Grant Bolling's **PRESIDENT'S REPORT**

Well another year is done! This has been the hardest year I can remember. It was meant to be a celebration for our 50th year but we had to change those plans.

A lot of organising and hard work was done so that we could take the field. Special thanks to Dave for his hard work, without him we would not have been able to play.

Our off season, well for the Committee we do not have one! Thank you to all the Colts family for their hard work knocking walls down, painting and laying grass. The Club house and change room look fantastic, I wish we could have used them, maybe next year.

Once we got the go ahead, we put 17 teams on field, our best since I have been at the Club.

We also had our first Open Women's team with 25 players with the youngest 18 and the oldest 47. Great effort ladies.

I was so happy that we had 4 teams for the girls and women's, let's keep moving forward girls.

We had 5 teams make it to the Grand Final and I was able to watch every game. I was so proud of everyone, and we were lucky we get one trophy our Under 16 Div 1 Gold.

It was a great game.

We had to put the party on hold but lets hope we can celebrate next year. A big thankyou to my executive we did not have an off season, you deserve one. Thank you to the Committee for their hard work. To the Coaches, Managers and Trainers, thank you to you all. To the parents and players, I hope to see you next year so lets recharge and relax and come back for our 51st year. Please stay safe and enjoy your Christmas.

David Harrigan's **SECRETARY'S REPORT**

And that was season 2020, the 50th Anniversary of the Milperra Colts Junior Rugby League Football Club. Just think, if the issues we as a Club faced this year had taken place back in 1970 the whole Club may not have gotten off the ground and then we wouldn't have had the pleasure of playing the greatest game of all during a pandemic. What a season it turned out to be. There was an inaugural pre-season skills program and a couple of trials and then it all stopped in late March. Then we could return to modified training in June. Then we stopped again in July right before the first game. Then we started again in mid-July... albeit for 10 weeks.

In what should have been a massive celebratory year for the Club we were lucky enough to be able to take the field at all. All of our grand plans for the year had to be thrown out the window due to the restrictions involved and a whole new set of rules had to be put into place prior to any activity involving Rugby League taking place.

We had home trials arranged for the first time in many years. We had a grand opening of the upgraded Clubhouse planned. We had another of our renowned Gala Days planned. And more. Instead we were given a difficult but simple choice to make back in June – were we as a Club going to participate in the abbreviated and modified structure of the game for season 2020.

Difficult because the Club Executive had to ensure the ongoing viability of the Club but also provide the opportunity to play Rugby League to our Community as the Milperra Colts had for the previous 50 years. Simple. Along with the special circumstances the pandemic placed on us, we had to make decisions in the best interest of the Club. The Milperra Colts were playing on.

A significant thank you needs to go to the Team Officials this year for staying committed to the task and for working with the restrictions throughout the year. I am pleased to confirm we had no cases linked to the Club which was a key concern for the Executive. The threat was near Killara Reserve, but you played by the new rules and helped keep our members safe and the game going.

And after all that we had one of our most successful seasons of late. A total of 17 teams were fielded this year including 3 female tackle teams and a female League Tag team. Five teams progressed through to the Grand Finals. Only one walked away with the Premiers title. The other four were not good enough on the day. Like others before them, they will learn from it and draw on that pain when it counts most in 2021.

I would like to personally thank the others on the Executive Committee for their work again in 2020. To the General Committee, thank you. And to the players, parents and (Covid19 restricted!) spectators, thank you for 2020. Go the mighty Colts and bring on season 2021!

Dave

Niu Faioso's UNDER 5'S COACH'S REPORT

I really enjoyed coaching this team of champions this season. A great bunch of kids, the smiles at training's and on game day says it all for me.

We started off with 7 players and ended up with 10 players by the end of the season. This has been the youngest age I've ever coached and I've learnt a lot from them regardless of score lines. I really wanted them to enjoy their footy and also learn the basics of our game.

We ended up being a really competitive side in the season I believe if this team stays together, they'll be something special in years to come for our club and our sport. All 10 players scored tries this season and to see the excitement and satisfaction on their faces as they look to their parents is why I enjoy coaching.

I would like to acknowledge and thank our manager Clem for your time and efforts in taking on your role for the first time for our team, our trainer Amani for your efforts and engaging with our team, one of our dads Daniel for your efforts and helping us out as well and to all our families for bringing your champion to training and to the games once again, I thank you all.

I'm so looking forward to seeing you all with our champions back for the 2021 season.

COLTS ON 3 ♥♥♥

Back Row: Clemencia Hanna (Manager), Blaze Hakes, Charles Faioso, Nathan Tobbagi, Antonio Dewes-Utiaro, Niu Faioso (Coach)

Front Row: Dominic Gauci, Joseph Hanna, James Denaro, Kauri Marsh, Aria Arthandi

Absent: Amani Faioso (Trainer), Kade Povey-Kingi

Every player is the **MVP** in Under 5's

Antonio Dewes-Utiaro

He joined our team with only 3 weeks to go, i found him as the protector of our team, he would be the first one to the ruck when his teammates got tackled. He is also a strong runner with the ball in hand and a strong defender.

Aria Arthandi

Our only girl in our team she started with us with only 4 weeks left. Never took a backwards step and enjoyed being on the field. Scored her first try at our very last game.

Blaze Hakes

A great player in the making, he had a great first season. Showed a lot of speed and was great with the ball in hand. Looking forward to seeing Blake back in 2021.

Charles Faioso

Playing last year in the U5'S did Charlie a world of good. For 2020 he showed a lot of confidence with his ball running and his defence. Great all round season.

Dominic Gauci

He came over from soccer and it didn't take him long to transition to rugby league Dominic played a great season showed plenty of speed and footwork and also great on defence.

James Denaro

Heart of a Lion showed plenty of courage this season James is one of our smaller athletes but never backed down from anyone with running the ball or tackling.

Every player is the **MVP** in Under 5's

Joseph Hanna

He also come from soccer Joey showed plenty of speed running with the ball and grew with confidence in defence.

Kade Povey-Kingi

He joined our team with only 4 weeks left, he would not come on the field at training's or for his first game. The following week he still would not come on to train but played his first game that week. Has a lot of potential to become a great player, he also scored his first try at our last game once he believes in himself, he will amaze a lot of people including himself.

Kauri Marsh

Never gives up, always gives his best. He has a tonne of speed, great footwork with ball in hand and grew in confidence with defence as the season went on.

Nathan Tobbagi

When he really wants to play, he is unstoppable, a very strong runner with the ball in hand. Also has great speed and footwork and pulled off some great tackles for our team.

Vincent Wihare's **UNDER 6'S COACH'S REPORT**

A year we can be extremely proud of. Not only the first year of footy for most but also the first year any of these players have been together.

Our season started with a bit of shock coming up first against an experienced side.

This forced us to quickly adapt to new training sessions preparing us for the season's challenges.

Our team displayed a huge improvement from this first round to the last by working together, becoming more confident in running and developing their tackling ability.

As a new team we have done really well, the players, parents and supporters have shown great sportsmanship and participation all year. Most of all, we all had fun. We left excited and ready for 2021

Back Row: Ken Ailiuua (Trainer), Louise White (Manager), Vincent Wihare (Coach)

Middle Row: Rae-Maree Edwards, April Fisher, Taiana Vaisima

Front Row: Jasiah Wihare, Jackson McGrath, Nicholas Edwards, Zephaniah Sakaria

Absent: Billy Theodosiou

Every player is the **MVP** in Under 6's

April Fisher

A silent achiever. Very quick with the ball and a determined runner. Showed resilience against some strong defensive teams. April showed support in defence to help her teammates complete tackles on some of the bigger opposing players.

Billy Theodosiou

A consistently high performer every game. Billy is naturally talented and full of confidence. He displayed a strong tackling technique with a spirit that chased the attackers all the way to line. He could read his defenders well and was able to duck and weave in between the defence tirelessly to bring his team a try. A great all-round player.

Jackson Mcgrath

One of the smaller guys on the team but played with a big heart. Managed to score a great solo try and always got up showing courage and persistence after taking a few hard tackles. Jackson was never afraid to run the ball straight.

Jasiah Wihare

Wore his heart on his sleeve and loved to see his team succeed and do well. Jasiah showed a strong attacking ability as one of the top scorers and also displayed tackling confidence toward the end of the year. His most memorable moments were his try celebrations.

Nicholas Edwards

Nicholas showed great improvement throughout the year. He managed to overcome a fear of tackling a few times and also showed some stronger running and attacking towards the end of the year. With a little more learning of the game's boundaries and some confidence in tackling, Nicholas will be set to be a strong player in the coming years.

Rae-Maree Edwards

A powerhouse forward. Very shy at first but found her feet once she bonded with her teammates. A very strong runner and carried well. Very proud to see her confidence grow and run strong to bust tackles in the defence.

Every player is the **MVP** in Under 6's

Taiana Vaisima

A great year for Taiana. Taiana displayed a strong running performance with the ability to break multiple tackles in the defence and also show speed on the edges. Taiana was a strong tackler and always keen to take the next hit up.

Zephaniah Sakaria

Great to see competitive spirit at a young age. Zephaniah was one of the top tacklers of the year and displayed great tackling techniques on some skilled opposing players. Zephaniah played with a very big heart and always looked out for his teammates as well.

John Abouhaidar's UNDER 7 DIV 1'S COACH'S REPORT

A great start to the season of 2020, with a fantastic preseason involving all the kids. Leading up to the week of kick-off we were hit with Covid and the season was on pause and in question. Unfortunately, this chain of events set the tone for the season and for the coaches and players and it was a really trying season with plenty of obstacles for coaches and kids. Nevertheless, we all pulled together and carried on trying our very best to make it as smooth as possible and not allow it to affect the kids. All the kids came back out of touch and definitely out of shape, so we pulled together and decided we have to start cracking the whip to get these kids back in shape and fit again, and that's just what we did. A few weeks in and these kids were looking sharp again.

Our team for some reason was nominated for Division I which we were not quite ready for but nevertheless we were still up for the challenge and testing the kids. The competition proved to be a little bit out of our league but my little soldiers played their big hearts out and gave 100% almost all of the time. As we gathered for our talk after each game they sat there battered, bruised & deflated knowing they didn't get the win and feeling they had disappointed me but little did they know I was the proudest coach in the competition and felt like we had won the grand final at the end of each game. I would always reassure them and tell them that the score line means nothing to me and that the effort was the most important thing to me. Quickly the smiles came back to their faces and uncle Cadbury came out and they had forgotten everything that just transpired and were ready to do it again the following week. I am blessed to have a fantastic playing group accompanied with great parents who always give me their 100% support.

A real special thanks to our manager Belinda who jumped into the managing role last minute and saved our season which allowed the kids to play. Also all my trainers Danny, Richard and Brian, who are ever reliable and always there to support me. I had a few clashing games this year due to my commitment with the under 14's girls and my coaches and trainers were ready and willing to step up and steer the ship. Thanks again for your full support. I am really looking forward to a full season with the kids next year and hopefully we do not have quite so many obstacles and the year runs a lot smoother than this year. Thanks again to all involved. God bless.

Back Row: John Abouhaidar (Coach), Belinda Brown (Manager), Daniel Mannah (Trainer) **Middle Row:** Tomah Shepherd, Rewi Shepherd, Thomas Makdessi, Jacob Abouhaidar **Front Row:** Noah Smith, Phoenix Price-Taimana, Jessica Fowler, Jonathan Mannah **Absent:** George Fear

Under 7 Div 1's AWARD WINNERS

BEST AND FAIREST

Rewi Shepherd

Mr reliable, he is one kid who is not afraid to work, always looking for work in attack and defence. Amazing speed and strength, not many teams out there who don't know who he is and are always anticipating his runs and tackles. Leads from the front with his hard work ethic. So eager to tackle and defend that he even takes out his teammates in the process LOL. Been working hard with him on preserving his teammates lol. fantastic effort.

BEST AND FAIREST RUNNER UP

Phoenix Price-Taimana

Phoenix is one of my best trainers, never questions or argues just gets on with the job which reflects on the field. Stand out for me is when we played Moorebank and we had just enough players to field. We were missing a lot of our speed and I called on her to do more running. Boy did she run, racked up five or six tries in that game. Defence is ever improving. Once her defensive game catches up to her running game, she will be an amazing force. Again, this kid is playing up a year, awesome effort girl.

COACH'S AWARD

Thomas Makdessi

I do not think this kid fears anything, never ceases to amaze me how brave he is. There could be a bear running straight at him and he would still be the first one out there to try and make the tackle. Excellent tackling technique. Always goes down low to bring down the big boys. Fearless and has a heart of a lion. He would get absolutely smashed and then when all the tears are done, he would forget what just happened and get back out there to do it all over again. That attitude and toughness cannot be coached, that is a gift that he has. Always turning up for his teammates and giving 100%. Also, an excellent trainer.

MOST IMPROVED PLAYER

Jessica Fowler

Fantastic trainer who tries really hard. Struggled quite a bit upon our return from Covid which trainers and I noticed. We agreed to put a lot of focus on her fitness, we threw a lot at her and pushed her quite hard which to our surprise she took in her stride and really turned it around and excelled. Super proud of her effort never complained while clearly hurting. Her running game and defensive game was making massive improvements. particularly her last game where she came out of her shell in a big way, making some massive tackles and fantastic runs. Unfortunately, Jessica sustained a head knock in training with two weeks in the season left which saw her side lined with a concussion. It was very disappointing as she was showing amazing signs of personal growth. Would've love to see her with a full season. Also, another kid playing up an age. Great job girl!

Tomah Shepherd

Amazing talent, when this kid turns up and decides to play, he is unstoppable. Great runner of the ball with excellent tackling technique. When this kid finds his confidence and believes in himself, he will surprise everybody including himself. Can't wait for that moment when the penny drops, and he understands his capabilities. Also, another kid playing up an age. Another great trainer who gets on with the job.

Noah Smith

Started of the season a little bit down on confidence and fitness. We quickly identified this and put a lot of focus and attention on him. Not long after his fitness levels and confidence grew again, and he was back to his fine form. Always working hard in defence and attack. Making heaps of important try saving tackles and always helping out his team with runs. Has a great attitude and always gives 100%. Excellent hard trainer and all a coach could ask for. Great job!

Jonathan Mannah

Has fantastic tackling technique, always chopping them low and bringing down the player. Took him a few games to find his form again but when he got going, he was great. He has a deceptive running style with a tricky swooping stepping technique which is quite effective and seems to work well and catch his opponents off-guard. Managed to rack up a few tries this season. Another kid once he believes in his capabilities he will be great.

George Fear

Another massive workhorse, always looking for work in attack and defence. He is like a heatseeking missile and I feel sorry for any kid that is carrying the ball when he has them in his sights. Super aggressive and strives to be better with each play. He gave me a hard time at training with his discipline early in the season but turned it around and made massive personal growth at training and with his discipline. The only trouble he was giving me was resting him in the game when it was his time to rest, a good problem to have when kids want to stay out there and work. Super proud of his progress.

Jacob Abouhaidar

Has speed to burn with a great running game and an excellent step. When he turns up and decides to play, he is capable of amazing things. Made big improvements in the tackling department towards the end of the season. Believe it or not he has amazing tackling technique and absolutely smashes his brother at home with textbook technique. Just struggling to get him to do it out there against other players in the game. Another player once he finds his confidence he will surprise himself and others

Charbel Baroud's **UNDER 7 DIV 2'S COACH'S REPORT**

This under 7's side that I had the privilege of coaching this year showed me what true courage really means. Even though they had no reserves all season they never gave up and showed the whole district that these 6 special little young men are the future of our great game!!!

Back Row: Charbel Baroud (Coach), Ashley Pomare (Trainer)
Front Row: Keanu Belmonte, Miller McWhirter, Maliyaan Compton, George Baroud, Brax English, Ash Pomare
Absent: Jacqueline Compton (Manager), Darren Compton (Trainer)

Under 7 Div 2's **AWARD WINNERS**

BEST AND FAIREST

Brax English

Brax's first year at the colts and we are glad to have him. He is the quietest out of the boys this year but you know what they say "Silent but deadly!". On the field a different person, comes out demonstrating one of the best attacking players that rugby league will ever see. He has passing skills that can't be taught only managed.

BEST AND FAIREST RUNNER UP

Maliyaan Compton

Maliyaan is a force like no other I've seen. He has the ability to tackle like you see 1st graders do, even our tackling bag says ouch when he hits it. A great runner of the ball, with his huge fend to the opposition chest. Greg Inglis watch out his coming for your jersey!

COACH'S AWARD

Miller McWhirter

Miller is the most enthusiastic young man I've ever met. For his first year of rugby league he shows great knowledge of the game, the hardest player to discipline because when you ask him to run a lap of the field he will always say "can we do 2 coach". With guidance Miller could be one of the greats in our game.

MOST IMPROVED PLAYER

George Baroud

George's second year of rugby league shows him to be one of the most improved players this year. Leading in try assists. He is always chasing and supporting his team mates. A clown off the field but on the field attempts to make every tackle and towards the end of the season, Be Aware! He started to find the try line a lot more.

Ash Polmare

Ash's second year of rugby league seemed to distract him with boredom and that's only because his extended knowledge of the game however when his boredom gets woken up Watch Out! The Polmare express will fly right through you. Ash is a great runner of the ball also a hard tackler on defence especially if you hurt one of his team mates. Ash is one to watch out for.

Keanu Belmonte

Keanu is one of the smallest and humble young man that the team is lucky to have. What he lacks in size he makes up with heart and courage, watching him run the ball is like watching a bouncy ball it's mesmerising. The opposition stop and watch while he goes through them all and scores. Keep it up, Little Benji!

Matthew Walshe's UNDER 8'S COACH'S REPORT

The under 8's team had a very hard season stepping up to 1st division this year. We had some new players join our side for their first year of rugby league this year and they fitted into the team well. Even with the step up in division the boys turned up every week and gave there all.

As the year went on there was massive improvement in the last few games of the season. I wish all the boys the best in the future as we have enjoyed having most of the players in the team for 4 years now. I would like to thank Dave the trainer and manager Jane for all of their help over the years.

Daniel Belmonte's UNDER 9B'S COACH'S REPORT

What a great year for the team. We started off slow, but we progressed into a force to be reckoned with, in the competition. We made it to the grand final and it was due to all the hard work the team put in at training. I am so proud of the team and can't wait to keep progressing their skills in the 2021 season. A special thanks goes to Anthony for helping with the trainings all season and putting up with me as a coach. Amanda for managing the team and to all the parents thanks for being patient and letting us get the best out of your kids, I'm sure the screaming mums got us over the line in a couple of those close games. I am pretty sure I got a few more grey hairs this season, but it was extremely rewarding watching the kids gain better skills and knowledge of the game.

Bring on the 2021 season!!!!

Michael Ross

Played with heart and spent plenty of time making speedy bursts down the sideline to get a try when the team needed points. He bleeds green and wears his heart on his sleeve.

Nick Moussa

Was a force for the middle. He ran the ball hard and made sure that when a run was needed out of our red zone, he'd put his hand up. He gained plenty of tackling aggression by seasons end.

Tony Denaro

Was a cheeky dummy half that knew the right time when to run the ball. He scored a lot of crafty tries from a quick play the ball and will only get better next year.

Hunter McBride

He came in late in the season but still stepped up to help out his teammates when needed. He was always willing to take and aggressive hit up from our red zone and make good metres.

Niu Faioso's UNDER 9W'S COACH'S REPORT

I really enjoyed coaching this team for 2020 not only did they have things to learn so did I. Meeting them all from the start of our season the different characters their smiles along with their efforts watching them grow and improve every week is why I enjoy coaching.

We had more losses than wins but that didn't faze me I believe sometimes you learn more about yourself and your teammates losing than winning. It builds you to come out stronger and better as long as they done and gave it their best that's a win to me every day of the week.

With our team's improvement each week, if 2020 was a normal season things would have been a lot different for us that's why I'm so looking forward to what 2021 brings us.

I would like to acknowledge and thank our manager Andrew for your work and efforts you put into our team , our trainer Armani for warming up our team and also coach John for helping us out throughout our season and to all our families for bringing your champion to all our training's and games throughout the 2020 season.

Stephen Crawford's UNDER 11'S COACH'S REPORT

What a year for the team, after a disruptive start because of COVID. The team started strong and right from the beginning marked ourselves as a real contender.

They played really hard and developed well as a team. It was great to see them make the grand final because they really deserved it after their effort all year.

They stepped up when they needed to and took on all challenges that came throughout the season. It was a pleasure to be a part of this team once again and see them grow. Looking forward to everyone's return next season.

Under 11's AWARD WINNERS

Kyle's knowledge of football continued to show and he had an outstanding year. He picked the right opportunities and was really difficult to stop. It was a pleasure to watch Kyle play and he really put his heart into every game.

BEST AND FAIREST RUNNER UP

Rhythm Taria

Rhythm's defensive effort on the field was outstanding and you could see his enjoyment and determination throughout every game. No opposition was too big to stop, and he would run at them just as hard.

COACH'S AWARD

Ashton Macdonald

After a year away from the team, Ashton found his place straight away and began to improve himself into his position as a play maker, when he would direct the play and provide opportunities across the field. His effort in defence when he would drop back on the last tackle showed his determination for the team.

MOST IMPROVED PLAYER

Lauren Fowler

Lauren had a great year this season. She showed her potential and stepped up in some really important games. Seeing Lauren gain some confidence and play her role gives a lot of excitement to what she can continue to bring next year.

Aidan Lawrence

Aidan continued to improve and really showed his improvement in our grand final. He was passionate on the field and a really good teammate, which reflected when he kicked the final conversion against Bankstown and the whole team raced over in celebration.

Amelia Fisher

Amelia played her first year of rugby league this year and she was very quick to find her feet. She quickly gained confidence in defence and showed her speed when she had some space. Welcome to the team Amelia and look forward to working with you next year.

Cameron Beynon

Cameron was fearless this year, and really led the team at training and on the field. His devastating runs would set the tone for the rest of the set and would put us in a really good position. Cameron captained the team to their first grand final and showed great leadership.

Jett Chegwiddden

Jett only knew one way on the field and that was straight and hard. It would take a lot of defensive effort to stop him, and would put himself on the line with his tackling effort, which showed when he landed the tackle of the year against Bankstown Sports.

Karliah Green

It was great to see Karliah return to the team this year. She was the smallest player on the team but that would not stop her from stepping up with fearless runs and showed great improvements in her defence.

Logan Towers

After having Logan play a few games for the team last year, it was exciting to have him on board for the whole season. His elusive runs and effort right across the field, especially in defence showcased all his skills in the game.

Ryan Hogan

Ryan would split the posts with his goal kicking, he did not miss one all year. He showcased his speed with some hard runs and would not let anyone beat him on the outside. Really excited to see Ryan continue to grow his game next year.

Soulja's speed was once again devastating, as he would cut through the opposition with a side step that would bamboozle the defenders. Some tenacious defence and willingness to take on the opposition was great to see. Looking forward to his return next year.

Wyatt Bathis

Wyatt presented himself as a real threat on the field. His low tackles would stop the other team right in their tracks. Wyatts hard runs would leave a trail of opposing team members lying on the floor. He showed a lot of courage in a tough night game when he was injured at the start of the game, but refused to come off and didn't decrease his effort.

Kevin Chambers' UNDER 12'S COACH'S REPORT

The players put in a massive effort throughout the course of this stop start Covid affected 2020 Season. The boys started with an early preseason and continued their training individually, posting efforts on our team page, encouraging team participation. Once official training resumed and the season was under way the boys trained on sand hills, Flinders Slopes, Tennis courts, Killara and even Soccer fields to make sure they were doing everything possible in order to have a successful season. After all that training it was great to be finally be playing footy.

After winning the 2019 Div 3 title, the team was faced with the challenge of moving to a higher division. It was a challenge which the boys met by making the Div 2 Grand final. Unfortunately, the boys didn't have their best game on Grand final day beaten by St Christopher's who had been the best team all year and were deserved winners. The boys couldn't have tried any harder and their parents as well as the club should be proud of their efforts.

This season was the last season that the boys will be playing under the Mod rules and have already set their goals on becoming a division 1 team. If they maintain the same attitude towards self-improvement, I am very confident that the boys can meet this challenge.

Finally, I would like to thank Joe, Anthony and Shannon for their help coaching the boys this season. Their help is the reason the players continue to improve. Also, a big thank you to Rikki who takes care of all the logistics allowing the Coaching staff to concentrate on footy. To the guest coaches who gave up their time to help the boys prepare for the Grand final, Thank you. Bring on 2021!

Ben Galway

Ben worked hard all season to become a strong dummy half. He always trained hard and gave everything he had.

Barry Ward's UNDER 13'S COACH'S REPORT

This season was a very trying year for the staff and team. It was great that we had 6 new boys join us this year. With the influx of new players Covid set us back a fair bit in regard to preparation for the 2020 season.

We also had Matty and Ethan out for most of the year with season-ending shoulder injuries.

Being a shortened comp, we changed the entire team structure and positions in preparation for the 2021 season. I believe they will become better individual players and will be ready to go next year. Unfortunately, this year was our worst year in 5 years but sometimes you have that and I'm sure all the boys are happy it's over.

I would like to thank the boys and coaching staff for putting up with my well explained drills and mood swings throughout the year.

Again to Col, Rob and Leticia I really do appreciate all the hard work you put into the team especially when I couldn't make it due to work commitments

COACH'S AWARD

Logan Braddick

Played out of position due to Ethan being injured. Worked hard all year on his game and really helped the team out with some strong performances.

MOST IMPROVED PLAYER

Luke Windschuttle

When he is on, he is on. Mate you played real tough, consistent footy this year. You wanted the dummy half position and once you got it you never let it go. Good season mate.

Cooper Ward

Had a year he would probably like to forget. Saw a few glimpses of how he can play, made some great tackles and runs but I'm sure he will be waiting for next year to come around faster than ever.

Curtis Gyamfi Jr

Another consistent year for you Kentucky. Always tried hard no matter what position you played.

Daunte Barr

Had a consistent year and the improvement in your tackling is a credit to you.

Ethan Renton

Unfortunately lost for the season. I knew he would be a huge loss to the team but realised he was an even bigger loss and is a very integral part of our team.

Jake Trajkovski

Got some great footwork and loves to tackle. Fairly new to the game and will also be better for the run this year.

Kardin Nguyen

New to the team, very fast and improved with his hands as the year went on. Made some great determined tackles.

Koby Cooke

Tough kid who always plays well when nothing is going our way. Always loves to tackle.

Zachariah Bazzi

Plenty of raw talent, once he understands the game with time will become a very dangerous player.

Adam Samhat

New to the game and did not know much about the rules or positional play. Improved so much throughout the season and will be even better when he plays next year.

Rylee Flanagan

Does not realise how talented he could be. Once you learn to concentrate with the ball in hand and not take it easy for sides to tackle you, you will become a real dangerous player.

Matthew De Angelis

Saw some even better signs this year before he unfortunately got injured and missed a lot of the season.

Liam Dumlowski

Second year at the Colts and improved again on last year. Made some really good tackles when it counted.

Joshua re-joined our side mid-season after an injury last year. Josh is a big mobile forward and our side definitely gained meters when he returned to the field. He has great defence and is very hard to stop. A pleasure to coach. See you again next year.

Zion Ualesi

Zion had another awesome year for the team with his hard running and brutal defence. Zion for a front rower also has great ball skills just as good as any halve. He is a absolute gentleman.

Konnall-jon Annan

Konnall is a new addition to our side and played a great role in the backs mostly in the fullback position. He has some great pace and awesome defence. A pleasure to coach.

Lewis Bryson

Lewis had his second year with the team and as always worked hard in the middle. When on the field he always lifted he's team mates to move forward. A great asset to our team and I hope you return next year.

Logan Samoa

Logan was always trying to put the big hit on his opposition. Always putting in 100% . He played in the middle and sometimes on the edges when needed. One of the hardest runners in the team and very tough to stop. Awesome work.

Luke Phillips

Luke returned to his favourite position in the halves this year and done a great job. He took the line on every game and steered the team around very well. He has a great kicking game and can kick goals from the sideline. Great asset.

Wayne Moffat

Wayne as always has great defence and great ball running skills mainly playing in the centres and sometimes hooker. Very versatile player always doing his job. Well done mate.

Justin Naumovski

Justin is a new addition to our team with his size and hard running fitted in well. Always trying hard and even scored with his first couple of touches. Welcome to the team and I hope you return next year.

Yousef Hamze

Yousef joined our side mid-season and played a few games on the wing when needed. Always trained well and tried hard.

Warren Panapa's **UNDER 14 GIRL'S COACH'S REPORT**

Great season girls, undefeated all year up until the heart breaking, gut wrenching season final loss.

Dominated the whole season and showed what great defence is made of.

My first girls team to ever coach and one of my favourites.

Thank you for a great season, looking forward to next year where we go one better.

Thank you to my first aider Katie Lawrence, my trainer John Abou-Haidar and manager Lisa Faioso. Lastly, thank you to all of our supporters.

Back Row: John Abou-Haidar, (Trainer) Lisa Faioso (Manager), Heavenly Veve, Kellie Rautahi-Randell, Caitlyn Halse, Tyneisha McClintock, Tarlia Livingstone, Susan Tuimaseve, TeAira Rehutai, Warren Panapa (Coach), Katie Lawrence (Trainer)

Front Row: May Abou-Haidar, Jazmyn Panapa, Elizabeth Neiufi, Tehillah Prasad, Malia Faioso, Grace Leiataua, Chloe Beazley, Aliyah Owusu-Mensah

Absent: Amel Jarrah

Under 14 Girl's **AWARD WINNERS**

BEST AND FAIREST

Malia Faioso

Captain courageous, this girl leads from the front with her defence and attack. Malia leaves it all on the field week in, week out and I believe is the most feared person in our competition. I have no doubt that she will be playing for Canterbury in the near future.

BEST AND FAIREST RUNNER UP

Caitlyn Halse

Our Vice-Captain is another player who lead the way for our team. Without any doubt one of the best play makers I have seen in this age group or any other, again I have no doubt Caitlyn will also be in the Canterbury team in the near future.

COACH'S AWARD

Grace Leiataua

Grace is Lizzies partner in crime in the second row and is just as impressive in this position. Grace is another representative player in the making.

MOST IMPROVED PLAYER

Elizabeth Neiufi

Lizzies first season was one to remember. An outstanding second rower who has a very bright future in our game. Lizzie is another player expected to be seen in representative colours.

Aliyah Owusu-Mensah

We call her the flash; Aliyah is that fast she runs over the dead ball line to score tries. With her first season of Rugby League and a play named after her, I see great things for her future.

Amel Jarrah

With half a season under her belt, she shows great commitment and potential as a Rugby League player. As a new player, I was very impressed with her progress through the season.

Chloe Beazley

Chloe is one of the best centres in the game, both defensively and in attack. She is definitely one to watch, we predict to see her in Canterbury colours in the next couple of years.

Heavenly Veve

Heavenly is one of our returning players from last year and once again trustworthy as ever with her defence. Heavenly was our utility player this year and no matter where she played, she stood out in that position.

Jazmyn Panapa

Jazmyn is a returning player; in her second year of Rugby League she has made tremendous improvements to her game. This little girl, pound for pound is the best defensive player on the field.

Kellie Rautahi-Randell

This is Kellie's first ever season of Rugby League. From a very timid beginning she has improved out of sight. A reliable replacement front rower and always gives 100% when called upon.

May Abou-Haidar

When I first met May she was so shy and timid I didn't think she would make it in Rugby League, but I was proven wrong. The reason I choose to coach is because of players like May, who came out of her shell, bonded with her teammates and shown me what true heart is.

Susan Tuimaseve

Susan is our sleeping assassin who comes off the bench in full beast mode. Another retuning player who has a bright future in our game.

Tarlia Livingstone

Tarlia is one of our diverse players, our fast and effective winger/dummy half. Tarlia is not new to the sport and this shows on the field, she will do great things in the near future.

TeAira Rehutai

TeAira is the baby of our team and also our starting front rower. This is not her first season of Rugby League and it definitely shows on the field. She is one of the toughest in the middle and yet another representative player in the making.

Tehillah Prasad

Tehillah came to us from Moorebank and I am thankful that she did. She is one of our play makers and helped steer our team to the grand final, she is with no doubt another future representative player.

Tyneisha McClintock

Tyneisha is a first-time player who came to us from a netball background. If you didn't know she was a netball player, you would think she'd been playing football her whole life.

Jokatama Sakuru's UNDER 16'S COACH'S REPORT

The 2020 season for the 16's Boys was definitely a year to remember.

I'd like to thank my staff. Steve Matai (Assistant Coach), Robert Lecce (Trainer), Scott Lane (Trainer) and our Manager Alison Lane for an awesome job.

To the boys who joined us this year for the first time. Jesse, AJ, Joey, Jack, Jacob and Kitone. Thank you and I hope you enjoyed the experience.

Well what a year our boys have had winning 7 from 8 games, beating last year's Premiers Chester Hill twice but then getting beaten quite convincingly by competition leaders St Johns in round 6, which was a rude awakening. The way the draw panned out made it a real motivator for us to win the rest of our games to meet St Johns in the Grand final.

This is where we were to get our revenge by finishing as **2020 PREMIERS** with a 30-18 victory!!

Back Row: Alison Lane (Manager), Isaiah Liufalani, Sitiveni Tamani, Solomone Saukuru, Jake Lane, Jonathan Sua, Levi Osei, Koby Douglas, Lajuan Vito, Jokatama Saukuru (Coach)

Middle Row: Jalal Hajar, Harrison Valevatu, Anthony Simms

Front Row: Jarred Carney, Jack O'Keefe, Lisiate Tupou, Paul Alamoti, Iverson Teo, Brendon Lecce, Jesse Bock

Absent: Scott Lane (Trainer), Steven Matai (Trainer)

Under 16's AWARD WINNERS

BEST AND FAIREST

Paul Alamoti

Our skipper Brandy lead from the front in all aspects. Hard trainer, motivator to all around him. Always comes up with a moment that leaves you scratching your head thinking "How the hell did he do that". He played an awesome grand final scoring 22 of our 30 points on the day.

BEST AND FAIREST RUNNER UP

Solomone Saukuru

Big contributions all year. Scored some classy tries with a "never say die" attitude. Got us out of trouble a few times combining with Brandy, Ivy and Co.

COACH'S AWARD

Isaiah Liufalani

The team "Nutcuse"!! Off the field you wouldn't meet a more generous, honest young man. But on the field, he turns into the complete opposite. When your teams lead front row offers out the opposition forward pack in the grand final you know he's one of those players you want beside you not against you.

MOST IMPROVED PLAYER

Levi Osei

The most improved player in the comp. Levi went from the wing to front row and passed with flying colours. You would hear the opposition teams identifying him as a spot player, but he would consistently rise to the challenge and give it 100% every game.

Brendon Lecce

Started the season well then hit a flat period mid-season but came back and redeemed himself with 2 good performances at the back end of the season.

Harrison Valevatu

Harry missed majority of the season through injury but the one game we needed out 9 to fire he pulled out his best performance all year and in my eyes put his hand up as the best 9 in the competition.

Iverson Teo

Off the back of a great Harold Matts season Iy never missed a beat when it came to direction and execution. Steered the team well. Defends above his weight and can fill in as a handy 9 as well.

Jack O'Keeffe

Came across from the Parramatta comp thinking we were a third division team LOL! Never missed a training session. Always gave 100% in all efforts and willing to learn.

Jake Lane

Jake was consistent all year round. Jakes a keen learner. Absorbs everything taught to him. As a coach Jake is the type of athlete that you explain things to once and give his 100% in executing the skill and won't stop until he does.

Jalal Hajar

Another first year of league and never took a backward step. Played on the wing and held his own when needed.

Jarred Carney

Smallest forward in the team but never shied away from the tough stuff. Put his body on the line against much bigger opponents but always getting back up and going again.

Jesse Bock

First year with the boys. Safe on the wing, stood up in the heat of the battle with some key efforts.

Jonathan Sua

Jono played the season as full back. Covered as a makeshift 9. Great footwork, speed and great defender.

Koby Douglas

Big, fast and strong runner of the footy. Played consistently all year. Massive game on grand final day which silenced a few critics.

Lajuan Vito

Started off the season slow but the positional swap with Lisiate brought the best out of him. Massive carries and grand final day creating momentum on our go forward.

Lisiate Tupou

Played wing in Harold Matts but played majority season as lock. Only moving to the left edge in the second last round where he hold his own. Combination with Ivy & Koby proved vital as another attacking option.

Sitiveni Tamani

Came back to the club this year and was a very popular team member. Big front rower that pushed himself and all through the regular season to this year a successful one.

Anthony Sims

First year of Rugby League. Straight into Div 1 and gave it his all. Quick off the mark with sharp footwork.

Kevin Chambers' UNDER 16 GIRL'S COACH'S REPORT

It was very exciting and special to be involved with one of three female Rugby League teams at the club this season: a first for the Milperra Colts. The Club and their supporters should be proud of the players and their efforts this year. The players were quick to form close friendships with each other over a short period of time. I have not been part of a team that enjoyed each other's company as much.

When we played to our potential, we were able to not only match but outplay most of our opponents. Our best footy was very exciting to watch and very entertaining. In three out of four quarters the team would be great however there would always be one quarter in which the team lost concentration and lacked focus on our tasks. Consistency was our biggest obstacle this season. The lesson we need to take into next season is the need to play every quarter at the same level and intensity.

Our team had some dynamic and powerful athletes. Some of the tackles were bone crunching, that often-left opponents regretting their decision to run the ball. Other players had a swerve and a step that would leave defenders grasping at thin air. The players have an abundance of talent and potential that our game day results did not reflect. However all but one player only turned 15 this year which means the girls can come back bigger and better next season. I'd like to thank David and Danielle Towers for all of their help this season. Thanks also to Lucy for her help on game day. And thanks to all the players for their efforts and the lessons that I learnt this year. Bring on 2021!

Back Row: David Towers (Trainer), Lucy Martin (Manager), Angelaina Pesamino, Amenah Nuualii, Leah Neiufi, Danielle Towers (Trainer), Kevin Chambers (Coach)

Front Row: Lusiana Navale, Maria Funa, Jessica Ashcroft, Dalia Nabhan, Waimarie Martin, Angelina Muliufi, Zahraa Abo Tbeek, Suga-Rae Hemara

Absent: Tahleah Sorovaki

Under 16 Girl's **AWARD WINNERS**

BEST AND FAIREST

Waimarie Martin

Always gave 100 % on gameday and at training. Wai consistently would carve up opposition defences with incisive running especially around the ruck and was a strong hardworking defender.

BEST AND FAIREST RUNNER UP

Amenah Nuuialii

A very gifted athlete who could be devastating in both attack and defence, an awesome combination of speed and power.

COACH'S AWARD

Maria Funa

A very talented first receiver that played her best when nice and relaxed. Maria could implement a game plan but also knew to take other options that arose. She was a great trainer with a fantastic attitude.

MOST IMPROVED PLAYER

Tahleah Sorovaki

A powerhouse player who would rattle opponents with her crushing defence.

Angelina Muliufi

Angelina has all the physical attributes a player needs. She is fast, agile and powerful and has scored some scintillating tries this season. She was fun to have around the team this year.

Dalia Nabhan

A real pocket rocket that never stopped trying. Dalia had a great attitude towards training and on game day. She is a fearless defender and incisive runner.

Leah Neiufi

A new player to Rugby League who's confidence along with her playing ability continued to improve as the season progressed.

Lusiana Navale

Another player blessed with natural athletic abilities. Luci could split defences with her powerful running but was equally as good defensively.

Suga-Rae Hemara

A very strong runner of the football who continued to improve all year. She was a very popular member of the team.

Angelaina Pesamino

Ainah has improved tremendously over the course of this season. Buoyed with self belief she is now a defender capable of some massive hits and also carries the ball strongly into contact.

Zahraa Abo-Tbeek

Smallest Forward In The Team But Never Shied Away From The Tough Stuff. Put His Body On The Line Against Much Bigger Opponents But Always Getting Back Up And Going Again.

Jessica Ashcroft

A late season arrival who fitted in well with the team. Jessica has the ability to become a very good player that impressed in her limited appearances.

Barry Ward's UNDER 17 LEAGUE TAG GIRL'S COACH'S REPORT

I always enjoy coaching this team and its always a great team environment to be involved with. We had some girls having their third year of league tag along with an influx of new girls to the Colts.

Obviously COVID played a big part of the 2020 season along with only having 4 teams competing for the title. I believe this year we had a better skilled side than the previous year but unfortunately it was a struggle to get all the girls to training at each night and I feel we never gelled as good as we could as a side and I think this certainly effected our game day performances.

We had some great individual team performances along with some good team performances.

I have to say the girls tried their hearts out each and every game and should be proud of having a never give up attitude. It is so important to have great support around a head coach and I have to give a very special thanks to Rob Windschuttle, David Harrigan and Kerrie Elliott for all your hard work on and off the field.

I hope I see you all back next year.

Back Row: Barry Ward (Coach), Madison Windschuttle, Emilia Alibrandi, Monique Vong, Hayley Elliott, Emma Howard, Taylah Ward, Marina Dougham, Danielle Lane, Rob Windschuttle (Trainer), Kerrie Elliott (Manager)

Niu Faioso's OPEN WOMEN'S COACH'S REPORT

Back in 2019 some of the ladies had an idea to start an open women's rugby league team. This was over a couple of drinks at the parent's night and this was how it all began. They asked me would I be interested in coaching and I jumped at the chance to be part of something that I could see would be very special.

We started training late October with around 10 ladies and it grew from there. We ended up with 25 committed ladies who turned up during the summer months twice a week in preparation for the season. Jax and Kristina were chosen as our Captain and Vice-Captain and they both took it so well. They lead the team on and off the field and were a perfect choice for this team. I thank them both so much for what they did, they were true leaders.

Only a few days away from our first trial COVID hit. Many ladies continued their own training at home and finally we got the green light to start training again and get ready for our season. We were then hit again when Canterbury pulled out of the first two rounds. After so many setbacks we finally had our start. We ended up playing 7 games in total. Our first game was a win, and I could not have been prouder. All the work we had put in was coming together on the field.

We ended up winning two, one draw and four losses but came in 5th place out of 9 teams. This was an amazing effort considering 90% of the team had never played rugby league before. Out of our team Angelina Teka was chosen to trial for Tarsha Gale with Bulldogs, roosters and Tigers and the Cook Islands World Cup team. Marz and Praise were also chosen for the Cook Islands World Cup team. An amazing effort for two of the three who have never played Rugby League before.

As a coach I am extremely proud of this playing group who gave everything they had every week and to Victor, Joe, Katie and Nicole I want to thank you for all the effort you put in to this team to make it a success. Lastly, I want to thank Jax for everything she has done this year. Her effort on and off the field was second to none. This was Jax's final season as she is moving out of Sydney. She will be dearly missed by everyone but will always be a Coltie!
