field and a likeable team player.

Riley Marshall

New to footy, added some spice to our attack. Could slice through tacklers and never backed away from the games challenges.

Kaden McClelland

Another year of significant growth. His technique improved as his confidence grew throughout the season. We saw some great try saving tackles and he stepped up when the team needed him.

Bilal Saleh

Fearless and tenacious. New to the Colts but technically the best tackling machine in the competition. Not lacking in confidence or talent and will benefit from this seasons experience.

Xander Walsh

Scheming and determined; owned the dummy half role and a savage palm. Definitely loves his footy!

Cooper Ward

Definitely a footy head and given the choice he would probably train or play seven days a week. Without knowing it, his gameplay and talent helped bring about the development of his teammates. Well done on a great season of continued improvement.

Luke Windschuttle

Always in amongst the action, and one of the kids who consider Killara their second home. Always zippy and a barging runner despite his size.

From the Coach

Another very rewarding year as coach and mentor to a team of boys representing the Milperra Colts J.R.L.F.C., now known as 2015 Under 8's. I sit and reflect back to our preseason trials and immediately smile as I consider the kids I've known for a few years along with the few newcomers to the game. The common thread is how much fun we all had week after week; training, game-time and hanging out together.

Some kids eat, sleep and breathe footy while others just wanna hang out, muck around and be part of a team; together they all wanted to have fun and get better.

So, from one very proud coach, congratulations on a fantastic season of doing exactly that.

A pleasure being part of it, collectively you have made my job a memorable journey of emotions and excitement.

UNDER 9 DIVISION 1

COACH – Dave Ogden

TRAINERS – Andrew Mikhail, Christian Taylor, Warren Phillips

MANAGER – Daniel Cooke

Best & Fairest

Zakariah Cheikho

Best & Fairest Runner Up

Jhye Foat

Coach's Award

Jacob Taylor

Most Improved

Nate Glendinning

Zakariah Cheikho

Big Z had a great season, most of our go forward was from one of his damaging runs and the way we got too play off the back off that was awesome, aggressive in defence and thrived with the workload. We worked hard on his fitness and getting more quality than quantity out of his game and it showed.

Brayden Cooke

This kid will give you everything he has and then some, one of our book ends and did a lot of our tough stuff, was never put off by bigger opposition. I'd see him turn up unwell and he never let on and go out there and do his thing. Definition of the team comes first.

Jhye Foat

Best season yet, Jhye is fearless and only knows one speed, strong running game and hits as hard in defence as anyone in the comp. Really stood up consistently this year, super proud of him.

Griffin Fuller

Speed to burn and a good finisher, had a lot of traffic come his way and saved us a lot of points with his defence, solid trainer who would apply that to his games, got better each week and finished the season with some strong performances.

Nate Glendinning

He didn't take anything to change from union to league, just a natural athlete that wants to be successful, was our leading point scorer and covered nearly every position on the field for us, was a valued member of the squad and had a good combination with our 9 n 6. Great work mate.

James Mackenzie

Pocket rocket, works like a cattle dog on the field and has a very good defensive style and a good turn of speed, very hard to beat one on one and has the ability to play well in a lot of positions, his high work rate didn't go unmissed.

Isaac Mikhail

Coaches dream, super talented and very strong, will play any role given to him and get the job done, brings 100 % to every game. Every team needs a kid like this!

Kody Ogden

Good leader and gives our side direction, smart dummy half and added a good kicking game, a lot of try assists and did plenty of work in defence in the middle.

Luke Phillips

Our 5/8 has a great running game and reads play real well, knows when to give and when to take the line on, very good defender and competes at every play, has a big future under the right development.

Henare Reti

Big strong tough, the worker of the team, would rack up the tackle count and make valuable metres when we needed it. Very good defender and hits hard, no surprise to me how well he handles playing up in age and division, developing into a real footballer.

Jacob Taylor

In my opinion, he is hands down best fullback in the comp, always had a great running game but his defence and positional play this year was outstanding, never takes a backwards step.

Tommy Tsougranis

Very sharp ball runner with good step off both feet, hard to pull down and can sniff out a try, when his confidence is up he has the ability to be great footballer, hard trainer and easy to develop new skills too.

Jarryd Walshe

Our halfback really started to understand the role and ran our forwards, stood up and took a leadership role. Ran the ball to the line well and linked with the backs, solid season and will be better the more div 1 footy he plays.

**From the Coach**

2015 saw a big jump for most of the side coming up and playing Division 1 after previously being in Division 2 and Division 3. After the club had done their grading I thought we had a good balance among the side.

Our objective from day one was to improve individually, and as a team week by week. For the majority of the season I thought we did or went close to this. There are some very talented and competitive individuals in this side and keeping their spirits up after years of success was very challenging. To their credit they stuck it out, trained harder and by the end of the season started to realise the true meaning of team work was. They gave every side a hell of a run and made the top sides really dig deep to get the win. Most importantly they never gave up, and will be so much better off down the track playing this level of football.

It was a privilege to be part of the coaching staff to such a great bunch of kids, watching their skills develop along with their personalities and the friendships they form is second to none and that alone made it rewarding. I wish them the best in the future.

A huge thanks to Waz, Andrew, Christian Pg, Jeff the Division 2 coach and mostly Daniel our outstanding manager, without these guys it would have been impossible, to the boys. It was a good ride and every one of you gave it your best. Thanks to all the Parents, siblings, relatives and friends that supported us every week. Thank you all around the ground that helped us raise funds for women in league round, Autism awareness month and for Kurt Drysdale.

UNDER 9 DIVISION 2

COACH – Jeff Cooke
TRAINER – Jonathan Macdonald
MANAGER – Lucinda Cooke

Best & Fairest

Kobi Cooke

Best & Fairest Runner Up

Heavenly Veve

Coach's Award

Riley Braddick

Most Improved

Barry Vaele

Ali Abou Chaz

Ali is the most competitive player in our team. He is tough, compromising and has no fear in attack and defence. He spent the year playing halfback and fullback where he used his speed and evasiveness to score some great tries. The most pleasing thing was his never say die attitude in defence. Ali saved many tries and also scored four himself. Has a bright future in the game if he can produce his best. Awesome job Ali!

Nash Allworth

We are glad he became a Colt this season and was an integral member of our team. He produced some strong running throughout the year and was always willing to help out in defence. Another talker amongst the team who was always asking me when training was finishing and we both knew this wasn't his favourite part of the game! Thanks for playing and I hope you enjoyed your first season in the Black and Green.

Riley Braddick

I was excited to be coaching Riley as I knew how good he was and was hoping I could help him improve his game. Another one of our most consistent players all season who would always give his all each game. A real feature of his game is his dummy half running and this produced many tries and helped us win a few games. Similar to Koby, he also was great at marker defence and would have been a close second to Barry in defence stats for the year. Riley finished the season with 9 tries

and a goal to finish just behind his fellow hooker Koby. A well-deserved winner of our most improved player award this year. Thanks for a great year Riley.

Cooper Cooke

Cooper had the most pressure of any player this year being the coach's son and I am very happy with the season he had. His second year of footy was halted early on with an arm injury but saw him come back bigger and better. The smallest player on the field but one with huge heart and could often be seen yelling at his team mates to spread out in defence or run the ball like a good halfback should. A highlight for me was when he made three consecutive tackles on some bigger players which paved the way for one of our good wins this season. Great year Cooper, I am extremely proud of you!

Koby Cooke

Another natural footballer who gave his absolute all week in, week out. Koby played up a division but you wouldn't know it as he went on to become our most consistent, and was awarded the Best and Fairest for his efforts. He played well above his weight and was a terrier out of marker bringing down opposition players before they could really get going. He provided excellent service out of dummy half and stunned many teams with his sharp running that produced many tries and got oppositions on the back foot scrambling in defence. Koby finished the season as our leading try scorer with 10. He also slotted one conversion making him the team's top point scorer on 42 points. A great season Koby, looking forward to seeing how you develop over the coming years.

Ryan Crowley

Ryan had a solid year and was always enthusiastic at training and on game day. He showed some great promise in defence at training with classic textbook legs tackles and it was his goal each week to replicate this in the game. When running the ball Ryan only knew one way, straight and hard, and that's exactly what I loved about him. He took some big hits because of this but always managed to bounce back, shake it off and go again. I hope you enjoyed your year as you were a pleasure to coach. I also hope you were able to learn from me as I believe you improved as the year went on.

Fayad Hijazi

Fayad was one the best kids I had the pleasure of coaching this year. I didn't hear him complain once all year at training or on game day. He just rolled up his sleeves and got the job done week in week out. Fayad has a great fend and strong running style which meant opposition teams had to use up to four defenders to bring him down every time which created space out wide for his team mates. He worked hard in defence and gave his all every game and I couldn't be happier with his efforts. Thanks for being a good sport Fayad and a great team player.

Georgio Kairouz

Georgio played footy for the first time this year and played up an age group as our Under 8's team was full. It was a steep learning curve for him but as the season went on he got more involved each game and made some good tackles in our last outing to see him take out my coach's award that week. Full of energy and enthusiasm you wish you could bottle, Georgio provided plenty of chat out on the field keeping his team mates and sometimes the referees on their toes! I hope you enjoyed your first year and want to continue to play the sport we all love.

Cooper Macdonald

Cooper was the leader of our engine room and often the first to take the ball up each game. He had a great season and was one of our most consistent players. His hard runs first up gave us a good start to our sets and also got us out of trouble when stuck at our own end. Cooper also had plenty of pressure with his dad as trainer and he handled this well. For a forward he has great footwork and this was evident in his effort to score a nearly length of the field try that I thought was one of our best all season. Cooper finished the season our leading goal scorer with 4 successful attempts. Well done.

Joshua Randall

I am really happy with the progress that Josh made throughout the year and I could sense his potential early on. In the back end of the season Josh played some great games, he defended strongly and was always looking to get involved which saw him take out a coach's award for his effort. Great work Josh, especially your effort, enthusiasm and improvements toward the end of the season.

Barry Vaele

A natural footballer. New to the Colts this year and boy am I glad he came to us. Trained hard and played even harder. Barry always came from the field with nothing left in the tank. He topped the tackle count for us every week and ran the ball harder than anyone on the field. Barry's defence kept us in many games this year and his barnstorming runs often produced plenty of momentum for the team with many tries coming off the back of it or he would often find the line himself. A worthy recipient of the Coaches award and one to watch in years to come. Great work Barry!

Heavenly Veve

Another first time footy player and what an impact she had. I will never forget her first training session when she absolutely smashed one of our division one boys in a thunderous tackle that showed us all she meant business and footy was not just for boys. After that the boys all seemed too scared to tackle her! Heavenly was a quiet achiever, the silent assassin who improved every week with her hard ball running and bone crushing defence which had opposition players calling for their trainer. Her terrorising runs up field were a real highlight and she is a thoroughly deserving runner up of the Best and Fairest Award. A great season and I hope you are back playing next year.

Jouwaad Yassine

Joe came to us a mid-season after having a year or so off footy but you wouldn't know it. Another kid that has been a pleasure to coach. He always trained hard, listened to my instructions and played his heart out every week. His courage was evident during Ramadan where he played without food and water and this is a testament to his strong character. What pleased me most about Joe's game were his offloading ability and his support play. He created a few opportunities for us because of his offload and was always there to support others when they were doing the same. I hope you have once again found your passion for the game and continue to play on next year.

From the Coach

When we ended up with enough kids for a second team I was unsure at first whether I should put my hat in ring. But by season's end, I am so glad I did. I love my footy and have done since I was a kid and coaching the team allowed me to enjoy it all over again. We started the year a bit of a rabble but ended doing quite well, beyond my expectations and I am proud of each of you for that. As friendships within the team grew we really started to play well and work hard for each other on the field. It made me feel good to see you all smiling at the end of each game even after a loss, but you all know if you had fun out there, winning and losing didn't really matter.

A big thank you to Jonno who helped train and coach the boys, I couldn't have done it without you. Another big thank you to Lucinda who done a fantastic job as manager. Lastly thanks to all the parents who helped out on the BBQ, in the canteen or running the sideline. But most of all, thanks for bringing your kids down each week to play the greatest game of all.

Isabelle Randall

Logan Brown

Played several games for the team at the beginning of the season. He was beginning to become more confident and get more involved. Great to see you give Rugby League a go and hopefully you can play again next season.

Muhammad El-Baba

Muhammad joined our team mid-season and what an addition he proved to be. He is such a busy player in both attack and defence. He loved nothing more than scoring tries. Muhammad is always dangerous with the ball in his hands. He moved into the dummy half role for the past two games and scored five tries in those two games.

Thomas Ellis

Thomas moved from Soccer to Rugby League in 2015. He is another player whose skills developed remarkably throughout the season. As he had more time on the field, he developed his confidence and became more involved. Well done Thomas on a solid first season of Rugby League.

Marcus Garbutt

Marcus just loves playing Rugby League and this was shown at every training session and game. His skills developed throughout the season and so did his confidence. He is a busy player who became a solid dummy half for our team.

Corey Harris

After watching his brother play last season, Corey decided to give Rugby League a go. Corey loves nothing more than to run with the ball. He scored four tries in 2015. He improved so much throughout the season.

Cameron Herzog

Cameron decided to give Rugby League a go and play with his mates from school. To see Cameron score his first try was one of the highlights of the season for me. He is an elusive runner of the ball who is always hard to catch.

D'nadcyn Matia

D'nadcyn decided that she wanted to play with her cousins. It was great to watch her journey this season. She came to the first training session not sure of what Rugby League is all about. By the end of the season D'nadcyn was more involved. You can always be sure that The Big D will have a huge smile on her face during every game. Well done D'nadcyn for having the guts to give Rugby League a go this season.

Taylem Ott

Taylem had the opportunity to play in the correct age group this season after playing up a grade for the past few seasons. He has so much natural ability and Taylem added much needed experience to our team. Taylem scored ten tries for our team. He also kicked eight goals to be equal leading goal kicker for the entire Under 10s Division 2 Competition. Well done Taylem on a great season.

Denis Plessas

Denis worked hard at every training session and proved to be a great asset to our team. He regularly hit the ball up hard with his "Hulk" like runs. He scored two tries. One of the highlights of my season was seeing Denis run the length of the field to score a try against Moorebank.

Abbie Purvis

Abbie is a proficient Softball and Netball player and decided to give Rugby League a go in 2015. Playing Netball and then coming to our games proved that Abbie is full of energy. Abbie worked hard every week and made some great runs throughout the season.

Lucas Purvis

It was great to see Luca develop his confidence throughout the year. He was a solid dummy half for our team. He is also a player who loves to run the ball. I loved his enthusiasm at training and on the field. I am so proud of how much you improved this season Luca. Well done!

Vale Fred Hagan

We had a great loss at the end of the season with the passing of a great clubman Fred Hagan. He touched so many lives and helped so many kids. He was a mentor to me and I will never forget the help and experience he gave me. Fred was always there to bounce ideas off. He will always be in our hearts and he will always be looking over the Colts.

Grant Bolling, President

Milperra Colts Vice President in 1993 and President from 1994 to 2011

He will be sadly missed and forever in our Hearts

Rest in Peace "Freddy"

Isabelle Randall

Isabelle showed the boys how the game should be played. No one was tougher or more involved in defence than Isabelle. She also ran the ball hard and scored six tries in 2015. This is all after playing a game of netball in the morning. Isabelle is a fun member to have on your team.

Potu Roberts

Potu decided to play Rugby League again after having a few seasons off. When he ran the ball hard and straight he was unstoppable. In the games that we were making lots of metres you could be sure that Potu had the ball in his hands a lot. Hopefully you can continue to develop your Rugby League skills next year Potu.

Hunter Scoon

Hunter switched to Rugby League from Rugby Union in 2015. He gives the team so much energy. He is great scooting out from dummy half. Congratulations Hunter on your first season of League. I hope you will play again next year and continue to improve your game.

Zion Ualesi

The Big Z learnt a lot this season. He loves to tackle. Hopefully he will stick to playing Rugby League for the Colts and continue to become more involved in games.

From the Coach

I am so proud of the team and what they achieved in 2015. I give full credit to the thirteen members of the squad who played their first year of Rugby League. The first few training sessions showed us all the steep learning curve we would need to go through to win games.

I think the highlight of the season was our first win against Bankstown Sports in Round 4. At this stage, Bankstown were undefeated and we won 24-22. To see the smiles on all the player's faces after the game was a real treat. They started to realise that they could play Rugby League.

At the end of the season, we finished with two wins and two draws out of the ten games we played. This meant that we finished eighth out of eleven teams.

A huge thank you to Nicole Plessas, who took on the role of manager of the team, all your behind the scenes assistance was appreciated.

Well done to every member of the 2015, Under 10's squad for your willingness to "give Rugby League a go". I hope you have all enjoyed the season as much as I did. There is so much more that you will learn if you play again next season.

The Team

Mohamad Abulebheh, Sean Bombaci, Bailey Fuller, Timothy Jagers, William Laming, Jake Lane, Brendon Lecce, Samson Mairi, Jaedyn Ott, Joseph Tahan, Nicholas Tahan, Isaac Taylor, Konan Veve.

From the Coach

The boys knew they were in for a tough season being promoted to first division. They trained hard in the pre-season and were well prepared for the competition, although only having 1 win and 2 draws most of our games were close and the effort of most of the boys was good.

We finished 9th and made it to the PLATE playoffs. The boys produced their best football winning the semi-final, final and having an 18 all draw against Berala Bears in the Grand Final.

There were some good individual performances during the year but we need to work as a team to progress further. There are a few boys who need to listen and concentrate at training if they want to improve their football skills for next season.

William Braddick

William Braddick

Will has been around playing with the Colts for several years now. This year Will played the best I have ever seen him play great year by Will, looking forward to see how good he can get next year. Thanks Will.

Adam Cheikho

On his day Adam is the most destructive player in the competition, scored some barnstorming tries this year, thanks Adam for a fantastic year, see you again next year.

Rhys Eagle

Rhys showed us this year that he had plenty of heart and put his body on the line to make some tackles that needed to be made during games. Always gives his best on game day. Well done Rhys see you again next year.

Jalal Hajar

Jalal's first year in Rugby League and definitely the most enthusiastic player in the team. Always willing to put his hand up for runs and his tackling was sound throughout the year. He scored some great tries this year. Great year Jalal come back next year.

Zouhair Harmouch

Zouhair's first year in Colts colours and what a super year he had. A welcoming addition to the team, our first receiver and team organiser, he did a great job to lead the boys around the park and made some important tackles when it counted. Thanks Zouhair hope to see you back next year.

Caleb Jeffares

It was Caleb's first year in Colts colours as well. He has plenty of speed to burn and looking forward to see what he is capable of in the future. Fitted into the team superbly and a popular member of the team. Well done Caleb see you again next year.

Blake Macdonald

Blake had one of his best years in Colts colours, always plays the game hard each week and was our go to man when we needed a spark. He came up with some big hits and runs during the year and scored a few tries as well. Excellent year Blake see you again next year.

Logan Marshall (Co-Captain)

Logan is one of our long serving players for the Colts and our dummy half who plays a very important role in our team going forward. Great thinker and scored some very smart tries from dummy half. Well done Logan, see you again next year.

Harrison Passalis (Co-Captain)

Harrison is another long serving Colts player and bleeds black & green. He loves playing for the Colts and on his day is a very damaging ball runner and has the ability to offload which he showed with a memorable team try this year. He is solid in defence, great year Harry.

Taha Saleh

Taha is the smallest player in the team but that did not stop him taking down bigger players with his defence. He has a big heart for a small body and also our back up dummy half. Taha had a good year see you again next year. Cheers Taha.

Hayden Sayers

Hayden had a fantastic year for our team and also another one of our main organisers in the team. He is always willing to put his hand up and do anything that is asked from him. It is one of his best years in Colts colours and also a popular guy in the team. Excellent job Hayden, see you again next year.

Amin Zakouari

Amin came back to the Colts this year after a few years away. Amin is a damaging runner with the ball on his day and a feared player by the opposition teams. He can put on big hits in defence like he showed this year. Welcome back to the Colts Amin great year and would like to see you again next year.

From the Coach

Well what can I say we started the year off in great style winning 4 out of our first 5 games. On our day we were probably the best team in the competition and unlucky not to make the semi-finals. If the team all come back next year we are capable of winning the premiership.

A big thanks to all the boys for their efforts this year and also a big thank you to the trainers Danny and Karl for doing a great job at training. A team cannot run smoothly without having great managers and thank you very much to Amanda & Aman for doing a super job as Managers.

COACH – Ben Pera

TRAINERS – Tony Tusitala, Robert Lecce

MANAGER – Vicki Cambey

Best & Fairest

Amir Haddad

Best & Fairest Runner Up

Kailan Cambey

Coach's Award

Quinn Johnson

Most Improved

Jacob Harris

Kailan Cambey(c)

He is the captain of our team this season and did an awesome job leading the boys around the field. Kailan always plays to the best of his ability and has good vision in reading the game. What I was impressed about Kailan this year was how much he knows each individual player and what they are capable of doing and how he can organize the boys around the park. Kailan always lead the way when he played and always played hard. It is a pleasure coaching someone with good skills.

Dylan Foat

Played on the wing for us this season. Unfortunately he missed the second half of the season because of injury. Dylan has grown so much over the years as a player this year was good to see how confident he was when he stepped out on the field.

Amir Haddad

Played front row for us this season and what a season he had. Did a lot of work up front for us getting us out of our red zone, making some good metres, and tackled hard. Amir had one of his best seasons for a long time and it is good to see him back.

Jacob Harris

Another one that played up a division and I was very impressed with his attitude in the way he played the game. He's one of the smaller guys in the team but acts like one of the big boys when he's playing. Jacob had a good season and he was just getting better and better. Awesome season mate!

Quinn Johnson

A new player to our club and what a good player to have in your side. Played a lot of first receiver since joining and did an awesome job for the team. Quinn added a lot to this team and always played the game real hard and even trains with the same attitude.

Patrick Lecce

Patrick had a slow start this season due to an injury to his knee and it was always going to be hard for him to find his game again. With just a bit of encouraging throughout the season it was good to see him back to his solid form.

Saige Lloyd

Another one of our big guns. Saige has come a long way this season and he's on his way to becoming a better player. The boys rely on him a lot to get them out of trouble with his damaging runs and off those runs the boys go to another level.

Daniel Mairi

Played centre for us and did a really good job. Daniel always made the most of his opportunities when he had the ball but what I was most impressed about was his tackling technique. It was only getting better.

Jordan Morrison

Our fullback did an awesome job at the back there. I was very happy to see the old Jordan come back to play. Jordan can do some pretty freaky things if he's got the ball but what I was most impressed about this season was that he never doubted himself and was always willing to listen and learn.

Paul Nader

One of the boys that played up a division and did a good job for us this season. Pauly always made the most of his opportunities when he took the field. His running game improved and was always looking to offload that ball which is a good skill to have.

Avaiki Paretoa

AJ is our hooker. AJ has always worked on his role as a hooker making sure he delivers that ball well and tackles well. AJ has learnt this year to dart out of dummy half and make more metres, score tries from the hooker position and was getting better at it.

Brodie Pascoe

Played in the forwards and this has got to be one of the best seasons he's had. I am very happy in how you have contributed in this team. Also it is good to see that you are working to your strengths, putting what we train in to action and you're starting to become a consistent player good work mate.

Kalvyn Pera

Played in the centres Kalvyn had a slow start to the season but came to life towards the end, which was good to see. Kalvyn did some good things this year and my favorite was when he would rush up pretty quick to shut down the oppositions play on the edges. Very happy to see your tackling was getting better.

Daryl Purvis

Another player that played up a division and he played on the wing for us. Daryl had a good season scoring a few tries on the edges and his tackling was awesome one on one. Very happy with what you have brought to this team.

Dylan Walshe

What a season this fella had. He wanted to try different positions this season so we had to try and work on a lot of new things line running, changing pace, reading the oppositions defence, always looking to pass and he worked hard at it week in week out to get it right and it saw some of his efforts end up with a try and some good metres.

**From the Coach**

What a season we had. Started poorly and ended up in the finals and what an awesome finals it was. I would like to say thank you boys for this great season. You see boys where we ended up, it is because you guys are good enough to play against the best and that is a good feeling. To Pauly, Jacob, Quinn and Daryl. Thanks for joining us this season.

I would like to thank all the parents for allowing your sons to play this great game, bringing them to training and getting them ready for the games on Saturdays, and staying positive, without your contribution the boys wouldn't have got as far. To Vicki awesome job behind the scenes thank you. Tony and Rob, cheers for an awesome season.

From the Manager

This year I had the pleasure of managing the Under 14's. With some new players, players returning from last year, players returning to the club and some Under 13's taking the step up this was the first season all these boys have played together.

Grand final winning teams are rarely built over one season but with the leadership and experience of our coach Talaiasi and hard work at our training sessions with our dedicated trainers Colin and Tex we have certainly put the foundations in place to become a grand final winning team.

A group of very naturally talented and driven group of footballers I saw them develop not only as a team but form camaraderie of mateship.

With more hard work and disciplined football along with the development of the confidence in themselves and the man next to them on the field this team has the potential for greatness.

A big thanks and appreciation must go not only to the coach and trainers but also to the parents for making my job easier by always having the boys at training and ready for the games on Sundays (a bit of an adjustment from the Saturdays we grew use to).

Avery special thanks from me and the boys to Mau for supporting the entire team by making them look cohesive in their jumpers and bags.

Here's to all the boys coming back as a team next year and reaping the rewards of the winning season they truly deserve.

Thanks for the year and see you all next season.

From the Coach and Trainers

Well that was a season to forget. What started out with a lot of promise and opportunity in the pre-season with a squad of 21 ended up being a dire battle against ourselves more than any opposition.

Like any team we lost a few players during the off season to other grades and other competitions including our hooker who was key to our play in the previous years, but we were able to attract a number of recruits to the Colts which included an experienced hooker – until we trialled at Clempton Park and the Dragons Div. 1 recognised his talent. We still trialled well enough to have the coaching staff confident that we had enough numbers and enough skill in the team to be competitive each week.

We started the season on par with recent ones with the end of baseball, surf life-saving, swimming and touch football seasons impacting player availability for the first couple of rounds and the weather wasn't too favourable to us at the same time when we had (what we thought were) easier games washed out. When the sun did come out we then blew two games that we should have won and were pushing the proverbial uphill from then on.

I said at the start that the guys were battling against themselves more than the opposition and that's the truth. If there was one game that the guys played 2 halves of footy in then I'm not sure which one it was! Whether it be a great first half that got shot to pieces in the 2nd, or a lack lustre 1st half that saw a 2nd half fight back, there just didn't seem to be a day when we could string 2 halves of footy together and play the way we should play and then produce the results. Putting in the effort at training is the other key to success guys – you play the way you train.

All in all it was still a great year of footy. Its seasons like these that build character and create foundations that future success can be built upon. Hold your heads up high and be proud of yourselves. You still played the hardest game in the world for the year and will be able to walk away better men for it.

Perhaps the best thing of all for 2015 is that we end up defending well enough in the last game to fight off the wooden spoon! It was close but we edged out Hurstville by 10 points in the 'against' column!

Thanks to all the team and parents from all of the coaching staff and thanks to Nicole for managing the team.

See you all in 2016!
