# PRESIDENT'S REPORT

## BY GRANT BOLLING

Another year has passed and it was a good one. For the first time we fielded an under 5's side which is great for the future of the Club and the game. I've said many times before that the future of the Club is in the youngsters and I'm proud of our ability to let them play the game and have them represent the Milperra Colts.

We had 3 teams play in Finals football this year with 2 of them making it to the Grand Final. Our U/9's played off for in the Plate final and played very well but came away as Runners Up and still did the Club proud. The other 2 teams that made it to the Grand Finals were the U/13's and U/14's. The U/13's started off the season with a struggle for numbers but were able to pick up a couple of players that helped turn their season around and went on to be Premiers with a resounding win against Bankstown Sports at Belmore Oval. The U/14's had a great year and fought through some tough times to put together the special and rare feat of back-to-back Premierships with a great win against St Christopher's at Belmore Oval.

One of the highlights of season 2017 was our Sportsman Lunch in August. It was a great day with special guests such as Tommy Raudonikis, Mark 'MG' Geyer and Royce Simmons. We were able to raise a lot of money for the Club which will make our job a lot easier and allow us to provide a greater Rugby League experience for the kids. Special thanks needs to go to Barry Ward for his work in putting this day together along with the help of the Committee and others at the Club.

We were also asked to host a Canterbury Representative night and it was great to see some of our Colts boys out there.

I would like to thank the Committee for all their hard work this year as it is a team effort and the Club would not have been able to do what we did this year without them – all up we had 1 Saturday off in the season proper which takes a lot of their personal time away from them so that the Club can provide the game day for the teams. As we say – it's all for the kids.

We look forward to seeing everyone back at the mighty Milperra Colts in 2018. Have a great Christmas and a safe and happy New Year.

Go Colts!

# SECRETARY'S REPORT

BY DAVID SPRINGALL

In 2017 the Milperra Colts celebrated another great year of football. We fielded 13 teams this year. There were 181 registered players in 2017 - 45 Mini players, 46 Mod players, 90 International players. It was great to welcome 75 new players to the club in 2017. It was also very exciting to field an Under 5s team for the first time in 2017.

We started the season with trials against Brighton in March. After weeks of rain and several weeks of postponed football the season started on the weekend of April 22-23. This season, new rules were introduced for the Under 5s, 6s and 7s. This meant that games were played on smaller fields and there were less players on each team.

On the weekend of June 3-4, the club hosted a Gala Weekend. This was a very successful weekend in which we were able to showcase all our teams at Killara Reserve. I would like to thank everyone who helped out on this day.

Whilst premierships are great if you can get them, a successful year for mine is measured with the kid's smiles at football on any given Saturday or Sunday or even training. It was fantastic to see so many smiles at the club this season.

Thank you to everyone who has helped out at the Club this season.

**Our coaches and trainer.** We appreciate your abilities to lead and mold the skills of players in the club. The club appreciates all your hard work coaching and mentoring the players in your teams.

I would like to specially mention those coaches and trainers who stepped up for the first time in 2017- John Abouhaider, Bryce McCarthy, Mark Williams, Matthew Walshe, Kane McBride, Charbel Elhelou, Matthew Veigel, Daren Barnard and Tuck King. We hope that you enjoyed your first season and come back next year.

**The Team Managers:-** Thank you for putting 100% effort into your teams and making it so easy for me to communicate messages to all our teams. Also a huge thank you for all your efforts on Game Day making sure your teams were able to take the field.

**Canteen and Barbecue Helpers:-** Thanks a lot to all the parents who helped out in the canteen and on the barbecue each week. A special thank you to Karen Cutler for coordinating our canteen in 2017. Thanks also to Sharon Lowder and Katie Lawrence for stepping into her shoes for the last month of the competition.

**The Committee:** Thank you for all your hard work and dedication to the club. From setting up to organising gala days, you have all gone above and beyond this season. It is great working alongside a group of people who love the Milperra Colts Rugby League club so much. Thanks also for your support, help and friendship throughout the season.

## HISTORY OF THE MILPERRA COLTS

The idea to form an extra junior league club in the Canterbury Bankstown District was spawned in 1969 in the mind of Don Ross who had fallen out with Revesby Central Club.

Despite some strong advice from many people who considered that the district was adequately supplied with junior clubs and that an extra club was not really feasible, Bluey persisted and went around the Milperra Hotel recruiting such people as he assessed would be suitable committee members.

Having recruited a sufficient number of people the meeting of the club was arranged and was held in the home of Jim Whitton in Langdale Ave, Revesby where the committee was elected. Jim Whitton was elected President, Don Ross – Vice President, Dick Underwood – Treasurer, Ken Isaacs – Secretary and the remainder of the committee was Les O'Brien, Ben Powell, Doug Prout and John Franks. The committee met from time to time during the first year and the various problems arising when formulating a club were discussed.

A general meeting of the Milperra Colts was convened on 12th May 1970 in the club lounge at the Milperra Hotel at 8.00pm with eighteen persons in attendance including the Treasurer of the C.B.D.J.R.L., Mr Les Cox who outlined the procedure for the formation of the new club.

The Executive and the Committee elected the following persons, President – Jim Whitton, Secretary – Ken Isaacs, Treasurer – Dick Underwood with the Committee of Don Ross, Bill Petchy, Don Braunuing, Russell Miller, Benny Power, Garry Cameron, Allen Houghton and Les O'Brien.

Allen Houghton painted a large number of coloured boards depicting various club colours and it was finally decided by the committee that the colours of Milperra Colts as we now had been named, would be green and white. A third colour, black, was added some years later at the request of the Referees Association so that the socks could be distinguished in scrums from the Riverwood colours, which were red and white.

The club commenced raffles in the Milperra Hotel and after a couple of years had accumulated a good working account. But things really started to happen when the junior league issued an ultimatum that as a club and its colours had been registered for a couple of years, and to date had not fielded a team, that it would become compulsory for a team to be fielded during the next season – probably 1971 or 1972.

As the club had no luck at this stage in recruiting juniors, it was decided that the only solution was to select an A Grade side from the talent available in the pub. So the first Milperra Colts team took the field as an A Grade and the reward for the players was an 18 gallon keg on Sunday nights after each game. Although the inaugural team was not so successful, it paved the way for the club to recruit juniors and the club became the most successful junior club in the Canterbury District.

The Milperra Colts Clubhouse was opened on the 22nd May 1982 by Mayor R.C.McCormack. The Clubhouse was renamed the Fred Hagan Pavillion in 2010.

## Coach's Report

I would like to congratulate all of the members of the Under 5s Milperra colts team for a great year. It was awesome having a Under 5s team for the Colts which is great for our club as a fair few of our players had only just turned 4 this year. I hope all the boys had great fun playing their first year of footy, it surly looked like it on their big smiling faces every time they ran out onto the field. As the season progressed the boys gained more confidence and improved each week, we always had a good turn out at training, learning about our great game and always having heaps of fun doing it. I hope to see all of you next year for another season and many other seasons onwards with the mighty Milperra Colts. GO THE COLTIES!

Thanks to Angie for managing the team and thanks to Dave and Tash Hargreaves for all of your work helping me out with training our under 5s.

enough wins up to qualify for the finals, we missed out on the finals by only 3 competition points.

Had a blast coaching a great bunch of strangers who throughout the season became family, I Can't wait for the 2018 season to start.

Thank you to my coaching staff and management staff for all you help and support, our team wouldn't be what it was without the support of you guys.

**Patrick Deegan**  
Seasons: 1

Patrick always loves every minute of playing footy. He is always eager to learn more skills each week and most of all having fun with his team mates. It was always great to see him celebrate after making a great run.

**Niu Jr Faioso**  
Seasons: 1  
Tries: 22

Jnr is always solid and reliable. A player that most of the other boys looked up too. A great runner and once he got going there was no stopping him scoring plenty of tries. Jnr showed great defence across the park with text book tackling technic.

**Elijah Rix**  
Seasons: 1

Loved every minute of the season and having fun with his mates in the team. Loved running with the ball with speed with plenty of potential in the future. Elijah was always there to help in defence. Hope to see you next year.

**Rewi Shepherd**  
Seasons: 1

Playing his first season of footy, Rewi loved playing with his team mates and loved running with the ball. He progressed well and at the back end of the season started to run straight with purpose. Rewi also helps in defence when needed.

**Noah Smith**  
Seasons: 1

This little fella joined us half way through the season and was a great asset to the team. Once he got his hands on the ball there was no stopping him. Hopefully see him next year to continue his improvement.

**Marley Taipara**  
Seasons: 1  
Tries: 14

Marley has great speed with the ball in his hands and once he got around the defence there was no stopping him. His improvement throughout the year with attack then moving into defence was great to see. Can't wait to see him again in action next year.

## Coach's Report

A big thank you goes to Paul Safi & the Colts committee, for giving me the chance and opportunity to coach their A-Grade side for the 2017 season.

Without much of a pre-season we managed to gather up 17 players for a trial game against, East Hill Bulldogs, & Campbelltown Warriors. Playing the trial was tough with playing positions still not yet set it showed where we needed improving on.

Week 1, Showed us how unfit we were and how valuable team work is. The next 3 weeks our team was constantly changing due to injuries and training commitment issues.

Week 5, Saw us FINALLY win our first game, the awkward moment came when we huddled up after the end of the game, and most of the team not knowing our team song. After a quick refresher, we belted out our team song like we have known it for years.

In the on coming weeks with the team finally starting to gel into a solid united front. Slowly creeping up the competition ladder from last place to 5<sup>th</sup> place. Our season was in a very tight race with only the top 4 teams qualifying for finals. Positions 5<sup>th</sup>, 6<sup>th</sup>, & 7<sup>th</sup> were constantly changing week to week. Unfortunately, with a very slow start to the season we weren't able to get

**Isaac Aad**  
Seasons: 1

For a little fella showed speed and potential with a lot of heart. This kid loves his footy and is always willing to learn more. Can't wait to see you improve more next year.

**Korbyn Bathis**  
Seasons: 1  
Tries: 39

This kid is a speed machine. Korbyn scored a bag of tries and the cheeky little fella had great cover defence when needed. A great season had from Korbyn all across the park, there was no stopping him once the ball was in his hands.

**Thomas Buxton**  
Seasons: 1

Thomas was a great asset for our team, we gave him the role of dummy half and he took it with both hands. Thomas always loved running the ball and as the season progressed, hard straight running plays come into his game with good defence to match. This was awesome to watch.

ladder. This resulted in some disgruntled players leaving the team and others not showing up again. Very disheartening to say the least.

The tail end of the season saw the team bouncing between 4<sup>th</sup> and 5<sup>th</sup> on the ladder (out of a total of 5 teams) and a lack of commitment from the team saw us regrettably needing to forfeit 3 of the last 5 games. We played our last game of the year against St Christophers and as stated at the start of this report, we started the way it ended – they beat us convincingly and we finished the season with the dreaded wooden spoon.

All up it was still a year of Rugby League. You win some, you lose some. Remember guys, it's all about the game and how you play it. I hope you all come back in 2018 for the u/19 season ahead and wish you all the very best. Thanks to the staff for your efforts this year and thanks to the Colts Committee for your support.

### **Jesse Walshe**

Seasons: 1

Tries: 15

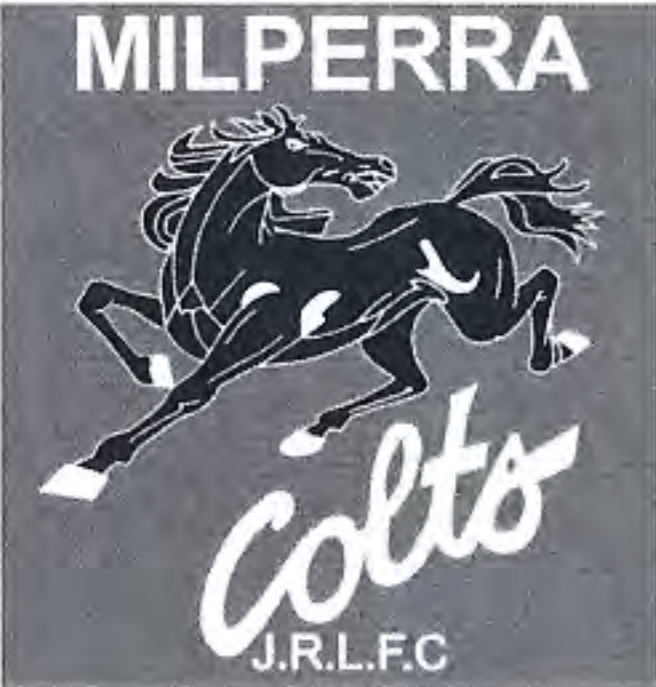

Jesse has great skills when running with the ball with an awesome fend when in the clear. Jesse is always eager to learn. Good defence come into play later in the year when he grew more confidence.

## Coach's Report

Season 2017 started the way it ended. It was a struggle to get players for the team and the one and only pre-season trial we played was constructed of a group of mates of mates who banded together for the day against St Christophers. That makeshift team went down convincingly but at least played the game in the right spirit.

How we end up putting 23 names up for registration I still don't understand but they kept coming. We had an abundance of players and I was faced with the difficult decision each week as to which 3 would not be able to pull on the beloved Colties jersey for game day. It ended up allowing me to rest players that had niggling injuries or were unavailable for other reasons and we put a few games together where we had a bench of 7 players and were able to win some games. We climbed to 3<sup>rd</sup> on the ladder and could see a bright prospect ahead for the team.

I, like most other coaches would have been pulling my hair out if I had any, with what happened next but due to personal circumstances of a few of the players we went through a 4 week stretch where we struggled to field a team of 13 and attendance at training was dismal. Everyone knows that you play how you train and the end result was we plummeted to last place on the

## **Coach's Report**

This year has been an absolute pleasure getting to know the team and their families... what a team they are!!

With only three players (Corey, Jake, and Brooklyn) having played before, pre-season training was all about getting to know each other and learning some rudimentary skills/rules of the game. All of the boys took to the game and each other very quickly, all eager for the season to start. The season started with challenges, we relied on Jake (the running tank) and Levy (the machine) to get us through the first few games, both contributing big hits and great runs all year.

As the season progressed the boys learnt that running straight through the gaps was where the tries happened. This idea created the legendary Eddie (the speed machine) and (Captain) Corey's rise to on field success, these two made a lot of ground running this year.

All the boys were getting a taste for running the ball but our defence needed work, Levi was leading the tackle and try count and all of the boys were watching his amazing example.

Scoring the tries was achievable but we needed a strategy for tackling, With the arrival of our new super trainer John we got that strategy "Tackle Together and Pump those legs". Working as a team in tackles really improved our defensive line.

Mason "the Muscle" and Raymond "The Rumbler" headed up the team tackling and started bringing down some field giants. By the end of the season the whole team were skilfully attacking, defending and supporting each other. Great team support allowed Hunter "the flash" and Brooklyn "the Brave" to step up and capitalise on these new-found skills scoring some great tries in the closing games.

Our manager Michelle did a great job of scoring and officiating over each game and none of this would have been possible without her there for each and every game!!!

In closing the year was an amazing journey for the team as a whole. We all made new friends, became great league players and had a ball doing it.

Thanks to all the players and families for making it possible, bring on 2018 colts.

## Coach's Report

Well what can I say this has been the most enjoyable fun season I have had as a coach for this great club. This team has potential to do something special if they stick together in years to come. All the boys can get better and better and I am excited of how good this team can be. Thanks to all the boys and the parents for a fantastic year. A BIG thank you to my trainer Scott for helping out at training and game day. Also, a team cannot run smoothly without having a great Manager and thank you very much Sam for doing a superb job.

<b>Xavier Aad</b>  Seasons: 1 Tries: 17 Points: 68		Another player in his first year of Rugby League and enjoyed scoring tries. He is one of the quickest players in the competition and scored plenty of tries with his speed. A genuine footballer and also made some great tackles during the year. Looking forward to seeing you get better next year.
<b>Jordon Allotta</b>  Seasons: 2 Tries: 4 Points: 16		Played his second season with the Colts and had a very good year. Has one of the best running styles with ball out in front of him in two hands. Made some great tackles as well during the year. Well done Jordon on a great season, see you back next year.

Bankstown Bulls in Round 14, it was pleasing to see how the boys responded over the following weeks.

We finished the season as minor premiers. We were fortunate to be given the first week of the semi-finals off and automatically qualified for the Grand Final.

We had a great preparation for the Grand Final. All the boys bought into what we were doing as a team which is very important for a game of this magnitude. Going "Back to Back" was the aim at the start of the year. The way we trained was exactly the way we played with the boys producing a near perfect game of football. We couldn't of asked for a better result. The coaching staff, the club and all the parents were so proud of each and everyone one of you boys.

To all the players, 1 to 17, you were all amazing and the result we got does not happen without everyone contributing like you did. I was very very proud to coach you guys. You have been a credit to the wonderful club – the Mighty Milperra Colts.

Played his first year of Rugby League and loved every minute of it as his smile suggested. He scored a few memorable tries this year and for a little bloke has a big heart. Great year Luke and one of the crowd favourites this year. Love to see you back again next year to get better and better.

#### Rorey Fuller

Seasons: 2  
Tries: 8  
Points: 32

Played his 2<sup>nd</sup> year with the Colts and had a great year. One of the speedsters in our team and scored some long-distance tries. Also, made some great tackles this year and has the potential to be a good player. Thanks, Rorey see you next year.

#### Zeppelin McBride

Seasons: 3  
Tries: 3  
Points: 12

In his third year at the club Zepp had a really solid year in both attack and defence. When he runs straight and hard can break the line as he showed when scoring his first try of the year. Can only get better if he continues to listen at training. See you again next year.

#### Aiden Passalis

Tries: 16  
Points: 64

In his third year in Colts colours and what a great season he had this year. Has one of the best tackling techniques I have seen in a mini player. Aiden is one of the leaders of the team, looking forward to seeing you get better next year.

<b>Laurent-Rae Peita Ioane</b>  Seasons: 1 Tries: 18 Points: 72		First year in Colts colours after playing for another team and we are not letting him go now. One of the leaders in both attack and defence. Our leading try scorer for the season and what a fantastic year he had. See you back next year Luey in colt's colours.
<b>William Ross</b>  Seasons: 1 Tries: 8 Points: 32		Played his first year of Rugby League and does not realise how good he can be. Had a great year in both attack and defence and played some memorable games for us. Made some great tackles and scored some great tries with his strength. See you back in Colts colours next year.
<b>Danny Zoabi</b>  Seasons: 1 Tries: 8 Points: 32		Played his first season of rugby league and got better and better as the year went on. Scored a few great tries this year and was our dummy half for most of the year. Great job Danny looking forward to seeing you back in Colts colours next year.

## Coach's Report

This was another successful year from the Mighty Under 14s Division 2, going on to become back to back premiers. This year we welcomed a new coaching staff with Matthew Walshe and Darren Barnard, taking a more hands-on approach with the boys and they responded well to their presence.

We started the year slowly with three players serving suspensions and having players away for touch football. This made it hard fielding a full team. Jaedyn Ott, Jake Lane and Harry Passalis from the Under 13s were able to play up for us. We are grateful for their efforts and we thank the boys and their parents for making this happen. We ended up with a loss from our first game but we were so proud of the boys and their effort.

As the year progressed, we started playing a great brand of football, which resulted in some good score lines for the remainder of that first round.

The boys went into the second round of the competition with a lot of confidence, knowing how we battled through the first round. As a result, the good results kept coming. We managed to have a draw against the Bulls in Round 9. Again, we were down on players, but the boys were very brave and hang in tough for one another during this game. This was pleasing to see this happen.

Enter Round three of the competition and the boys started this round a mirror image of Round 2 playing some great football.

Team effort was the key to our success this season with all the boys playing as a team and contributing week in week out. After the loss against the

## Coach's Report

Well boys another season down and another good year to look back on. We stayed in division 1 again this year, we had 8 boys who wanted to play the bare number we could have. We started the season as we did last year a bit slow but then when you realised we could compete and we were just as good, we strung a few good wins together. You boys showed great skill, guts and determination in every game you tried your guts out against sides that were sometimes bigger, and had a full squad of players. Halfway through the year Cameron breaking his collarbone we missed the big man for the rest of the year but you all turned up and gave your all every game winning the last against Moorebank with 7 players. Boys you have been a pleasure to coach for the last 3 years, always listening and turning up for training. Thank you it has been very enjoyable.

Thank you to Dave for being manager a very difficult job, especially with me as a coach. Always organising the team and making sure things run smoothly, good job again towers. Bealy for training the team, has a vast knowledge of kids footy, never misses training and is an asset to the boys (didn't lose the game ball this year and even got us another one). We have been coaching and training teams together for 20 years and it has always been enjoyable, solving problems with a beer after training and games, thank you for all your help mate.

Thank you to all the parents for all your support at training and game days over the last 3-5 years of coaching, bringing your child to training every week. I hope to see you all back in colt's colours next year.

<b>Cameron Beynon</b>  Seasons: 3  Tries: 2 Goals: 3 Points: 14		Cameron is a very strong runner of the ball and a good contributor in defence. He was having a good year until he broke his collar bone half way through the season. The team missed him at training and game days. He will be back bigger and better next year.
<b>Jett Chegwidden</b>  Seasons: 4		Jett is a solid and reliable player. He is seen moving up and contributing in defence which improved as the season went on. Jett was there to hit the ball up on the third tackle and was a very effective runner. He also filled in at dummy half and did a great job in this position.
<b>Kyle Ebbs</b>  Seasons: 4  Tries: 2 Points: 8		In my opinion, Kyle is the best dummy half in the competition. He makes great passes to our half backs and is also a slick runner from dummy half. Kyle's defence improved this year with a couple of try savers, the best one being against Moorebank in the last game. He is a good team player.
<b>Taison King</b>  Seasons: 2  Tries: 15 Goals: 2 Points: 64		Taison is another consistent all-round player. His strong defence stops the opposition in their tracks. Taison possesses good speed and he scored a lot of tries this season. He has filled in at half back and dummy half this season and done a good job at both, a good team player.
<b>Kruz Malai</b>  Seasons: 4  Tries: 10 Goals: 4 Points: 48		Kruz had another great year. His powerful running often busts the opposition apart. His defence was often bone crunching. Kruz was a reliable player every week with good support play and offload which resulted in some good team tries this year.

<b>Peter Mandatis</b>  Seasons: 1 Tries: 2 Points: 8		Peter just loves being there. So, happy to see him score a couple of tries this year, he always does his best and is safe under a high ball with his great catching skills.
<b>Harry Marsh</b>  Seasons: 1		Harry runs hard, tackles hard which defines who he is. Had an injury which limited his games this year, but his "never say die" attitude and determination defied the odds to be back for the Grand Final.

The Under 13s after winning the Immortals Challenge against Hurstville United

<b>Konan Veve</b>  Seasons: 3 Tries: 5 Points: 20		Konan is a great runner of the ball and when he winds up is very hard to stop. He is also a tireless defender in the middle. Had a very solid year well done.
<b>Solomone Saukuru</b>  Seasons: 1 Tries: 32 Goals: 5 Points: 138		Solomone is a great talent and he is unselfish, great team player. He excites and inspires all the boys around him. All round great player congratulations on the year and man of the match effort in the Grand Final.
<b>Jaedyn Ott</b>  Seasons: 8 Tries: 11 Points: 44		Just when you think you are getting to the edge of our defence, Jayden is about to grab you. He runs out wide in attack and defends on the edges. He does not stop and was one of our hardest workers this year.
<b>Jake Lane</b>  Seasons: 6 Tries: 9 Goals: 53 Points: 142		Jake was very solid in the middle this year. He works hard in defence and always happy to meet the opposition's bigger attackers. Jake has been strong in attack this year. Well done Jake!

<b>Ashton Macdonald</b>  Seasons: 5  Tries: 7 Goals: 11 Points: 50		Ashton is a very consistent player who can do everything on the field, good solid tackling with a great passing and support play. His kick offs this year were great, often kicking it out or into in goal area, where we would get the ball back.
<b>Aidan Simpson</b>  Seasons: 5  Tries: 9 Goals: 10 Points: 56		Aidan is another very consistent player. He is one of our half backs in the team and organises the boys well. Aidan possesses good speed (inherited from his dad) and a side step that would often fool the defence. He pulled off some great try saving tackles this year.
<b>Logan Towers</b>  Seasons: 3  Tries: 5 Goals: 8 Points: 36		Logan is a superb move up and tackle player often putting the opposition under enormous pressure. He was also one of our halfbacks who organised the team well, has blistering speed and scored many tries this year. His best try was against Sports where he scored off the kick off by beating the whole team.
		

<b>Konan Veve</b>  Seasons: 3 Tries: 5 Points: 20		Konan is a great runner of the ball and when he winds up is very hard to stop. He is also a tireless defender in the middle. Had a very solid year well done.
<b>Solomone Saukuru</b>  Seasons: 1 Tries: 32 Goals: 5 Points: 138		Solomone is a great talent and he is unselfish, great team player. He excites and inspires all the boys around him. All round great player congratulations on the year and man of the match effort in the Grand Final.
<b>Jaedyn Ott</b>  Seasons: 8 Tries: 11 Points: 44		Just when you think you are getting to the edge of our defence, Jayden is about to grab you. He runs out wide in attack and defends on the edges. He does not stop and was one of our hardest workers this year.
<b>Jake Lane</b>  Seasons: 6 Tries: 9 Goals: 53 Points: 142		Jake was very solid in the middle this year. He works hard in defence and always happy to meet the opposition's bigger attackers. Jake has been strong in attack this year. Well done Jake!

<b>Ashton Macdonald</b>  Seasons: 5  Tries: 7 Goals: 11 Points: 50		Ashton is a very consistent player who can do everything on the field, good solid tackling with a great passing and support play. His kick offs this year were great, often kicking it out or into in goal area, where we would get the ball back.
<b>Aidan Simpson</b>  Seasons: 5  Tries: 9 Goals: 10 Points: 56		Aidan is another very consistent player. He is one of our half backs in the team and organises the boys well. Aidan possesses good speed (inherited from his dad) and a side step that would often fool the defence. He pulled off some great try saving tackles this year.
<b>Logan Towers</b>  Seasons: 3  Tries: 5 Goals: 8 Points: 36		Logan is a superb move up and tackle player often putting the opposition under enormous pressure. He was also one of our halfbacks who organised the team well, has blistering speed and scored many tries this year. His best try was against Sports where he scored off the kick off by beating the whole team.
		

<b>Rowan McClelland</b>  Seasons: 4		When motivated Rowan made some good tackles and some strong runs. But more importantly Rowan is just a good kid.
<b>Whelan Paio</b>  Seasons: 2 Tries: 9 Goals: 2 Points: 40		Whelan started the season in great form with lots of strong running and good defence. Unfortunately for Whelan and the team he was missing for the second half of the season.
<b>Isaac Paretoa</b>  Seasons: 3 Tries: 7 Goals: 2 Points: 32		Isaac always runs strongly resulting in some good tries this year. His defence in most games was outstanding. A very pleasing year.
<b>Soulja Price</b>  Seasons: 3 Tries: 20 Goals: 1 Points: 82		Soulja was our leading try scorer this year, but his desire to chase down opponents, often with diving tackles was much more important.

### Coach's Report

We started our year with a team that was very undermanned, though we were still winning games even with 9 players at times. Just as we were starting to worry that we would have to fold we got a few players to give us the players and the talent to go on with it this year. Great effort with only two losses this year, well done to every player. Thanks Tracey for all you support week in week out and to Sharon for helping out when needed. To Nick and Rob thanks guys for all the help you offer.

Thanks also to the Under 12s that helped us out this year. Corey, Taylem, Cooper, Owen and Hunter, we could not have done this without your help and support.

I would like to congratulate this side on being Minor Premiers, Premiers and winners of the Immortal Conference Championship. Well Done !

### **Brendon Lecce**

Seasons: 8  
Tries: 19  
Goals: 1  
Points: 78

Had a great year with his powerful running in attack. Brendon always looked dangerous with the ball in his hand. His defence at the back was also sensational saving many tries. His attack and defence kept us in the game many times. He scored a couple of great tries in the first half of the Grand Final when we were really struggling.

<p><b>Johnny Dertilis</b></p> <p>Seasons: 1 Tries: 2 Points: 8</p>		<p>Strong and very fast, Johnny is a great finisher who plays on the wing. With more games under his belt and some confidence I know he will be making breaks in the oppositions defence all over the park. Great attitude and always very respectful.</p>
<p><b>Tim Jagers</b></p> <p>Seasons: 5 Tries: 8 Goals: 3 Points: 38</p>		<p>Great on his feet and taking high balls in attack, his defence had a significant improvement throughout the year and was hard to stop out wide. Another strong year.</p>
<p><b>Bailey Fuller</b></p> <p>Seasons: 6 Tries: 2 Goals: 2 Points: 12</p>		<p>Runs hard, and a great try in this year's Grand Final. Bailey always does his best and has a great step. Another great year from Bailey.</p>
<p><b>Zachery Spittal</b></p> <p>Seasons: 2 Tries: 3 Goals: 4 Points: 20</p>		<p>Very versatile and very good whether he is wing, centre or dummy half. His defence and confidence is improving and he is starting to get a solid frame. Looking forward to him playing again next year.</p>

<p><b>Wyatt Bathis</b></p> <p>Seasons: 3 Tries: 15 Goals: 1 Points: 62</p>		<p>Wyatt was our most consistent player all year. A strong ball runner and a great defender who encourages and inspires his team mates. If he keeps his cool, he will just keep getting better.</p>
<p><b>Lauren Fowler</b></p> <p>Seasons: 4</p>		<p>Lauren had another good year. Always made ground when she decided to run the ball.</p>
<p><b>Joshua Cartwright</b></p> <p>Seasons: 1</p>		<p>Josh came to us late in the season and that first game was a very big step for him! With continued training, he will only continue to improve.</p>
<p><b>Levi Jaworski</b></p> <p>Seasons: 1 Tries: 2 Points: 8</p>		<p>Levi is our youngest and littlest fella, who tried his best in every game and at training. As a first year player that's all any coach could ask for.</p>
<p><b>Aiden Lawrence</b></p> <p>Seasons: 3</p>		<p>Aiden improved again this year. His efforts in defence were pleasing and he ran strongly in several games, especially in our last few games.</p>

## Coach's Report

The 2017 season was a very rewarding one as coach of the U9s. We started with an inexperienced team including five players who were new to the game of Rugby League. Unfortunately, during the first half of the season we often fielded eight or nine players. Despite these obstacles all of the players turned up to training and to games with a terrific attitude, giving 100%.

We opened the season with two heavy defeats which only seemed to encourage the players to train harder. We quickly bonded into a close-knit team and became competitive against all teams. However, fatigue caused by a lack of numbers would often see opposing teams wrestle control of our matches. The team refused to give up and would often score the last try.

We finished the season strongly with two big wins gaining us qualification into the Plate Final Series. An impressive opening semi-final win against the Greenacre Tigers, followed by an equally impressive Qualifying Final win against the St George Dragons saw the team in the Plate Grand Final against the East Hills Bulldogs. In a valiant effort, the team were defeated 34-26. The club, supporters and parents should be very proud of the efforts displayed by the members of the Under 9s team. If the majority of this team returns next year then the 2018 season will be a very exciting one.

I would like to thank Hayley the team manager for all her efforts this year. Also thanks to Joe the team trainer and co-coach Niu Faioso who helped turn the season around.

Finally, and most importantly our thoughts and prayers go out Jai and his parents Gerry and Helen. Jai is suffering from Cystic Fibrosis and will need all of our support. His battle reminds us that football is just a game.

<b>Aialah Peita</b>  Seasons: 1 Tries: 3 Goals: 1 Points: 14		The first of the two girls in our team scoring two tries and two goals. One of the smallest but also one of the toughest.
<b>Cooper Belbin</b>  Seasons: 1		Another debutant who showed tremendous courage to even play after previous surgery. One of the big improvers who was always laughing and smiling.
<b>George Tuimaseve</b>  Seasons: 1 Tries: 11 Points: 44		A damaging ball runner who scored many long-range tries bulldozing opposing players out of the way. Also, the team joker who was fun to have around.
<b>Hadi Abou-Chaz</b>  Seasons: 3 Tries: 12 Goals: 4 Points: 56		In both attack and defence, he always gave 100% all game every week. A coach's dream. We need to find a new fitness drill to extend him.

<b>Hunter Scoon</b>  Seasons: 3 Goals: 1 Points 2		Hunter found himself changing positions also this year finding himself in the First Receiver role. He defence was solid and he made a lot of good tackles throughout the season showing he is a pretty solid player. It's always good to see Hunter happy and enjoying himself. He improved his tackling and it showed.
<b>Ryley Veigel</b>  Seasons: 1		Ryley another new comer to the club had a very quiet start to the season but improved so much with his defence getting involved with tackles and making tackles himself. He also started to run the ball and is developing a pass also. We could see Ryley was a little standoffish at the start and then once he started making tackle she improved and it was great to see.

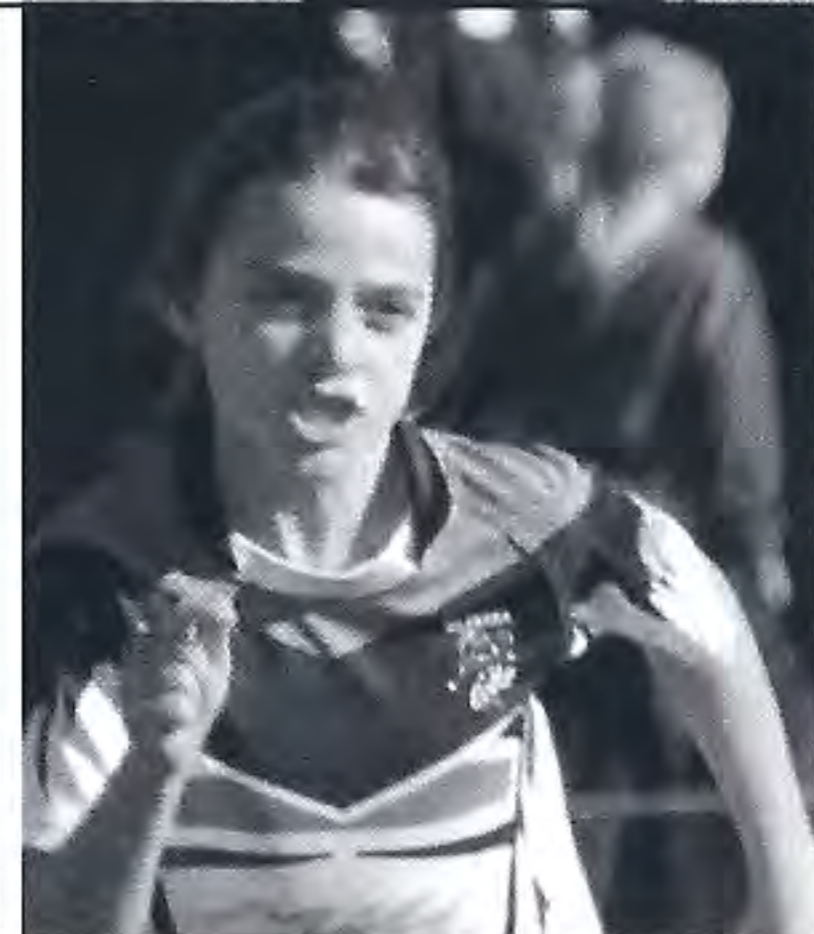

**Jarryd Walshe, Susan Tuimaseve and Malia Faioso**

These three players from the Under 11s played almost every week with us. They never complained about playing two games of footy every week. All three put in massive work in offence standing up to the older kids. Their defensive work was outstanding also making a lot of tackles. Thank you to these 3 and the rest of the kids that help us this year.

<p><b>Luke Montemurro</b></p> <p>Seasons: 1 Tries: 2 Goals: 3 Points: 14</p>		<p>Luke a new player to the club was very quiet at first but found his feet. Becoming a solid runner with the ball who has a good passing game. His defence was also very good. We found out late in the season what a good goal kicker he is. Luke improved and showed great passion for the game and the team.</p>
<p><b>Paul Montemurro</b></p> <p>Seasons: 1</p>		<p>Paul like his brother are new to the club. He found his way into the dummy half role and was very solid getting the ball out and making some good meters. His tackling improved from the start of the year. It was great to see him getting involved in the game and improving each week.</p>
<p><b>Taylem Ott</b></p> <p>Seasons: 6 Tries: 6 Goals: 5 Points: 34</p>		<p>Taylem had a good year for us this year. He was outstanding in attack being one of our leading try scorers. His defence was good too making a lot of text book tackles. It's so good to see a kid improve in so many ways on and off the field</p>
<p><b>Blake Rowlands</b></p> <p>Seasons: 2</p>		<p>Blake at the start of the year was a little scared but moving him into a new position saw him improve. He was running the ball and passing the ball. He was getting involved with tackling which was great to see. It's always good to see Blake smile and enjoying himself</p>

<p><b>Issa Derbas</b></p> <p>Seasons: 5 Tries: 3 Goals: 3 Points: 18</p>		<p>Here comes the Boom. Had his best season so far with strong running and an improving defensive game.</p>
<p><b>Jai Bruynius</b></p> <p>Seasons: 1</p>		<p>Easily the most courageous member of our team both on and off the field. A real character who was missed when he wasn't around.</p>
<p><b>Jarai Faioso</b></p> <p>Seasons: 1 Tries: 3 Goals: 5 Points: 22</p>		<p>The biggest improver of the year. His defence was bone shattering and also had powerful ball carrying.</p>
<p><b>Jayden Speechley</b></p> <p>Seasons: 3 Tries: 3 Goals: 1 Points: 14</p>		<p>Another strong season. Worked hard in defence and developed into an organising ball player.</p>

<b>Lucas Crowley</b>  Seasons: 1 Tries: 5 Goals: 2 Points: 24		A late inclusion in our team finally giving us a full team. Only played four games but he could be something very special.
<b>Matthew Veve</b>  Seasons: 3 Tries: 22 Points: 88		The most naturally gifted player with speed and power. His best game would leave the opposing team powerless to stop him.
<b>Zahara Holmes</b>  Seasons: 1		Finished the season strongly, gaining in confidence with the ball and in defence.

<b>Amani Faioso</b>  Seasons: 1 Tries: 8 Goals: 1 Points: 34		Amani was new to the club this year. He was running the ball hard and getting a lot of offloads away to his team mates. His defence was solid making a lot of very big tackles. It was good to see him fit in with boys from the first day. He improved throughout the year in all aspects of the game
<b>Corey Harris</b>  Seasons: 3 Tries: 4 Goals: 1 Points: 18		Corey started the year playing one position but was changed to another and was outstanding in that position and run the ball when needed. His tackling improved so much this year making a lot of 1-1 tackles. It was great to see him improve in a position that he at first wasn't comfortable in playing and made it his own.
<b>Robert Hutchinson</b>  Seasons: 2		Robert had another great year. His attack is only a little part of his game which he has improved and developed a nice offload. His defence is top notch and doesn't back away. Rob always shows that he wants to improve his game and will put in no matter if he is injured or not.
<b>Cooper Jones</b>  Seasons: 2 Tries: 3 Goals: 3 Points: 18		Cooper was making his defence count this year making tackles and never giving up. His attack has improved a lot with him also developing a nice passing game. It was great to see Cooper enjoy his footy again. He has improved so much with all aspects of the game including goal kicking.
<b>Owen Millar</b>  Seasons: 3 Tries: 8 Goals: 5 Points: 42		Owen had a good year playing in different positions this year and leading the team when needed. His defence was solid. Good to see him enjoying footy.

## Coach's Report

This year we had a lot of new players to the team who some had never played footy before or are just new to the club. I was very happy with the way we turned up each week at training and the game. We busted our guts on the field trying our best against full strength teams. We showed that even when we were down on players we still competed throughout the season. I saw that we are a team that is able to do a lot more on and off the field.

I would like to thank the committee for the help this year. I would also like to thank the three Davids (Harrigan, Hargreaves and Springall) and Rob Windschuttle for helping out on game day. Also like to thank Janet Hutchinson and Rod Jones for being the managers, Matt Veigel and Stewart Scoon for being trainers and helping out at training and in game days.

Also, a massive thank you to those players who played up for us this year. Finally, I would like to thank all the parents who helped out on game days

**Tyler Anderson**

Seasons: 1

Tyler is new to Rugby League and started the season late. He showed improvement throughout the season and showed that he is very quick and not afraid to get involved with making tackles against some of the kids bigger than him. We had little time to work with him and with what time we had it was enjoyable.

## Coach's Report

I feel that 2017 was another good year for the boys. I know that we have a trophy cabinet that is empty but to me that means nothing compared to seeing them improve as individuals and as a team. Skill levels are improving, team structure is improving and they should also be proud of how they defend. You can only achieve these goals if you have a really good group of boys which I can proudly say we do. I believe the competition was tougher this year and the team can hold their heads high as they have done themselves and the club proud.

You can never underestimate the team behind a coach. I would like to thank Col Walsh and Rob Windshcuttle for all their help throughout the year as trainers and Shane Brasch for his assistance as well on training nights. To our amazing manager, Leticia Brasch for all the hard work done behind the scenes each week. Thank you to the parents and grandparents for all your support throughout the year. Look forward to seeing you soon.

### **Daunte Barr:**

Seasons: 2  
Tries: 17  
Goals: 10  
Points: 88

Another very consistent year. Each week we would discuss how we wanted to play and I always had great confidence in Daunte to lead the team around the park. As a footballer, I feel he learnt a lot this year about the game and his leadership skills on the field were a huge bonus.

<b>Luke Phillips</b>  Seasons: 6 Tries: 9 Goals: 14 Points: 64		Another natural footballer that played in as a first receiver, his ability to get around players when running the ball is lovely to watch and definitely knows how to find the try line. Luke was a big part of our team's game plan helping us with those big kicks down the field.
<b>Logan Samoa</b>  Seasons: 1 Tries: 2 Points: 8		Logan had his first year playing football at the colts this year, he started off a little unsure about his ability but grew to be a major part of our forward pack charging up the field with each run. I am proud of his improvement this year and I have no doubt he will continue to improve.
<b>Susan Tuimaseve</b>  Seasons: 1 Tries: 1 Points: 4		Susan had a great season this year in the forwards, she gave the opposition a lot to worry about when she ran the ball and was a force to be reckoned with in defence.
<b>Damon Taufu</b>  Seasons: 2 Tries: 1 Points 4		Damon played on the wing this year, his speed when running with the ball was to be admired. Damon loves playing footy and that shows in his eagerness to play each week.
<b>Jarryd Walshe</b>  Seasons: 7 Tries: 1 Goals: 1 Points: 6		What a natural footballer he played most of the season as one of my first receivers, he controlled the team well, he shows great technique in his tackling that got us out of trouble many times and was always hard to stop when he takes on the line.

<b>Logan Braddick</b>  Seasons: 6 Tries: 6 Goals: 3 Points: 30		Made a huge contribution to the team each week. This year he took his running and tackling game to another level. His try saving tackle in the semi-final typifies his dedication to the team. I look forward to coaching Logan again next year.
<b>Kobi Brasch</b>  Seasons: 3 Tries: 20 Goals: 10 Points: 100		Played well each week. You can always rely on Kobi to make a good tackle or exceptional run when needed. Changed positions this year and handled it with ease. A pleasure to coach.
<b>Koby Cooke</b>  Seasons: 6 Tries: 7 Goals: 3 Points: 34		Had a great year, worked hard at training each week and it showed on the field. Played at dummy half and really sparked the attack. His defence out wide was an asset to the team. Should be proud of his year.
<b>Joel Dalziel</b>  Seasons: 1 Goals: 1 Points: 2		Joel had his first year with the Colts and we all enjoyed his character and company. He was also a pleasure to coach. His enthusiasm to always move up off the line and work at marker in defence was very encouraging. His running game improved each week and I am sure if he has another good off season he will only improve.
<b>Kortez Malai</b>  Seasons: 7 Tries: 6 Goals: 2 Points: 28		Had another strong season and always led from the front. He made a huge amount of metres with every run but I think we would all agree that his defence this year especially on the big guys was bone rattling. Well done Kortez.

<b>Kaden McClelland</b>  Seasons: 5 Tries: 1 Goals: 1 Points: 6		Really Improved this year in attack and especially in defence, when I watch Kaden at training he shows me so much hidden talent. I know once he transfers that to game day he will be a very good player.
<b>Metija Nunez:</b>  Seasons: 1 Tries: 1 Goals: 1 Points: 6		Players like this make coaching enjoyable. This was Metija first year at rugby league. He was always at training and wanted to learn everything about the game. That attitude showed as he improved each week and by the end of the year no one would have thought it was his first year. Well done mate look forward to having you back next week.
<b>Thomas Scott</b>  Seasons: 2 Tries: 3 Goals: 10 Points: 32		Always a fun-loving character and makes training and game day's lots of fun. Thomas is a player that has a big impact on our team. He is a person that people want to play with which is a special gift.
<b>Xander Walsh</b>  Seasons: 6 Goals: 1 Points: 2		Has really improved his overall game from last year. Big strong player who is starting to reach his potential. If he brings his outstanding semi-final performance into next year, look out opposition.....

<b>Malia Faioso</b>  Seasons: 1 Tries: 5 Points: 20		A stand out performer this year. Malia played in the forwards and was always hard to stop. She would always charge down the field helping us gain important field position and put fear in the opposition defence
<b>Jhye Foat</b>  Seasons: 6 Tries: 8 Goals: 7 Points: 46		The missile, he is fearless, I often was left wondering if he was hurt or not. It is not hard to tell. Jhye is as tough as they come, one of the hardest runners of the football just throwing himself into the defensive line. He was a great asset playing in the forwards help the team work our way down the field. Also, a great defender.
<b>Griffin Fuller</b>  Seasons: 4 Tries: 10 Goals: 8 Points: 56		Griffin played in at dummy half and in the centres this year. He is a great runner of the football dashing down the side line to score many times. Griffin has safe hands with the football which made him a great dummy half, with a good understanding of football he would always backing up and chasing those kicks down the field.
<b>Harrison Holmes</b>  Seasons: 2 Tries: 6 Goals: 8 Points: 40		One of the toughest footballers of the team, Harry played both in the centres and as a forward at times. You know what you're going to get from Harry on the field and that's 100%. He was always hard to stop with his never give up attitude but he unfortunately finished to season a few games short due to breaking his collar bone.

<b>Riley Braddick</b>  Seasons: 7 Tries: 6 Points: 24		<p>The dummy half dasher. Riley played as one of the dummy halves this year, he was a pleasure to coach, I knew I could give him instructions and it would get done. His ability to read when the right time to run from dummy half helped the team make valuable metres down the field and helped him find the try line when we needed the points.</p>
<b>Brandon Elhelou</b>  Seasons: 2 Tries: 2 Goals: 3 Points: 14		<p>Brandon played most of the season on the wing and fullback. His willingness to listen and learn each week made him a pleasure to coach. He had safe hands with his kick returns as he kept improving each week. He would always put his body on the line to make the important tackles.</p>
<b>Charbel El-Helou</b>  Seasons: 2 Tries: 5 Goals: 6 Points: 32		<p>Charbel played in the forwards this year. He is a great runner of the football charging up the field when the team needed it most. There were many time that we were defending our try line and he would make tackle after tackle to stop a try.</p>
<b>Jacob Fahd</b>  Seasons: 2 Goals: 1 Points: 2		<p>Jacob played out in the centres and wing this year, this was his first year back from playing as a young junior and he always showed tremendous courage in both attack and defence. I was proud to see him grow and develop taking on players twice his size.</p>

### Coach's Report

Under 11's 2017 season was a year full of growth and development both as a team and individually.

We had players join our team that had never played before that really showed enormous amount of heart combined with established players that have played multiple season that were really trying to find who they are as footballers. I had the privilege of taking over as the team coach mid-year from David Springall, I want to thank David for his commitment to not only the team this year but the club as a whole.

What I loved about this team is that they just love playing football, each week they were so eager to get out on that football field and compete which made them easy to coach on game day.

This year I really want to help the team develop from a group of individual great players to a group of individuals working as a one football team. We showed in most games that we had a true competitive fighting spirit and could match it with other strong teams.

One of the stand out games was against the Bulls in round 12 at Ruse Park we were unsuccessful that day falling short of a win but the team work we showed and the way we controlled the field position with that never say die attitude nearly bought me to tears at half time because of how well they worked together as a team.

I am proud of the team and what they have accomplished this year and I hope they will continue playing this great game of Rugby league in the years to come.

I want to thank both Warren and Vanessa for their ongoing commitment to the team each year. The team wouldn't be what it is without these two committed parents.

<b>Cooper Ward</b>  Seasons: 6 Tries: 11 Goals: 9 Points: 62		Had a good consistent season. Always keen to get in and make the tough tackles. Worked well with Daunte this year at first receiver and liked to run with aggression. Understands the game and very passionate about playing well to help out his team mates.
<b>Luke Windschuttle</b>  Seasons: 6 Tries: 6 Points: 24		Well what a year from Luke. He was always at training early working on his dummy half drills and didn't it show on game day. His urgency to move up and pressure the opposition to take an intercept or make a tackle was fantastic. Well done mate....
